1st In Pharmacy in India (NIRF-2021)

Jamia Hamdard (JH) was declared as a deemed-to-be University by the Govt. of India in 1989 on the recommendation of University Grants Commission (UGC) under the UGC Act 1956 in recognition of the services provided by erstwhile educational institutes established by the Hamdard National Foundation (HNF). These institutes, built over a period of time, included the Hamdard College of Pharmacy, Hamdard Tibbi College, Rufaida College of Nursing, the Institute of History of Medicine & Medical Research, and Indian Institute of Islamic Studies.

Jamia Hamdard was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi on August 1, 1989, who in his inspiring inaugural address applauded the efforts of Hakeem Abdul Hameed Saheb, the Founder, for setting up a number of institutions of learning which were finally merged to form a "Deemed to be University" namely Jamia Hamdard. In the words of Shri Rajiv Gandhi, "This will enable minority to go forward and help India to march forward".

Spread over a sprawling green campus of about 100 acres, located on a prime piece of land in South Delhi, JH has ten Schools including a medical college, two hospitals - a 550 bedded modem medicine hospital and another 150 bedded Unani medicine hospital - on its campus. It has a big library, archive centre, separate hostels for girls and boys, gymnasium, a large playground, residential quarters for the staff, and also an off-campus in Kannur, Kerala.

The University has been maintaining a steady progress in all facets in its existence of 32 years and is both nationally and internationally recognized for the quality of teaching and research. The overall progress in this period has been excellent in terms of infrastructure and maintaining the standards which is evident from the placement records, high quality of research, publications and patents. Jamia Hamdard is ranked 1st in the field of Pharmaceutical sciences in the country by the Govt. of India (NIRF-2021 ranking). Jamia Hamdard is a UGC, Ministry of Education maintined deemed- to-be University managed by a private trust, Hamdard National Foundation (HNF). The University has been a recipient of special grants such as the PURSE (Promotion for University Research in Science and Engineering) grant, and very recently got Rs. 10 Cr from AYUSH Ministry under the Centre for Excellence Scheme of the Ministry. It has recently received a generous funding under STUITI, a DST scheme DST's PURSE (Promotion for University Research in Science and Engineering) Grant.

Jamia Hamdard was placed at 2nd rank in ho values and 5th in i100 values as per SCOPUS dataset of all the Institutes that were awarded the DST PURSE grant. The publications of Jamia Hamdard have received >16 citations/paper, perhaps the 2nd highest in India. The h-index of Jamia Hamdard is more than 100 and i1oo is 100. About 38% of all our publications have been cited at least 10 times according SCOPUS database. JH has a close relationship with DRDO and joint research between Jamia Hamdard and INMAS-DRDO has led to development of pharmaceutical products which are being used by defense forces.
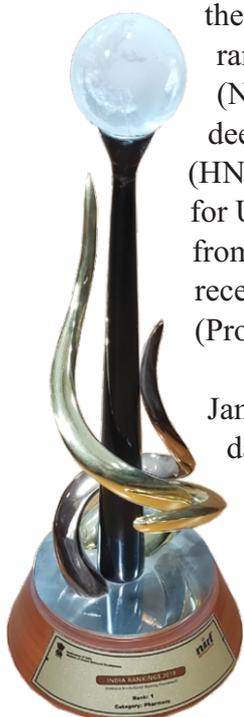

The Founder   *Hakeem Abdul Hameed*

The Founder-Chancellor of Jamia Hamdard, Hakeem Abdul Hameed, was a renowned physician of the Unani system of medicine and who served the poorest of the poor and also had also treated global dignitaries and personalities such as Pt. Jawaharlal Nehru, Frontier Gandhi, Prince Charles of England, to name a few, as his patients. Hakeem Saheb was a philanthropist and educationist who always had public service as his driving force. He set up a complex of educational institutions in Hamdard Nagar, Tughlakabad, over a period of time which finally got amalgamated as Jamia Hamdard (Deemed to be University) in May 1989.
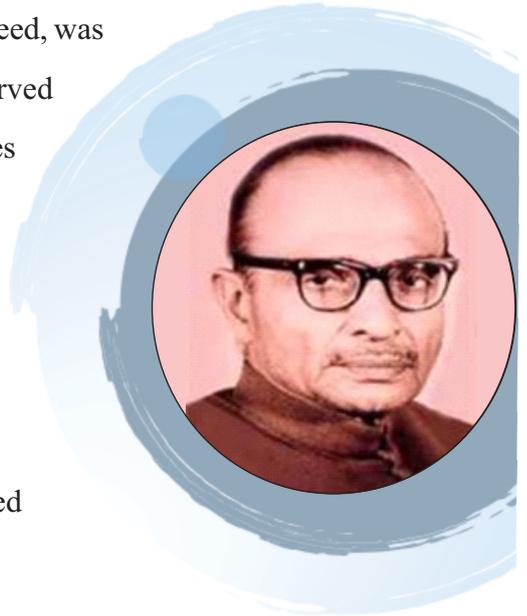

The first institute that was built on the piece of land in Hamdard Nagar, which today houses a number of Schools of the University, was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid on November 15, 1962 by the then Prime Minister of India, Pandit Jawaharlal Nehru, the building was inaugurated by Mrs. Indira Gandhi, the then Prime Minister of India in 70s. The University was inaugurated by Mr. Rajiv Gandhi, the then Prime Minister of India. Hakeem Saheb also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hakeem Abdul Hameed was conferred the Padma Shri and Padma Bhushan by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. Hakeem Abdul Hameed was a true follower of Islam in letter and spirit and strongly believed in "And spend in the cause of Allah and do good, for He loves those who do good for others" - Al Quran, 2:195.

As one of the founding members of Hamdard National Foundation at its inception in 1964, Janab Hammad Ahmed brings with him infinite wisdom and experience. Over more than 50 years, he has forged Hamdard National Foundation into one of India's most respected charitable organizations. He is currently President, Hamdard National Foundation (India) - HECA and Co-chairman, Hamdard National Foundation (India).

His charming and inspiring personality borrows dimensions from his father, Late Janab Hakeem Abdul Hameed, the founder of Hamdard National Foundation and Jamia Hamdard. Janab Hammad Ahmed's quiet modesty hides the magnitude of his achievements in introducing new initiatives for contributions to society, and his relentless commitment to the charitable cause has improved the lives of countless people.

Janab Hammad Ahmed has been involved in Jamia Hamdard since before it gained Deemed University status in 1989. Over the years, he has served in the Executive Council, Finance Committee and various other advisory bodies of the University and has championed the growth of Jamia Hamdard through sustained personal attention and interest.

Since joining Hamdard Laboratories India as its Sales and Marketing Head in 1973, he has overseen a meteoric rise in business and the Hamdard name, in the process establishing himself as one of India's prominent business leaders. He is currently the Chief Mutawalli (Trustee) of Hamdard Laboratories India (Foods).

Educated in Sherwood College, Nainital, and then in Cornwall, UK and New York, USA for further studies, Janab Hammad Ahmed has inculcated a strong sense of discipline in his life and work, and the results are self-evident.
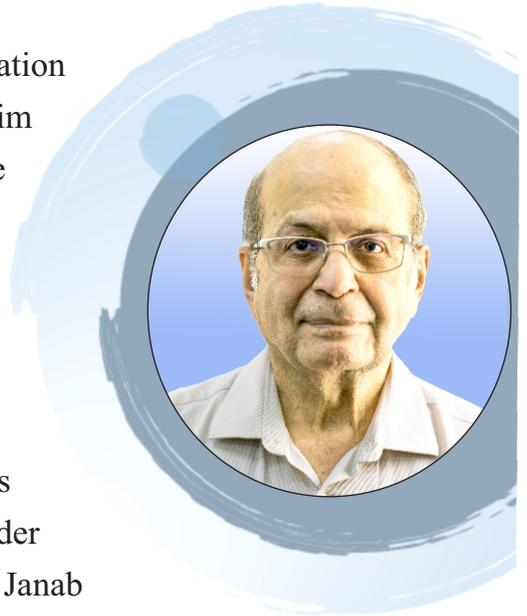

Professor Mohammad Afshar Alam hails from a family of eminent academicians, has been appointed as Vice Chancellor of Jamia Hamdard, New Delhi. He has been working as Professor and Dean of School of Engineering Sciences and Technology at Jamia Hamdard New Delhi. He has completed his Post graduation (MCA) degree from the Aligarh Muslim University and his (PhD.) from Jamia Milia Islamia which are one of the most premier institutions of our country. His research areas include Software Re-engineering, Data Mining, Bio-Informatics, Fuzzy databases and Sustainable Development. He is the founding member of the University Computer Centre and Computer Wide Networking at Jamia Hamdard.

In his 25 years of experience in teaching and research, he was invited to many countries across the globe including Australia, UAE, Nepal, Syria, Yemen, Iran, KSA, Singapore, Malaysia, Republic of China and many more for delivering Special Lectures, Plenary Talks and as Keynote speakers in Conferences. Has authored 10 books and has more than 160 research papers in reputed journals to his credit. Also drafted the curriculum and Bye-Laws for B.Tech, M.Tech, MCA, BCA and MBA (Health Informatics) courses. He is also the member of many government bodies including University Grants Commission (UGC), All India Council of Technical Education (AlCTE), National Assessment and Accreditation Council (NAAC), Department of Science & Technology (DST).In his illustrious career as an academician and researcher, he is conferred with many prestigious awards like Bharat Samaj Ratna Award, AMP Award for Excellence in Education, Cooperative Citizen Award, World Environment Day Award, Spardha Shree Award, Mahatma Gandhi International Peace Award, Bharat Ratna Dr. A.PJ Abdul Kalam Top Icon Award for 2021 and the Time Magazine India's Excellence Iconic Award 2021, NESA Education Excellence Award 2022, etc.

He is member of various boards /councils etc. at both National as well as International level. He has supervised more than 30 Doctoral students and guided more than 200 post graduate research projects. He has been instrumental in drafting the curriculum and Bye-Laws for B.Tech, M.Tech, MCA, BCA and MBA (Health Informatics) courses. He also worked as a visiting professor of Computer Science in Hadhramount University of Science and Technology, Yemen. He was also the Editor-in-Chief, Member of Editorial Board and reviewer for many reputed National and International Journals. He has been appointed as the Examiner of many National level examinations like UGC-NET. He has been member of several selection committees for the appointment of Faculty members and Non-Teaching Staff in various Institutes and Universities across India. He was also appointed as an External Examiner for theory and practical examinations at different Universities across India like Aligarh Muslim University, Jamia Millia Islamia, Delhi University, Calicut University, Indraprastha University, and Manipal University, to name a few.

School of Pharmaceutical Education & Research (SPER)

Dean: Prof. (Dr.) Vidhu Aeri

The School of Pharmaceutical Education & Research (SPER), formerly Faculty of Pharmacy which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy Education in India with global standards and has been ranked as No. 1 amongst National Institutions Ranking Framework (NIRF) -2019, 2020 and 2021 by the Ministry of Education, Govt. of India. The School is approved and recognized by All India Council of Technical Education (AICTE) and Pharmacy Council of India (PCI). The SPER continues to build on its rich history and tradition of excellence by offering quality Pharmacy education in India.

The School offers Undergraduate (D. Pharm. & B. Pharm.), Postgraduate (M. Pharm. in Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Quality Assurance, Pharmaceutical Analysis, Pharmacy Practice and Pharmaceutical Biotechnology) and Doctoral (Pharmaceutics, Pharmaceutics with specialization in Quality Assurance, Pharmaceutical Chemistry, Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis, Pharmacology, Pharmacology with specialization in Pharmacy Practice and Pharmaceutical Medicine, Pharmacognosy and Phytochemistry, Pharmacognosy and Phytochemistry with specialization in Pharmaceutical Biotechnology).

