About Jamia Hamdard

'Committed to excellence in higher education'

Jamia Hamdard (JH) was declared as a deemed-to-be University by the Govt. of India in 1989 on the recommendation of University Grants Commission (UGC) under the UGC Act 1956 in recognition of the services provided by erstwhile educational institutes established by the Hamdard National Foundation (HNF). These institutes, built over a period of time, included the Hamdard College of Pharmacy, Hamdard Tibbi College, Rufaida College of Nursing, the Institute of History of Medicine & Medical Research, and Indian Institute of Islamic Studies.

Jamia Hamdard was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi on August 1, 1989, who in his inspiring inaugural address applauded the efforts of Late Janab Hakeem Abdul Hameed Saheb, the Founder, for setting up a number of institutions of learning which were finally emerged in the form of a “Deemed to be University” namely Jamia Hamdard. In the words of Shri Rajiv Gandhi, “This will enable minority to go forward and help India to march forward”.

Spread over a sprawling green campus of about 100 acres, located on a prime piece of land in South Delhi, JH has nine Schools including a medical college, two hospitals – a 750 bedded modern medicine hospital and another 150 bedded Unani medicine hospital – on its campus. It has a huge library building, archive centre, separate hostels for girls and boys, gymnasium, a large playground, residential quarters for the staff, and also an off-campus in Kannur, Kerala.

The University has been maintaining a steady progress in all facets in its existence of almost 30 years and is both nationally and internationally recognized for the quality of teaching and research. The overall progress in this period has been excellent in terms of infrastructure and maintaining the standards which is evident from the placement records, high quality of research, publications and patents. Jamia Hamdard is among top 25 universities of India and ranked 2nd in the field of Pharmaceutical sciences and ranked 11th in Medical Education by the Govt. of India (NIRF-2018 ranking). JH is perhaps the only privately funded University to get funding under the DST's PURSE (Promotion for University Research in Science and Engineering) Grant. Jamia Hamdard was placed at 2nd rank in i10 values and 5th in i100 values as per SCOPUS dataset of all the Institutes that awarded the DST PURSE grant. The total number of publications of Jamia Hamdard is 4386 as of today. The h-index of Jamia Hamdard is 95 and i100 is 87. Almost 36% of all our publications have been cited at least 10 times according SCOPUS database. JH has a close relationship with DRDO and joint research between Jamia Hamdard and INMAS-DRDO has led to development of pharmaceutical products which are being used by defense forces.

The University is committed to excellence in tertiary education.

The Founder

(14th Sept. 1908 - July 22, 1999)

The Founder-Chancellor of Jamia Hamdard, *Hakeem Abdul Hameed*, a renowned physician of the *Unani* system of medicine who served the poorest of the poor and also had dignitaries such as Prince Charles of England as his patient, was a philanthropist who always had public service as his driving force. *Hkm Abdul Hameed* set up a complex of educational institutions over a period of time which finally got amalgamated in Jamia Hamdard in 1989.

The first institute that was built on the piece of land in Tughlaqabad, which today houses the School of Chemical & Life Sciences was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid down on November 15, 1962 by the then Prime Minister of India, *Pandit Jawaharlal Nehru*; the building was inaugurated by Mrs. Indira Gandhi, the Prime Minister of India in 70s. The Great Hakeem also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hkm Abdul Hameed was conferred the *Padma Shri* and *Padma Bhushan* by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. *Hkm Abdul Hameed* was a true follower of Islam in letter and spirit and strongly believed in “*And spend in the cause of Allah and do good, for He loves those who do good for others*” – *Al Quran, 2:196*.

Chancellor

The Chancellor of Jamia Hamdard, is a keen disciple of ‘Change Management’. Dr. Habil Khorakiwala has single-mindedly steered Wockhardt in becoming the first true healthcare group from India. His visionary and astute leadership resulted in Wockhardt emerging as a leading pharmaceutical and biotech conglomerate, driven by research and strategic thinking on a global scale.

Dr. Habil Khorakiwala is the Founder Chairman & Group CEO of Wockhardt Limited, a company he founded in the early 1960s. He holds a Masters in Pharmaceutical Science from Purdue University, and has participated in an Advanced Management Programme at Harvard Business School, USA. He is also the recipient of an honorary doctorate from Purdue University, USA. He has been past President of FICCI (Federation of Indian Chambers of Commerce & Industry) and President of the Indian Pharmaceutical Alliance (IPA), the organisation of research-based pharmaceutical companies in India. Beside he has been the Member of the National Manufacturing Competitiveness Council set up by Dr. Manmohan Singh, Prime Minister of India. He was nominated by Government of India to the National Managing Committee, Indian Red Cross Society, nominated by the Prime Minister of India to the Advisory Board of CSIR [Council of Scientific and Industrial Research] in New Delhi, Member of Board of Trade instituted by the Government of India under the Ministry of Commerce & Industry and nominated by the Government of India as member of the Board of Directors of NIPER (National Institute of Pharmaceutical Education and Research).

