THE FOUNDER

HAKEEM ABDUL HAMEED

The founder-chancellor of Jamia Hamdard was a multi-dimensional personality, a dreamer, a visionary, a renowned physician and more than anything else, a philanthropist, who always had public service as his driving force. Even during the traumatic events of the partition of the country, he had a dream of setting up a complex of educational institutions, which would revive interest in India's enormous contribution to the world of medicine and science. The first institution in the Tughlaqabad campus was Institute of History of Medicine and Medical Research, whose foundation stone was laid on November 15, 1962 by Pandit Jawaharlal Nehru, former Prime Minister of India. Pandit Nehru, in his speech had said that this unique institution for research on history of medicine would provide a new insight into India's unique contribution to the development of Unani-tibb in the sub-continent. Hakeem Abdul Hameed had realized that Unani-tibb is a unique heritage of interaction between Indian and Central Asian Knowledge stream and it was only in India that *tibb* had flourished under the patronage of the great Mughals. He continued the mission of Hakeem Ajmal Khan in providing new dimensions to Unani-tibb by way of research on different aspects of its healing potential. To see his healing touch Prince Charles came to see his clinic as did many other celebrities around the world.

The educational backwardness of Indian Muslims was always a source of concern in the sensitive mind of Hakeem Abdul Hameed and he took initiative to address the problem by taking up positive steps which would directly benefit the Muslim community in their search for modern education.

Those were the days when education was still considered to be a primary function of the Government. There was no "globalization" and hardly any encouragement to provide funding for higher education. Private initiative in higher education and research in science was almost unknown. Hakeem Abdul Hameed established research infrastructure in the Departments of Biochemistry, Biotechnology, Botany, Chemistry and Medical Elementology & Toxicology and it was only later that postgraduate teaching was taken up in these departments. It was due to his untiring efforts that Institute of History of Medicine and Medical Research and Indian Institute of Islamic Studies were allotted adjoining pieces of land in Tughlaqabad area, despite a number of procedural delays caused by government departments. The institutions set up

by him over a period between 1962 to 1989 were later amalgamated into Jamia Hamdard which was granted the status of 'Deemed University' by the Ministry of Human Resource Development, Government of India. With the humble beginning, the University now consists of eight faculties, namely, Allied Health Sciences, Islamic Studies and Social Sciences, Management and Information Technology, Medicine (Unani), Nursing, Pharmacy, Science and Engineering & Inter-disciplinary Sciences.

He was very deservedly honoured by several national and international awards including the AVICENNA Award presented by the erstwhile USSR in 1983. He was conferred with Padma Shri and Padma Bhushan by the Government of India. He was also honorary member of the Academy of Medical Science of Islamic Republic of Iran and Chancellor of Aligarh Muslim University, Aligarh.

*And spend in the cause of
Allah and do good, for He
loves those who do good for others.
[Al Quran, 2:196]*

Hakeem Abdul Hameed aimed at all-round growth and happiness to the society by providing opportunities for education and development of services and health care. It is his pioneering spirit that has always inspired Jamia Hamdard to successfully undertake multidimensional projects for the benefit of society and nation at large.

Jamia Hamdard and Hamdard National Foundation celebrated his Birth Centenary in 2008 which was inaugurated by the Vice President of India, Mr. Mohammad Hamid Ansari.

CHANCELLOR

MR. SAIYID HAMID

Mr. Saiyid Hamid, Chancellor of Jamia Hamdard, has been involved with the activities of the University from its very inception. After relinquishing his office as Vice-Chancellor of Aligarh Muslim University, he joined Hamdard Education Society as its Secretary, prepared the project report for the targeted University welding together the different institutions already in existence in Hamdard Nagar, processed the proposal in the relevant Ministries and ultimately secured the “Deemed to be University” status for what was designated as Jamia Hamdard (1989). He has been engaged in licking the fledgling university into shape as Chairman of the Jamia Hamdard Society and as Chancellor. The Vice Chancellors of Jamia Hamdard have been looking to him for guidance.

As social activist, Mr. Hamid has been leading country-wide drives for literacy and education, health and hygiene, communal harmony and social reform. As Secretary, Hamdard Education Society, he has been associated with the management of two Senior Secondary Schools and one Primary School. In that capacity he has also set up and guided two coaching institutes, namely Hamdard Study Circle and Hamdard Coaching Centre. Through his efforts 231 candidates have so far made the grade in the civil services examination conducted by U.P.S.C. Other activities conducted under the Hamdard Education Society are a Talent Search-cum-Scholarship Scheme, Surveys of Muslim Managed Schools, Colleges and Madarsas. He is taking active part in modernization of Madarsas both in respect of curriculum and pedagogy. He was a member of the Central Waqf Committee and Executive Vice President of Maulana Azad Education Foundation.

From time to time Government of India has been consulting him on matters relating to minorities. He worked as Member of Prime Minister’s High Level Committee on the Social, Economic and Educational Status of the Muslim Community headed by Justice Sachar. He served as a member of a High Level Committee set up on education by Ministry of Human Resource Development. Mr. Hamid was also Chairman of the Group of Vice Chancellors set up by the Oversight Committee on quota for OBC in universities and other institutions of higher learning funded by Government of India. He was Chairman of the Committee constituted by the Ministry of Minority Affairs to examine the feasibility of establishing three Muslim universities with minority character. He is a recipient of Sir Syed Ahmad Khan Award on education (2001) by American Federation of Muslims of Indian Origin (USA & Canada). Another prestigious recognition conferred on him was “Al-Ameen All India Community Leadership Award” (2002) by Al-Ameen Educational Society, Bangalore for social, educational and economic upliftment of the society at large and Muslim community in particular.

In recognition of the services rendered in the field of education, Mr Saiyid Hamid has been conferred D.Litt. (Honoris Causa) by Maulana Abul Kalam Azad National Urdu University. Recently he has been awarded the First Maulana Abul Kalam Azad Award, instituted by Andhra Pradesh Urdu Academy, in recognition of his outstanding contribution in popularizing education particularly among Muslim community. He is member of the National Monitoring Committee on Minority Education set up by the Ministry of Human Resource Development.

He is the Chairman of Human Welfare Foundation. A collection of essays entitled “Saiyid Hamid-Muslim Face of India”, to which 25 eminent persons contributed, was released by Mr Mohammad Hamid Ansari, Vice President of India on 13th April, 2009 in New Delhi and by Mr Shiv Shankar, former Central Minister in Hyderabad on 16th August, 2009.

VICE-CHANCELLOR

DR. G.N.QAZI

Dr. G.N. Qazi was born in 1946 at Srinagar in Jammu & Kashmir (India). He had his early education in the Kashmir valley. He obtained his post graduate degree in Biochemistry and Ph.D. in Microbiology from M S University, Baroda in India. He did his post doctoral research at the University of Dortmund (Germany).

He has over 40 years research career in the area of Biochemistry & Microbial Biotechnology and bioprospecting of natural molecules.

He was Director, Indian Institute of Integrative Medicine, IIIM (formerly known as RRL, Jammu) one of the prestigious constituent Laboratories of the Council of Scientific and Industrial Research (CSIR) from May 2000 to August 2008.

Before assuming the charge of Director, IIIM, Dr. Qazi lead a large group of Scientists, Technologists, Post Doctoral Associates, Research Fellows and Technicians engaged in bioprocess developments. The research activity of the group was in the area of Microbiology, Biochemistry, Bio-organic chemistry, Genetic engineering, Enzymology and Biochemical engineering.

Dr. Qazi has been overseeing research for drug discovery and standardization, pre clinical and clinical validation of traditional drugs and botanicals.

Dr. Qazi has over 200 international publications to his credit and has filed over 70 international patents. Dr. Qazi is recognized Ph.D. guide for 12 Indian Universities and has supervised a large number of Ph.D. theses.

Dr. Qazi assumed the position of Vice Chancellor, Jamia Hamdard on 13th October 2008.

INTRODUCTION

Under the University Grants Commission (UGC) Act 1956, there is a provision for conferring the status of 'Deemed to be a University' to an institution which has excelled in a specific area of knowledge. In view of the high standards of teaching and uniqueness of erstwhile institutions i.e. Hamdard College of Pharmacy, Hamdard Tibbi College, Ruffaida College of Nursing and published research work of Institute of History of Medicine and Medical Research and Indian Institute of Islamic Studies, the Ministry of Human Resource Development (MHRD) declared Jamia Hamdard as a 'Deemed to be a University' on the recommendations of the University Grants Commission. The University was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi who addressed a large gathering of students, teachers and members of the Jamia Hamdard Society on August 1, 1989. In his inspiring inaugural address, he applauded the efforts of Hakeem Abdul Hameed for setting up a number of institutions of learning, which finally emerged in the form of the present University. He said, "this will enable minority (the Muslim) to go forward and help them to march forward".

Jamia Hamdard considers itself to be an institution different from the others in view of the personal stamp of Hakeem Abdul Hameed on the ethos and work culture in the campus. Even those who never met the Founder are inspired by his vision of setting up of an institution, which would contribute and address the problem

of educational backwardness of Indian Muslims. The entire University community is motivated by the ideals of its Founder and works ceaselessly for achieving highest level of excellence in education and imparting of value systems in day to day social life.

In recognition of the University's contribution in teaching and research, the National Assessment and Accreditation Council (NAAC), a constituent body of the University Grants Commission, conferred upon the University 'A' Grade in 2003.

The University has been maintaining a steady progress in all facets in its existence of 20 years. The over all progress has been excellent in terms of improvement in infrastructure, maintaining quality education, good placement records of students in India and abroad, high quality research and national and international collaboration etc. With the continued commitment and dedication, the University will surely march ahead and contribute to the requirements of human resource for our advancing economy in the 21st century.

FACULTIES AND THEIR PROGRAMMES

Faculty of Allied Health Sciences

Jamia Hamdard took the lead in launching the postgraduate courses in Physiotherapy and Occupational therapy in Northern India in 1998. With generous financial grants from UGC and Hamdard National Foundation, a four storey building of the Faculty was constructed and later inaugurated on 29th July 2005 by Shri Arjun Singh, the then Union Minister for Human Resource Development. The help and active support available from a number of academic institutions and renowned hospitals of Delhi besides Majeedia Hospital of the University impart the training of our students to International standards. Consequently, the job availability to our passed out students is very good and they are holding responsible positions in India and abroad.

The faculty consists of the following departments:

1. Department of Rehabilitation Sciences
2. Department of Para-medical Sciences
3. Department of Clinical Research

The heavens and the earth were joined together as one united piece and then we parted them, and made from water every living thing.... created the night and the day, and the sun and the moon, each in an orbit floating.

[Al Quran, 21:30, 33]

Master of Occupational Therapy (MOT)

The programme is offered in:

- **Orthopaedics** (Course Code: MOTO 02)
- **Paediatrics** (Course Code: MOTP 03)

Duration : Two Years

Total Seats : 06 in each discipline (Inclusive of seats reserved for NRI/ Sponsored candidates in each discipline).
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Bachelor of Occupational Therapy (BOT) from an institution recognized by Jamia Hamdard or University/Institute approved by UGC, securing at least 50% marks in the aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and occupational therapy subjects taught in BOT in Jamia Hamdard.

Master of Physiotherapy (MPT)

The programme is offered in

- **Cardio-pulmonary** (Course Code: MPTC 04)
- **Neurology** (Course Code: MPTN 05)
- **Orthopaedics** (Course Code: MPTO 06)
- **Sports Medicine** (Course Code: MPTS 07)

Duration : Two Years

Total Seats : 12 in each discipline (Inclusive of seats reserved for NRI/ Sponsored candidates in each discipline).
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Bachelor of Physiotherapy (BPT) from an institution recognized by Jamia Hamdard or university/ institute approved by the UGC, securing at least 50% marks in the aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and physiotherapy subjects taught in BPT in Jamia Hamdard.

Department of Clinical Research

The Department envisages imparting theory and practical training in all aspects of clinical research. It provides opportunity to individuals desirous of pursuing a career in expanding healthcare sector in India and abroad. According to industry sources, the clinical research industry in India will require more than 35000 new professionals in the coming few years. With domestic pharma industry surging ahead in India, global pharma moving more and more clinical trials to their Indian subsidiaries, and home grown contract research organizations (CROs) growing day by day, the demand for clinical research professionals is expected to grow exponentially. Moreover, personnel involved in clinical research need training in Good Clinical Practices (GCP) and ethics. The Department offers a study programme of MSc in Clinical Research which takes care of all these aspects. The study programme is comprehensive based on both course work and research experience. It is broad-based multi-disciplinary study programme to prepare professionals in clinical research with training in the principles and methods of clinical research, clinical trials, epidemiology, health economics, biostatistics, bioethics, GCP and application of these principles to clinical research. The Department has established collaboration with Ranbaxy Laboratory Ltd., Max Health Care Institute Ltd. and other leading clinical research organizations for practical training of the students. The Department also envisages to organize communication skills workshop for the students to train them in writing and presenting research data, clinical reports, grant applications and case study reports.

MSc -Clinical Research (Course Code: MSCR 08)

Duration : Two years (Four semesters)

Total Seats : 25 (inclusive of seats reserved for NRI/Sponsored candidates)

Additional Seats for Foreign Nationals.

Eligibility

Candidates with any of the following qualifications from a university recognized by Jamia Hamdard, with at least 55% marks in aggregate, shall be eligible for admission to this programme :

- MBBS/ BDS/ BAMS/ BUMS/ BVSc.
- B.Pharm
- BSc-Nursing
- BOT/ BPT/ BSc-Medical Lab. Techniques
- BSc with Biochemistry/ Pharmacology/ Toxicology/ Biotechnology/ Microbiology/Zoology or any other life sciences subject.

Selection Procedure

Candidates seeking admission in MSc-Clinical Research will be admitted based on merit determined by the Entrance test and/ or interview conducted by Jamia Hamdard. There will be no test for NRI/ sponsored candidates. However, they may be required to appear for interview. No test or interview is required for foreign nationals. However, their academic qualifications will be strictly assessed before offer of admission. They must have obtained a degree from an institution recognized by Association of Indian Universities (AIU).

Additional Basic Orientation Module

This module will be compulsory for students from disciplines other than Medicine (MBBS, BDS, BAMS, BUMS,), Veterinary, Nursing and Pharmacy. The tenure of this module will be three months and a student shall have to complete it in the first year.

Bachelor of Occupational Therapy (BOT) (Course Code: BOTG 09)

Duration : Four years plus compulsory internship of six months

Total Seats : 25 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary/Intermediate.

Bachelor of Physiotherapy (BPT) (Course Code: BPTG 10)

Duration : Four years plus compulsory internship of six months

Total Seats : 30 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary/Intermediate.

Bachelor of Occupational Therapy-III year (Through Lateral Entry) (Course Code: BOTL 11)

Bachelor of Physiotherapy- III year (Through Lateral Entry) (Course Code: BPTL 12)

Duration : Two Years

Total Seats : 08 (05 for Diploma holders in Physiotherapy +3 for Diploma holders in Occupational Therapy).

One additional seat in each discipline is reserved for NRI/Sponsored candidates.

Eligibility

A candidate must have:

- Passed a 3 years diploma course in either of the discipline.
- Appeared in the Interview.

Selection Procedure

For admission to Bachelor of Occupational Therapy and Physiotherapy III year (Through lateral entry), interview will be conducted to test the knowledge of the candidates in the relevant subjects.

BSc-Medical Laboratory Techniques (BSc-MLT) (Course Code: BSMT 13)

Duration : Three years

Total Seats : 26 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate of these subjects.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of the questions will be based on the qualifying examination i.e. Senior Secondary/Intermediate.

