The Examination Centers/ halls of above schools were visited/ inspected by the members of the team.

It was observed that the examinations were being conducted peacefully. There was no cheating or copying atmosphere. The number of invigilators were quite sufficient as compared with the number of students in most of the rooms. The seating arrangements were also satisfactory. The spaces for the students were quite sufficient, and the distance between rows was quite sufficient. There was proper maintenance of records of students going for wash room.

Room No-9, 401 and the orange room were slightly congested.

Quite a significant number of students were observed to be absent.
