

**36th Annual Session of the Academy of Environmental Biology
and
National Symposium on
“Impact of Emerging Toxic Chemicals on Humans, Plants,
Diseases and Sustainable Development” (IETC2016)**
www.jamiahamdard.ac.in/ietc2016/

November 25-26, 2016

**Jamia Hamdard (Hamdard University)
New Delhi - 110062**

Dear Sir/Madam

We are pleased to announce hosting of the above event on our campus in the month of November 2016. It is expected that the event will be attended by a large number of young and experienced researchers from all corners of India. We will be investing our resources to make this programme a success. However, we seek collaboration and sponsorship from industry, other organizations/intuitions working in the field related to the theme of the Symposium. The Symposium and associated programme will provide ample opportunity of interaction and exposure that will serve as an academic marketing platform. The contribution will be duly acknowledged and logo and other publicity material of the collaborating/sponsoring partner will be circulated and highlighted.

Type of collaborator/ sponsor	Minimum Contribution	Benefits
Platinum	Rs. 2.0 lakh	1. Full page publicity insert in Abstract Book. 2. Flyer inset in Abstract Book. 3. Space for kiosk at the venue.
Gold	Rs. 1.0 lakh	1. Full page publicity insert in Abstract Book. 2. Flyer inset in Abstract Book.
Silver	Rs. 0.75 lakh	1. Full page publicity insert in Abstract Book.
Bronze	Rs. 0.50 lakh	1. Half page publicity insert in Abstract Book.

Besides the above categories, we also invite proposals for complete sponsorship of technical sessions related to the symposium theme to be mutually decided by the Sponsors and Organizing Committee. The terms and conditions of such sponsorship may be deliberated with the Organizing Committee.