BSc-Medical Laboratory Techniques (BSc-MLT)-II year (Through lateral entry) (Course Code: BSML 14)

Duration : Two years

Total Seats : 5 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed a two years Diploma in Medical Laboratory Techniques (after 10+2 examination) with 50% marks in the aggregate.
- Appeared in the interview conducted by Jamia Hamdard

Selection Procedure

For admission to BSc-MLT – II year (Through lateral entry) interview will be conducted to test the knowledge of the candidates in the relevant subjects.

BSc- Emergency and Trauma Care Technology (Course Code: BSCE 15)

Duration : Three years.

Total Seats : 30 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

BSc (Emergency and Trauma Care Technology) is a unique programme which is launched by Jamia Hamdard during the academic session 2008-09 in collaboration with Max Health Care Centre, New Delhi. Teaching of the course

is undertaken by both the organizations. The practical training is incorporated at Majeedia Hospital and Max Health Care Centre.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary/Intermediate.

Diploma Courses

Diploma in X-Ray and ECG Techniques (Course Code: DXRE 16)

Duration : Two years

Total Seats : 12 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Diploma in Operation Theatre Techniques (Course Code: DOTT 17)

Duration : Two years

Total Seats : 10 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Diploma in Dialysis Techniques (Course Code: DDTC 18)

Duration : Two years

Total Seats : 10 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Diploma in Medical Record Techniques (DMRT) (Course Code: DMRT 19)

Duration : Two years (including 6 months compulsory internship in Majeedia Hospital)

Total Seats : 06 (Inclusive of one seat reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Eligibility :

Diploma in X-ray and ECG Tech./ Diploma in Operation Theatre Tech./ Diploma in Dialysis Tech./ DMRT

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 45% marks in the aggregate of these subjects.
- Appeared in the Entrance Test conducted by Jamia Hamdard.
- Candidates with 10 + 2 / Intermediate with subjects other than science may be considered for DMRT only

Selection Procedure:

A Diploma Entrance Test (DET) will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of the questions will be based on the qualifying examination i.e. Senior Secondary/Intermediate.

Note: For admission against the Foreign National/NRI/Sponsored seats, wherever applicable, written test is not required.

Important: Students applying for diploma programmes conducted by the Faculty of Allied Health Sciences should note that these diplomas are not yet recognized, nevertheless the students who have done diploma in these courses have secured jobs in reputed hospitals and nursing homes.

Faculty of Islamic Studies and Social Sciences

This faculty of Jamia Hamdard offers courses in humanities and social sciences. The departments in this faculty are well known in India and abroad for their research on issues of contemporary interest and relevance. The faculty consists of the following departments:

- Department of Islamic Studies
- Centre for Federal Studies

Department of Islamic Studies

This is one of the few oldest Departments set up by the Late Founder-Chancellor Janab Hakeem Abdul Hameed Saheb which later on provided the base for establishing Jamia Hamdard in 1989. The Department is actively engaged in research and teaching programmes. At present 24 students are registered for PhD (11 foreign nationals and 13 Indians) and 29 students are admitted to MA Islamic Studies programme (03 foreign nationals and 26 Indians)

The main thrust of research in the department is in the areas which have relevance to the problems faced by the contemporary Muslim world with special reference to the Indian Muslims. These include subjects related to the socio-economic, religious and political problems of Muslims in the contemporary Indian perspective and contribution of Muslims to different walks of life, issues related to misunderstanding about Islam and Muslims, the impact of Islam on India and vice-versa, contribution of Indian Muslim scholars and noble-men during the medieval period, translations of the outstanding works by Muslim scholars including Muslim scientists and Sufis. Research in Islamic Studies is based on and guided by social science approach with modern methodology within the parameters prescribed by the Qur'an and Hadith.

PhD: Islamic Studies (Course Code: PHDI 24)

Duration : Minimum Two years

Eligibility

Candidates seeking admission to PhD in Islamic Studies should have a postgraduate degree in Islamic Studies or allied subjects and should have at least 55% marks in aggregate. Knowledge of English and Arabic or Persian or Urdu is essential.

Selection Procedure

Admission to PhD programme shall be made on the basis of Entrance test and interview of the eligible candidates conducted by Jamia Hamdard. The entrance

test and interview will be based on the M.A. Islamic Studies syllabus of Jamia Hamdard.

MA- Islamic Studies (Course Code: MAIS 25)

Duration : Two years

Total Seats : 15 (Inclusive of seats reserved for NRI/Sponsored candidates) Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Bachelor's degree in Islamic Studies or related disciplines securing at least 50% marks. Students who have passed Fazilat (Graduation) examination with at least 50% marks from a Madarsa recognized by Jamia Hamdard.
- Proficiency in English and Urdu/Arabic and knowledge of basic Teachings of Islam.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Candidates applying for MA Islamic Studies are advised to read the list of Madaras/Boards/Institutions recognized by Jamia Hamdard as mentioned in this Prospectus.

Selection Procedure

For admission to MA Islamic Studies, an Entrance Test will be conducted. The test paper will comprise descriptive questions based on the education imparted by Madrasas and also the education imparted by universities. The paper will have three parts-one part will be compulsory for all the candidates and out of the two remaining parts. One will be for the candidates having passed Fazilat from Madrasas and other for the graduates from universities. The selection will be made on the basis of the merit determined by the performance of the candidates in the entrance test.

This Master's programme consists of the following courses:

Islamic Uloom, Islam and Promotion of Knowledge. Islam in India, History of Muslim Civilization, Islam and Pluralism, Tasawwuf, Kalam and Ethics, Major Indian and World Religions, besides a course in English or Arabic, and a Viva-voce exam in final year.

Centre for Federal Studies

The Centre for Federal Studies is an Area Studies Research Centre of the University Grants Commission, since 1994. It is the only such research center on federalism in Asia. The centre is a member of the International Association of Centers of Federal Studies and is closely associated in its academic activities with the Forum of Federations (Ottawa-Canada) and the Institutes of Federalism at the Universities of Fribourg (Switzerland) and Hannover (Germany). The objective for setting up this research centre is to explain and assess federalism, as a political principle finding a pattern of constitutional diffusion of power; and exploring how interdependence can be the functioning principle of administrative arrangements, coordinating the legitimate distribution of power, authority and responsibility between governments and their various organs and institutions. As an Inter-disciplinary research centre, the Centre for Federal Studies has sought to contribute to a better understanding of the above issues in a comparative setting of different federal polities. The ambit of research includes policy areas in governance, issues concerning equitable and practical distribution of powers and responsibilities between different tiers of governance, devolution and decentralization in governance, federal dimensions of the Governmental role in areas such as: Quality Governance, Result-oriented Action Plans for providing responsive administration, Financial and Infrastructural constraints in Governance, and other areas of Fiscal federalism. All these studies are comparative in nature, analyzing the Indian polity with other federal polities. Besides institutional research, publication of books and publication of a bi-annual research journal (Indian Journal of Federal Studies), organization of seminars/conferences and workshops, the centre also imparts research guidance to scholars working for their PhD in Federal Studies. Research is undertaken at the centre on theoretical, practical and allied aspects of comparative federalism, state polities, constitutionalism and political developments in federal systems around the world. The Centre also undertakes management development programmes and conducts summer schools in federal governance.

PhD-Federal Studies (Course Code: PHDF 26)

Duration : Minimum Two years

Eligibility

Candidates seeking admission to the PhD. Programme must possess MPhil (Federal Studies) besides Master's degree in Political Science/ Sociology/ Economics / Management / Law.

A Candidate may be directly admitted to PhD if he / she has passed the NET, or is a teacher candidate as per the PhD admission bye laws-2009 .

Selection Procedure

Admission to PhD programme shall be made on the basis of merit determined by the Entrance test and interview conducted by Jamia Hamdard.

Master of Philosophy (MPhil) Programme in Federal Studies (Course Code: MPLF 27)

MPhil in Federal Studies is separate from the PhD, but is the eligibility requirement for admission to PhD (Federal Studies).

We have made you into nations and tribes so that you may know each other. The most honourable of you with Allah is the one who is pious.
[Al Quran, 49:13]

Faculty of Management and Information Technology

The expanding economy and rapid development in information and communication technology has led to a paradigm shift in terms of the role and skills expected from the computer and management professionals. This has led to an ever increasing demand for the acquisition of multi-disciplinary skills and expertise in order to succeed in a dynamic business environment.

To meet the growing demand for management and computer professionals, Jamia Hamdard has introduced courses at under-graduate, post-graduate and doctoral levels under Faculty of Management and Information Technology (FMIT). In a short span of just eleven years, this faculty has created a niche for itself in India and abroad. It has attracted students not only from all over India but also from over 28 countries. The faculty has excellent infrastructure in the form of library, classrooms and computer labs, which facilitate teaching and research activities. Bringing together an able team drawn from academic and industry has enabled students to bridge the gap between the academic and industrial sectors. Seminars, industrial visits, projects and guest lectures help the students to grasp the finer points of business. Because of the high standards of education that the faculty has set, it has attracted students not only from all over India but also from foreign countries like Afghanistan, Bangladesh, China, Ethiopia, Indonesia, Iran, Iraq, Kuwait, Kyrgyzstan, Nepal, Nigeria, Syria, Taiwan, U.A.E., Uganda, Uzbekistan and Yemen.

The Faculty strives to provide students with the most up-to-date knowledge in the field of Management and Information Technology. This is the reason that the students trained in the faculty have found ready acceptance in industry and business. Faculty alumni are occupying responsible positions in the corporate world, in India and abroad.

The demand of skilled management and computer professionals is on the rise since steps towards liberalization and opening of Indian economy were initiated more than a decade ago. In the new environment the need for middle level managers has been minimized. This has created pressure on the new graduates to acquire skills and knowledge to have multidisciplinary approach to succeed in the present day world scenario. Despite the common perception of a slowdown in over all economy, demand for qualified professionals is increasing at a high face.

Aims and Objectives

The Faculty aims to provide higher education and research to enhance the professional skill of students in various areas of Management and Information Technology. The objective is to train young graduates as Business Executives and Information Technologists to face the global industrial dynamism.

Faculty of Management and Information Technology consists of the following departments/centre:

- Department of Management
- Department of Computer Science
- Computer Centre

Department of Management

In a decade since its establishment, the Department of Management has made a name for itself. It selects its students through a rigorous process of short listing on the basis of the MAT (Management Aptitude Test) score, Group Discussion (GD) and Personal Interview.

The faculty operates using a highly evolved and innovative teaching methodology. While there is a group of qualified, academically accomplished and dedicated full time faculty to impart the basics to the students, the faculty differentiates itself from other institutions by relying on a significant number of working professionals from the IIMs as well as top companies like McKinsey India and others to deliver industry-specific knowledge to its students. This ensures that students get a flavor of the practical world in addition to the theoretical concepts.

The Department offers the following programmes of study:

- Doctor of Philosophy (PhD)
- Master of Business Administration (MBA)
- Master of Business Administration – Health and Hospital Management (MBA-HM)
- Master of Business Administration - Pharmaceutical Management (MBA-PM)
- Master of Business Administration - Public Health Informatics (MBA-PHI)

PhD-Management (Course Code: PHDM 33)

Full Time : Minimum two years

Eligibility

MBA with atleast 55% marks from any University / Institution recognized by the Association of Indian Universities. Those who have Master's Degree in related disciplines may also be considered if they have done adequate courses in the core subjects.

Selection Procedure

Admission to PhD programme shall be made on the basis of Entrance test and Interview of the eligible candidates conducted by Jamia Hamdard. The Entrance

test and Interview will be based on the MBA syllabus of Jamia Hamdard. Limited seats are available for the PhD programme in Management.

Jamia Hamdard has a Memorandum of Understanding with Management Development Institute (MDI) Gurgaon, Institute of Integrated Learning in Management (IILM), New Delhi and Fortune Institute of International Business (FIIB), New Delhi and FORE School of Management, New Delhi. For external students registration under this category, a candidate can choose a supervisor from among the faculty of above institutes while one of the faculty members of Jamia Hamdard will be the co-supervisor.

Registration Procedure

- Admission to Ph.D will be made once in a year
- Entrance Test and Interview will be conducted by Jamia Hamdard.
- The list of selected candidates as per University norms will be notified for admission to PhD course subject to the approval of Board of Research Studies of the concerned Faculty.
- A student may select a supervisor based on the topic of his/her studies in consultation with the BRS of the Faculty which may moderate the topic and the research supervisor if required.
- Once the recommendations of the BRS are approved by the Vice Chancellor the admission will be duly notified by the University.

Note: For further details please visit the University website www.jamiahamdard.edu under PhD byelaws.

Master of Business Administration (MBA) (Course Code: MBAG 29)

The MBA curriculum is designed keeping in mind industry requirements with our students being constantly exposed to industry experts in various areas throughout the course. The four-semester programme covers 24 papers which concentrates on Marketing, Finance, Human Resource and International Business. Core courses will be taught in the first two semesters to provide students with diverse educational backgrounds with the knowledge and skills required for a career in management. Electives are taken in the third semester and dissertations are postulated in the final semester. Apart from the established curriculum, group discussions and personality development sessions will be part of the educational offering. Leadership development programmes will also provide students with employability skills, developing attributes like team work and concomitant refinements.

Duration : Two years

Total Seats : 120

(Inclusive of seats reserved for NRI / Sponsored candidates)

Additional Seats for Foreign Nationals.

MBA- Health and Hospital Management [MBA(HM)] (Course Code: MBHM 30)

The Health Care industry is one of the fastest growing industries in India and there is a need to better manage and follow the conceived objectives of such Health Care Centres. The two year full-time MBA in Health & Hospital Management aims at developing trained professional managers with requisite skills in planning, controlling, problem solving and consultancy skills to manage healthcare establishments with the efficiency of established international standards.

The health care sector has emerged as a challenging area for management professionals. In large corporate and public sector hospitals, national and international health care organizations, NGOs, funding agencies demand for health care managers is coming up in a big way. This course will prepare students to take up responsible positions in hospitals and other health care organizations.

Duration : Two years

Total Seats : 60

(Inclusive of seats reserved for NRI / Sponsored candidates)

Additional Seats for Foreign Nationals.

2. **The list of short listed candidates will only be displayed on the University Notice Board and University website www.jamiahamdard.edu. Individual call letter for interview / GD will not be dispatched. It is the candidate's responsibility to appear for GD and Interview on the proposed date after checking the list on website. In any case, the date of GD / Interview will not be changed.**
3. Candidates found lacking in English proficiency will have to attend special language classes conducted by the University. A separate fee will be charged from the candidate(s).
4. Additional 15% of total seats are reserved for foreign nationals as per MHRD/UGC norms.

STUDENTS' ACTIVITIES FOR MBA PROGRAMME

In addition to regular academic curriculum, students of various MBA programmes also organize and actively participate in the following events:

- Seminars / presentations
- Guest lectures
- Industrial tours
- Group Discussion on current topics
- Academia-Industry interaction

Students of other management institutions also participate in many of these activities. These interactions facilitate peer group learning and advancement.

PLACEMENT

Training and Placement Cell counsels and guides the students in their training and placement. This Cell keeps a close interaction with industry and identifies the potential employers and their contemporary needs. It organizes Industry-Institute-interaction through pre-placement talks, seminars, lectures and discussions. The Cell also arranges on-the-job training of students by organizing campus placements. Jamia Hamdard students have been well received by the multinational and Indian companies, government organizations and many public sector units from all over the country. The Placement Cell in the University also arrange various soft skill and personality development programmes from time to time.

Department of Computer Science

PhD-Computer Science (Course Code: PHCS 34)

Full Time : Minimum two years

Eligibility

MCA/ MSc in Computer Science/ M Tech in Computer Science /Engineering with at least 55% marks in aggregate.

Selection Procedure

Admission to PhD programme shall be made on the basis of entrance test and interview of the eligible candidates conducted by Jamia Hamdard. The Entrance test and interview will be based on the MCA syllabus of Jamia Hamdard.