The School is a powerhouse of academic and research excellence in the field of Pharmaceutical Sciences. Our modern infrastructure coupled with seasoned faculty has been instrumental in providing world class pharmacy professionals to industry, academia and research based institutions across the world. The school has collaborations outside the University both from academic and research institutions as well as pharmaceutical industries.

Industry sponsored, projects are also being executed for companies like Sun Pharma, Dabur Research foundation, Jubilant Life Sciences, AIMIL Pharmaceuticals, Dolphin International, Fermish Clinical Technology, GBC, Beijing, China and Ultimax Health, USA etc.

The School consists of four Departments:
1. Department of Pharmaceutics
2. Department of Pharmaceutical Chemistry,
3. Department of Pharmacology and
4. Department of Pharmacognosy and Phytochemistry

The Department of Pharmaceutics offers two master's degree programs in Pharmaceutics and Quality Assurance and a PhD in Pharmaceutics. The students qualifying these courses meet the current and future requirements of R&D personnel of the Pharmaceutical Industry, academia, regulatory and marketing. The research thrust areas of the department includes oral bioavailability enhancement using polymer and lipid-based approaches, transdermal drug delivery system, ocular drug delivery systems using polymeric and lipid carriers, targeted nanoparticles for brain and tumor targeting, intranasal drug delivery systems for CNS disorders, biodegradable targeted retention devices for periodontal infections, herbal drug delivery systems for psoriasis, acne and vitiligo, transmucosal drug delivery systems for proteins and antihypertensive agents.

The department lays emphasis on integrated research approach on modern and indigenous drugs and their formulations. The department is well equipped, funded by various funding agencies and is supported under UGC-SAP and DST-FIST programs.

The Department of Pharmaceutical Chemistry is engaged in research related to Drug Development and Discovery. The Department offers the M. Pharm. (Pharmaceutical Chemistry, Pharmaceutical Analysis) and Ph.D. Programme. The department is currently engaged in independent as well as collaborative research in Drug Design and Development, Synthetic Chemistry, Analytical Pharmacy and Natural Product Chemistry. Current areas of research include Anticancer, Drug Designing, Antimalarial, Anticonvulsant, Anti-inflammatory, Natural Chemistry, Hepatoprotective drugs, etc. The department is supported under DST-FIST program.

The **Department of Pharmacology** offers master's program in Pharmacology, Pharmacy Practice and Ph.D. program in Pharmacology, Pharmacology with specialization in Pharmacy Practice and Ph.D. in Pharmaceutical Medicine. The primary objective of the department is to train the students preparing for careers in pharmacology including teaching and research in an academic or industrial setting or in pharmaceutical companies and government research organizations.

The M. Pharm in Pharmacy Practice programme is augmented with the Clinical Research Programme of the HIMSR. The students of the Pharmacy Practice Programme are trained by doctors at HAH Centenary Hospital in possible drug interactions and patient counselling for dosage regimen and other healthcare related queries.

The research thrust areas of the department are Neuropharmacology mainly research on mechanisms and new therapeutic targets for epilepsy, Alzheimer's disease, depression etc., Cardiovascular pharmacology mainly atherosclerosis, hypertension etc., Endocrinology including diabetes, osteoporosis, and Clinical pharmacology. The Department is well-equipped with research infrastructure and is supported under UGC-SAP, DST-FIST and AICTE-MODROBS program.   `

Ph.D. in Pharmaceutical Medicine is a unique, first in country collaborative program being run in collaboration with Sun Pharmaceutical Industries Ltd. The program illustrates utilization of academic excellence, professional expertise and optimal fund use by joint University-Industry effort. The students qualifying this course meet the current and future requirements of R&D personnel from the Pharmaceutical Industry/Academia.

The Department of Pharmacognosy & Phytochemistry is involved in research in the field of discovery and development of herbal drugs, phytopharmaceuticals and microbial products; quality control of herbal/microbial products and botanicals through the analysis of principal components/markers and fingerprinting; studies for the enhanced production of secondary metabolites using plant tissue culture and fermentation technologies; studies on herbal cosmetics, immunomodulatory, anti-obesity and anti-diabetic medicinal plants as well as the screening of new drug molecules, standardized herbal drugs/extracts for their bioactivities.

Development of plant-based nano-structured formulations, isolation, identification, and characterization of natural compounds by sophisticated tools are the strength of the department.

The department is supported by DST -FIST, UGC-SAP and AICTE- MODROBS program. Other than the funded projects, the department also has sponsored consultancy projects from different pharmaceutical industries.

Overall, there is a strong research culture in all the above four departments with emphasis on quality of publications, Ph.D. theses and research projects. Research activities of all departments are well-funded by various agencies such as DST, DBT, ICMR, UGC, AICTE, CCRUM, CCRAS etc.

A separate Pharmacy block dedicated to research in advanced fields of Formulation Research and Nanomedicine, Neurobehavioral Pharmacology, Microbial and Pharmaceutical Biotechnology, Bioactive Natural Products, Drug Design and Medicinal Chemistry with state-of-the-art facilities is an integral part of the School.

Central Instrumentation Facility (CIF)
The school has a well-established central instrumentation facility (CIF) havingvariety of modem and sophisticated instruments like Cryogenic Transmission Electron Microscope (TEM), LC-MS, NMR (400 MHz), HPLC, HPTLC, DSC, UV-Visible spectrophotometer, FT-IR etc. Facility for interdisciplinary research namely flow cytometry, confocal microscopy, western blot analysis and

electrophoresis, wet lab synthesis, Microwave-assisted Organic Synthesis (MAOS) are also available.

Diploma in Pharmacy (D. Pharm.)

Seats: 60
Duration: 2 Years

Eligibility: A candidate must have
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology or Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology or Mathematics.
- Completed the age of 17 years on or before 31st December 2022 as per PCI norms

Selection process: Admission to D. Pharm. Programme shall be made through merit of first 5 subjects in qualifying examination (10+2 PCB/PCM stream).
Note: Allocation of seats for PCB/PCM stream candidates will depend upon the number of applications received under a category (PCB/PCM stream).

Undergraduate Courses

Bachelor of Pharmacy (B. Pharm.)

Seats: 120 (60 General and 60 SFS, inclusive of seats reserved for NRI/Sponsored candidates. Additional seats are available for Foreign National candidates).
Duration: 4 years

Eligibility: A candidate must have:
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology/ Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology/ Mathematics.
- Completed the age of 17 years on or before 31st December 2022 as per PCI norms

Selection process:
- Appeared in NEET 2022/Paper-1 of JEE (Main) 2022. Selection will be based on merit in NEET 2022/Paper-1 of JEE (Main) 2022.
- Non-NEET/non-JEE candidates may also apply, however NEET-2022/JEE-2022 candidates will be preferred. Non-NEET/non-JEE applicants may be considered only if suitable number of NEET 2022/JEE 2022 candidates are not available. In case of delay in conduct of NEET-2022/JEE- 2022 the University may take admissions on the basis of merit of aggregate percentage of first five subjects of the qualifying examination.
- The candidates who studied both Maths and Biology in 12th Standard need to apply separately under JEE Main (2022) and NEET-2002. Allocation of seats for NEET/JEE candidates will

depend upon the number of applications received under a category (NEET/JEE or PCB/PCM stream).

B. Pharm. II Year (Lateral entry)

Seats: 12
Duration: 3 Years

Eligibility: A candidate must have:
- Passed Diploma in Pharmacy examination of Jamia Hamdard or from any other recognized institution with 50% marks in the aggregate.
- Passed 10+2 examination from CBSE or any other board recognized by Jamia Hamdard as equivalent thereto with PCB.

Selection process: Admission to B Pharm II Year will be made on the basis of merit determined by marks obtained in D. Pharm. Candidates have to submit the result of the D. Pharm., preferably on or before the last date of submission of application form or as notified by the University. Candidate with result awaited may be offered admission only after submission of final result, if seats remain vacant.

Postgraduate Courses

Master of Pharmacy (M. Pharm.)

Seats: 77
Duration: Two years (Four Semesters)

Specialization and no. of seats (may vary as per AICTE/PCI norms)

Specialization	No. of Seats
M Pharm Pharmaceutics	15
M Pharm Pharmacology	15
M Pharm Pharmaceutical Chemistry	10
M Pharm Pharmacognosy	08
M Pharm Pharmacy Practice	08
M Pharm Pharmaceutical Quality Assurance	08
M Pharm Pharmaceutical Analysis	08
M Pharm Pharmaceutical Biotechnology	05

Eligibility: A candidate must have:
- Passed B. Pharm. examination from an institution recognized by Jamia Hamdard and approved by PCI and AICTE, securing at least 55% marks in the aggregate of theory papers and practical.
- Preference will be given to GPAT qualified candidates.
- For consideration under the Sponsored category, candidates should have a two-year full time work experience in a registered firm/industry/educational institution. If experienced candidates are not available, consideration to fresh candidates may be given.

Selection process: The admission to the M. Pharm. Programme will be offered on the basis of merit of GPAT qualified candidates. If sufficient numbers of GPAT qualified candidates are not available, admission will be subsequently offered on the basis of B. Pharm. percentage. Admission under NRI/Sponsored category candidates' will also be made on the basis of B. Pharm percentage.

Important note: Scholarships may be available for M. Pharm students (GPAT qualified) from AICTE.

Ph.D. programs offered in following disciplines:

The notification for admission in Ph.D. program from session 2022-23 will be released in the month of August, 2022.

- Pharmaceutics
- Pharmacognosy & Phytochemistry
- Pharmaceutical Chemistry
- Pharmacology
- Pharmaceutics with specialization in Quality Assurance
- Pharmacognosy & Phytochemistry with specialization in Biotechnology
- Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- Pharmacology with specialization in Pharmacy Practice

Eligibility: M. Pharm. in the relevant subject securing at least 55% marks in the aggregate or equivalent grade from Jamia Hamdard or from any other institution, recognized by AICTE/PCI/AIU and Jamia Hamdard.

Ph.D. Pharmaceutical Medicine

The notification for admission in Ph.D. Programme from session 2022-23 will be released in the month of August 2022.

Eligibility: M. Pharm. in Pharmacology/ Hospital Pharmacy/ Clinical Pharmacy/ Pharmaceutics or MBBS degree securing at least 55% marks in the aggregate or equivalent grade from Jamia Hamdard or from any other institution, recognized by AICTE/PCI/AIU and Jamia Hamdard. Preference will be given to MD / DNB degree holders in Pharmacology/ Medicine / Clinical Pharmacology.

Two seats are reserved for Sun Pharmaceuticals nominated candidates, one under General and one under SFS category.

Note: GPAT/NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

School of Nursing Sciences and Allied Health (SNSAH)

Dean: Prof. (Dr.) Manju Chhugani

Rufaida College of Nursing

Nursing is a profession within the health care sector, focused on the care of individuals, families, and communities. Nurses constitutes the largest workforce in any healthcare setting and during the Covid-19 pandemic, it's importance was accepted by the world and duly endorsed by WHO by declaring the year 2020 as the "Year of The Nurse and Midwife". The nurses practice in a wide range of settings like hospitals, rural & urban community health centres, Schools, NGO's, academic institutes etc , enhancing the scope of practice of this noble profession. The changing patient needs and expectations in 21st century continue to influence the emerging advanced nursing role in coming decades, which requires the quality nursing care through dynamic education and research.