Dr. Khorakiwala has received many prestigious awards such as Shiromani Vikas award for ‘Outstanding and Inspiring Contribution towards National Development’ at the hands of Mother Teresa in 1992; Institute of Marketing & Management (IMM) ‘Top CEO’ in 2002; International Medical Integration Council ‘Life Time Achievement’ in 2003; Giants award for ‘Outstanding Contribution to Business and Industry’ in 2003; Rotary Award for Vocational Excellence, 2003-04; Ernst & Young ‘Entrepreneur of the Year’ in the Healthcare and Life Sciences’ category in 2004; Named ‘India’s Greatest Brand Builders’ in a book authored by Dr. R L Bhatia of Centre for Change Management in 2005; Indian Express Group of Newspapers ‘Lifetime Achievement Award’ at the Pharma Excellence Awards 2006; UK Trade & Investment ‘Entrepreneur of the Year’ at the India Business Awards 2008; Purdue University conferred an ‘Honorary Doctorate in Pharmacy’ in 2010; Frost & Sullivan ‘Lifetime Achievement Awards’ India Healthcare Excellence Awards.

Vice Chancellor

Professor Dr. Seyed Ehtesham Hasnain

PhD, DSc (h.c.), DMedSc (h.c.), FNA, FTWAS, FAAM, ML

Prof. Seyed E. Hasnain, *Padma Shri*, took charge as Vice Chancellor, JH on 2 Sept 2016. Prof. Hasnain is a well known academician and a scientist, known for his excellent work on DNA fingerprinting and on tuberculosis. With about 275 publications in peer-reviewed journals of high impact and dozens of patents globally, Prof. Hasnain has not only established himself as a scientist, but also as an institution builder, policy maker, and an administrator. He taught at Delhi University, worked at the National Institute of Immunology, New Delhi and served as first Director of Centre for DNA Fingerprinting and Diagnostics (CDFD), Govt of India. He made CDFD a gold standard for DNA based crime investigations in the country. As the Vice-Chancellor of University of Hyderabad (2005-2011) he brought this University to the #1 position displacing JNU and Delhi University.

Prof. Hasnain has travelled widely and has given invited talks at top global Universities including Oxford, Cambridge (UK), Harvard, Yale, Stanford, Univ of California, Salk Inst (USA), Institute Pasteur (France), Max Planck Inst, Frei Univ, Koln Univ (Germany), NUS (Singapore), Univ of Canberra (Australia), China, Thailand, Brazil, Senegal, Iran, Saudi Arabia, Bangladesh, Canada, etc. Prof. Hasnain is currently an Invited Professor at IIT Delhi, where he teaches, has a laboratory and is supervising PhD students and Post Docs and is currently on deputation from IIT-Delhi.

Prof. Hasnain is recipient of many prestigious awards, such as Germany's Highest Civilian Award – The Order of Merit (Das Verdienstkreuz, 1.Klasse) from the President of Germany, equivalent of India's Bharat Ratna, the only Indian so far and one of the very few persons globally. He is a recipient of Humboldt Research Prize (Alexander-von-Humboldt Foundation, Germany); the very exclusive Robert Koch Fellowship (the ONLY Indian so far) of the Robert Koch Institute, Berlin; and the first Indian elected as a Member of the German National Academy of Sciences Leopoldina, and youngest to be elected as a Fellow of TWAS, Trieste. He is elected Fellow of the prestigious American Academy of Microbiology, USA, and has been conferred with the ICMR's BR Ambedkar Award, the highest award for excellence in biomedical research; besides many other prestigious Indian Awards which include G.D. Birla Award, Shanti Swarup Bhatnagar Prize, FICCI Award, J.C. Bose National Fellow Award, Ranbaxy Research Award, Goyal Award, Bhasin Award etc. He is an elected Fellow of all the major Science Academies of India (FNA, FASc, FNASc), and a recipient of honorary Degrees from Universities in India and abroad. He is the 3rd Indian (Dr APJ Abdul Kalam, 2009, Dr Amartya Sen, 2010) to receive an Honorary Doctorate (2011) from the Queen's University, UK. Prof. Hasnain has served as a Member (2004-2009, 2009-2014) of Science Advisory Council to the Prime Minister (SAC-PM) and Member of Scientific Advisory Committee to the Union Cabinet. He was Chairman of Biotech Advisory Council, Government of Andhra Pradesh for several years and a Member of Biotech Advisory Council of many other State Governments, including Gujarat.

He has been the Chairman of the Academic Committee of PGIMER, Chandigarh, and a Member of the PGI Institute Body and Governing Council, as well as Member of the Research Advisory Committee of AIIMS, New Delhi. Pro-Vice Chancellor

Professor Dr. Ahmed Kamal

Ph.D, FNASc, FAPSc, FRSC

Dr. Ahmed Kamal, joined Jamia Hamdard as the first Pro-Vice Chancellor on October 03, 2017. Dr. Kamal was born in Hyderabad, Telangana. He graduated from Osmania University, Hyderabad (India) and obtained his Master's degree in Organic Chemistry. He subsequently completed his Ph.D. in the area of Medicinal Chemistry from the Aligarh Muslim University. He started his career as a Scientist at the CSIR-Indian Institute of Chemical Technology (IICT), Hyderabad. He carried out his post-doctoral research work at the University of Portsmouth, England and was a visiting scientist at the University of Alberta, Edmonton, Canada. For the last 30 years, he has pursued his research career at IICT, worked in the capacity of Outstanding Scientist at IICT and twice was the Acting Director. He was also the Project Director of the National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad.