Master of Computer Applications (MCA) (Course Code: MCAG 35)

Duration : Three years (six semesters)

Total Seats : 60

(Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Bachelor's degree examination in any discipline from a recognized institution with at least one paper of Mathematics at Senior Secondary (10+2) level securing atleast 50% marks in aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

A written Entrance Test will be conducted. The Entrance Test paper will be based on questions from subjects of BCA of Jamia Hamdard.

MTech-Computer Science (Weekend Programme) (Course Code: MTCS 36)

Duration : Three years (Six semesters)

Total Seats : 60
(50 (General) + 10 (Sponsored including NRI))

In addition to these seats (05 seats for Foreign Nationals and 02 seats reserved for internal faculty)

Eligibility

A candidate must have:

- Passed BTech/ BE in Computer Science/ Computer Science and Engineering/ Computer Engineering/ Information Technology or equivalent with 60% or equivalent marks in aggregate.

Or

MCA or equivalent three years programme with 60% marks in aggregate.

Or

B.Tech/ BE in Electronics & Communication/ Electronics Engineering or equivalent with 60% marks in aggregate.

Or

MSc in IT/ Computer Science/ Information Science & Technology or equivalent with 60% marks in aggregate.

- In addition to the above qualification candidates should also have at least one year of professional/ teaching experience after the completion of the qualifying examination.
- Appeared in the Entrance test conducted by Jamia Hamdard.

Selection Procedure

An Entrance test will be conducted. The Entrance Test paper will be based on the syllabus of BTech (Computer Science) / MCA / MSc (Computer Science) of Jamia Hamdard.

Note: No fee concession will be given to the employees of Jamia Hamdard (Internal faculty).

MTech-Bioinformatics (MTB) (Course Code: MTBI 97)

Duration : Two years (Four semesters)

Total Seats : 18

(15 General category + 3NRI / Sponsored category)

Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed BTech or MSc in Bio-informatics / Information Technology / Computer Science/ life sciences, or BPharm, or allied disciplines with at least 55% marks in aggregate and Mathematics at 10 + 2 level.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Bioinformatics, Computer Science, Maths, statistics, Physics, Chemistry, Biology, Biochemistry, Biotechnology.

M Sc- Computer Science (Course Code: MSCS 37)

Duration : Two years (Four semesters)

Total Seats : 50

(Inclusive of seats reserved for NRI/Sponsored candidates)

Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed BCA / BSc (Computer Science / IT / Maths) / BTech / BE / BSc Engg. (any discipline) / PGDCA / PGDIT examination securing at least 50% marks from a recognized institution.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted. The Entrance Test paper will be based on questions from syllabus of BCA of Jamia Hamdard.

BTech -Computer Science (Course Code: BTCS 38)

BTech -Information Technology (Course Code: BTIT 39)

Duration : Four years (Eight semesters)

Total Seats : 30 in each course
(Inclusive of seats reserved for NRI / Sponsored candidates)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing atleast 50% marks in aggregate.

Selection Procedure

The admission to the B.Tech programme will be on the basis of an Entrance test. The entrance test paper will be based on questions of senior secondary (10+2 standard).

BCA / B Sc (IT) (Course Code: BCAG 40)

Duration : Three years (six semesters)

Total Seats : 60
(Inclusive of seats reserved for NRI / Sponsored candidates)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Mathematics as one of the subjects from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks.

Selection Procedure

The admission to the BCA / BSc (IT) programme will be on the basis of an Entrance test. The Entrance test paper will be based as per senior secondary syllabus (10+2 standard).

Note: For admission against the Foreign National/NRI/Sponsored seats, wherever applicable, written test is not required.

Faculty of Medicine (Unani)

The Faculty of Medicine (Unani: Greco-Arab) has evolved from Hamdard Tibbi College, which was established in 1963. All courses of the Faculty are job oriented or of self-employment nature. After passing BUMS, students either get absorbed in state's Health Services or start their own private practice. After MD, students may get jobs as lecturer in various Unani colleges, medical officers in Government Dispensaries, Research officers in various projects and may also get employment in various Community Health Programmes of Government as well as non government organization as Health Promoters, community Mobilizers, Public Health Officers etc.. After passing Certificate course in Unani dispensers, one may start his own business by manufacturing Unani medicines or get employment in a pharmaceutical company of Unani medicines. Certificate Programme in Unani Medicine is an introductory course for medical graduates from foreign countries who want to do Unani practice along with modern medicine in their countries.

The Department of AYUSH, Ministry of Health and Family Welfare, Government of India has recognized the Faculty as one of the centres of higher education and research in Unani Medicine. The Faculty conducts teaching and research in Unani Medicine and Surgery. The curriculum has been designed in such a way that the students are exposed to the fundamental theories and basic principles of Unani System of Medicine as well as modern medical subjects such as Physiology, Preventive and Social Medicine, Pharmacology, Pathology and Forensic Medicine. The faculty has collaboration and MoU with Central Council for Research in Unani Medicine, Delhi and some international institutions (e.g. Ibn-Sina Institute of Tib, South Africa). The Faculty of Medicine (Unani) has various projects sponsored by the Department of AYUSH, Ministry of Health and Family Welfare, Govt. of India.

The faculty consists of the following departments:

- Department of Amraz-e-Niswan, Qabalat-o-Atfal (Gynecology, Obstetrics & Paediatrics)
- Department of Ilmul Advia (Pharmacology)
- Department of Jarahiyat (Surgery)
- Department of Kulliyat (Fundamentals of Unani Medicine)
- Department of Moalejat (Medicine)
- Department of Tahaffuzi-wa-Samaji Tib (Preventive & Social Medicine)
- Department of Tashreeh and Munafeul-Aza (Anatomy & Physiology)

Mahir-e-Tib (MD Unani)

Duration : Three years

Total Seats : 07

Specialization	No. of Seats	
Ilmul Advia	2	(Course Code: MDIA 41)
Moalejat	3	(Course Code: MDMT 42)
Tahaffuzi-wa-Samaji Tib	2	(Course Code: MDTT 43)
Additional seats for Foreign Nationals		

Eligibility

A candidate must have:

- Passed BUMS Examination, securing at least 60% marks in the aggregate from Jamia Hamdard or from any other University recognized by Jamia Hamdard.
- Completed the compulsory internship.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

The selection will be made on the basis of merit determined by the performance of the candidates in the Entrance Test. The question paper will be based on the BUMS syllabus of Jamia Hamdard.

Note:

- **No stipend is available to the students of MD (Moalejat), MD (Ilmul Advia) and MD (Tahaffuzi-wa-Samaji Tib) from the Department of AYUSH, Ministry of Health and Family Welfare, Government of India. Depending on the availability of resources, Jamia Hamdard may consider providing stipend (Hkm. Abdul Hameed Scholarship) of Rs. 2500 per month to some deserving students.**
- **MD Moalejat students may be posted in the Majeedia Hospital.**

Mahir-e-Tib (MD Unani) for In-service Candidates

Duration : Three years

Total Seats : 03

Specialization	No. of Seats	
Ilmul Advia	1 (for external candidate)	(Course Code: MDIS 44)
Moalejat	1 (for internal candidate)	(Course Code: MDMS 45)
Tahaffuzi-wa-Samaji Tib	1 (for internal candidate)	(Course Code: MDTs 46)

Note: If internal candidates are not available, the seat will be offered to an external in-service candidate

Eligibility

A candidate must have:

- Passed BUMS from Jamia Hamdard or from any other University securing at least 60% marks in the aggregate.
- Completed the compulsory internship.
- Experience of 3 years as a teacher in a CCIM recognized institute or 6 years experience as a Medical Officer/Research Officer in CCIM recognized hospital/institute/CCRUM organization.
- Appeared in the Entrance Test conducted by Jamia Hamdard. There is no Entrance test for In-service teacher candidates of Jamia Hamdard for this programme.
- Sponsorship and proper leave from their parent organization. In-service teachers of Jamia Hamdard and other colleges in a particular discipline in which MD is not offered will be eligible to apply for MD in different discipline. Teachers of discipline in which MD is offered will not be eligible to apply for a different discipline. For example, a teacher of Ilmul Advia will not be eligible to apply for MD (Moalejat) as both these subjects are offered by Jamia Hamdard.

Selection Procedure

The selection will be made on the basis of merit determined by the performance of the candidates in the Entrance Test along with general candidates who are seeking admission to MD (Unani) programme. The question paper will be based on BUMS syllabus of Jamia Hamdard.

Note:

- **In-service candidates may be involved in teaching of BUMS students during the period of their study without any incentive.**
- **MD Moalejat students may be posted in the Majeedia Hospital.**

Kamil-e-Tib-o-Jarahat (BUMS) (Course Code: BUMS 47) Kamil-e-Tib-o-Jarahat (BUMS) SFS (Course Code: BUSF 48)

Duration : Five and a half years including one year compulsory unpaid rotatory internship (6 months in Majeedia Hospital and 6 months outside)

Total Seats : 50 (Inclusive of 02 seats reserved for NRI/Sponsored candidates, 08 seats reserved under Self-Financing Scheme and 10 seats for those candidates who have passed Pre-Tib Examination from Jamia Hamdard) Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) Examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.
- Proficiency in Urdu language comparable to High School (Class X) standard in addition to knowledge of English. Medium of instruction of this programme is Urdu language substantiated with English.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be of Senior Secondary/Intermediate level. The candidates will also be tested for their knowledge of Urdu as per the syllabus given in this prospectus. The candidates who do not qualify the Urdu test will not be eligible for admission. The passing marks in Urdu test will be 33%.

Syllabus for Urdu test

مجموعہ نصاب اردو
برائے امتحان داخلہ بی۔ یو۔ ایم۔ ایس۔ بی۔ فارم (بیوٹائی) و ڈی۔ فارم (بیوٹائی)

اردو کا امتحان دینے والے کے اقتباس کے مضمون، اس پر مختصر سوالات کے جوابات، اشعار کی وضاحت و تشریح، الفاظ کے معانی اور جملوں میں استعمال، اور کسی ایک موضوع پر مضمون نگاری پر مشتمل ہوگا۔ اس کا معیار "اردو کی چوتھی کتاب" (مطبوعہ مکتبہ جامعہ لیتھو۔ دہلی) کے معیار کے مساوی ہوگا۔

Pre-Tib (Course Code:PTIB 49)

Duration : One year

Total Seats : 10

Eligibility

A candidate must have:

- Passed Fazil from a Madarsa / Institution recognized by Jamia Hamdard and must have studied Arabic and Falsafa.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted in Urdu language to test the knowledge of the candidates in General Awareness and oriental subjects (Tafseer, Hadees, Fiqah, Usool-e-Fiqah, Mantique, Falsafa, Arabic Adab, Seerat, Tareekh-e-Islam and General Scientific Awareness). Faculty of Nursing

Rufaida School of Nursing was established by Hakeem Abdul Hameed Saheb in 1983 in order to popularize this noble profession of Nursing amongst Indian Muslims. Over a period of more than two decades many batches have graduated from the faculty and today the Faculty of Nursing attracts students from all over the country. The facilities available at Majeedia Hospital in the Jamia Hamdard Campus and other hospitals in Delhi and Community Health Centres are utilized for teaching and practical training of students. The Faculty maintains a Health-Care Centre for the poor in the neighbouring areas of the University. The diploma, degree and postgraduate degree courses offered by the Faculty of Nursing are recognized by the Indian Nursing Council (INC). The successful graduates of the programmes get 100% employment through campus recruitment in leading hospitals and healthcare institutions. There is a great demand for our graduates to work in health care facilities internationally.

He brings out the living from the dead and brings out dead from the living. He revives the earth after its death and thus shall you be re-surrected.

[Al Quran, 30:19]

MSc-Nursing

(This programme is only for female candidates)

Duration : Two years

Total Seats : 15 (Inclusive of seats reserved for NRI/Sponsored candidates)

Specialization	No. of Seats	
Maternal Nursing	05	(Course Code: MSNM 52)
Psychiatric Nursing	02*	(Course Code: MSNP 53)
Community Health Nursing	03*	(Course Code: MSNC 54)
Medical Surgical Nursing	05	(Course Code: MSNS 55)

Additional seats for Foreign Nationals

*Likely to be enhanced to 5 seats including Pediatric Nursing (subject to approval by Indian Nursing Council)

Eligibility

A candidate must have:

- BSc.Nursing / BSc-(Hons) Nursing / Post Basic BSc. Nursing with minimum of 55% aggregate marks from an Institution recognized by Indian Nursing Council.
- Undergone training in an Institution recognized by Indian Nursing Council.
- Registration Certificate and should be a Registered Nurse or Registered Midwife or equivalent with any State Nursing Registration Council.
- One year of work experience prior or after Post Basic BSc-Nursing
- Appeared in the Entrance Test conducted by Jamia Hamdard.
- Sound health.

Selection Procedure

The applicants for admission to the MSc-Nursing programme shall have to appear in the Entrance test. The test paper will comprise of questions based on BSc-Nursing (Hons.) syllabus of Jamia Hamdard.

BSc (Hons) Nursing (Course Code: BSNH 56)
BSc (Hons) Nursing (SFS) (Course Code: BSNF 57)

(This programme is only for female candidates)

Duration : Four years

Total Seats : 50 (25 General and 25 SFS category)
(Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign Nationals

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/ Intermediate) examination with Physics, Chemistry, Biology and English from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.
- Ability to communicate in English and Urdu/Hindi.
- Sound health.

Selection Procedure

An Entrance Test will be conducted by Jamia Hamdard to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination, i.e. Senior Secondary/Intermediate.

Diploma in General Nursing and Midwifery (DGNM) (Course Code: DGNM 58)

(This programme is only for female candidates)

Duration : Three years plus six months compulsory training.

Total Seats : 40

(Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard / Intermediate) examination (any stream) preferably with science subjects (Physics, Chemistry and Biology) from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and have secured at least 40% marks in 10 + 2 examination. The candidate should have studied English at 10th standard.
- Appeared in the Entrance Test conducted by Jamia Hamdard.
- Ability to communicate in English and Urdu/Hindi.
- Sound health.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology of 10th standard and General Awareness (General English and Current Affairs) of the level of 10th standard. The selection will be made on the basis of the merit determined by the performance of the candidates in the written test only.

Note:

1. Stay in the hostel is compulsory for DGNM students. Hostel accommodation is provided on payment of prescribed charges.

2. Transport charges is to be paid by the students in addition to the fees i.e. Rs.5000 per year.
3. Mess charges subject to change.
4. It is mandatory to buy the prescribed text books of every academic year.

Note: For admission against the Foreign National/NRI/Sponsored seats, wherever applicable, written test is not required.

Faculty of Pharmacy

The Faculty of Pharmacy, which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy education in India. A sizeable number of students of the faculty qualify GATE securing high score. Students get placements in major pharmaceutical companies after obtaining degrees from Jamia Hamdard. The faculty also offers a unique specialization in Unani Pharmacy at BPharm and DPharm level.

Many faculty members have research projects funded by National / International funding agencies and Pharmaceutical Industries. The Central Instrumentation Facility (CIF) of the faculty is equipped with modern equipments needed for advanced pharmaceutical research like NMR spectrometer (400 MHz). The faculty has a Computer Centre having 40 PCs with Internet connectivity.

The faculty consists of the following departments:

- Department of Pharmaceutical Chemistry
- Department of Pharmaceutics
- Department of Pharmacology
- Department of Pharmacognosy and Phytochemistry

Research Programme in Pharmaceutical Medicine in collaboration with Ranbaxy

The faculty offers a unique programme leading to PhD in Pharmaceutical Medicine in collaboration with Ranbaxy Research Laboratories. Training is provided in the areas of pre-clinical pharmacology and toxicology, clinical pharmacokinetics, biopharmaceutics and drug regulation.

PhD

Duration : Minimum two years

Disciplines:

- Pharmaceutics (Course Code: PHDP 59)
- Pharmacognosy & Phytochemistry (Course Code: PHPP 60)
- Pharmaceutical Chemistry (Course Code: PHPC 61)
- Pharmacology (Course Code: PHPL 62)

Eligibility

Candidates should have passed M Pharm from Jamia Hamdard or from any other institution recognized by AICTE and Jamia Hamdard in the relevant subject securing at least 55% marks in the aggregate.