The erstwhile Rufaida School of Nursing, now Rufaida College of Nursing, was established in 1983 as per the vision of Janab Hakeem Abdul Hameed Saheb, the founder of Jamia Hamdard, who wanted to encourage girls from Muslim minority community and weaker sections of the society to take up this noble profession of Nursing. Rufaida College of Nursing has completed 30 yrs of its existence with commendable achievements in the field of Nursing Education. We initially started with Diploma in General Nursing and Midwifery Programme, and later in 1994, 2008, 2013 and 2014, B.Sc. (Hons.) Nursing, M.Sc. Nursing, Post Basic B.Sc. Nursing and Ph.D. in Nursing were started, respectively. With the motto "Par Excellence in preparing competent Nurse Professionals", the College of Nursing has been working towards the achievement of following objectives, ever since its inception:

- To provide quality education and training to student nurses at the undergraduate, post-graduate and doctoral levels.
- To participate in health care delivery system of India in promotion of health, prevention of illness, care of sick, restoration of health and rehabilitation.

The courses offered are recognized by the Indian Nursing Council (INC) and the State Nursing Council –DNC (Delhi Nursing Council). The students are given rich clinical, 'hands-on' training in the parent hospital i.e. HAHC (Hakeem Abdul Hameed Centenary Hospital) and other affiliated hospitals, such as Safdarjung Hospital, VIMHANS, IHBAS, Health centre cum Maternity Home, M.C.D, Badarpur, to name a few. To make students aware of their social responsibilities and obligations, they are involved in various community extension activities for their all round development

The college has State-of-the art infrastructure and excellent learning resources and research facilities. The college has its own building with upgraded simulation lab and well maintained library.

The students and teachers have been continuously involved in various research projects and community service activities, such as conduction of mass health education projects, free health camps, health melas etc. The successful graduates of the programmes get 100% employment in leading hospitals and healthcare institutions.

Department of Physiotherapy

The Department of Rehabilitation Sciences was established in 1998 with Postgraduate progarmme in Physiotherapy and Occupational Therapy. The Undergraduate Programme started from year 2001. The Ph.D. Programme has commenced from 2017. The Department of Rehabilitation Sciences was bifurcated into Department of Physiotherapy and Department of Occupational Therapy in 2022.Physiotherapy is a branch of modern science dealing with assessment, evaluation and treatment of disease, disorder and ailments by means of laws of Physical Principles. Physiotherapists are concerned with the remediation of impairment and disabilities, and promotion of mobility and movement potential through provisional diagnosis and physical intervention.

The scope of Physiotherapy covers a wide spectrum of disorders in orthopaedics, neurology, cardiopulmonary, Sports, Hand Rehabilitation, Community Based Rehabilitation, Obstetrics, Gynecology, geriatrics, pediatrics & women's health. In addition to clinical practice, Physiotherapists have an equally vital role in academic & research activities and in the development of preventive health projects & are a part of sports bodies, industries, old age homes & special schools. The major contribution of Physiotherapist is in strengthening the medical and health services by being the major pillars of health care sciences. The increase in number of patients, variety of diseases and the demand for immense treatment have paved the way for Physiotherapy services providing better quality to human healthcare adding to the longevity of human life. The academic programme has recognition from Delhi Council of Physiotherapy & Occupational Therapy and various National and International professional bodies.

The Department is fully developed with highly qualified, competent professional faculty to provide much needed practical training to the students of undergraduate and postgraduate courses so as to enable relief to the patients with competence and full confidence. The Department is fully equipped with the Postgraduate Research labs for specialities Cardiopulmonary, Musculoskeletal, Neurology and Sports, Electrotherapy lab, and Exercise-Therapy lab. The Department has Physiotherapy OPD located in the university campus in which students are exposed to clinical experience in the OPD which is equipped with state of art equipment required to assess and treat patients with different clinical conditions thereby, making the students well aware about the recent trends in clinical practice and helping the teachers impart knowledge in an empirical manner. The Department of Physiotherapy has signed MoUs with reputed hospitals like Madan Mohan Malviya

Hospital, Aggarwal Hospital, Hindu Rao Hospital and provides clinical training and Internship to students in various hospitals such as Max Saket, Apollo Hospital, Vimhans, Sitaram Bharti institute of Medical Sciences and Research, Dr.Ram Manohar Lohia Hospital, Lok Nayak Hospital etc. The Department of Physiotherapy firmly believes in the values that are most relevant to the health community and professional integrity.

The department is committed to shape the student into a competent professional who are poised to take up professional opportunities in academic career of teaching and research in India and abroad, reputed Hospitals, Clinics, Fitness Centres, Community Health Centres, Rehabilitation Centres and Sports Team, Sports Player or can continue with own private practice. Various Health centres and Healthcare agencies visit Department for Undergraduate and Postgraduate placements every year. Department of Paramedical Science
Department of Paramedical Sciences was established in 2012 to train & provide skilled paramedical healthcare professionals. It was initially run by the medical college but in the year 2020, it was shifted to the University under the School of Nursing Sciences and Allied Health. It is fully governed by the University as per UGC norms and prepares students for real-life medical scenarios. Students are trained in emergency trauma care, medical lab technologies, medical imaging techniques, operation theatre procedures, optometry, cardiology, medical records, and dialysis. We offer diplomas, degrees, and postgraduate degrees.

Over more than a decade, many batches have graduated from the Department and today the department of paramedical sciences attracts students from all over the country and abroad. Each learner is transformed into a qualified healthcare worker through paramedical courses. MoUs with 13 state of art Hospitals to provide clinical acumen to all students. The successful graduate is 100% employed immediately after getting passed from University in leading hospitals and healthcare institutions. There is a global demand for paramedic graduates to work in health care facilities.

School of Engineering Sciences & Technology (SEST)

Dean: Prof. M. Afshar Alam

The Department of Computer Science & Engineering in the School of Engineering Sciences &Technology started in 1997, and it has grown now into a vibrant center of teaching and research. The Department not only offers Under Graduate (UG) and Post Graduate (PG) Programmes in Computer Science & Engineering / Computer Application / IT / ECE / Data Science/ Cyber Forensics & Information Security but is also engaged in high-quality research activities leading to Ph.D. degree in different thrust areas of computer science and engineering and intradisciplinary areas viz. Big Data, Soft Computing, IoT, Neural Network, Artificial Intelligence, Fuzzy Logic, Software Engineering, Data Mining, Information Security, Cyber laws, Cyber Forensics, Computer Architecture, Graph Theory, Computer Networks, Distributed System, Discrete Structure, Robotics, Machine Intelligence, Telecommunication, Mobile Computing, DBMS, Algorithms, VLSI Design etc. to list a few. Department has made a lot of contributions towards these areas in the form of publications in journals/conference-proceedings/books/sponsored research and collaboration with the industry.

The department has a huge infrastructure to provide facilities to our students. The department has several smart cluster rooms fully equipped with state of art of technology. It also has 2 computer labs with the latest PCs having an i5 processor with 8 GB RAM and 1 TB storage. The computer lab is fully equipped with the latest Open Source Software as per our curriculum requirement running on Ubuntu OS. Several PC's in Computer Lab at 1st floor runs on Windows OS having required software for academics. The Department also has a Research Lab (2nd Floor, Department of CSE) for our Ph.D. students. These labs are fully equipped with Air Conditioning and CCTV cameras have been installed too. The department has 1 Conference Room with a seating capacity of more than 100 for conducting departmental meetings and student seminars. In ECE domain,

we have basic and advanced Electronics & Communication Labs according to the required curriculum. These labs include Analog & Digital Labs, Embedded Systems Lab, FPGA Development kits, DSP Lab, Satellite & Microwave Lab, Digital Design Lab etc. The ECE labs have software as per the academic curriculum and these labs are equipped with updated and advanced instruments. The department also has high-end computing and Artificial Intelligence Lab.

The students are provided internships and trainings via the MoU's signed with several setups like the AICTE's Internshala Scheme, Co-Cubes and RnF (for Campus placements), and ETrain India Pvt. Ltd for conducting seminars/workshops which are Microsoft/Adobe certified. These certifications open an arena of opportunities which are unmatched for.

The campus placements (On-site or Off-site) have big giants in the industry like TCS, Wipro, HCL, Fiserv, RnF, and Ericcson to name a few which recruit students and they prove to be assets to the industry. Student chapters of International Professional bodies like IEEE, and National like CSI, ISTE, and IETE are to the credit of the Department. These open avenues are wide and enable students to enhance their technical skills. These also help the students to showcase their talent with several non-technical events organized from time to time. Besides exemplary academic record our department also has an MoU with Reaching Sky Foundation (an NGO) which targets the social causes and perform several programs that fall under Unnat Bharat, Govt. of India, scheme.

The department has a pool of highly qualified teachers and technical staff members as per UGC/AICTE norms. Several teachers of the department have been awarded/granted National and International patents. The vibrancy of research programs at the department is accentuated by the high - quality publications including books, book chapters, scientific papers and research articles in highly reputed indexed journals with indexing services like SCI, SCIE, SCOPUS and Springer. In addition, Research projects from several govt. agencies like UGC, DST, DBT, DIT, AICTE are to the credit of the faculty members. The department also has an Entrepreneurship cell (E-cell) which motivates the students to think about innovations in day to day life. To sensitize students of the department about societal issues related to women, it has an active Women-cell which conducts activities related to women and girl students. An Institution Innovation cell approved by the MHRD's Innovation cell, Govt. of India has been bestowed upon to the institution. The department has been recognized by the Department of Science and Technology with a grant approved under the FIST scheme.

School of Management and Business Studies (SMBS)

Dean: Prof. Shibu John

Management education was introduced in Jamia Hamdard in the year 1998. Since then, it has become one of the important units of the University. The School of Management & Business Studies (SM&BS) has three departments namely, Department of Management, Department of Healthcare & Pharmaceutical Management and Department of Hotel Management and Catering Technology. Today more than 1200 students are enrolled in the school for various PG and UG courses. Owing to the core competencies of the faculty, the school has a made a name for itself, both among industry erudite and intelligentsia.

The teaching pedagogy employed in SM&BS is a combination of theoretical concept with practical application. The school is well endowed with intellectual capital and field experience with both senior and young faculty members who have plenty of research experience behind them and extensive industry experience in the domain of Management specializations like Marketing, Finance, Human Resources, Operations Management, International Business and Entrepreneurship, Public Health, Healthcare Management, Pharmaceutical Management, Hotel management, Commerce, Supply chain management etc.

Placement/Internships activities are coordinated by a placement cell headed by, Training and Placement Officer, comprising of selected student representatives and faculty members. This includes both summer internship as well as final placement

Department of Management

The Department of Management Studies was established in the year 1998, offering MBA Program with specialisations in Marketing, Finance, Human Resource, Operations Management and IT Management. Two more specialisations have been added over the period, namely International

Business and Entrepreneurship. Ever since its inception, the department has aimed at broadening students 'outlook, strengthening their soft skills, with emphasis on the personality development of the student. In the year 2014, the Bachelors Program of BBA was initiated, which has been a well-received program. In the year 2020, the Department also started offering B.Com. The teaching pedagogy is judicious mix of theoretical concept with practical application. This is achieved by discussing the latest developments in management thinking and their applications in the Indian context through case studies, club activities, seminars, guest lectures and industrial tours. The students are encouraged to overcome the limitations of classroom education by attending club activities that also provides a platform for polishing the communication and presentation skills. They also organize, Biz-Quiz, Debates, Ad-mad shows etc. through which learning becomes a pleasant experience. In order to have interaction with the corporate world, the MBA Programme incorporates guest lecturers as part of its curriculum. The department invites guest speakers from the industry to interact with the students and give insights in contemporary issues and developments. To develop academic excellence the Department of Management offers full time and part time doctoral (Ph.D.) program in various areas of expertise.

