Hamdard Centenary Research Fellowships - 2013

Applications are invited from researchers around the world for a limited number of 'Hamdard Centenary Fellowships' created in honour of the Founder, Jamia Hamdard, **Hakeem Abdul Hameed**. The Founder was a renowned physician of Unani-tib who promoted integrated research encompassing the traditional and modern approaches of therapy. As a tribute to his philosophy, these high value fellowships will be awarded on a competitive basis to the young researchers to work on interdisciplinary research problems.

The Fellowship

Fellowship will be open to individuals of any nationality for post-doctoral research work in frontline research in the core competencies of Jamia Hamdard such as pharmaceutical research (all fields), biotechnology (plant biotechnology, vaccinology); biochemistry (protein biochemistry; liver disorders and their prevention); botany (plant molecular biology; plant physiology; medicinal plants); toxicology (cancer chemoprevention; neurotoxicology; ecotoxicology); chemistry (medicinal chemistry; natural product chemistry); nanomedicine; translational and clinical research or any other discipline of research at Jamia Hamdard.

Eligibility

- Ph.D. in relevant field from a recognized University.
- At least two years' post-doctoral experience in an international laboratory in a scientifically advanced country.
- At least 5 publications in SCI/SCIE journals with impact factor 3 or above.
- Interest in teaching

Age limit

Below 45 years; can be relaxed in case of women researchers or persons with physically challenged condition.

Emoluments

- India Rs. 50,000 per month + House rent allowance or accommodation on campus.
- Research grant- Indian Rs. 100,000 per annum
- Contingency grant - Rs. 50,000 per annum.

Selection procedure

Selection will be on the basis of nomination by the Vice Chancellors of Universities, Directors of the national laboratories, Secretaries of Government of India Departments concerned with research and development, and eminent scholars from India and abroad.

Alternatively, interested candidates may apply with complete CV, list of publications, names of at least three referees with contact detail and project to be undertaken.

Nominations along with CV of the prospective candidates may be sent to the Vice Chancellor, Jamia Hamdard, New Delhi 110062, India (*E-mail address: gnqazi@jamiahamdard.ac.in*). Those who wish to apply directly may send applications as per format given below along with CV to the Advisor (Research), Jamia Hamdard, New Delhi 110062 (*E-mail address: sraisuddin@jamiahamdard.ac.in*).

Nominations and applications should be sent within one month of publication of this advertisement.

Dr. S. Raisuddin
Advisor (Research)