Selection Procedure

Admission to PhD programme shall be made on the basis of Entrance test and interview of the eligible candidates conducted by Jamia Hamdard. The entrance test and interview will be based on the M Pharm syllabus of the relevant discipline of Jamia Hamdard.

Note: Students admitted to PhD programme will be required to qualify in the following three theory Papers.

- Research methodology
- Communication skills
- Specialization paper
- Candidates who do not qualify in the proficiency test shall have to attend the prescribed course in English Proficiency

PhD-Pharmaceutical Medicine (Course Code: PHPM 63) PhD-Pharmaceutical Medicine-SFS (Course Code: PHPS 64)

Seats : 04 (One seat is reserved for Sponsored candidate)
: 06 (04 –SFS including one seat sponsored by Ranbaxy Lab. Ltd.; and 02 NRI / Industry sponsored)

Eligibility

Candidates should have passed M Pharm from Jamia Hamdard or from any other institution recognized by AICTE and Jamia Hamdard in Pharmacology / Hospital Pharmacy / Clinical Pharmacy / Pharmaceutics or MBBS degree from a recognized institution. Preference will be given to MD / DNB degree holders in Pharmacology / Medicine / Clinical Pharmacology. Candidates with MSc degree in Pharmacology may also be considered. The required percentage is 55% in aggregate in the relevant subject.

Selection Procedure

Admission to PhD programme shall be made on the basis of Entrance test and interview of the eligible candidates conducted by Jamia Hamdard.

Master of Pharmacy (MPharm.)

Duration : Two years (Four Semesters)

Total Seats : 71

Specialization	No. of Seats	
• Pharmaceutical Chemistry	12	(Course Code: MPPC 65)
• Pharmaceutics	12	(Course Code: MPPS 66)
• Pharmacognosy & Phytochemistry	10	(Course Code: MPPT 67)

- Pharmacology 10 (Course Code: MPPL 68)
- Pharmacy Practice 08 (Course Code: MPPP 69)
- Quality Assurance 08 (Course Code: MPQA70)
- Pharmaceutical Biotechnology 05 (Course Code: MPPB 71)
- Pharmaceutical Analysis 06 (Course Code: MPPA 72)

(Inclusive of seats reserved for NRI/Sponsored candidates)

Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed B Pharm / B Pharm (Unani) examination or any other examination recognized by Jamia Hamdard or an institution recognized by Jamia Hamdard and AICTE, securing at least 55% marks in the aggregate of theory papers.
- Qualified GPAT/GATE (with valid score card).
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Note:

- **Non-GPAT/GATE candidates may be eligible only for seats under NRI / Sponsored category in case GPAT/GATE qualified candidates are not available.**
- **For consideration under the Sponsored category, candidates should have a two year full-time work experience in a registered firm / industry / educational institution.**

Selection Procedure

The applicants for admission to the M Pharm programme (General and NRI / Sponsored category) shall have to appear in the written entrance test. The test paper will comprise of questions based on B Pharm syllabus of Jamia Hamdard. The selection will be made on the basis of the merit prepared by apportioning the following weightages:

- Weightage of percentile scored in GPAT/GATE 50%
- Weightage of Entrance test conducted by Jamia Hamdard 50%.

Important note:

Only 26 GPAT/GATE scholarships may be available for M Pharm students. The distribution of scholarship will be made as per AICTE/UGC norms to the admitted students of four disciplines viz. Pharmaceutics, Pharmaceutical Chemistry, Pharmacology and Pharmacognosy & Phytochemistry. Students admitted under

SFS/Sponsored/NRI/Foreign National category will not be eligible for GPAT/GATE scholarship even if they have a valid GPAT/GATE score. If admitted candidates have same GPAT/GATE score, scholarship will be awarded on the basis of B Pharm marks (aggregate of theory papers only).

Bachelor's Programme in Pharmacy (B Pharm) Regular (Course Code: BPHR 73)

Bachelor's Programme in Pharmacy (B Pharm) SFS (Course Code: BPSF 75)

Duration : Four Years

Total Seats : 60

The breakup of the seats is as follows:

Under normal fee	:	25
Under SFS	:	25
NRI/Sponsored candidates	:	10

Additional seats for Foreign National candidates.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard / Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing atleast 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test for B.Pharm, will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary / Intermediate.

**Bachelor's Programme in Pharmacy (B Pharm) Regular with an additional compulsory paper of Unani Pharmacy)
(Course Code: BPHU 74)**

**Bachelor's Programme in Pharmacy (B Pharm) SFS with an additional compulsory paper of Unani Pharmacy)
(Course Code: BPSU 76)**

Duration : Four Years

Total Seats : 60

The breakup of the seats is as follows:

Under normal fee	:	25
Under SFS	:	25
NRI/Sponsored candidates	:	10

Additional seats for Foreign National candidates.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard / Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing atleast 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Entrance Test conducted by Jamia Hamdard.
- Knowledge of Urdu comparable to Matric standard.

Selection Procedure

An Entrance Test for B.Pharm, will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary / Intermediate. In addition to Entrance Test, the applicants shall have to appear in the test for Urdu language (syllabus for Urdu test is given in this Prospectus).

Medium of instructions of compulsory paper of Unani Pharmacy of this course is Urdu. The candidates must have knowledge of Urdu language comparable to secondary (10th) standard and aptitude for Unani system of medicine.

The aim and objective of this unique course is to produce Pharmacy Graduates with additional qualification in producing quality formulations of Unani medicines prescribed by Hakeems and validation and standardization of formulations using modern scientific techniques.

**B Pharm II Year (Regular through lateral entry)
(Course Code: BPRL 77)**

**B Pharm II Year (SFS through lateral entry)
(Course Code: BPSL 79)**

Total Seats : 06

Breakup of the seats is as under:

Under normal fee	:	03
Under SFS	:	02
NRI/Sponsored candidates	:	01

Eligibility

A candidate must have:

- Passed 10+2 examination from the Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, with Physics, Chemistry and Biology
- Passed Diploma in Pharmacy examination of Jamia Hamdard or from any other recognized institution with 50% marks in the aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted. The question paper will comprise of the questions from D Pharm syllabus of Jamia Hamdard.

**B Pharm II Year (Regular through lateral entry with an additional compulsory paper of Unani Pharmacy)
(Course Code: BPUL 78)**

**B Pharm II Year (SFS through lateral entry with an additional compulsory paper of Unani Pharmacy)
(Course Code: BSLU 80)**

Total Seats : 06

Breakup of the seats is as under:

Under normal fee	:	03
Under SFS	:	02
NRI/Sponsored candidates	:	01

Eligibility

A candidate must have:

- Passed 10+2 examination from the Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, with Physics, Chemistry and Biology.
- Passed D Pharm (Unani) with 50 % marks in aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted. The question paper will comprise of questions from D Pharm syllabus of Jamia Hamdard.

Medium of instructions of compulsory paper of Unani Pharmacy of this course is Urdu.

**Diploma in Pharmacy (D Pharm) Regular
(Course Code: DPHR 81)**

Duration : Two Years

Total Seats : 30 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign National candidates.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks in the aggregate of Physics, Chemistry and Biology.

- Appeared in the Diploma Entrance Test (DET) conducted by Jamia Hamdard.

Selection Procedure

The candidates seeking admission to the D Pharm programme will have to appear in the Diploma Entrance Test (DET). The test paper will comprise of questions on Physics, Chemistry, Biology and General awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary /Intermediate.

**Diploma in Pharmacy (D Pharm) Regular (with an additional compulsory paper of Unani Pharmacy)
(Course Code: DPHU 82)**

Duration : Two Years

Total Seats : 30 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign National candidates.

Eligibility

A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, and secured at least 50% marks in the aggregate of Physics, Chemistry and Biology.
- Appeared in the Diploma Entrance Test (DET) conducted by Jamia Hamdard.
- Knowledge of Urdu language comparable to High School.

Selection Procedure

The candidates seeking admission to the D Pharm programme will have to appear in the Diploma Entrance Test (DET). The test paper will comprise of questions on Physics, Chemistry, Biology and General Awareness. The standard of questions will be based on the qualifying examination i.e. Senior Secondary / Intermediate. In addition to DET, the applicants will have to appear in the test for Urdu language for D. Pharm (Unani) as per the Test Schedule given in this prospectus.

Note: For admission against the Foreign National/ NRI/ Sponsored seats, wherever applicable, written test is not required.

The image shows the exterior of a large, modern building, identified as the Faculty of Science. The building's facade is primarily composed of light-colored stone or concrete blocks. A prominent feature is a large, central rectangular window with a complex, repeating hexagonal lattice pattern. Below this window is a recessed entrance area with a dark doorway. The building is surrounded by lush greenery, including several tall palm trees and smaller plants in pots. A white SUV is parked on the left, and a white car is on the right. A street lamp is visible on the far right. The sky is clear and blue.

Faculty of Science

The faculty consists of the following departments:

- Department of Biochemistry
- Department of Biotechnology
- Department of Botany
- Department of Chemistry
- Department of Medical Elementology and Toxicology

The thrust areas of research in the Faculty of Science are environment and health. The research objective is to understand the etiology of diseases at molecular level and inter-relationship between nutrients and drugs. Modern bio-medical research tools and developments in the fields of Genetic Engineering, Genomics, Proteomics and Bio-informatics are being used to understand the cellular processes associated with health and diseases. The emerging concept of role of elements in health and effect of chemicals on environment and health and ecosystem including mitigation of their toxicity and carcinogenicity are other areas of research. Scientific evaluation of the efficacy of herbal medicine is being extensively pursued. The effect of environment on growth, structure and chemistry of plants, relationship between structure and function of proteins and enzymes, development of bio-molecules by r-DNA technology, regulation of gene expression, development of new generation vaccines and diagnostic probes, enhancement of secondary metabolites in medicinal plants, metabolomics, molecular biology of infectious diseases, biotransformation of medicinal plants for better yield of medicinal compounds and transgenics of valuable crops are also being studied.

The Faculty follows UGC proposals and norms and accordingly has introduced one semester foundation course for MSc students and one semester course work for students admitted to Ph.D programme.

All the departments of the faculty are well equipped with necessary infrastructure and instruments. An independent Animal House is attached with the faculty.

Central Instrumentation Facility (CIF)

The faculty has a well-equipped Central Instrumentation Facility, which is open to research scholars round the clock. It is equipped with state-of-art equipments. These include Atomic absorption and Atomic emission spectrophotometers, inductively coupled plasma spectrophotometer, ELISA reader, JASCO Spectropolarimeter, Ultracentrifuges, HPLC with integrator, Gas chromatograph, HPTLC, CHNS Analyser, Gamma and Beta Scintillation Counters, Ultrascan, FT-IR, Luminescence Spectrometer, UV-VIS Double Beam Spectrophotometer, Gel Documentation System and Semi-preparative HPLC. Facilities for Internet and DTP are also available. All the departments of the faculty are connected to the server of the CIF.

Herbal Garden:

Jamia Hamdard has the privilege of maintaining a herbal garden within the campus which spreads on six acres of land with about 150 species of important traditional medicinal and aromatic plants. The garden is attached with the Department of Botany and its main purpose is to carry out experimental work and initiate the ex-situ conservation of rare medicinal plants.

PhD

Duration: Minimum two years

Disciplines:

- Biotechnology (Course Code: PHBT 85)
- Biochemistry (Course Code: PHBC 84)
- Botany (Course Code: PHDB 87)
- Chemistry (Course Code: PHDC 86)
- Toxicology (Course Code: PHDT 88)

Some fellowships sponsored by Hamdard National Foundation (HNF) are available for deserving candidates. Some candidates are supported as Junior Research Fellow in research projects sponsored by various funding agencies. Preference in admission is given to those who have cleared UGC-CSIR, NET or have qualified national level tests conducted by DBT, ICMR, ICAR, etc. Students desirous of seeking admission to PhD programme of the faculty may select the areas of research displayed on the University website.

Eligibility

Candidates seeking admission to the PhD programmes in the faculty should have passed MSc in the relevant subject securing at least 55% marks in the aggregate. Department of Biotechnology and Department of Medical Elementology and Toxicology accept candidates to PhD programme who possess MSc degree in Chemistry or any subject of Biological Sciences.

Selection Procedure

Admission to PhD programme shall be made on the basis of entrance test and interview of the eligible candidates conducted by Jamia Hamdard. The test will be based on the MSc syllabus of the respective subjects of Jamia Hamdard.

Department of Biochemistry

Biochemistry deals with the chemical processes of life, which makes it a multidisciplinary subject with applications in all disciplines of life sciences including the medical sciences, plant/agricultural sciences, microbiology, cell and molecular biology, biotechnology, toxicology, environmental sciences, and upcoming disciplines: bio-nanotechnology, and computational and systems biology. Recently the Department has been funded by the DBT (Ministry of Science and Technology) to create Bioinformatics Infrastructure Facility, and UGC to start a new course in Bioelectronics and Instrumentation. Currently, the Department offers three programs of study: M.Sc. Biochemistry, PhD Biochemistry, and M.Sc. Bioelectronics & Instrumentation, and also provides opportunity for postdoctoral research.

This Department is recognized as one of the excellent places for biochemistry education and research, and attracts students from across the country and abroad. Over the years, students of this Department have landed in national research institutes (DRDO, CSIR, CCRUM) as scientists, working as teachers in universities/colleges (DU, KU, JH and medical colleges), and as executives/consultants in private firms (Nature Pub Group, IPR Firms etc), and as application managers in MNCs. Besides, many have opted for positions abroad and working in reputed institutes in USA, European countries, Gulf and elsewhere. Over 160 students of this department have qualified various national level tests (NET/GATE/ICMR/ICAR etc) over a period of time.

The Department has been the recipient of several grants from various funding agencies of the Government of India (UGC, DBT, DST, ICMR, CSIR, and CCRUM) to support its infrastructure and research. The Department has acquired HPLC, Animal Tissue Culture Facility, and software for Molecular Modeling and Drug Design, besides basic facilities required for biochemical research. Chronic inflammatory diseases, immunomodulation, new drug development, dietary mutagens, isolation and characterization of soil bacteria antagonistic to plant pathogens, bio-control, and proteins and enzymes are the areas of interest of the Department. Signal transduction, stem cell research, regeneration, functional proteomics and biosensors are other areas, which are being developed by the Department.

MSc-Biochemistry (Course Code: MSBC 89)

Duration : Two years (Four semesters)

Seats : 20 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed B.Sc in Bio-chemistry or equivalent examination in Biological sciences with Bio-chemistry or Chemistry as one of the subjects securing at least 55% marks in aggregate.
- Appeared in Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Zoology, Botany, Chemistry, Biochemistry and Molecular Biology of BSc level.

MSc- Bioelectronics and Instrumentation (MBI) (Course Code: MSBI 96)

MSc Bioelectronics and Instrumentation (MBI) is a UGC sponsored course sanctioned to the Department of Biochemistry under Innovative Plan. The course is aimed at integrating the domain knowledge of engineering and life sciences to address and understand various aspects of instruments used for biological applications. The program is intended to provide trained manpower to the industry and research organizations, and impart the ability to use information technology and management skills for monitoring the performance of equipments and related issues.

MBI uniquely combines the knowledge of electronics and instrumentation with the knowledge of biology. Medical Instrumentation, Biomaterials, Bio-signal Processing, Medical Imaging, Biomechanics and Rehabilitation Engineering are the primary areas covered in this course. Apart from this, the applications of Bioelectronics and Instrumentation also extend to sophisticated therapeutic and surgical devices, Pacemakers, and Artificial Organs, and this cutting-edge job oriented discipline is equally attractive to the students seeking to enter in research. The students admitted to this course are provided opportunities to work in national laboratories (DRDO & CSIR) to make them aware of the latest technological advances in the field.