Eligibility: MBA/ MHA/ M. Pharm. And Other Master's degree in the subject concerned with at least 55% marks; or Master's degree in allied subjects or Humanities with at least 55% marks (or Equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs.Non-NET candidates shall also be eligible. Their admission will be based on entrance examination conducted by Jamia Hamdard followed by personal interview.

Ph.D. (Health Management and Pharmaceutical Management) (Part-Time)

The part time Ph.D. Programme is a professional doctoral degree, designed to enhance executive and professional practice through the application of sound theory and rigorous research into real and complex issues in business and health management. Key to this is a programme to hone personal, consultancy and research skills amongst working professionals at different management levels.

Corporate Professionals/ Faculty members/ Researchers working with reputed organizations in India/abroad applying for admission to the part time Ph.D. program shall be eligible as per the following conditions:

Duration: 4 years minimum. The overall duration will be as per UGC Regulations for Ph.D.

Eligibility: MBA/ MHA/ M. Pharm. And Other Master's degree in the subject concerned with at least 55% marks; or Master's degree in allied subjects or Humanities with at least 55% marks (or Equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

Selection Process for Ph.D. (Health Management and Pharmaceutical Management) (Full-Time) and Ph.D. (Health Management and Pharmaceutical Management) (Part-Time) Programmes:

The admission process would be a two-tier process

- First stage would include qualifying PhD entrance test, conducted by Jamia Hamdard
- NET/JRF qualified candidates are exempted from the PhD entrance test and will directly qualify for second stage.
- Second stage will include an interview organized by School of Management and Business Studies, Jamia Hamdard, where the candidate is required to discuss his/her research interest/area through a presentation before a duly constituted Department Research Committee.

The interview shall also consider the following aspects, viz. whether:

- The candidate possesses the competence for the proposed research;
- The research work can be suitably undertaken at the Institution
- The proposed area of research can contribute to new/additional knowledge.

Department of Hotel Management and Catering Technology

Department of Hotel Management & Catering Technology has established in 2019 to prepare a successful and fulfilling career in the hospitality industry. Classroom teaching is enhanced by a variety of exciting learning experiences that will link with the industry.

The aims of the department are to impart domain theoretical and practical knowledge that incorporate experimental learning to foster requisite skills among students. With its well-equipped training labs, food and beverage production Labs, experienced faculty, and culture of innovation that help students to build a career in tourism and hospitality industry. This course will equip with the knowledge, skills and attributes to become an effective and ethical manager.

Programs of Study, Eligibility and Selection process

Bachelors of Hotel Management

Seats: 50
Duration: 4 years/ 8 semesters

Eligibility: Passed 10+2 examination or equivalent in any discipline from a recognized board/ Institution with at least 50% aggregate marks.

Selection Process: The admission to this programme will be on the basis of merit of the first five subjects in the qualifying examination.

School of Chemical & Life Sciences (SCLS)

Dean: Prof. Shakir Ali

This School consists of 05 Departments and a Centre for Translational and Clinical Research. The School offers Doctoral, Post Graduate and Graduate programs of study in the area of Biological and Chemical Sciences. Postdoctoral fellows are also part of the School and most of them avail prestigious fellowships of extramural funding agency.

SCLS houses some of the state-of-the-art facilities as well as high end sophisticated equipments for cutting edge research in the area of biological and chemical sciences. Facilities for Plant Tissue Culture, Animal Cell Culture and BSL-II laboratory facilities are available in the School. Additionally, Transgenic Containment facility, *Drosophila* Lab facility, *C. elegans* facility, Neurobehavioral facility are also part of SCLS. The School also manages a Herbal garden, and CPCSEA-registered Central Animal House Facility. The high-end instruments include confocal microscopy, chemiluminescence spectroscopy, and flow cytometry/FACS, FTIR, ultracentrifuges, gradient PCR, RT-PCR, GC, HPLC and GC-MS which are stationed either at the Departments or at the Central Instrumentation Facility.

The School has published numerous research papers since its inception in peer reviewed journals of National and International repute. Hundreds of students have qualified for various National Level Examinations including NET-JRF (CSIR, UGC, DBT, ICMR), GATE etc. Ph.D. scholars are availing fellowships from CSIR, UGC, ICMR, DST and DBT. Our students are placed both nationally as well as internationally.

DEPARTMENTS & CENTRES OF THE SCHOOL OF CHEMICAL AND LIFE SCIENCES
- Department of Biochemistry
- Department of Biotechnology

- Department of Botany
- Department of Chemistry
- Department of Medical Elementology and Toxicology
- Centre for Translational Sciences and Clinical Research

Department of Biochemistry

This Department of SCLS started teaching in 1994. The department is known both nationally and internationally for its cutting-edge research and best practices and excellence in teaching. The Department offers M.Sc. and B.Sc. (Hons.) under Four-Year Undergraduate Program (FYUP). It also offers Ph.D. in its thrust areas.

The faculty is highly accomplished and known for excellence in cutting-edge research in biochemistry and allied disciplines. Apart from grants from various prestigious funding agencies such as CSIR, ICMR, CCRUM, DST and DBT, the department is a recipient of the UGC Special Assistance Program (UGC-SAP) and has been upgraded to DRS II. The Department has also been granted "Fund for Improvement of S&T Infrastructure (FIST)" by the Department of Science & Technology (DST), Government of India and has got a huge grant of over 2 Crores from DBT under BUILDER scheme.

The department is equipped with smart classrooms and well-equipped laboratories for PG and UG students, which is in addition to the Central Instrumentation Facility of the School and a dedicated instrumentation facility. The departmental instrumentation facility is equipped with some of the high end equipments. Over the years, the Department has developed facilities for high precision analytical work and has acquired equipments and tools for cellular and molecular research including the facility to work on cell lines.

The academic curriculum is periodically revised in consultation with external experts and with the approval of the Board of Studies and Academic Council to keep the students abreast with current trends in Biochemistry. The syllabus is well aligned with the key national level scholarship programs such as Junior Research Fellowship (JRF) examinations conducted by CSIR-UGC, DBT and ICMR. Hands-on training is imparted to students in most of the contemporary areas to prepare the students to undertake research in cutting-edge fields for their Ph.D. within the university or outside. There is a fine balance in class room teaching and hands-on experimental training.

THRUST AREAS

- Cancer etiology, DNA damage and repair, Nutrigenomics and Proteomics
- Disease mechanisms-the cell and molecular biology, innate immunity, chronic human diseases, tissue injury, regeneration and repair
- Molecular Immunology, Development of FRET Based Biosensors.
- Alternative splicing and disease
- Toxicant-mediated metabolic syndrome
- Role of novel kinase pathways in virus mediated oncogenesis
- Host pathogen interactions
- Computational biology

The Department regularly organizes seminars, workshops, brain-storming and interactive sessions for the students, besides providing training to students and staff from other institutes, universities

and colleges. The faculty actively participates in international and national conferences, seminars, workshops, meetings, orientation and refresher courses. Teachers of the department are well recognized by other Universities and Institutes and are on their panel of experts. Students are encouraged for creative learning and to deliver lectures/debates on topics of current interest in biological sciences. Students have high rate of success in various competitive examinations and many of the pass outs are working in premier institutes and companies in India and abroad. About 200 students of the department have qualified various national level tests since its inception in 1994. Students are working as scientist and academicians in government setups including DRDO, CSIR, CCRUM/ AYUSH and various Indian universities and abroad, as well as taking up jobs in private sector.

Programs of Study, Eligibility and Selection process

Undergraduate Programme

B.Sc. (Hons. With Research) /B.Sc. (Hons.) Biochemistry

Seat: 20
Duration: 4 Year (8 Semester)/ 3 Years (6 Semesters) (Under FYUP as per NEP 2020)
*Subject to modifications as per UGC NEP guidelines.

Eligibility: A candidate seeking admission to the B.Sc. (Hons.) must have passed Senior Secondary (12th /intermediate) examination with Biology from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection procedure: Selection will be made on the basis of Central Universities Common Entrance Test (CUET-2022). Candidate must appear in the CUET in the Biology subject.
In the event of non-availability of CUET-2022 qualified candidates selection may be done on the basis of merit of first five subjects in qualifying examination

Postgraduate Programme

M.Sc. (Biochemistry)

Seats: 30
Duration: 2 Years (Four semesters)

Eligibility: Passed B.Sc. in Biochemistry or equivalent examination in Biological/Life Sciences securing at least 50% marks in aggregate.

Selection Procedure: Selection to the PG programme will be based on the merit in the qualifying examination. Basis of merit will be determined by marks in the respective qualifying examination (upto 4th semester for a 3-year programme or upto 6th semester for a 4-year programme).

Doctoral Programme

*** The notification for admission in Ph.D. programme for the session 2022-23 will be released separately in the month of August, 2022.*

Ph.D. (Biochemistry)

Eligibility: Master's Degree or a professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Department of Biotechnology

The Department is supported by FIST (DST, Govt. of India) and SAP (UGC). It offers 4-Years B.Sc. (Hons.) Biotechnology under FYUP and 3-Years B.Sc. (Hons.), a 2-Year M.Sc. Biotechnology, and Doctoral research leading to Ph.D. degree in Biotechnology. Besides, the department provides opportunity for post-doctoral research. The faculty members of the Department have been able to attract a large number of extramurally funded research projects from various funding agencies such as DBT, DST, CSIR, ICAR, ICMR, DRDO, UGC, DOEn, ISM&H, CCRUM, and AYUSH.

M.Sc. students in their final semesters are allowed to do an intensive project work with teachers of the department as mentors covering literature survey, benchwork (wet lab), data generation, thesis-writing and presentation skills.

VISION OF THE DEPARTMENT

The Department of Biotechnology at Jamia Hamdard, New Delhi was established in the year 1997 with a vision to be recognized as a Department of International repute with a strong interdisciplinary research and teaching base in Plant and Animal Biotechnology with active collaboration with industries and health-care institutions.

RESEARCH AREAS

- Molecular biology and regulation of gene expression in infectious and non- infectious diseases.
- Host pathogen interaction, molecular immunology, molecular virology and drug delivery.
- Clinical virology and vaccine development.
- Development of diagnostic tests.
- Development of nano-enabled interfaces and multiplexed paper-based devices for the detection of diseases.
- Genomics/Proteomics of cancers and development of biomarkers for early detection and as valuable therapeutic targets.
- Conservation of medicinally important endangered plants through in vitro approach.
- Enhancement in the yield of secondary metabolites in medicinal plants via stress, culture conditions, genetic engineering and nanoparticles.
- Transgenics of vegetables, floriculture and oil crops.
- Evaluation of anti-cancer potential of herbal based compounds and their nano formulations.
- Stress biology, mechanism of protein folding and stabilization.

INFRASTRUCTURE

Departmental Instrumentation Facility (DIF): DIF is well equipped with basic and advanced instruments for training of students and research purpose like Weighing balance, Ice flaking machine, Autoclaves, Millipore water system, Centrifuge, PCR, spectrophotometer, Freeze dryer, Ultradeep freezer ($-80°C$} Real time PCR, Rota evaporator, GC-MS, Fluorescence Microscope, UV chamber, Shaking incubator and Ultra-centrifuge.

Animal Cell Culture Facility: Animal cell culture facilities are well equipped with CO_2 incubators (New Brunswick, Shell lab), water bath, cabinets and microscopes. We have one well equipped dedicated cell culture facility for students training purpose. The departmental cell culture facility is used by research scholars and faculty members.

Plant Tissue Culture facility: A sterile area for media preparation and storage, Laminar air flow chambers with HEPA filters, culture room with well-controlled temperature, humidity, air circulation and light quality and duration is available for the MSc students and researchers. Besides, Plant Growth Chamber is available in the Department. Hardening of in vitro raised plants is done in greenhouse by the researchers.

