Advertisement for Walk-in-Interview for Research Positions
in Research Projects

A walk-in-interview will be conducted for the following purely temporary positions in research projects in the **Faculty of Science** on **12/12/2012**.

1. **Department of Biotechnology**

Post: Research Fellow

Funding agency and Topic: UGC; Thrust areas of UGC SAP (DRS-I): Metabolic engineering of plant metabolites and proteomics based biomarkers.

Qualifications: Candidate should be M.Sc. in Biotechnology/ Biochemistry/ Biosciences/ Life Sciences with at least 60% or equivalent CGPA.

Desirable: Candidates should be registered in Ph.D program.

Emoluments: Rs. 14,000/- PM (fixed)

Duration: Two years

Coordinator: Prof. M.Z. Abdin (mzabdin@jamiahamdard.ac.in)

Venue : Board Room, Faculty of Science

Date & Time : 12/12/2012; 10:00 A.M. onwards

Candidates have to report at 09:30 AM and submit the application along with recent CV and testimonials in the Office of the Dean, Faculty of Science.

2. **Centre for Transgenic Plant Development, Department of Biotechnology**

Post: Research Fellow

Funding agency and Topic: DST; Development of *Artemisia annual* L. plants with high artemisinin content through genetic modulation of key enzymes of artemisinin biosynthesis.

Qualifications: Candidate should be M.Sc. in Biotechnology/ Biochemistry/ Biosciences/ Life Sciences with 60% or more marks.

Desirable: Candidates who have qualified JRF/LS examination will be preferred

Emoluments: Rs. 12,000/- PM + HRA 30% for DST Fellowship

Duration: Two years

PI: Prof. M.Z. Abdin (mzabdin@jamiahamdard.ac.in)

Venue : Board Room, Faculty of Science

Date & Time : 12/12/2012; 10:00 A.M. onwards

Candidates have to report at 09:30 A.M. and submit the application along with recent CV and testimonials in the Office of the Dean, Faculty of Science.

3. Department of Medical Elementology and Toxicology

Post: Junior Research Fellow

Funding agency and Topic: DBT; Modulatory role of nucleus accumbens and ventral tegmental area in behavioural tagging: A new model for learning and memory.

Qualifications: Master's degree in Toxicology, Pharmacology or Forensic Science with at least 60% marks.

Desirable: Preference will be given to students with experience in animal handling with respect to toxicological and pharmacological functions.

Emoluments: Rs. 16,000/- P.M. + 30% HRA.

Duration: Two years

Principal Investigator: Dr. Suhel Parvez (sparvez@jamiahamdard.ac.in)

The appointment of Admission to PhD programme of the research fellow will be as per Jamia Hamdard rules.

Venue : Board Room, Faculty of Science

Date & Time : 12th December, 2012; 02:00 P.M.

Candidates who have qualified JRF/LS examination of CSIR/UGC/ICMR will be preferred as per DST OM No. A.20020/11/97-IFD dated 31.03.2010.

Candidates have to report at 01.00 PM and submit the application along with recent biodata and testimonials in the Office of the Dean, Faculty of Science.