Employment opportunities in this area are immense, considering the fact that the aging of the population and focus on health issues will increase the demand for better medical devices and equipment designed by professionals. Career options for students of this course include: Designing, developing and manufacturing prosthetics, synthetic blood vessels, automated patient-monitoring systems, blood chemistry sensors, ultrasound and other medical devices. Other areas include: artificial intelligence for clinical decisions, providing non-clinical services

in hospital, academic career, research, as technical advisor for marketing departments, employment with companies that manufacture equipment used in hospitals and diagnostic centers or centers for research and development, manufacturing, quality control and testing as also installation, maintenance or sales and marketing departments. Other developments, like computer-assisted surgery and research in molecular and cellular biology and tissue engineering are also related to this field.

Duration : Two years (Four semesters)

Seats : 18 (15 General category + 3 NRI/ Sponsored category)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed B.Sc in Instrumentation / Physics / Electronics / Biochemistry / Biotechnology or allied disciplines such as B.Pharm with at least 55% marks in aggregate, and Mathematics at 10 + 2 level.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in electronics, instrumentation, Computer Science, Biochemistry, Physics, Chemistry, Maths and Biology of BSc level.

Department of Biotechnology

The department offers two formal programmes of study, two year post-graduate course leading to MSc in Biotechnology and doctoral research leading to PhD degree. Besides, it also offers opportunity for post-doctoral research. The faculty members of the department have been able to attract a large number of extramurally funded research projects. At present, the department has twelve ongoing research projects sponsored by DST, DBT, DRDO and AYUSH. The current research interests of the faculty members include: development of biomolecules by r-DNA technology, molecular biology of infectious diseases, regulation of gene expression, immunotherapeutics and vaccine development, enhancement of

secondary metabolites in medicinal plants, biotransformation of medicinal plants for better yield of medicinal compounds and transgenics of vegetable, floriculture and oil crops. The department has inter-institutional collaboration with ICGEB (New Delhi), AIIMS (New Delhi), NII (New Delhi), Dabur Research Foundation (Ghaziabad), National Institute of Communicable Diseases (New Delhi), National Centre for Biological Sciences (Bangalore), CDRI (Lucknow), TERI (New Delhi), IARI (New Delhi), JNU (New Delhi), University of Delhi South Campus (New Delhi), Institute of Genomics and Interactive Biology (New Delhi) and CDFD (Hyderabad). The students of biotechnology have high rate of success in NET/ ICMR/ DBT test for JRF. They have been selected in reputed institutions such as CCMB, CDFD, AIIMS, IISc, ICGEB, NII, NIPGR, NCCS, NCBS etc., besides placements abroad.

Centre for Transgenic Plant Development

The Centre for Transgenic Plant Development is a unit of Department of Biotechnology. It is equipped with the state of the art facilities to train the PhD and post doctoral students and to carry out research in various disciplines of plant and microbial biotechnology. The major R & D activities pursued includes cloning and characterization of novel genes linked with tolerance to biotic and abiotic stresses and quality traits of medicinal and crop plants; authentication and standardization of crude components of herbal formulations; nano vehicle assisted gene delivery and expression in medicinal and crop plants. The thrust areas of centre also includes improving the quality of medicinal crops through genetic engineering of metabolic pathways; in vivo and in vitro conservation of medicinal plants; proteomics of host-pathogen interactions; development of easy, rapid, sensitive, cost effective method for aflatoxigenic mould detection in the groundnut kernels and soil; and identification and quantification of aflatoxins in the food and feed. The centre has received grants from various government agencies such as DST, DBT, Department of AYUSH, CCRUM, CSIR, ICMR etc. for R & D projects carried out at the Centre.

MSc-Biotechnology (Course Code: MSBT 92)

MSc-Biotechnology (Self Financing Scheme) (Course Code: MSBF 93)

Duration : Two years

Seats : 40 (20* General Category + 20 SFS Category)
(*Inclusive of seats reserved for NRI/ Sponsored candidates)
Additional seats for Foreign Nationals

Eligibility

A candidate must have:

- Passed BSc examination from a recognized University in Biological Sciences with a minimum of 55% marks in aggregate. The candidate having passed BSc. (Agriculture) or BVSc with a minimum of 55% marks in aggregate are also eligible.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Zoology, Botany, Chemistry, Biochemistry and Molecular Biology of BSc level.

Department of Botany

The Department of Botany came into existence in 1989, has developed strong research programmes in the fields of stress physiology, structural & developmental botany, environmental botany, medicobotany and plant biotechnology. The post-graduate teaching started in 1994 leading to the award of M.Sc. degree in Environmental Botany. The nomenclature of M.Sc. course has been changed to M.Sc. Botany instead of M.Sc. (Environmental Botany) w.e.f. the academic session 2009-10. A Post-graduate Diploma in Environmental Monitoring and Impact Assessment is also run by the department through distance mode of learning.

During the last 20 years, as many as 56 students have been awarded Ph.D. degree. Alumni of the department have distinguished themselves as teachers and scientists occupying important position in research institutions, universities and non-governmental organizations. The teachers of the Department have been acknowledged for their excellence and creativity by various agencies of National /International.

THRUST AREA OF RESEARCH

- Plant response to heavy metal and environmental stresses
- Air pollution impact on plant form, function and medicinal properties
- Characterization of medicinal plants
- Ethnobotany and plant systematics
- Meristematic behavior and radial growth in plants
- Tissue culture studies for alkaloid production, clonal multiplication and preservation of endangered species

- Transmission and application of variation in plants
- Regulation of biosynthesis of secondary plant metabolites
- Phytoremediation

RESEARCH FACILITIES

The Department has well equipped laboratories for research. The available equipments include Growth chambers, BOD incubators, Refrigerated microfuges, Electrophoresis set up, Transilluminator Laminar air flow, Shakers, Environmental shaker incubator, Microven, PH meters, Waterbath shaker incubators, Spectronic-20, Water deionizer, Muffle furnace, Deep freezer (-80), IRGA (Photosynthesis System), Leaf area meters, Flame photometer, Sliding and rotary microtomes, Gel documentation system and Nikon's Phase contrast microscope with photography attachment, Weather station attached with gas monitoring sensors, Spectrophotometers, Leaf Area Meter, Chlorophyll Fluorometer, Plant Canopy Analyzer, Rotavapor, Sound Level Meter and Gas & Dust Analysing System. A modest Green House and an Environmentally controlled Glass House are also available.

A fully developed Herbal Garden is also there for ex-situ conservation and multiplication of medicinal plants.

JOB AVENUES

The students, with a background in plant biotechnology, biostatistics and bioinformatics, are expected to find opportunities in different organizations such as Department of Science & Technology (DST), Department of Biotechnology (DBT), Department of Environment & (DOEn), Council of Scientific & Industrial Research (CSIR), Central Pollution Control Board (and similar State depts), various research institutes like National Botanical Research Institute (NBRI), Lucknow; Central Institute for Medicinal and Aromatic Plants (CIMAP), Lucknow; Indian Institute of Toxicology Research (IITR), Lucknow; Indian Agricultural Research Institute (IARI), New Delhi; Forest Research Institute (Dehradun, Coimbatore & Peechi etc), National Environmental Engineering Research Institute (NEERI), Nagpur; and TATA Energy and Resources Institute (TERI), New Delhi, in addition to the different Universities, Colleges and several NGOs.

MSc Botany (Course Code: MSBN 90)

Duration : Two years

Seats : 25 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign Nationals.

Eligibility:

A candidate must have:

- Passed BSc or equivalent examination of a recognized university with Botany/Plant Sciences as one of the subjects securing at least 55% marks in the aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Zoology, Botany, Chemistry and Molecular Biology of BSc level.

Department of Chemistry

The mission of the Department is to provide knowledge in Chemistry that offers opportunities for a quality and comprehensive learning experience for students. The Department offers MSc programme in Chemistry with the option of specialization in: (a) Organic Chemistry and (b) Industrial Applications. With expertise distributed over different areas in Chemistry, the faculty is engaged in teaching and research activities that prepare the students for market driven opportunities. It further helps students for employment in industry, research institutes and science teaching. The students obtaining MSc and PhD degrees have either been suitably placed in reputed pharmaceutical companies like Ranbaxy, Jubilant Organosys, Glenmark, Wockhardt, Rexin etc. or have been offered postdoctoral position abroad. The Department also provides opportunities to the students to compete internally for admission to PhD programme in Chemistry. The Department also offers a programme in PG Diploma in Chemoinformatics under open and distance learning mode at Jamia Hamdard and other study centres.

M.Sc Chemistry (Course Code: MSCH 91)

Duration : Two years

Seats : 20 (inclusive of seats reserved for NRI / Sponsored category)

Eligibility

A candidate must have:

- Passed BSc or equivalent examination from a recognized University with Chemistry as one of the subjects securing at least 55% marks in the aggregate.
- Appeared in Entrance Test Conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in all the aspects of Chemistry (Organic, Inorganic, Physical, and Analytical) of BSc level.

Department of Medical Elementology and Toxicology

Department of Medical Elementology and Toxicology is DST/FIST and UGC/SAP sponsored department. At present, the Department is running PG course leading to MSc degree in Toxicology. PhD degree in Toxicology is being awarded in different fields of toxicology. The Department has collaborative programmes with many reputed institutes like: Indian Institute of Toxicological Research, Lucknow; Central Drug Research Institute, Lucknow; Sri Ram Institute of Industrial Research, New Delhi; Centre for DNA Finger Printing and Diagnostics, Hyderabad; National Physical Laboratory, Pusa, New Delhi; Institute of Nuclear Medicine and Allied Sciences, Delhi; Indian Institute of Integrative Medicine (CSIR), J & K etc.

Research thrust areas

- Chemo prevention of diseases by plant products/indigenous medicines and standardization of these drugs
- Targeting the molecular mechanism and elucidation of their plausible role in induction of carcinogenesis in prostate, liver, kidney and skin at preclinical stage.
- Neurodegenerative disorders and their protection.
- Role of trace elements in the manifestation of diseases.
- Role of environmental pollutants in eco toxicology and Immunotoxicology.

Funding agencies providing funds for research in the Department are CSIR, ICMR, DST, Ministry of Forest and Environment, AYUSH, UGC, SAP, CCRUM, Ministry of Health and Family Welfare. Every year a good number of students qualify UGC-JRF, CSIR-JRF, ICMR, DST, DBT fellowships. Students got placements in various companies and R & Ds institutes like Ranbaxy, CDRI,

IITR, Dabur Torrent, Cadila, Lupin, Dr. Reddy's Laboratory, Sri Ram Institute of Industrial Research Nestle, Himalaya's etc.in India and in foreign countries like USA, Canada, UK, France, Germany, Malaysia and Saudi Arabia.

MSc-Toxicology (Course Code: MSTX 94)

Duration : Two years

Seats : 25 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- A bachelor's degree recognized by Jamia Hamdard with any three of the following subjects: Botany, Chemistry, Zoology, Biochemistry, Biotechnology, Microbiology, Environmental Biology or a subject of Life Sciences securing at least 55% marks in the aggregate. Candidates who have studied biology at 10+2 level and have B Pharm/BVSc/BSc (Agriculture) degree securing 55% marks in aggregate.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Zoology, Botany, Chemistry, Biochemistry and Molecular Biology of BSc level.

Note: For admission against the Foreign National/NRI/Sponsored seats, wherever applicable, written test is not required.

Faculty of Engineering and Inter-Disciplinary Sciences

The faculty was established in 2008 with the objective of developing an interface of Engineering and Life Sciences including Agriculture and Medicine. The faculty has introduced a post graduate programme in Food Technology, and also registers students for PhD in identified areas. To promote education and research in interdisciplinary sciences is the mandate of the faculty.

Department of Food Technology

With the rising demand for processed food and increased export of food and food products, food technology as a career option is becoming more and more popular. The last few years have seen plethora of innovations in the field of preservations and food engineering. So much, so that the industry now is voraciously absorbing technologists at a very fast rate. A changing urban life style has been making processed food more dependable by the day. Besides, quality assurance of food is a major concern, which is opening up a quite a few opportunities in the Government and private sectors. Industry, Government agencies and educational and research institutions need the expertise of people holding advance degree in food science and technology. In addition to food manufacturing companies, a host of other industries offer unlimited opportunities for food scientists in the areas of basic research, quality assurance, product development, regulatory affairs and the application of technology. As for prospects, the public and private sectors have been making a bee line. It is estimated around 200,000 jobs opportunities will be available by 2015 in the food and allied sector in our country.

Food technology is a branch of science in which the food science is applied in manufacturing and preservations of food products. The food technologists study the chemical, physical and microbiological makeup of the food. The food is processed, preserved, packaged and store according to the specifications by industry and Government. The research and development in food technology has resulted into the production of safe and nutritious foods. The processing industries manufacture a large varieties of food products. They include the primary foods like rice and wheat products, oil, sugar and pulses. They are processed to convert into edible form. Food technology courses can be a good career option. Master of Science in Food Technology programme aims to provide students with the necessary knowledge, skills and values to make them attractive on the labour market not only in both Government service and industry but also as self employment. The programme is designed with local as well as foreign students in mind. The programme of study aims to meet the needs of Food Technologists who will work as professionals in Government and industry. It also provides eligibility to students for doctoral studies. It also enables students to start their own venture.

MTech-Food Technology (Course Code: MTFT 98)

Duration : Two years (Four Semesters)

Total Seats : 18 (15 General category + 3 NRI/ Sponsored' category)
Additional seats for Foreign Nationals.

Eligibility

A candidate must have:

- Passed BTech / MSc in Food Science and Technology or allied disciplines or BPharm with at least 55% marks in aggregate and mathematics at 10 + 2 level,
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure

An Entrance Test will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology, Maths, Biochemistry, Biotechnology and Food Science of BSc level..

Ragging Strictly Prohibited

No Pardon for Guilty

STUDENTS SUPPORT FACILITIES

HAKIM MOHAMMED SAID LIBRARY

Jamia Hamdard Library and Information System consists of a Central Library and six Faculty libraries. Total library holdings are 2,06,000 including 1,79,000 books, 19,000 bound volume of periodicals, 35,000 rare books, 4,000 manuscripts, 3,750 Theses/Dissertations, 375 microfilms, 584 microfiches, etc. The Central Library subscribed 47 current print journals, 13 online journals and 02 electronic data bases (ACM & IEEE) on Science, Pharmacy, Medicine, Management, Nursing, Information Technology etc. The Library has its own binding and preservation facilities also. The Central Library and three Faculty libraries are fully computerized and connected with Local Area Network (LAN). The Central Library has developed database of books, journals, Theses/Dissertations and CDs, which can be accessed through the On-line Public Access Catalogue (OPAC) by the library users. Outside Campus, users can also access the library database through the Web OPAC service. The registered library users are issued bar-coded library membership cards for quick electronic borrowing of library materials from any of the libraries besides the HMS Central Library.

Library has developed a portal entitled "Digital Information Centre" attached to the Library website, which provides access to free journals, e-journals database of INFLIBNET and many national and international database of DELNET. The IP based access to a large number of pharmacy, medical and science journals is providing a boon to the students and faculty members from a variety of large number of academic and research background. The journal database is also facilitating the users a great deal. The Book Bank and the Textbook Reference Sections are meeting the requirements of the students for reading materials. The inter-library loan (ILL) facility is being provided to the library members through the DELNET.

The library has a good collection of Urdu, Arabic and Persian books. The unique feature of the library is the development of a computerized database of these books. At present, a database of more than 39,000 of such books has been developed.

The university website www.jamiahamdard.edu may be visited for further details about library resources, library rules etc.

COMPUTER CENTRE

Information Technology has become increasingly crucial to effective acquisition and dissemination of knowledge. Therefore, Computer professionals in Jamia

Hamdard are adopting best practices for integrating these technologies in support of teaching and learning.