BSL-II-B2 laboratory: Our Department also have well equipped BSL-II facility, with Biosafety level- II B2 cabinet (Haier), CO_2 incubator and microscope for infectious disease and clinical studies.

Confocal microscopy: Our Department is also having functional Confocal Laser Scanning Microscope from Leica Microsystem for use of MSc students and PhD Scholars of the Department as well as other Department and Schools of Jamia Hamdard.

Apart from above mentioned departmental common facilities, each faculty of the department have their own well-equipped laboratories required for research purpose. Besides, we are also availing FACS (BD) and nano-LC-MS (Waters) facilities available in the University.

CENTRE FOR TRANSGENIC PLANT DEVELOPMENT

Centre for Transgenic Plant Development (CTPD) as a unit of the Dept. of Biotechnology, was established in February 2004 with the research grants of CSIR (TMOP&M), Department of Agriculture Cooperation and Farmers Welfare, Govt. of India and inaugurated by Hon'ble Minister of Agriculture. CTPD has a mandate for research in the development of transgenic plants with improved yield and quality of produce as well as development of DNA based finger prints for authentication of traditional medicines. Various labs in the Centre have specialized equipments and facilities to work. It is equipped with the state-of-the-art facilities to train PhD and postdoctoral students and to carry out research in various disciplines of Plant and Microbial Biotechnology. The major R&D activities being pursued include cloning and characterization of novel genes linked with tolerance to biotic and abiotic stresses and quality traits of medicinal and crop plants, authentication and standardization of crude components of herbal formulations and nano vehicle assisted gene delivery in plants. The thrust areas of centre also include improving the quality of medicinal crops through genetic engineering of metabolic pathway; miRNA and RNAi approaches, conservation of medicinal plants; developments of easy, rapid, sensitive, cost effective method for aflatoxigenic mould detection in the groundnut kernels and soil and identification and quantification of aflatoxins in the food and feed. The centre is funded by Jamia Hamdard and other government agencies such as DST, DBT, Department of AYUSH, CCRUM, CSIR, ICMR, DRDO etc. for R&D projects carried out at the Centre. The consultancy projects from biotech companies are also carried out in the centre.

EXTRAMURAL RESEARCH FUNDING

The faculty members of the Department have been able to attract number of extramurally funded research projects from various national and international funding agencies such as DBT, DST, SERB, CSIR, ICAR, ICMR, DRDO, UGC, DoEn, ISM&H, CCRUM, and AYUSH Ministry.

UGC-Special Assistance Program

The SAP scheme was initiated in 1963 by University Grants Commission keeping in view the recommendations of the Education Commission to facilitate the selected number of University Departments having some potential in research and teaching. The programme is intended to encourage the pursuit of excellence and teamwork in advanced teaching and research to accelerate the realization of international standards in specific fields. The Department of Biotechnology, Jamia Hamdard was selected under UGC-SAP (DRS-I) from 2011 to 2016 with a sanctioned amount of Rs. 65 Lakhs. Again in 2017, seeing the potential in research and teaching, Department of Biotechnology recommended to UGC-SAP (DRS-II) from 2018 to 2022 with a sanctioned amount of Rs. 116 Lakhs.

DST-FIST

Universities are cradles of innovation and knowledge creation. Research in universities has three-tier effects concerned with quality of under-graduate & postgraduate education and value of research.

They are the source of generating high caliber manpower and repositories of national intellectual wealth in Science & Technology (S&T) sector, which if channelized properly, may lead to socioeconomic development. In the emerging global scenario, India can be an ideal destination due to its cost effectiveness and availability of knowledge base. It must also aim for a permanent position in the field of Science & Technology. Considering the present status of the S&T sector

in the universities and related academic institutions who are in dire need for strengthening the existing S&T infrastructure support with adequate funding and associated flexibility, Government of India in the year 2000 announced a major new initiative titled "Fund for Improvement of S&T infrastructure in universities & higher educational institutions (FIST)" to rebuild the Science & Technology infrastructure in the country. The quality of UG and PG education and value of research, Department of Science and Technology, Govt. of India recommended Department of Biotechnology, Jamia Hamdard under DST-FIST (Phase-I) in 2019 and sanctioned an amount of Rs. 80 Lakhs.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs.

Department of Botany

The Department of Botany, which came into existence in the year 1989, has developed strong research programmes in the fields of stress physiology, structural & developmental botany, environmental botany, plant systematics, medicobotany, plant biotechnology and plant molecular biology. The first registration for Ph.D. dates back to 1991 while the post-graduate and under-graduate teaching programme started in 1994 and 2017. The first Ph.D. from the department was awarded in 1995 and the first batches of students were awarded M.Sc. and B.Sc. (Hons.) in 1996 and 2020, respectively. An Advanced Diploma in Environmental Monitoring and Impact Assessment is also being offered by the Department through distance mode of learning.

During the last 31 years, as many as 114 students have received Ph.D. degree. The alumni of the department are noted teachers and scientists occupying important positions in Indian universities, research institutions, colleges and non-governmental organizations. The department has been acknowledged for its excellence and creativity by various funding agencies of National/ International repute.

Twenty three research projects from various funding agencies including DBT, DST, UGC, AYUSH, IPI, CCRUM, have been successfully completed in the department. The department has received generous funding under DST-FIST & UGC-SAP (DRS-I) programmes. At present the department is receiving a substantial funding from DST-SERB and UGC.

The students of department have been successfully clearing the national level exams including JRF/NET/GATE and have been selected in reputed institutions such as JMI, Delhi University, AMU, Amity University, IGNOU, Kashmir University, NIOS, DRDO, Integral University etc. Besides national institutions, students of Botany department has been enrolled in Ph.D. programme of International universities. Moreover, students of botany have been qualifying the highest level of civil services exams including IAS, IPS, KAS.

THRUST AREA OF RESEARCH

- Understanding the physiological and molecular mechanisms of abiotic stresses
- Identification and characterization of medicinal plants and their active ingredients
- Ethnobotany and plant systematics
- Tissue culture studies for alkaloid production, clonal multiplication and preservation of

endangered plant species
- Identification and characterisation of plant viruses

Research Facilities

The Department has well equipped laboratories for research. The available equipments include growth chambers, BOD incubators, refrigerated microfuges, laminar air flow, shakers, environmental shaker incubator, double beam spectrophotometer, PCR, high speed cold centrifuge, deep freezer (-20, -80,), IRGA (Photosynthesis System), leaf area meters, flame photometer, sliding and rotary microtomes, gel documentation system and Nikon phase contrast microscope with photographic attachment, weather station attached with gas monitoring sensors, spectrophotometers, chlorophyll fluorometer, plant canopy analyzer, rotavapor, sound level meter, gas and dust analysing system and inverted fluorescent microscope among others. A modest green house and net house is also available.

Department of Chemistry

The Department of Chemistry is well known for its excellence in teaching and research. The mission of the Department is to provide knowledge in Chemistry that offers opportunities for a comprehensive learning experience for students. The Department offers undergraduate and postgraduate programme in Chemistry under the new education policy as well as research guidance to Ph.D. and Post-doctoral students.

The curriculum of the postgraduate programme is an outcome of continued, collective and collaborative effort with a vision to develop an innovative, responsive, inclusive, flexible, and dynamic curriculum in tune with the global educational needs for the 21st century and the national education policy 2020. Our curricular structure, courses, pedagogy and assessment have catered to the development of diversified, integrated, interdisciplinary skills as well as the inculcation of the values to survive in the highly competitive and skilled society.

Advanced level optional courses are also offered at the Ph.D. level. Collaborative research programmes with many research laboratories and research institutes in Delhi and outside India are also operating very successfully with mutual benefit. The Department has distinguished itself as a centre for innovative and pioneering research in a wide range of areas in chemistry interfacing with physical and biological sciences. Department has funding from the Ministry of AYUSH, WHO, Indian Council of Medical Research (ICMR), the Department of Biotechnology (DBT), Defence Research & Development Organisation (DRDO), University Grant Commission (UGC) etc. The University is also funding the faculty through Research Promotion Grants for beginners.

The students are assigned intensive project assignments on topics of current research interest and are exposed to sophisticated instrumental techniques. The exposure gives them the idea of high-quality research in their budding stage and makes them grow as world class graduates committed to integrity, professionalism and lifelong learning by widening their knowledge horizons in range and depth. With Wi-Fi facility in the department and hostel, the students have access to internet, most of the research journals and e-contents round the clock.

Students are prepared for competitive examinations including NET, GATE etc. It helps them getting employment in reputed pharmaceutical companies like Sun Pharmaceuticals Ltd. Jubilant Organosys, Glenmark, Wockhardt, Rexin, Indian Oil and other allied industries in addition to placements in Universities and colleges for teaching and research institutions for doctoral and postdoctoral positions. The department also offers a programme in PG Diploma in Chemoinformatic under Open and Distance Learning Mode.

The faculty members with varied expertise are engaged in teaching and research and have a good reputation in their respective fields of specialization as evident from their publications in peer reviewed journals of high impact factor viz American Chemical Society, Royal Society of Chemistry, Wiley lnterscience, Elsevier, Springer Science group and Nature publication.

VISION AND MISSION OF THE DEPARTMENT
Vision: Department aspires to attain global recognition in chemistry education, research and training for meeting the growing needs of industry and society.
The mission of the Department includes:
- To make the department a growing centre of excellence in teaching, cutting-edge research, curriculum development and popularizing Chemistry.
- To impart education through a well-defined curriculum driven by the needs of the students, the mission of the institution and the program, the standards of the discipline, and the needs of the partners.
- To provide state of art research facilities to generate new knowledge and develop new technologies in the thrust areas of chemistry.
- To develop linkages and collaborations in order to strengthen industry-academia relations for mutual benefit and address problems of societal importance
- To outreach in the form of books, online courses, and other Chemistry education activities that showcase the role of Chemistry as a central science.

THRUST AREAS OF THE DEPARTMENT
- Natural products chemistry and natural product inspired pharmacophore development.
- Medicinal chemistry
- Anti-cancer agents and anti-inflammatory agents.
- Anti-hyperglycemic agents.
- Anti-microbial agents (anti-tubercular, anti-leishmanial etc.)
- Nano-synthesis and drug delivery.
- Molecular machines in drug delivery systems.
- Soft matter and chemistry of nano-bio interface.

Department of Medical Elementology and Toxicology

The Department of Medical Elementology and Toxicology is one of the few Departments in India having full-fledged academic programme at Undergraduate/Postgraduate and Doctoral levels in Toxicology. The Department has made its mark in toxicological research and has been supported by the Department of Science and Technology (DST) through Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions (FIST) programme and University Grants Commission (UGC) Special Assistance Programme (SAP). Ph.D. degree in Toxicology is being awarded in different fields of toxicology. The Department has collaborative programmes with many reputed institutes such as Indian Institute of Toxicological Research (CSIR), Lucknow; Central Drug Research Institute (CSIR), Lucknow; Indian Institute of Integrative Medicine (CSIR), Jammu; Institute of Nuclear Medicine and Allied Sciences (DRDO), New Delhi etc.

THRUST AREAS

- Chemoprevention of cancer by plant products/indigenous medicines and standardization of such drugs.
- Toxic effects of endocrine disrupting chemicals (EDCs).
- Stress Biology: Oxidative stress and endophytic stress
- Neurodegenerative disorders and their protection.
- Role of trace elements in the manifestation of diseases.
- Ecotoxicity of environmental pollutants and their interactive effects.
- Immunotoxicity of drugs and environmental chemicals and its prevention.
- Molecular mechanism of nanoparticles in toxicity manifestation.
- Animal models of arthritis for study of mechanism of action of protective agents.
- Fruit fly *(Drosophila melanogaster)* as an alternate model of toxicology
- Protein assembly and amyloid toxicity
- Drug discovery against amyloidosis
- Fabrication of amyloid-based smart materials
- The enhancement of sirtuin protein expression through diet.

