## ADVERTISEMENT FOR THE POST OF JUNIOR RESEARCH FELLOW IN ICMR EXTRAMURAL AD-HOC PROJECT

Applications are invited for one position of Junior Research Fellow in the ICMR funded Extramural Ad-hoc project entitled “**Towards the design and synthesis of multivalent cholera toxin antagonists: A novel cholera prophylactics**” (Principal Investigator: **Dr. Imran A. Khan**, Department of Chemistry, School of Chemical and Life Sciences, Jamia Hamdard).

**Position:** Junior Research Fellow (JRF) – 01 (one)

**Essential qualification:**

1. First Class M.Sc. (Chemistry) specialization in Organic Chemistry.
2. 1-2 years of research experience for M.Sc. students.

**Desirable:** Candidates with CSIR/UGC NET or equivalent examination and/or with research experience in computational chemistry and synthetic organic chemistry will be preferred.

**Emoluments:** Rs. 31,000+ HRA per month (fixed)

**Tenure:** Initially for a period of one year with the provision of further continuation (till duration of the project) subjected to satisfactory performance.

**How to apply:** Candidates fulfilling the eligibility criteria may e-mail their application including cover letter, CV and Letter of Interest in one PDF file to the Principal Investigator, **Dr. Imran A. Khan** only by email ([imranakhan@jamiahamdard.ac.in](mailto:imranakhan@jamiahamdard.ac.in)) with the subject “Application for the post of JRF under ICMR Extramural Ad-hoc project”.

**Last date of receipt of applications:** September 10<sup>th</sup>, 2021 (By 5:00 pm).

**Note:**

1. Only short-listed candidates will be invited through email for the interview.
2. No TA/DA is admissible for attending the interview (*if offline interview is conducted*) or at the time of joining the post.

**Prof. S. Raisuddin**  
Advisor (Research)