His research interests mainly focus on the design and synthesis of gene-targeting compounds as newer potential anti-cancer agents. He is also proficient in the development of new efficient synthetic methodologies including solid phase, resin bound reagents and chemo-enzymatic strategies that are useful in both basic and applied pharmaceutical chemistry.

He has won several honors and awards for his research like CSIR Young Scientist Award in Chemical Sciences (1991), Fellow of the National Academy of Sciences, India (1999), Best Patent Award from the Indian Drug Manufacturers Association (2005), Medal from the Chemical Research Society of India (2005), Ranbaxy Research Award in the field of Pharmaceutical Sciences (2005), UKIERI Standard Award for Biomedical Solutions between India and UK (2006), OPPI Scientist Award from the Organization of Pharmaceutical Producers of India (2009), Fellow of the A. P. Academy of Sciences (2010), Fellow of Royal Society of Chemistry (2011) and Most Outstanding Researcher in the field of Chemistry by Careers 360 (2018). He has over 480 publications, more than 9400 citations, 22 review papers and 9 book chapters in the areas of biotransformation and medicinal chemistry. He has filed over 368 patents and five of his US patents have been licensed to a pharmaceutical company for their clinical development and some compounds from these patents are undergoing pre-clinical studies. Over 80 students have completed their Ph.D. work under his guidance. He is an editorial advisory board member for several prestigious peer-reviewed international journals.

Director-cum-Dean

Prof. (Dr.) S.H. Ansari

M.Pharm., Ph.D., D.Sc (h.c.), FIC

Jamia Hamdard established in 1989, has various prominent feathers of schools in its crown like: Hamdard Institute of Medical Sciences & Research, School of Pharmaceutical Education and Research, School of Unani Medical Education & Research, School of Nursing Sciences & Allied Health, School of Chemical & Life Sciences, School of Interdisciplinary Sciences & Technology, School of Engineering Sciences & Technology, School of Humanities & Social Sciences, School of Management & Business Studies, School of Law, School of Open & Distance Learning

Performance of the faculty is reflected by the assessment of NAAC which has accredited the university in 'A' grade. School of Pharmaceutical Education and Research has been ranked 2nd and 11th in Medical Education amongst the Institutions in India, as per NIRF-2018 ranking. Above distinguished faculties and available lab. facilities attract large number of students to enrol in various courses conducted by School of Open & Distance Learning.

Major objective of the school is to provide opportunities for higher education to those who are not able to draw benefits from formal system of education. The Open Learning System allows a learner to determine his/her pace of learning and provides education at the doorstep of the learner. The mode of transaction is through self learning print material. It has further scope of students accessing material through internet and various other media. The School of Open & Distance Learning is approved by Distance Education Bureau (DEB-UGC) from time to time.

The SODL is offering two under graduate courses and eight post graduate diploma courses through distance mode, which are approved by DEB, UGC. These courses are highly job oriented. Therefore, a large number of students from socio-economically deprived sections of the society are registered in the school. The dream of our Founder late Hkm. Abdul Hameed Saheb, for education is being fulfilled by offering courses through distance mode because SODL Jamia Hamdard encourages minority by recognizing some of the Arabic Madarasa's of minority dominated pockets equivalent to senior secondary schools, which is a special consideration for minority in general and Muslim girls in particular who become eligible for enrolment in some of the under graduate ongoing programmes of study. The poor students particularly girls are pursuing the academic career along with their employment.

Without sacrificing the quality of education, the cost of education is kept very low so that the economically deprived sections may also get opportunity to fulfil their desirous for acquiring education.

SCHOOL OF OPEN AND DISTANCE LEARNING

There has been a significant growth in the area of open & distance education around the world. Open Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on-campus education due to various reasons. As a result, it is an effective tool for non-formal education. Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such as vocational and technical education and even in high technology based education. The distance education also has potential to reach to un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard being in education for a long time has taken initiatives to offer an opportunity to those students who are unable to get on-campus education and those who have limited access to educational resources.

The School of Open and Distance Learning (SODL) of Jamia Hamdard was established in 2004 to promote education through open and distance learning system. Its flexible and innovative methods of education to ensure 'independent learning' to anyone, anytime and anywhere. ODL programmes of Jamia Hamdard also envisage to provide an opportunity to girls from Muslim community, who by and large have been left out by the national educational endeavours.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of University, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of University's programmes through ODL mode. This goal in view, the SODL of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study material and introduction of tools of Information Technology.

The Programmes of Study

Jamia Hamdard offers education through ODL mode in few selected programmes where University has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available courses offered by other institutions and the market demand, and/or to provide cost-effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Without sacrificing the quality of education, the cost of education is kept very low so that the economically deprived sections may afford to pay fees and benefit from the educational opportunity provided at the doorsteps.
