## About Jamia Hamdard

Jamia Hamdard is a NAAC accredited (re-accredited in 2011) category 'A' university, granted the deemed to be university status by the Ministry of Human Resource Development on 10<sup>th</sup> of May, 1989. Located at a prime location in South Delhi, the university houses eight faculties, a medical college, hospital, and centers including the DBT supported Bioinformatics Infrastructure Facility. Over the years, the university has been recognized as a premier center of higher education and research in health sciences, and attracts students from within India and abroad.

## Bioelectronics and Instrumentation Program

M.Sc. Bioelectronics and Instrumentation is an innovative program supported by UGC which is aimed at integrating the domain knowledge of engineering and life sciences to address and understand the various aspects of instruments used for biological applications. The aim of this conference is to promote further growth and development of the field by imparting knowledge to participants from resource persons drawn from academia, health sciences and industry.

## Topics to be covered

- Bioelectronics as future science
- Biosensors in health and environment
- Biomaterials
- Biomedical Instrumentation
- Biomedical Sciences
- Genomic and Proteomics