The Department has received funding support from agencies such as Council of Scientific and Industrial Research (CSIR), Central Council for Research in Unani Medicine (CCRUM), Department of AYUSH, Department of Biotechnology (DBT), Department of Science and Technology (DST), Indian Council for Medical Research (ICMR), Ministry of Environment and Forests and UGC. Every year a good number of students qualify fellowships offered by government agencies. Students who have obtained degree in toxicology have got placements in various companies and R&D institutes such as Sun Pharmaceuticals Ltd., CDRI, IITR, Dabur, Torrent, Cadila, Lupin, Dr. Reddy's Laboratory, Sri Ram Institute of Industrial Research, Nestle, Himalaya etc. The Department's distinguished Alumni as faculty or postdoctoral fellows are spread all over the globe. More emphasis is given to develop academic and research skills of the students. M.Sc. programme has integral component of dissertation work in the fourth semester. After completion of the course students have job opportunities in industry and research organizations. A good number of students qualify NET examinations conducted by UGC-CSIR in Life Science and Forensic Science streams. The Department is fully-equipped with sophisticated equipment to perform research in all major fields of toxicology including in vitro, in vivo and in silico toxicity studies.

Centre for Translational Sciences and Clinical Research

The Department of Clinical Research was established in the year 2009 with an objective to train human resources in clinical research. In the year 2012 the department was renamed as a Centre for Translational and Clinical Research and its activities were expanded by including component of translational research. The Centre envisages imparting theory and practical training in all aspects of clinical research. It provides opportunity to young aspirants who desire to pursue a career in expanding healthcare sector in India and abroad. According to industry sources, the clinical research industry in India will require a large number of trained professionals in various aspects of clinical research in the coming years. Importance of clinical research has got recognition in recent years due to commendable growth in domestic pharma industry. Global pharma giants have shown interest to conduct clinical trials in India. Moreover, a number of Contract Research Organizations (CROs) have been set up in India. These organizations provide support to the pharmaceutical, biotechnology, and medical device industries in the form of research services outsourced on a contract basis. In view of all this developments demand for clinical research professionals in India is growing exponentially. Therefore, personnel involved in clinical research need to be trained in Good Clinical Practices (GCP).

THRUST AREA
- Efficacy and safety studies of drugs. Rationale use of drugs
- Conduct of different phases of clinical trials and Bioequivalence studies
- Epilepsy and neurobehavioural disorder mechanisms and repurposing drugs
- Neurobehavioural and quality of life assessment in diabetes, chronic kidney disease, cancer patients etc.
- Meta-analysis and systematic reviews on various diseases
- Nanoformulations against skin cancers and CNS diseases

The Centre offers B.Sc.-M.Sc. Integrated programme with an exit option of B.Sc. (Hons.) in Clinical Research. The Centre also offers a four semester full-time M.Sc. programme in Clinical Research and Ph.D. in Clinical and Translational Science which takes care of all aspects of clinical research. The study programme is comprehensive based on both course work and hands-on research experience in leading pharmaceutical companies, hospitals and clinical research organizations. It is a multi-disciplinary study programme to prepare professionals in clinical research with training in the principles and methods of clinical research, clinical trials, epidemiology, health economics, biostatistics, bioethics, GCP, translational research and application of these principles to clinical trials. The Centre has established collaboration with Sun Pharmaceuticals Ltd., Max Healthcare Institute Ltd. INCLEN Trust Ltd., Rajiv Gandhi Cancer Institute and other leading clinical research organizations and Hospitals for practical and hands-on training of the students. The Centre also envisages to organize communication skills workshop and regular seminars for the students to train them in writing and presenting research data, clinical reports, grant applications and case study reports. Students are also provided exposure to Institutional Review Board (IRB) meetings. The Centre collaborates with leading Hospitals and Pharmaceutical industries to conduct research at Post-graduate and doctoral level.

Placement opportunities for M.Sc. Clinical Research students are very bright. Alumni of the Centre have been placed in Novartis, Panacea Biotec, Troikaa Pharmaceuticals, Fortis, Jubilant, Indegene, IQVIA, Auriga Research Ltd., Max Healthcare Institute Ltd., PPD-Bangalore, Sun Pharmaceuticals Ltd., Religare, Totipotent, Baxter, Sir Ganga Ram Hospital, Escorts Heart Institute, Medanta, Pushpawati Singhania Research Institute (PSRI), AIIMS-Rishikesh and New Delhi, Translational Health Science and Technology Institute (THSTI, DBT), Jamia Hamdard (in Ph.D. programme), BIT, Mesra (in Ph.D. programme) and abroad (Stanford, King's College, London). The students have also qualified NET Examination.

The Centre has received research grant from funding agency like Indian Council of Medical Research.

School of Humanities & Social Sciences
(SHSS)

Dean: Prof. Syed Mehartaj Begum

This School offers programs in humanities and social sciences. The School consists of the Department of Islamic Studies, Center for Federal Studies, Public Policies and Governance, Department of Human Rights and Hamdard Institute of International Studies.

Department of Islamic Studies

This is one of the oldest departments set up by the late Founder-Chancellor, Janab Hakeem Abdul Hameed Saheb, which later provided the base for establishing Jamia Hamdard in 1989. The department is widely known for its original contributions in the fields of Islamic Studies. It offers BA (Hons), M.A and Ph.D. programmes. The B.A (Hons) and M.A programmes have been designed to help students to specialize in the domains of Islamic Sciences of Knowledge, besides promotion of interdisciplinary understanding especially in the fields of social sciences. The subsidiary and compulsory papers of BA (Hons) have been prepared keeping in mind requirements of the present times. The purpose is to give a thorough knowledge of contemporary subjects such as Sociology, Political Science, Economics, Islamic Economics, Banking and Finance, Computer Applications, Arabic and English languages and core subjects like Quranic Sciences, Principles of hadith, various civilization and dynasties etc.

The M.A Islamic Studies programme also focuses on issues like Ijtihad, the Islamic position on multiculturalism, dialogue between religions and civilizations, knowledge in the Islamic perspective, and problems faced by the Muslim community in India and abroad. Teaching of Sufism provides exhaustive analysis of peace, ethics, theology, Sufi traditions and orders, Bhakti movements, composite cultures, shrines, major writings etc.

The main thrust of research in the Department is in the areas which have critical relevance to the contemporary Muslim world with special reference to Indian Muslims. These include subjects

related to the socio-economic, religious and political problems of Muslims in India, contribution of Muslims to different walks of life, issues related to misunderstandings about Islam and Muslims, the impact of Islam on India and vice-versa, the contribution of Indian Muslim scholars and noblemen, translations of outstanding works by Muslim scholars including Muslim scientists, ulama and sufis. Within the broad parameters of the Holy Qur'an and Sunnah, research in Islamic Studies is based on, and guided by the modem methodology of knowledge formations.

Department of Human Rights
The M.A. in Human Rights is the reputed flagship programmes of Jamia Hamdard, which equally evinces interest of foreign students and Indian students. Human Rights discipline currently is in great demand across the country. It is attracting student's not only Indian but also foreign students in large number.
Protection of human rights is essential for the development of the people of the country, which ultimately leads to development of the national as a whole. The Constitution of India guarantees basic human rights to each and every citizen of the country. Human rights are needed to protect and preserve every individual's humanity, to ensure that every individual can live a life of dignity and a life that is worthy of a human being. Human Rights Education is defined as "the learning of law of human rights, its history, theory, etc." Education is necessary to develop human personality and it is helpful to strength human rights & fundamental freedom of the individual. An important outcome of human rights education is empowerment, a process through which people and communities increase their control of their own lives and the decisions that affect them. The ultimate goal of human rights education is people working together to bring about human rights, justice, and dignity for all. Building a better society to live in has been a perennial question, which all the disciplines of knowledge have pondered over and worked on, but human rights discipline

plays a pivotal role in this direction. The aim of the M.A. in Human Rights would be to expose the students to the diverse issues particularly how have they envisioned of and engaged with the issues of rights, liberty, equality, justice, citizenship, constitution, constitutionalism, etc.

The Department is an exclusively dedicated to advance studies, researches and teaching on the human rights, its thematic and area studies encompassing its issues and challenges which is confronted by every humankind in day to day life.

The research in human rights promotes of intra-disciplinary and cross-fertilization of ideas in the applied domain of social human sciences. The thrust is on scientific and applied inquiries while breaking the barriers of stereo-types and tradition–ridden researches.

Broad objective of the department and the programme of study is to develop critical understanding of United Nations bodies, international, national and regional mechanisms and other professional bodies dealing with human rights. Its related thematic issues and challenges include sustainable development, Environment, human rights law and humanitarian law. In addition to this also covers dimensions of constitutional and legal studies and emerging jurisprudential trends in an interdisciplinary settings.

Its curriculum has been suitably designed on UGC's choice-based credit system (CBCS) and envisages all-important ingredients of the national civil services, state civil services and the UGC-JRF/NET examinations.

Hamdard Institute of Legal Studies and Research (HILSR)

Hamdard Institute of Legal Studies and Research (HILSR), was established in 2018 by the approval of the Bar Council of India (BCI). HILSR offers BA.LL.B, a five-year integrated degree programme. Under the aegis of HILSR, new programmes are being introduced in the academic session 2022-2023. These are LL.M (Constitution Law, and Commercial Law) and Ph. D (Law). HILSR has made a significant progress since its inception. The faculty members are drawn with diversified knowledge and experiences coming from various renowned institutions. In order to facilitate quality teaching and learning, HILSR is committed to innovative pedagogy and globalism. We are adequately equipped with modem infrastructure, with online facilities such as library, smart classrooms, computer lab, moot court etc. Legal Aid Clinic and Legal Literacy Club in collaboration with Delhi Legal Service Authority has been established to cater to the needs and to promote welfare of the underprivileged of the society. Readers' Club, Debate Club, Constitutional Club and etc. in HILSR enable students to avail the opportunities to explore new avenues in both academic and extra-curricular arenas. Our vision is to progress with the march of time in order to strengthen our legal education and preparing outstanding lawyers and law professionals who would serve and contribute to the development of a just society.

Aim and objectives

The aim of HILSR is to evolve and impart comprehensive legal education at all levels to achieve excellence by organizing advanced studies, training and the promotion of research in all branches of law and allied subjects. The objectives are:

- To propagate substantial and procedural legal knowledge and skill development, focusing on holistic and interdisciplinary pedagogical global standards
- To promote critical thinking, progressive outlook, legal and ethical values, and the rule of law as enshrined in the Constitution of India
- To encourage collaboration with institutions of national and global importance

- To endorse advanced research and training, relating to law and allied courses

The HILSR has the distinction of the following infrastructure and facilities:

- Smart Classrooms

School of Interdisciplinary Sciences and Technology (SIST)

Dean: Prof. Farhan J. Ahmad

The School of lnterdisciplinary Sciences and Technology (SIST) promotes education and research in interdisciplinary sciences and provides opportunities to researchers and academicians to interact with the faculty and students of other schools of Jamia Hamdard and carry out research in interdisciplinary areas as well as promote opportunities for higher education in identified areas.

The school is running two departments namely Department of Food Technology (DOFT) and Department of Molecular Medicine (DMM). The school is currently offering B. Tech. and M Tech. in Food Technology, MSc in Nutrition and Dietetics, and in Medical Virology, Biomedical Sciences and Ph. D. in Food Technology, Bio- informatics, Chemo-informatics, Interdisciplinary Sciences and Molecular Medicine. The school is also offering One month training in Molecular Biology. SIST has entered into collaboration with URDIP (CSIR), Pune and has established a very strong PhD program in the area of Bioinformatics in place.

