

02/06/2023, Special Lecture on Current Political Upheaval in Pakistan & Its Consequences for India Successfully Concluded at Hamdard Institute of International Studies

NEW DELHI, [02/06/2023] – Hamdard Institute of International Studies is pleased to announce the successful completion of a special lecture on "Current Political Upheaval in Pakistan & Its Consequences for India." The insightful session provided attendees with a deep understanding of the evolving political dynamics in Pakistan and its potential implications for India.

The lecture, delivered by Prof. Ajay Darshan Behera, delved into the intricacies of the political landscape in Pakistan, offering valuable insights into its current state of upheaval. Prof. Behera's comprehensive analysis also explored the potential consequences of these developments on India's geopolitical environment.

The event was chaired by Prof. Ajay Kumar Singh, Dean of the School of Humanities and Social Science at Jamia Hamdard, New Delhi.

The coordination and organization of this enlightening lecture were spearheaded by Dr. Masih Ullah Khan, Assistant Professor at the Hamdard Institute of International Studies. Dr. Khan's dedication and efforts ensured the smooth execution of the event, contributing to its overall success.

The Hamdard Institute of International Studies extends its gratitude to Prof. Ajay Darshan Behera, Prof. Ajay Kumar Singh, and Dr. Masih Ullah Khan for their valuable contributions to this thought-provoking session. Additionally, the institute would like to thank all attendees for their active participation and interest in the subject matter.
