

Invitation

Tobacco has become a social menace in the country among youth and adults and is also the most common preventable risk factor for many non-communicable disease mortality.

The Division of Public Health Dentistry, Centre for Dental Education and Research, AIIMS, New Delhi has been running a tobacco cessation centre since the past ten years and have counselled specifically more than 5000 patients. This year they are campaigning in the various colleges targeting faculty and students to become a torch bearer for the campaign. They have already conducted training for the Morarji Desai National Institute of Yoga, National Tobacco Control Programme, Homeopathy College, NPCDCS Programs and many more.

The Department of Amraze Jild wa Tazeeniyat, School of Unani Medical Education and Research in collaboration with Centre of for Dental Education and Research, All India Institute of Medical Sciences' New Delhi is conducting a Workshop cum training on tobacco cessation for **Faculty, PG students and Interns** on 13th September 2023 in the Seminar Hall, Second Floor, SUMER from 2 pm onwards.