Department of Food Technology

Food Technology is a branch of science in which knowledge of food science is applied in manufacturing and preservation of food products. Food Technologists study the chemical, physical and microbiological make-up of the food and are involved in its processing, preservation, packaging and storage in safe, wholesome and nutritious form. The demand for professionals and trained personnel in the food industry as well as in research and development in government and industrial setup is immense and ever growing. The Food Technology program at Jamia Hamdard aims: To produce professionally competent, proficient and highly skilled personnel in the field of food technology, with a knowledge of various aspects of food science and technology including the quality of raw material, packaging standards and methodology, health and hygiene parameters, processing techniques, storage and food value; To impart technical and techno-managerial skill to

the unemployed youth and the agrarian society; To promote R&D in the field and assist in the implementation of the food processing, safety and quality management of the food regulating bodies like FSSAI, BIS, ISO, CODEX.

DOFT in the school received a substantial grant of Rs. 75 lakh in 2010 from Ministry of Food Processing Industries to strengthen the laboratories and infrastructure of the Department. As the demand of professionals and trained personnel in the food industry as well as in research and development in government and industrial set-up is immense. The department has funding for research projects from UGC, AICTE, SERB etc.The Department of Food Technology has received a grant of 1.5 Crore Rupees under DST-FIST program.

Department of Molecular Medicine

The mission of DMM is to develop a multidisciplinary approach via successful collaborations to bridge the gap between basic and clinical or translational sciences in India. Scientists at DMM are involved in scientific programs that try to integrate laboratory and clinical research, to develop

new and innovative therapeutic modalities with an active interest in disease intervention strategies and assay development for diagnostic and therapeutic purposes.

DMM Scientists, trained in reputed laboratories in the USA, are former faculties or employees of prestigious international organizations like US-FDA, NIH. Johns Hopkins, etc. After returning to India, they have established their labs in Delhi by securing generous funding from multiple government agencies (DBT, DST, ICMR etc). They have proved their credentials to the government funding agencies and scientific organizations through their publications, patents and grant evaluations.

Research Areas: Diagnostics; Genetics; Cell biology; Development of point of care devices in diagnostics; Virology; Vaccinology; Cancer Biology; Neurobiology. For the detail of research areas please visit our (Department of Molecular Medicine under the School of Interdisciplinary Sciences and technology of the University) web site. Under each faculty member's profile, you may find information about their specialized research area. You can also look for the publications of the faculty members on PUBMED, Google scholar, ORCID.

Facilities: The SIST is well equipped with processing and analytical equipment. A List of some major equipment available with department and University are as follows: HPLC, Texture Analyser, Rheometer, Hunter Lab Color Spectrophotometer, UV-Vis Spectrophotometer, Motic Inverted Microscope, Deep Freezer, Moisture analyser, BOD Incubator, Rotary Vacuum Evaporator, Biohazard Safety Cabinet, Lab. Hamdard Institute of Medical Sciences & Research (HIMSR)

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard. It was established in 2012 as an ambitious project of Hamdard National Foundation (HNF) aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objective to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all branches so as to demonstrate a high standard of Medical Education in India, to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity, and to attain self-sufficiency in Post-graduate Medical Education

The institute is supported by 510 bedded teaching Hakeem Abdul Hameed Centenary (HAHC) Hospital. This is in conformity to National Medical Commission guidelines.

Hamdard Institute of Medical Sciences & family of institutions is the great leap forward in line with the vision of the founders of Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute to cater to health education in general and providing affordable healthcare to suffering population living in the vicinity of the institution (South Delhi). It is in conformity with the philosophy of Hamdard "Compassion, Concern, Care and sharing of pain."

The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing excellent medical care to the patients. Just to give a glimpse of the services rendered by

the hospital to the needy patients, nearly 521,000 patients were provided consultation and treatment in the outpatient departments in the year 2021. Out of these 72,000 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.

Centre for Online and Distance Learning (ODL)

Jamia Hamdard is one of the top ranking Universities of the country. The National Assessment and Accreditation Council (NAAC), Government of India has accredited 'A' Grade to Jamia Hamdard with 3.15 under 4.0 scale. It has been ranked at 18th position in the year 2019 and 21st in the year 2020 by the National Institutional Ranking Frame work (NIRF), Government of India. The School of Pharmaceutical Education and Research (SPER) has been rankedNo.1 by the NIRF in the year 2017, 2019 and 2020.

Jamia Hamdard has thirteen Schools/ Centres of Studies offering high quality Programmes ranging from Certificate, Diploma, Undergraduate, Postgraduate and the Doctoral Programmes. They are: Hamdard Institute of Medical Sciences and Research, School of Unani Medical Education and Research, School of Pharmaceutical Education and Research, School of Nursing and Allied Health Sciences, School of Chemical and Life Sciences, School of Interdisciplinary Sciences and Technology, School of Engineering Sciences and Technology, School of Humanities and Social Sciences, School of Management and Business Studies, Hamdard Institute of Legal Studies and Research, Centre for Education, Training and Empowerment, Centre for Media and Mass Communication Studies, and the Centre for Distance and Online Education.

The School of Open and Distance Learning (SODL) of Jamia Hamdard now been renamed as the Centre for Distance and Online Education (CDOE) was established in the year 2004, offering various undergraduate and postgraduate diploma programmes. Major objective of the CDOE has been to provide access to higher education to those who are not able to draw benefits from the formal system of education. The open and distance learning system allows a learner to determine his/her pace of learning.

Our Founder Late Janab Hakeem Abdul Hameed Sahab has established Jamia Hamdard in order to extend opportunity of higher education to the disadvantaged sections of the society, especially, the Muslim minority. The dream of Late Hakeem Saheb is being fulfilled by offering programmes through ODL mode to the students of a few recognized Madarsas. This is enabling children from the Muslim minority dominated pockets of Delhi to get enrolled in the main-stream programmes and courses.

The Mandate

Open Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on - campus education due to various reasons. As a result, it is an effective tool for non-formal education. Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such a vocational and technical education and even in high technology based education. The distance education also has potential to reach to the un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard

Being in education for along time has taken initiatives to offer an opportunity to those students who are unable to get on-campus education and those who have limited access to educational resources. The flexible and innovative methods of education of Open and Distance Learning system ensures 'independent learning' to anyone, anytime and anywhere. The ODL Programmes

of Jamia Hamdard also envisages providing an opportunity to girls from Muslim community, who by and large has been left out by the national educational endeavors.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of University, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of University's programmes through ODL mode. This goal in view, the CDOE of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study material and introduction of tools of Information Technology.

The Academic Programmes of CDOE
The Centre for Distance and Online Education, Jamia Hamdard offers education through ODL mode in few selected programmes where University has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available courses offered by other institutions and the market demand, and/or to provide cost - effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Keeping in view of the COVID - 19 pandemic, for the safety of the learners, the faculty and staff of Jamia Hamdard, the CDOE, Jamia Hamdard have decided to provide academic and the administrative support services to its learners through an integrated ODL-Online mode, following the latest guidelines issued by the University Grants Commission. The CDOE has been providing high quality academic support to its learners through high quality self - instructional study material, online theoretical counselling sessions, online submission of assignments and project reports. Examinations have also been conducted as per the guidelines issued by the University Grants Commission.

The CDOE has been offering career oriented Programmes. They are: Bachelor of Business Administration (BBA), Bachelors of Computer Applications (BCA), PG Diploma in Bio Informatics (PGDB), PG Diploma in Chemo Informatics (PGDC), PG Diploma in Dietetics and Therapeutics Medicine (PGDDTN), PG Diploma in Drug Regulatory Affairs (PGDPRA), PG Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA), PG Diploma in Intellectual Property Rights (PGDIPR), PG Diploma in Human Rights (PGDHR), PG Diploma in Medical Record Techniques (PGDMRT) since last few years.
Diploma in Professional Arabic (DPA), Diploma in Persian Language (DPL), and Certificate in Modem Persian Language (CMPL) had been added in the year 2019- 20 .The BCOM (Hons) had been introduced from the session2020-21.

In 2020-2021 CDOE had launched few Online Programme :-BBA, BCA, BCOM(H) M.A in Human Rights and M.A in Islamic Studies Programmes which have been approved by the DEB/ UGC. The Post Graduate Diploma Programmes are approved by the Academic Council of Jamia Hamdard.

Aim

Further, without sacrificing quality of education, cost of education under CDOE has been kept very low, facilitating students from the economically deprived sections of the society to get enrolled in to the programmes of CDOE and get education of their choice. Poor students, specially, girls are pursuing academic career along with their employment

Guidelines for Admission of International Students & Sponsored Category Candidates

There are two categories of international students for admission. They are as follows
- A. Foreign Nationals &Non-Resident Indians
- B. Sponsored category candidates

Office of Foreign Students Affairs (FSA): Jamia Hamdard has set up a separate office for foreign students affairs which facilitates the admission of international students. This section not only controls the admission ofthe international students but also provide necessary guidance for securing admission. All letters relating to international students will be addressed to 'Foreign Students' Advisor' of Jamia Hamdard. Rules framed by University Grants Commission (UGC) and notified in its website www.ugc.ac.in will be followed for deciding the eligibility and admissions of international students to various courses offered in Jamia Hamdard.

A. Foreign Nationals & Non-Resident Indians
- I. International Students- As per the guidelines, 'International Students' will include:
- i. **Foreign Students**: Students holding passports issued by foreign countries and people of Indian origin who have acquired the nationality of foreign countries are included as foreign students.
- ii. **Non Resident Indians or NRI:** Only those Non Resident Indian Students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to Boards of Secondary Education or universities located in India, but will not include students studying in those schools or colleges (situated in India) and affiliated to the Boards of Secondary Education or Universities of the foreign countries. Students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependants of NRI studying in India will not be included as International students. Entry level status of International students on entry to the country will be maintained.

Admission procedure for international students:
1. Documents required for admission of International Students - For admission of international students at Jamia Hamdard, the following documents are required:
- i. VISA

All the International students will require a 'Student VISA' endorsed to this institution or permission from Govt. of India for joining full time courses. No other endorsement is acceptable. Students wishing to join a research program will require a 'Research VISA' endorsed to this institution or permission from Govt. o flndia. The visa should be valid for the prescribed duration of the course.

A visa is not require dfor NRI students. Students who are doing full time courses in some other institutions, do not require a separate visa for joining 'Part Time courses' provided that their current visa is valid for the entire duration of the course.

- ii. No Objection Certificate

Students do not require a 'No Objection Certificate' for joining professional courses. All International Students wishing to undertake any research work or join a Ph.D or M.Phil program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must b

2. Eligibility qualifications

The qualifications required for eligibility for admission to different Courses can be checked in detail from the prospectus. Only those students who have qualified from foreign universities or Boards of Higher Education recognized as equivalent by the 'Association of lndian Universities' (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. In case the University /Board is not included in the list, the candidate has to obtain and submit a certificate to this effect from

AIU (at the address given below) by paying the requisite fee. Submission of Equivalence Certificate from AIU is mandatory for such foreign nationals.

AIU HOUSE: 16, Comrade Indrajit Gupta Marg, New Delhi 110002, India.
Phone nos.: (91) -11-23230059, (91)-11-23232429
Fax: (91)-11-23232131
E mail: aiu@del2.vsnl.net.in Website: http://www.aiuweb.org

3. Admission of International students

Admission of all the International students will be done through the 'International Students Cell (ISC)' of Jamia Hamdard. Students will generally be admitted in the beginning of the course. However, students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases.