All the faculties, libraries, laboratories located in different buildings as well as Majeedia Hospital and Administrative Block are connected through 1 GB fiber Optic cables. Residential areas are also connected through high-speed RAS ports and modems using existing EPABX.

The University has been provided 2MBPS Enet leased line by UGC to access Internet. Recently University added 10 Mbps (1.1) extra bandwidth. Many Computer laboratories have been set up in various faculties and all the students are encouraged to make extensive use of these facilities.

Computer Centre is also providing to its Faculty and staff e-mail services on its domain www.jamiahamdard.ac.in Centre is hosting 30 high-end servers to provide different computing services to different segments of the university. Centre is also working with different Government funding agencies like Department of Biotechnology (DBT), Government of India; Department of Science and Technology (DST) to establish high end computing Labs (BIF) for research and teaching purposes for students and teachers. www.jamiahamdard.edu is official website of the University. All relevant information regarding courses, eligibility and admission process etc. are updated regularly.

Centre is engaged in teaching and training assignments for students, staff and faculty of Jamia Hamdard. Recently video-conferencing was introduced to facilitate knowledge dissemination and research.

Computer Centre, Jamia Hamdard is in collaboration with CISCO, conducting CCNA Networking Programme at its premises for internal as well as external students.

In order to provide efficient and better services, University is investing in ERP systems as their Basic Technology infrastructure for E-Governance that will computerize functioning of entire University. It will give administrative and operational smoothness. Administrative transparency will be greatly enhanced and will be single source to retrieve all University data and repetition of work will be avoided.

UNIVERSITY WEBSITE:

<http://www.jamiahamdard.edu> is the main resource of information about the University. Starting with the announcement of the admission, list of short listed candidates, regular notices are uploaded on the web site.

MAJEEDIA HOSPITAL

Majeedia Hospital is a multi specialty, 150 bedded hospital under expansion to 450 beds. Situated in the green campus of Jamia Hamdard it provides excellent professional care to the patients in Accident and Emergency services, Out Patients, In-patients through a dedicated team of medical experts along with latest technology at affordable cost both in Allopathic and Unani system of medicine.

It has consultants of Medicine, Surgery, Paediatrics, Obst. & Gynae, Orthopaedics, Dermatology, Dental Surgery, ENT, Ophthalmology, Ultrasonologist, Speech therapy and Anaesthesia. Super speciality facilities in the fields of Urology, Maxillo Facial Surgery, Cardiology, Endo-Crinology, Plastic Surgery, Echo Cardiology, Nephrology, Psychiatry, Pulmonology, Obst. & Gynae Infertility, Gastroenterology are also available. The Hospital has round the clock services of ICU, Neonatal ICU, Laboratory, Emergency, Pharmacy, Ambulances, Dialysis, X-Ray and Ultrasound.

Majeedia Hospital also provides services like TMT, Echo cardiography, Audiometry, EEG, PFT, NCS and EMG. Senior and highly experienced Doctors provide out-patient consultation. Investigation in the field of Microbiology, Pathology, Biochemistry, Radiology, Ultrasonology are available. Majeedia Hospital has collaboration with PSRI for Blood Bank facilities and is empanelled with MRI Diagnostic & Research Centre for CT and MRI facilities. A Centre for Rehabilitation Medicine provides excellent care in the field of Occupational Therapy and Physiotherapy. Family Welfare Department provides facilities of Community Health, Immunization and Family Planning Services with the assistance of Delhi Government.

The hospital is the nodal institution for conducting courses of M.Pharm (Pharmacy Practice), B.Sc. Medical Laboratory Techniques, Diploma in X-ray and ECG Techniques, Diploma in Dialysis Techniques, Diploma in Operation Theatre Techniques and Diploma in Medical Record Techniques.

HEALTH CARE

Students of Jamia Hamdard are eligible for free consultation in allopathic and Unani OPDs. Emergency services to students are also provided free of cost. Cost of medicine has to be met by the students.

HAMDARD CONVENTION CENTRE

Beautifully designed and centrally air-conditioned Convention Centre has attracted scholars, researchers and organizations from all over the world. It is elegantly furnished and provided with all the modern amenities for organizing seminars, conferences, meetings and lectures.

HOSTELS

University has following seven hostels for boys and girls:

1. Sultana Razia Hostel - UG and PG girls
2. Rufaida School of Nursing Hostel - Nursing students.
3. Anne Marie Schimmel Hostel - PG girls
4. Al-Biruni Hostel - UG boys
5. Ibn-Sina Hostel – UG and PG girls
6. Ibn-e-Batuta Hostel – PG Boys
7. Jawaharlal Nehru International Hostel – Boys.

In view of limited hostel accommodations, the candidates should note that their admission to University does not guarantee allotment of hostel accommodation. Annual hostel charges are payable in advance at the time of allotment. It will be incumbent upon the student admitted to the hostel to join the mess and pay mess charges at the rates prescribed from time to time. Mess charges may be revised at any time due to escalation in the prices of essential commodities. The students admitted to the hostel are entitled to stay in the hostel during the academic session only and are required to vacate the rooms during the summer vacations for maintenance work. Due to acute shortage of hostel accommodation it will not be possible at present to provide hostel accommodation to the students of the following programmes:

- All Certificate and Diploma Programmes
- Students whose parents or guardians are resident of Delhi, Faridabad, Ghaziabad, Gurgaon and NOIDA.

It may also be noted that married students who intend to stay with their family should make their own arrangements outside the campus as University does not have such accommodations.

SPORTS AND CULTURAL ACTIVITIES

Jamia Hamdard has a well-equipped gymnasium and other sports related facilities. There are two indoor badminton courts, two table-tennis tables, billiard table and a hard tennis court. There are playgrounds for cricket, football, basketball and volleyball. The University organizes sports and cultural week every year for the students where inter-faculty competitive sports and cultural events are held.

NATIONAL SERVICE SCHEME (NSS)

National Service Scheme is a programme sponsored by the Ministry of Youth Affairs and Sports, Government of India. Since its inception, NSS has enrolled students from all the faculties. The NSS volunteers participate in various awareness programmes such as Pulse Polio Immunization camps, awareness

about Hepatitis-B, DPT and BCG immunization, HIV/AIDS, STD, importance of cleanliness, illiteracy eradication programme, plantation and related activities. NSS volunteers also participated in a project sponsored by UNICEF on polio immunization. NSS volunteers organize Blood donation camp every year. A 15 day Special camp is organized by NSS volunteers every year in different slums of Delhi for community awareness programme. NSS Jamia Hamdard is a member of Red Ribbon Club which is HIV/AIDS awareness scheme sponsored by Delhi Government.

NATIONAL CADET CORPS (NCC)

NCC unit of Jamia Hamdard is affiliated to 7 Delhi Battalion, New Delhi. Besides routine drills, NCC cadets participate in several welfare programmes such as blood donation camps and immunization programmes.

STUDENTS AID FUND

The University has allocated some amount as Students Aid Fund which is meant for financial help to the needy students. A student, whose parents/guardians have income of less than Rs.10,000/- per month along with his/her performance at examinations conducted by Jamia Hamdard is eligible for applying for the assistance from this fund.

SCHOLARSHIPS AND FELLOWSHIPS

The following scholarships / fellowships are available for the students.

S.No.	Particulars	Eligibility
General for all Faculties		
1.	Hamdard National Foundation (HNF) Scholarship	For limited PhD. students on the merit-cum-means basis.
2.	Khwaja Moinuddin Chishti Ajmeri (Gharib Nawaz) merit-cum-means scholarship	To be awarded on the basis of essay writing competition on the life and work of Khwaja Gharib Nawaz.
3.	Dr. L.M. Singhvi Gold Medallion (or Silver Shield) of accolade	For the first and second winner of essay competition on a subject of topical importance of inter-faith dialogue conducted every year.
4.	Hakeem Abdul Majeed Scholarship (For Pharmacy, Medicine (U), Nursing and Science Faculties)	For the students who have secured highest marks in annual exams of B.Pharm. or B.Pharm. (Unani) I, II and III Years (Under regular scheme), BUMS I & II Prof., B.Sc. Nursing, I, II and III Years and M.Sc. I Year.
Faculty of Allied Health Sciences		
5.	Musharraf Hussain Jafri Scholarship	For a student of Bachelor of Medical Lab. Techniques III Year, on the merit-cum-need basis.
6.	Syed Abdul Karim Scholarship	For a student of Diploma in X-Ray and ECG Techniques II Year, on the merit-cum-need basis.
7.	Rais Ahmad Khan Scholarship	For a student of Diploma in Medical Record Techniques on the basis of his/her financial condition.
8.	Prof. Syed Wahiduddin Scholarship	For a student of Diploma in Dialysis Techniques II Year on the basis of merit and need.
9.	Noorul Hasan Memorial Scholarship	For a student of Diploma in Operation Theatre Techniques II Year on the basis of merit and need.
10.	Late lady Reshma Parveen Memorial Initiative for Learning & Educating Students (R-MILES)	For Bonafide Muslim Student/students of Bachelor of Occupational Therapy (BOT) or Bachelor of Physiotherapy (BPT) or BSc.(MLT) or BSc. Emergency and Trauma Care Technology for second year.
Faculty of Islamic Studies and Social Sciences		
11.	Maulana Shah Mustafa Raza Merit Scholarship	For a student who will secure highest marks in the interview for admission to M.A. Islamic Studies
12.	Late Lady Laiqan-Nisa Award for Meritorious Professional (LAMP) Scholarship.	For a second year student of M.A. (Islamic Studies) on the basis of merit-cum-means subject to completing and passing of all subjects of First Year.
13.	Mrs. Aquil-un-Nisa Alam Scholarship.	For a student of M.A. in Islamic Studies. The Scholarship will be given on the recommendation of the HoD and Dean concerned.
14.	Darul Uloom Mohammadiyah	For a PhD scholar who chooses his topic of research "Ashraf-ul-Ulama Ki Taalimi Wa Samaji Khidmat Suba Maharashtra Ke Hawale Se"
15.	Ashraf-ul-Ulama Scholarship	For students of MA I year and II year.
Faculty of Management and Information Technology		
16.	Late Hajji Mohammad Ilyas Memorial Initiative for learning and educating student (M-MILES)	For bonafide Muslim student/students of MBA II year.
Faculty of Medicine (Unani)		
17.	Hakim Abdul Hameed Fellowship	For students of M.D. (Unani).

18	Maulana Wahid Hussain Memorial Scholarship	For a Student of BUMS II Prof on the basis of merit and need.
19	Dr. Maqbool Husain Jafri Memorial Scholarship	For a student of BUMS III Prof. on the basis of merit and need.
20	Akhtar Hussain Memorial Merit Scholarsip	For a student who joins BUMS course from Pre-Tibb on the basis of merit.
21	Late Maulvi Shabbir Ahmad Scholarship	For a topper of annual examination of Pre-Tibb.
22	Late Janab Haji Mohammed Ahmed Khan Education Reward (MAKER) Scholarship.	For two students of BUMS second prof. on the basis of merit cum means subject to completing and passing of all subjects.
23	Mrs. Aquil-un-Nisa Alam Scholarship.	For a student of Faculty of Medicine (Unani). The Scholarship will be given on the recommendation of the HoD and Dean concerned.
Faculty of Nursing		
24	Jamboonathan Means-cum-Merit Scholarship	For a BSc. (Nursing) II year student who has secured highest marks in I Year of the programme.
25	Mrs. Farida Haque Scholarship	For a student of DGNM (Nursing) I Year on the basis of means only and also if she is eligible to receive Zakat.
26	Noorul Hasan Memorial Scholarship	For a student of Diploma in General Nursing and Midwifery (DGNM) II Year on the basis of merit and need.
27	Late Lady Nasira – Begum Education Award for Topper (NEAT) Scholarship.	For a second year student of BSc. (Nursing) on the basis of merit cum means subject to completing and passing of all subjects of First Year.
Faculty of Pharmacy		
28	Hakim S.A. Jamil Qadri Memorial Scholarship	For a student of B. Pharm. I year (U) on the basis of need and eligibility.
29	Maulalan Shibli Nomani Scholarship	For a student of B.Pharm. (Unani) II Year (SFS) (General) who secures highest marks in B.Pharm. (Unani) I Year.
30	Noorul Hasan Memorial Scholarship	For a student of B.Pharm. (Unani) II Year on the basis of merit and need.
31	Late Janab Haji Mohammad Ahmed for Top Excellence Award (MASTER) Scholarship.	For two students of B.Pharm. (Unani) second year on the basis of merit cum means subject to completing and passing of all subjects.
Faculty of Science		
32.	Mrs. Shakila Naqvi Merit Scholarship	For a (Muslim) female student of M.Sc. II year who secures highest marks in M.Sc. I Year of Faculty of Science.
33.	Tasmia Merit Scholarship	For a student of M.Sc. II year Biotechnology on the basis of merit of the candidate.
34.	Noorul Hasan Memorial Scholarship	For a student of II year of M.Sc. Biotechnology on the basis of merit and need.
35.	Prof. A.K.M. Ghouse Means-cum-Merit Scholarship	For a student of M.Sc. II Year Botany (Environmental Botany), on the basis of merit.
36.	Anchrom Means-cum-Merit Scholarship	For a student of M.Sc. II Year Chemistry (Industrial Applications) on the basis of merit of the candidate.
37.	Dr. Manoj Varshney Scholarship	For a student of M.Sc. II Year Chemistry (Industrial Applications) on the basis of merit.
38.	Khalil Ahmad Merit-cum-means Scholarship	For a student of M.Sc. Chemistry on the basis of merit and need.
39	Late Mr C.R. Arora Scholarship	For a meritorious and needy student of M.Sc. Chemistry (Industrial Chemistry) Final year.
40.	Hind Agro Industries Merit Scholarship	For a student of M.Sc. II year Toxicology on the basis of merit-cum-financial need of the candidate.
41.	Tasneema Fellowship	For a female student of M.Sc. II Year (Toxicology) for studies on Regulatory Toxicology
42.	Late Hajji Mohammad Asif (s/o late Janab Mohammad Ishaque Sandook Wale, 1319, Pahari Imli, Delhi-6) Reward for knowledgeable student (MARKS) Scholarship	For bonafide Muslim student / students of MSc (either in Biochemistry, Biotech, Chemistry-Industrial Applications, Environmental Botany or Toxicology) for II year.