The admission of lnternational students is done in two steps:

First step:

A student wishing to join Jamia Hamdard gets the information on the courses available, the eligibility requirements and admission procedure from the prospectus or the website of Jamia Hamdard www.jamiahamdard.edu . Following this the candidate has to register for the course of study ONLINE (Also take out the print of online registered application form).

The Foreign Students Affairs office after getting the eligibility criteria checked and other relevant information provided will accordingly issue a Provisional Admission Offer Letter (on payment of non refundable advance amount of 20% of the total annual course fee). This is required to get the VISA and to complete other formalities. At this stage, if required, Telecon Interview of the candidate may also be conducted.

After getting provisional admission, the candidate should get the 'Student VISA'/ Research VISA (as the case may be) and complete all other formalities.

Second step:

- Report to Foreign Students' Advisor Office on or before the date of admission, as mentioned in the Provisional Admission Offer Letter.
- Get the original eligibility certificates verified.
- Pay the remaining course fee.

4. Transfers and change of course

An International student who has been granted admission to a particular course shall not be allowed to change the course. Transfer from one institution in India to another is also not allowed ordinarily. In exceptional cases, the 'International Student Cell' may permit this based on the availability of the course, eligibility rules and permission of the Competent Authority of Jamia Hamdard.

5. Government of India Scholars

International students who are awarded scholarships by the ICCR, New Delhi shall be preferred while granting admission and for hostel accommodation. Sponsored candidates from different foreign governments for training and for studies are also preferred for the same.

Stepwise procedure for admission of International Students for full time courses:

Step 1:

- International students should apply on a separate form prescribed for Foreign nationals/NRI / Sponsored candidates.
- The Information Bulletin & Prospectus along with Online Application Form for Foreign Nationals/NRis may be checked on the Jamia Hamdard website www.jamiahamdard.edu. The candidate preferably has to apply/register on the prescribed form ONLINE. He/she may also apply Offline. For this the candidate may contact Foreign Students Advisor office.

- The application form registration fee is required to be paid through a crossed Bank Demand Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount offee in the account of Jamia Hamdard from any bank or credit card.

Step 2:
Get the 'Provisional Admission Offer Letter' from the Foreign Students' Advisor Office, in order to obtain the VISA (on payment of non refundable advance amount of 20% of the total annual course fee).

Step 3:
Submit the 'Provisional Admission Offer Letter' to the Indian Embassy of the respective country for obtaining the 'Student VISA'.

Step 4:
Report at Jamia Hamdard for admission; Submit the below mentioned documents (in original along with the attested photo copies) and get them verified by the Foreign Students Advisor office.
a) Degree/ Pass Certificate of the qualifying examination
b) Mark list of the qualifying examination
c) 'Student VISA' in Original
d) A photo copy of the Passport- duly attested.

Note: The original certificates will be returned to the students immediately after making an endorsement to this effect.

Step 5:
Students are required to undergo the medical fitness examination (at Jamia Hamdard hospital) and get the medical fitness certificate. Prior to this, the student will to get the RT PCR test done from any recognized Delhi Hospital.

Step 6:
Admission of International INRI students will be confirmed after verification of Valid Student/Research VISA; / original certificates, medical fitness test and payment of required fees. Even after the admission, at any stage if it is noted that the qualifying Degree/Certificate is not recognized by AIU, the admission of the candidate may be cancelled. Withdrawal of admissions/ refund of fees cases will be dealt as per the guidelines of Jamia Hamdard in this regard.

Step 7:
International students who are studying for full time courses in any other institution can be given admission to Part Time courses, only if they hold a valid visa for the duration of the Part Time course. A separate visa is not required. Such students will pay the fee as applicable. Jamia Hamdard in consultation with 'International Students Cell' may admit such cases directly, if they meet the prescribed eligibility qualifications.

Step 8:
Within two weeks of arrival in India, students are required to register their names with the police in the 'Foreigner Regional Registration Office (FRRO)' of the Delhi Police.

6. Examination and award of Degree & Diploma
The procedure for examination, payment ofexamination fees, issue of mark sheet, issue ofpassing certificates and award of degrees will be same as for the Indian students doing the same courses.

Hakeem Mohammed Said Central Library
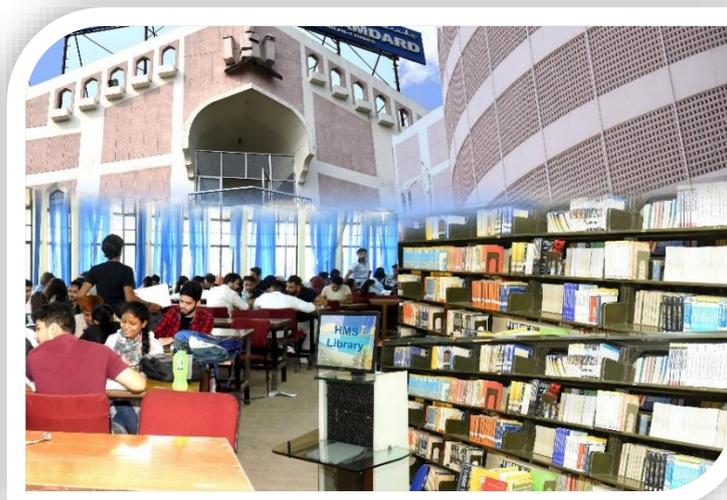

The University library is among the oldest academic institutions established by the great Visionary late Chancellor Hakeem Abdul Hameed Sb. (1908-1999) in 1977 at the Tughlakabad Campus of the upcoming university. The Central library is housed in a multi-tire round building famous for its architectural design and beautiful landscaping. It was renamed in 1992 as the Hakeem Mohammed Said Central library (acronym HMSCL) on the name of the younger brother of the founder. The Jamia Hamdard Library System consists of the HMS Central library and a number of School libraries, such as School of Pharmaceutical education and Research Library, School of Nursing Sciences and Allied Health Library, School of Unani Medical Education and Research Library, School of Chemical and Life Sciences Library, , School of Humanities and Social Sciences Library and HILSR Library etc. holding good number of Books and Periodicals.

Library computerization

The library has undertaken the computerization of its house-keeping activities based on the popular propriety ILMS Libsys web OPAC software since 2004. Keeping in view the nature of the collection which consist of a large number of non-European printed materials, bibliographic databases in Unicode complaint standard have been developed. Now, a variety of bibliographic databases, such as database for printed books, theses and CD-ROMs are available in English, Urdu, Hindi, Persian and Arabic languages. These various databases are available to be accessed throughout the campus and beyond in 24x7 format on the Intranet and Internet topography. All library members are provided bar- coded library IDs with category specific privileges for borrowing materials from any issue counter within the library system.

The RFID based circulation system has been introduced in the HMS Central library from the academic session 2019-2020 which is integrated with the already running Libsys software. This new technology is facilitating library users to check-out and check-in of library materials by themselves and save their time. The library will also benefit as this system will provide a protection against theft as well as willful misplacement of books, etc. The library is also introduced Biometric fingerprints access and Charging/Discharging control system in the Central library to facilitate real-time record of footfalls in the library. Currently, batch-wise fingerprints of students are being obtained in the library.

Library collection

The library system is well equipped with latest books of different Subject, Text Books, Reference Books, Periodicals, Magazines, Databases, Online electronic sources, etc. concerning the various courses taught in the university. The collection is distinguished for documents on Bio-medical Sciences, Medical sciences, Biotechnology, Food Technology, Pharmacy, Management, Information Technology, Computer Sciene, Islamic studies, Medieval History and the traditional system of medicine (unani).' The six voyages of John Baptista Travernier ', published in the year 1678 is the oldest printed book available in the library collection. The Manuscript Section besides a number of rare documents has the distinction ofholding the only extant copy ofal-MudkhalilaAhkam al-Nujoom (a handwritten book on Astrology in Arabic language) dated 3rd century ofHijri calendar (equivalent to 8th century AD). The salient features ofthe collection at a glance:

- Over 216070 books.
- Subscribing 89 current scholarly Indian and Foreign journals
- Subscribing Online Six databases (DELNET, J-Gate, Business Source Ultimate, India Business Insight, SCC Online, LexisNexis, Economic & Political Weekly (Magazine).
- 3800 Manuscripts.
- 3415 Bound volumes of Journals.
- 115 Rare Books Digitized (In House).
- More than 7200 Oriental Section books Digitized (By Rekhta)

Additionally, the following unpublished, locally created outputs generated by the research scholars and faculty members of this university are made available:

- 1477 Doctoral Thesis.
- 2500 Post-graduate Dissertations.
- 651 Theses has been uploaded on Shodhganga: A Digital Repository of Thesis and Dissertations of Indian Universities.
- University Publications.

Library promotion

The library is carrying-on two promotional exercises on the web:

- The web link captioned "University library & Information system" is hosting the web OPAC, as well as the links to various purchased and open access knowledge databases and also static information about the library sections and professional staff members.
- There is another interactive link called "Library Current Awareness Services" which carries to update information concerning new additions, notices, circulars, news relating to H.M.S.Central Library, etc.

These links can be accessed by visiting either the university website http://www.jamiahamdard.edu.

Library services

Various conventional & non-conventional services are provided to the students and scholars from 9.00 am to 5:30 pm all weekdays, timing are periodically extended during Examinations.

- Charging/Discharging of documents.
- Book Bank service.
- Inter-library loan service (through DELNET).
- Documents delivery service (DDS).
- Current awareness service (CAS)

- Electronic theses & dissertation (ETD) service.
- Short-range and long-range reference service.
- Anti-plagiarism check (through web tools Ouriginal/ Urkund & Turnitin).
- Library also organize Book exhibition to facilitate members to select books of their interest.
- Member of National Digital Library (NDL).
- Demonstration of commercial databases for procurement.

Lamination & Digitization activities:

The library is undertaking regular conservation and preservation activities for protecting and increasing the shelf-life of the manuscripts available in the Manuscript division. Digitization of rare printed books are also undertaken to facilitate long-term preservation as well easier global access of these valuable documents over the web. Most of these archival activities are undertaken with technical and financial supports from various government agencies, such as National Mission for Manuscripts (NMM) and National Archives of India (NAI).

Under the grants received from the National Archives of India (NAI), the library has been able to create important assets, such as installation of fumigation chambers, dehumidifiers, air-conditioners in the Manuscript division besides undertaking lamination and archival binding of hundreds of deteriorated manuscripts which have given them fresh life as well as made their consultation easier.

Moreover, hundreds of depilated rare books which could be not handled by naked hands have been given fresh life for posterity through digitization and archival binding under the NAI projects. The National Mission for Manuscripts (NMM), an another specialized body under the Ministry of culture devoted to resurrection of old Indian arts and manuscripts has been engaged to digitize the majority of manuscript collection.

Handsome grants have been received through the UGC on the recommendation of the Inflibnet for the purpose of (i) uploading the back-files of Ph.D. theses to the Shodhganga ETD repository; (ii) purchasing of over-head scanner and server for setting-up the in-house ETD laboratory to support ongoing digitization activities.

Academic integrity & Anti-plagiarism provisions:

The Central library is actively involved in promoting the culture of academic integrity and honesty in research to improve and maintain quality in higher education. The Central library undertakes compulsory checking of all research papers and doctoral theses through the 'Urkund' software for which online link have been provided by the INFLIBNET, Ahamedabad.

Library outreach activities

The library offers periodic orientation programmes and on-demand training programmes to access the different databases and e-resources. Training programmes for LIS students from other universities are also conducted. Lectures on current best practices in librarianship are arranged to facilitate opportunities for continuous learning and professional up-gradation to the library staff. Thematic exhibitions are also organized with a view to inform the internal as well as external customers about the richness of the collection and enhance the utilization of the library resources.