ACADEMIC STAFF

FACULTY OF ALLIED HEALTH SCIENCES

DEPARTMENT OF REHABILITATION SCIENCES

Ona Pranav Desai, MSc (OT), Associate professor*
Ruchi Nagar, MSc (OT), Assistant Professor
Nishat Quddus, MPT, Assistant Professor
Kalpana Zutshi, MPT, Assistant Professor
Sohrab A. Khan, MPT, Assistant Professor
Tanwir Ahmad, MOT, Assistant Professor
Faizan Ahmed, MPT, Assistant Professor
Rashida Begum, MOT, Assistant Professor
Shibili Nuhmani, MPT, Assistant Professor
Nayeem-u-Zia, MPT, Assistant Professor
Nusrat K. Hamdani, MPT, Assistant Professor
Shuba Arora, MOT, Assistant Professor
Jyoti Jalwan, MPT, Assistant Professor
Deepak Malhotra, MPT, Assistant Professor

DEPARTMENT OF CLINICAL RESEARCH

S. Raisuddin, M.Sc, Ph.D., Associate Professor*
C.L. Kaul, Ph.D, FNAsc. (Former Director, NIPER), Consultant
Parantapa Sen, MBBS, MD, Ph.D., FAMS, Visiting Research Professor
Meeta Mahar, MBBS, M.D. Assistant Professor

DEPARTMENT OF PARA-MEDICAL SCIENCES

V.H. Talib, MBBS, MD, Ph. D., Academic Advisor/Course Director*
Talat Haleem, MBBS, MS, FRCS, PGDHHM, Course Coordinator
Anwar Habib, MD, (Medicine), Course Coordinator
Pramila Bhalla, MBBS, DA, MD, Course Coordinator
Faheem Ahmad, MBBS, Medical Officer
Mohd. Amir, MBBS, Medical Officer
Sonia Sehgal, MBBS, Lady Medical Officer
Hina Kauser, MBBS, MS, Demonstrator
Bhumika Upadhyaya, M.Sc., Demonstrator

Guest / Adjunct Professors

Dr. Sudershan Arora, President R & D Ranbaxy Labs. Ltd. Gurgaon
Prof. Ashok Rattan, Chief Executive, Fortis Clinical Research Ltd., Faridabad

Dr. N. Saha, Ranbaxy
Dr. Anshu Sethi Bajaj, New Delhi

FACULTY OF ENGINEERING & INTERDISCIPLINARY SCIENCES

DEPARTMENT OF FOOD TECHNOLOGY

Shakir Ali, M.Sc., Ph.D., Commonwealth Fellow, Professor
Farhan Jalees Ahmad, M.Pharm, Ph.D., Associate Professor, Programme Coordinator
S. Mehtab Ali, BIMS, Professor, Co - coordinator
Z.R. Azaz Ahmad Azad, M. Tech., Ph.D., Assistant Professor
A.K. Bhatia (Advisor)

FACULTY OF ISLAMIC STUDIES & SOCIAL SCIENCES

CENTRE FOR FEDERAL STUDIES

Akhtar Majeed, D.Litt, D Phil., Professor*
Ajay Kumar Singh, M Phil, Ph. D, Associate Professor
S. Mehartaj Begum, M.A., Ph.D., Associate Professor (Human Rights)
Kumar Suresh, M Phil, Ph.D., Associate Professor
Rajendra Kumar Pandey, M. Phil, Ph.D., Assistant Professor (Human Rights)
Nupur Tiwari, M.A., Ph.D., Assistant Professor (Human Rights)
Irshad Perwez, M Phil, PhD, Lecturer

DEPARTMENT OF ISLAMIC STUDIES

Ghulam Yahya Anjum, M Phil, Ph.D., Professor*
Ishtiyaque Ahmad, M.A., Ph.D., Professor
Reeta Bagchi, M.A., Ph.D., Assistant Professor
Shama Khatoon, M.A., Ph.D., Assistant Professor

GENERAL INFORMATION AND GUIDELINES FOR ADMISSIONS

1. The applicants are advised to read carefully the contents of this Information Bulletin and Prospectus and familiarize themselves with the relevant rules governing the Admission/Entrance Test/ GD/ Interview, of Jamia Hamdard. They should also check all the eligibility criteria for a particular programme.
2. Marks obtained in aggregate which are less only with 0.5% fraction shall be rounded off to the next whole number to determine the eligibility. University will not be responsible if a candidate is denied admission for not fulfilling the eligibility criteria even if he/she has cleared the Entrance Test / GD/ Interview and has been issued offer letter for admission to a particular programme of study.
3. Bachelor's degree signifies that the degree has been obtained under 10+2+3 system of education or equivalent. Application of candidate whose qualifying examination is not recognized by this University shall not be considered for admission.
4. A candidate shall not be entitled to claim admission as a matter of right even if he/she is otherwise eligible. The University reserves the right to refuse admission to any candidate without assigning any reason.
5. All admissions shall be provisional. If any omission / error in the processing / verification of certificates / documents of a candidate is detected at the time of admissions or thereafter, the University shall have the right to cancel such admission at any time.
6. Displaying short-listed candidates on the website / University notice board and appearing in Entrance Test / GD / Interview, issuance of the Admit Card / Interview letter do not confer any right to a candidate to claim admission if he / she does not fulfill all the eligibility conditions prescribed by Jamia Hamdard.
7. Application found incomplete or not submitted in the prescribed form or submitted after the last date as notified, shall not be entertained.
8. The University takes no responsibility for any delay in postal transit or non-receipt of Application Form / Admit Card / Interview Letter / Intimation Letter etc. or any other communication related to admission as per regulations.
9. No request for change in address already mentioned in the form will be entertained.
10. The University shall have the right to change / cancel the schedule and Test Centre venue of the Entrance Test / GD / Interview etc. at any stage.
11. The Candidates who are not able to download their Admit Card must contact and obtain the admit card from the Admission Section of the University at least 5 days before the Entrance test. NO request for issue of duplicate Admit card shall be entertained at the various admission test centres.
12. Please note that duplicate Admit Card may be issued at Admission Office, Jamia Hamdard only as per given time and not at any other Test Centre.
13. Any amendments, made in the Admission Rules or in the eligibility criteria from time to time, shall be applicable to applicants seeking admission in the University.
14. If it is discovered at any stage that a candidate has made a false representation or used fraudulent means for admission or that he / she does not fulfill the eligibility requirements, he/she will not be allowed to complete admission formalities. If admission has been granted to such candidate / student, the same shall be liable to be cancelled at any stage. The University reserves the right to ask the candidate to reappear in the Entrance Test to assess his candidature if considered necessary.
15. A vacancy, created due to the cancellation of admission in a manner mentioned above or due to name removal or any other reason, shall be filled up by the candidate on merit basis and as per rules of the University.
16. Applicant should satisfy himself / herself that he / she fulfils the eligibility criteria in terms of educational qualifications, age, (if applicable) etc. the percentage of marks secured by a candidate at the qualifying examination, falling short by not more than 0.5% fraction shall be rounded off to the next whole number.
17. Candidates getting Supplementary / Compartment / Essential Repeat in the qualifying examination are not entitled to get admission if they fail to submit their requisite documents of qualifying examinations on or before the date fixed for confirmation of the provisional admission.
18. No candidate is allowed to pursue two regular courses simultaneously in one academic year.
19. No employee of any government / public or private sector organization shall be admitted unless he / she submits a Leave Sanction Order with No

Objection Certificate from the competent authority, covering the entire duration of the course to which he / she is seeking admission.

20. The list of selected candidates will be displayed on the University Notice Board and University website. www.jamiahamdard.edu. It is the responsibility of the candidate to keep himself / herself informed about such notices. The University shall not be responsible if a candidate fails to get information regarding his/her selection for admission.
21. A candidate, not reporting for admission on the date and time as stipulated, shall forfeit his / her claim for admission and no further correspondence in this regard will be entertained.
22. The University may display a waiting list. However, figuring of a name in the waiting list, by itself is not an offer of admission.
23. Candidates not selected for admission shall not be informed. In the event of non-selection, his/her Application Form/ Fees/ Photocopies of the attached certificates/ Documents shall not be returned.
24. A candidate already enrolled in any of the programmes of study / class of Jamia Hamdard will be required to get his/her admission cancelled from the programme he/she is pursuing in this University to be eligible for admission to another programme.
25. Candidates are required to produce the original mark sheets / certificate of qualifying examination and other necessary documents at the time of reporting for admission, while completing the admission formalities. The candidates who have applied as 'result awaited' should submit attested copies of their mark -sheets within ten days of the declaration of results but not after the date of closure of admission of Jamia Hamdard. Form No. and Roll No. allotted by Jamia Hamdard should be written clearly on the back of the mark- sheet, failing which the offer of admission shall stand cancelled and no further correspondence in the matter shall be entertained.
26. The applicant is required to fill in the Application Form by himself / herself.
27. Incomplete Application Form shall be liable to be rejected such as:
 - Application Forms received after the last date.
 - Those received without requisite fee,
 - Paying the requisite fee of lesser amount,
 - Demand Draft of requisite fee not drawn in favour of Jamia Hamdard, New Delhi.
 - Incomplete information
 - Mutilated form

No further correspondence shall be entertained in this regard. **Applicant is advised to ensure that his/her Application Forms are complete in all respect.**

28. The confidential marks, received directly on or before the last date for receiving the mark sheet under sealed cover in the name of the Controller of Examinations & Admissions, Jamia Hamdard, New Delhi from the Universities/ Boards where the result of qualifying examination could not be declared formally may be accepted, after obtaining the approval by the Competent Authority of Jamia Hamdard., Such candidate shall have to submit an undertaking duly Notarized by public Notary to the effect that the Original Marksheet/ Grade Sheet of the qualifying examination shall be submitted within the stipulated time limit .
29. If any discrepancy is found in the examination result of the aforesaid candidate or the original mark sheet / grade sheet is not produced within the stipulated time, the provisional admission so granted shall be cancelled.
30. No candidate shall be allowed to take admission to the same Course / Class which he/she has already passed.
31. If a candidate is provisionally admitted to a Course / Branch of lower preference as mentioned in his/her Application Form, he/she may be transferred strictly on merit basis to a course / branch of higher preference in the event of a vacancy arising therein.
32. Candidates applying in professional courses may give preferences of branches of studies in the application form and the admission will be offered according to Entrance test merit of course performance given by the candidate. However, the University reserves the right to offer admission over and above the preferences as indicated in the application form on merit determined as per University rules.
33. The application form can be filled online with effect from present academic year. However, in such cases where off-line application forms are permitted by the University the filled in form should be sent to the Assistant Registrar, Admission Section, Jamia Hamdard, New Delhi-110062. Application Form can be sent by Registered Post / Speed Post or through Courier so as to reach on or before the last date. Forms received late or incomplete or, without requisite fee, or not supported with the required certificates / documents shall be rejected and no further correspondence shall be entertained in this regard.
34. The medium of all the Entrance Tests is English. However, for admission to

the courses where knowledge of Urdu is essential, the medium of Entrance Test may be in English / Urdu or in both.

35. Canvassing for admission in any form by a candidate would lead to rejection of his/her application form.
36. The candidates once admitted shall be subject to govern by the rules and bye-laws of Jamia Hamdard.
37. The ragging is strictly prohibited.
38. All the matters of dispute shall be subject to Delhi jurisdiction only.

PARENTS / GUARDIANS MAY PLEASE NOTE:

1. That once your ward is admitted in Jamia Hamdard to a programme of study, please discuss with him/her the rules and bye-laws governing that programme.
2. That to appear in the session / annual / semester examination, 75% attendance in all the class subjects is compulsory. Please impress upon your ward to communicate his/her attendance to you at the end of each term. Students having less than 75% attendance will not be allowed to sit for any examination. Only 5% exemption in attendance will be given to those who will submit a valid medical certificate and have sought prior permission from the respective Head of the Department for medical leave.
3. That at the end of every academic session, please check the mark-sheet of your ward and acquaint yourself with his/her performance.
4. Parents are advised to visit Jamia Hamdard website <http://www.jamiahamdard.edu> regularly for important notices etc.

RESERVATION/ RELAXATION:

Reservation and / or relaxation to various categories of applicants will be available as per the University rules. As an institution set up under Article 30(1) of the Constitution of India, Jamia Hamdard reserves 50 per cent of the seats for Muslims. Relaxation of 5 per cent in the required percentage of marks for the eligibility will be given to SC / ST candidates provided a copy of certificate from the competent authority is enclosed with the application form. Also weightage of 5 per cent of marks obtained in the Entrance Test/ Interview will be given to SC/ST candidates. Candidates will be required to produce original certificate at the time

of admission. Weightage in merit is given to internal students, sports persons and Physically Challenged candidates as per University rules.

PHYSICALLY CHALLENGED (PC) CANDIDATES

A candidate in order to be eligible for reservation/ concession under this category should have minimum degree of disability to the extent of 40%. Physically challenged candidates will have to submit certificate from the competent authority. The certifying authority in all such cases will be a medical board at the district level consisting of Chief Medical Officer (CMO), Sub-Divisional Medical Officer in the district and another expert in the specified field, viz., Ophthalmic Surgeon in the case of visually challenged, ENT surgeon or Audiologist for hearing speech challenged and an Orthopedic Surgeon or a Specialist in Physical Medicine and rehabilitation in the case of locomotor challenged. Furthermore, a candidate will become eligible for the benefit under PC category subject to his/her claim being verified by the Medical Board of Majeedia Hospital, Jamia Hamdard. This board will also ascertain that the physical disability is not considered as a hindrance in pursuing the programme of study that the candidate wishes to be admitted to. Decision of this board will be final and binding.

SPORTS PERSON

Sportspersons of State and National level will be eligible to be considered for the benefit under this category, if he/she produces certificate from the competent authority that he/she has:

1. Represented State in the National Games/ Championships (certificate from National/State Association is to be submitted).
2. Represented India in an International meet (certificate from Ministry of Youth Affairs & Sports to be submitted).

Candidates who have certificates of participation at lower levels than the above will not be given any consideration. Also certificate of participation in the games other than those mentioned above will not be given any consideration. Candidates who will be selected under this category will be required to undergo a trial conducted by the University to verify their claim. Decision of the University in this regard will be final.

WITHDRAWAL OF ADMISSION AND REFUND OF FEE

Following rules will govern the refund of fee in case of withdrawal of admission.

1. In case the student / candidate seeks withdrawal of the admission on or before the last date of Admission as notified in the selection list, the

entire fee collected from the student / candidate at the time of admission shall be refunded after deduction of process fee Rs. 1,000/-.

2. In case a student /candidate withdraws his/ her admission after joining the course and if the said seat gets filled consequently by another candidate before the closure of admission process, the University shall refund the fee after deducting proportionate monthly fee and process fee from such candidate.
3. If a candidate withdraws admission after the closure of admission and total seats of the prescribed course have not been filled, in that case no fee will be refunded.

PROCEDURE FOR ADMISSION TO Ph.D PROGRAMME

General Information

The Ph.D. programme in all the faculties in Jamia Hamdard shall be a full time course. The applicant must have obtained Master's degree or equivalent degree from Jamia Hamdard or from an institution recognized by Jamia Hamdard, in the subject concerned or in such allied discipline as approved for the purpose by the Board of Research Studies (BRS). However, applicants who have obtained Master's degree in the subject concerned will be considered for admission first. The candidate should have secured at least 55% marks in aggregate (or an equivalent CGPA as per rules of Jamia Hamdard) in the Master's degree examination. For admission to Ph.D. programme, a candidate shall apply to the University on the prescribed Application Form after the release of the Admission Notification. Eligible candidates shall have to appear and qualify in a written test followed by an interview.

Admission under Memorandum of Understanding (MoU) programme

Candidates working in institutions having MoU with Jamia Hamdard will also be required to appear and qualify entrance test and appear for interview conducted by Jamia Hamdard for admission to Ph.D. programme. Exemption will be available to the candidates who have cleared NET examination conducted by the CSIR/UGC/ICMR/DBT/ICAR with fellowship or Senior Research Fellow selected directly by UGC/CSIR/ICMR for at least two years. GATE qualified candidates with more than 95 percentile or above with fellowship will also be exempted from appearing in the entrance test. However, appearance in interview will be compulsory. Additionally, candidates working in the Institutes having MoU with Jamia Hamdard and

have qualified NET-LS will also be exempted from entrance test. However, interview will be mandatory in all the cases. Candidates from such institutes will be considered only, if the MoU clearly indicates that it also covers Ph.D. degree programme. Such candidates shall have to apply to Jamia Hamdard for admission to Ph.D programme on the prescribed application form within the due date. No exemption in entrance test will be applicable to those who have qualified NET-LS without fellowship and wish to work in any of the Departments of Jamia Hamdard and register with a teacher of Jamia Hamdard as supervisor.

Candidates Working in Projects

Candidates selected under funded projects in Jamia Hamdard will be considered for Ph.D. registration, if the duration of project is 2 years or more. The Principal Investigator (PI) of the project will make advertisement in newspaper/web site and it should be clearly mentioned in the advertisement that registration to Ph.D. will not be guaranteed. Such candidates working in projects will also be required to appear and qualify entrance test and appear for interview conducted by Jamia Hamdard for admission to Ph.D. programme. They shall have to apply to Jamia Hamdard for admission to Ph.D. programme on the prescribed application form within the due date.

Alternatively/additionally, PI may seek names of the candidates who cleared the entrance test and interview for admission to Ph.D. programme but could not be admitted due to limited availability of seats who may be considered for appointment in project. PI will send requisition to the Controller of Examinations and Admissions, who will provide 3-5 names along with contact addresses for each sanctioned position from the merit list of the last test after approval from the Vice Chancellor. PI will provide full detail of project such as title, funding agency, sanctioned positions, tenure etc. These candidates will be called for interview along with other candidates called through advertisement. If any candidate is appointed from the list, he/she will be exempted from reappearing in the entrance test for Ph.D. admission.

Teacher/Staff Category Candidates

Teachers/non-teaching staff of Jamia Hamdard need not appear in the test for registration to the Ph.D. programme in Jamia Hamdard. However, they have to take due permission from the competent authority for the purpose. At no point of time more than 25% staff of a department/section of Jamia Hamdard can be permitted to enroll for Ph.D. programme either in Jamia Hamdard or other University. While forwarding application to Registrar for obtaining permission for Ph.D. registration, Head of the Department/Section

will clearly write number of staff in Department/Section, and those already registered in Ph.D programme in Jamia Hamdard or any other University. The minimum tenure of Ph.D programme for such candidates will be four years and all eligibility criteria/ conditions will be applicable as per rules for admission to PhD programme.

Selection

The selected candidates will be given provisional admission subject to approval of registration. The candidates will be required to deposit the prescribed fee within the stipulated time as indicated in the admission offer letter. The selected candidates will be allowed to choose a supervisor or group of supervisors which one will act as supervisors and other as co-supervisor at the time of final selection. He/she will discuss the research plan with the supervisors and make a synopsis as per the format provided in Ph.D bye laws.

Topic of research and supervisor and co-supervisor(s) will be approved by the Doctoral Committee (DC) of the Department. After approval from the DC candidate will submit ten copies of the synopsis in the prescribed format through Head of the Department along with the duly filled registration form to the Dean of the Faculty, who will place it before the Board of Research Studies for its recommendation to the Vice Chancellor. Date of registration will be decided by the BRS.

In case, the Board of Research Studies does not approve the registration of a candidate, the refund of fee can be claimed by such a candidate. However, no interest will be paid by the university.

Registration Procedure

- Admission to Ph.D will be made once in a year
- Entrance Test and Interview will be conducted by Jamia Hamdard.
- Candidate declared as qualified will be called for GD/Interview
- The list of selected candidates as per University norms will be notified for admission to Ph.D course subject to the approval of Board of Research Studies of the concerned Faculty.
- A student may select a supervisor depending upon the topic of his/her studies in consultation with the BRS of the Faculty which may moderate the topic and the research supervisor if required.
- Once the recommendations of the BRS are approved by the Vice Chancellor the admission will be duly notified by the University.

Note: For further details, please visit the University website www.jamiahamdard.edu for Ph.D byelaws.

GUIDELINES FOR ADMISSION OF INTERNATIONAL STUDENTS [FOREIGN / NON RESIDENT INDIANS (NRI)] AND SPONSORED CANDIDATES

a) International Students

1. Introduction

Rules framed by University Grants Commission (UGC) and notified in its website www.ugc.ac.in will be followed for deciding the eligibility and admissions of International students to various courses offered in Jamia Hamdard.

2. International Students Cell (ISC)

The university has set up an 'International Students Cell' to deal with admission and guidance of international students. This Cell will not only control the admission of the international students but will also provide necessary guidance for securing admission. All letters relating to international students will be addressed to 'Foreign Students' Advisor' of Jamia Hamdard.

3. International Students

As per guidelines, 'International Students' will include the following:

- i) **Foreign Students:** Students holding passports issued by foreign countries and people of Indian origin who have acquired the nationality of foreign countries are included as foreign students.
- ii) **Non Residents Indians (NRI):** Only those Non Resident Indian Students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to Boards of Secondary Education or universities located in India, but will not include students studying in those schools or colleges (situated in India) and affiliated to the Boards of Secondary Education or Universities of the foreign countries. Students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependants of NRI studying in India will not be included as International students. Entry level status of International students on entry to the country will be maintained.

4. Documents required for admission of International Students

- i) **VISA:** All the international students will require a 'Student VISA' endorsed to this institution for joining full time courses. No other endorsement is acceptable. Students wishing to join a research program will require a 'Research VISA' endorsed to this institution. The visa should be valid for the prescribed duration of the course.

A visa is not required for NRI students. Students who are doing full time courses, in some other institutions, do not require a separate visa for joining 'Part Time courses' provided that their current visa is valid for the entire duration of the course.

- ii) **No Objection Certificate:** Students do not require a 'No Objection Certificate' for joining professional courses. All International Students wishing to undertake any research work or join a PhD or M Phil program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must be on the research visa endorsed to this institution.

5. Eligibility Qualifications

The qualifications required for eligibility for admission to different Courses can be checked in detail from the prospectus. Only those Students who have qualified from foreign universities or Boards of Higher Education recognized as equivalent by the 'Association of Indian Universities' (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. In case the University /Board is not included in the list, the candidate has to obtain and submit a certificate to this effect from AIU by paying the requisite fee.

Submission of Equivalence Certificate from AIU is mandatory for foreign nationals. AIU address is given below.

AIU HOUSE
16, Comrade Indrajit Gupta Marg,
New Delhi 110002, India.
Phones: (91) -11-23230059, (91)-11-23232429
Fax: (91)-11-23232131
E mail: aiu@del2.vsnl.net.in
Website: <http://www.aiuweb.org>

6. Admission of International students

Admission of all the International students will be done through the 'International Students Cell (ISC)' of Jamia Hamdard. Students will generally be admitted in the beginning of the course. However, students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases.

The admission of International students is done in two stages;

First, a student wishing to join Jamia Hamdard gets the information on the courses available, the eligibility requirements and admission procedure from the prospectus or the website of Jamia Hamdard (www.jamiahamdard.edu). Following this the candidate has to register for the course of study ONLINE (Also take out the print of online registered application form).

The ISC after checking the eligibility criteria and other relevant information provided will then issue a Provisional Admission Offer Letter (on payment of non refundable advance amount of 20% of the total annual fee). This is required to get the VISA and to complete other formalities. At this stage, if required, Telecon interview of the candidate may also be conducted.

After getting provisional admission, the candidate should get the 'Student VISA' and complete all other formalities.

The second step:

- Report to Foreign Students' Advisor Office on or before the date of admission mentioned in the Provisional admission Offer Letter.
- Get the original eligibility certificates verified.
- Pay the remaining course fee in full.

Jamia Hamdard also requires the students to appear and qualify 'English Language Proficiency Test'. Once this is done, the final admission is confirmed.

The International students will have to pay the fees in US dollars or equivalent in Indian rupees. Fee has to be deposited in the form of Crossed Demand Draft / Bank Pay Order, drawn in favor of Jamia Hamdard, payable at Delhi / New Delhi. The candidate can also pay the required amount of fee in the account of Jamia Hamdard from any bank or credit card.

7. Remedial Course in English

It has been observed, that most of the students particularly, who come from non English speaking countries/ geographical regions are not well versed with spoken/ written English up to the desired levels with which they can satisfactorily go along and pass their professional courses examinations. Due to this very fact, despite being talented, hardworking and committed to their studies, these students are not able to perform appreciably in their respective programs of study at Jamia Hamdard. To take care of this aspect, Jamia Hamdard conducts an 'English Language Foundation Course' of Three months (45 contact hours) / Six months (80 contact hours) duration.

To evaluate the level of understanding of English language, Jamia Hamdard will conduct an 'English Language Proficiency Test'. All the newly admitted International students / NRI students will be required to appear in this test.

It is mandatory for an International / NRI student, who either fails / secures less than the desired scores or fails to appear in this proficiency test, to join the English Language Foundation Course of either 03 months or 06 months duration (depending on the scores secured in the proficiency test).

In addition to the annual and other fees of the main program of study at Jamia Hamdard, students will also have to pay for this English Language Foundation Course as per the university prescribed fee structure.

It is desirable, that International students join this 'English Language Foundation Course', 03 months / 06 months before beginning of the academic session.

This course is also open for the International students, who are planning to take admission in any of the regular programs of study at Jamia Hamdard in the next academic session. Such students may be provided hostel accommodation, if required on normal payment of fee for boarding and lodging. Interested students may obtain the application form for 'English Language Foundation Course' from the office of the Foreign Students' Advisor or download this from the website: www.jamiahamdard.edu and contact the Foreign Students' Advisor in this regard.

8. Transfers and change of course

An International student who has been granted admission to a particular course shall not be allowed to change the course. Transfer from one institution in India to another is also not allowed ordinarily. In exceptional cases, the

'International Student Cell' may permit this- based on the availability of the course, eligibility rules and permission of the Competent Authority of Jamia Hamdard.

9. Government of India Scholars

International students who are awarded scholarships by the ICCR, New Delhi shall be preferred while granting admission and for hostel accommodation. Sponsored candidates from different foreign governments for training and for studies are also preferred for the same.

Stepwise procedure for admission of International Students for Full Time Courses in Jamia Hamdard.

The procedure for admission is given below:

Step 1:

- a). International students should apply on a separate form prescribed for Foreign nationals/NRI/Sponsored candidates.
- b). The Information Bulletin & Prospectus along with Application Form for Foreign Nationals/NRIs may be checked on the Jamia Hamdard website www.jamiahamdard.edu. The candidate may apply/register on the prescribed form ONLINE.
- c). The application form registration fee of US \$ 30/- (or equivalent in Indian Rupees) and the admission processing fee of US \$ 40/- (for each discipline/program of study) is required to be paid through a crossed Bank Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card. This should be done well in time, so that the student is able to obtain the VISA and NOC before the due date of admission.

Step 2:

Get the 'Provisional Admission Offer Letter' from the Foreign Students' Advisor Office, in order to obtain the VISA (on payment of non refundable advance amount of 20% of the total annual fee).

Step 3:

Submit the 'Provisional Admission Offer Letter' to the Indian Embassy of the respective country for obtaining the 'Student VISA'.

Step 4:

Report at Jamia Hamdard for admission. Submit the below mentioned documents (in original along with the attested Xerox copies) and get them verified by the Foreign Students Advisor.

- a) Degree/ Pass Certificate of the qualifying examination
- b) Mark list of the qualifying examination
- c) 'Student VISA' in Original
- d) A Xerox copy of the Passport- duly attested by a Notary.

Note: The original certificates will be returned to the students immediately after making an endorsement to this effect.

Step 5:

Students are required to undergo the medical fitness examination (at Jamia Hamdard hospital) and get the medical fitness certificate. As per government rules all international students entering India on 'Student VISA' have to be tested for HIV and will not be given admission, if found to be positive. All international students will be required to pay medical fees of US \$ 50, which includes the medical insurance cover for the first year. For subsequent years medical insurance fees will be the same as for other Indian students and is included in other fees.

Step 6:

Appear for the 'English Language Proficiency Test' conducted by Jamia Hamdard. It is mandatory for an International / NRI student, who either fails / secures less than the desired scores or fails to appear in this proficiency test, to join the English Language Foundation Course of either 03 months or 06 months duration (depending on the scores secured in the proficiency test).

In addition to the annual and other fees of the main program of study at Jamia Hamdard, students will also have to pay for this English Language Foundation Course as per the university prescribed fee structure

Step 7:

Admission of International /NRI students will be confirmed after verification of original certificates, medical fitness test and payment of required fees.

Even after the admission, at any stage if it is noted that the qualifying Degree/ Certificate is not recognized by AIU, the admission of the candidate may be cancelled. Withdrawal of admissions/ refund of fees cases will be dealt as per the guidelines of Jamia Hamdard in this regard.

Step 8:

Within a week of arrival in India, students are required to register their names with the police in the 'Foreigner Regional Registration Office (FRRO)' of the Delhi Police.

International students who are studying for full time courses in any other institution can be given admission to Part Time courses, only if they hold a valid visa for the duration of the Part Time course. A separate visa is not

required. Such students will pay the fee as applicable. Jamia Hamdard in consultation with 'International Students Cell' may admit such cases directly, if they meet the prescribed eligibility qualifications.

9: Discipline

The International students should abide by all the rules of Jamia Hamdard and the code of conduct as applicable to Indian students enrolled in the same courses.

10: Examination and award of Degrees & Diplomas

The procedure for examination, payment of examination fees, issue of mark list, issue of passing certificates and award of degrees will be same as for the Indian students doing the same courses.

11. Conclusion:

The above rules and guidelines will be strictly followed. In case, there are any differences on the interpretation of rules then the opinion of the 'International Students Cell' will be final. Students will have to pay the revised fee, when applicable. On the points not specifically covered, the decision of competent authorities of Jamia Hamdard will be final.

b) Sponsored candidates:

Procedure for applying:

1. The Information Bulletin & Prospectus along with Application Form for Sponsored candidates may be checked on the Jamia Hamdard website www.jamiahamdard.edu.
2. Sponsored candidate should apply/register ONLINE on a separate form prescribed for Sponsored candidates. The sponsored candidates will have to submit a sponsorship letter at the time of admission.
3. The application form registration fee of US \$ 30/= (or equivalent in Indian rupees) and the admission processing fee of US \$ 40/= (for each discipline/program of study) is required to be paid through a crossed Bank Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card. This should be done well in time, so that the student is able to obtain the VISA and NOC before the due date of admission.
4. Rest of the admission formalities are same as for the other students.

Note:

1. If the seats reserved for NRI/Sponsored Candidates are not filled, vacant seats will be offered to general category candidates from the merit list.
2. Additional 15% of total seats are reserved for Foreign Nationals wherever applicable as per MHRD/UGC norms

At present the foreign students of the following countries are enrolled in different programmes of study in Jamia Hamdard.

Afghanistan	Kingdom of Saudi Arabia	Swaziland
Bangladesh	Kuwait	Syria
Bhutan	Libya	Tanzania
Canada	Mongolia	Tibet
China	Morocco	Turkey
Eritrea	Nepal	Uganda
Ethiopia	Nigeria	U.S.A
Ghana	Oman	Vietnam
Iran	Palestine	Yemen
Iraq	South Korea	Zimbabwe
Jordan	Sri Lanka	
Kenya	Sudan	

All other rules of Admission/ Withdrawal of admission will be applicable on foreign /NRI / sponsored candidates as applicable on students of General Category.

FEE

All the fees should be paid in the form of crossed Demand Draft drawn in favour of 'JAMIA HAMDARD' payable at Delhi / New Delhi.

Course Fee

The annual fee for the first year may be payable in two installments at the time of admission in the form of crossed Demand Draft /Bank Pay Order drawn in favour of **Jamia Hamdard**, payable at Delhi/New Delhi. This fee structure is subject to change.

Details of the fee may be obtained from Foreign Students Advisor.</p>					

Fee for Foreign Nationals from SAARC countries:

Foreign Nationals belonging to SAARC countries (Nepal, Bangladesh, Bhutan, Maldives, Pakistan, Sri Lanka) and holding a foreign passport will pay US \$ 200/- less than the prescribed annual fee for a programme of study.

ANNUAL FEE FOR PhD / M Phil PROGRAMME

Head	Science/ Pharmacy (In Rupees)	Management/ Computer Science (In Rupees)	Islamic Studies and Social Sciences (In Rupees)
Admission Fee (One time)	1000	5000	1000
Enrolment Fee (One time)	500	1000	500
Annual Fee #	18000	50000	5000
Examination Fee (to be deposited at the time of submission of thesis)	5000	5000	5000
# In addition to annual fee of PhD Programme, there will be an annual Contingency amount as per rules of the University to be charged from Indian candidates who have no fellowship with contingency or not working in any project.			

ANNUAL FEE FOR PhD / MPhil PROGRAMME FOR FOREIGN NATIONALS / NRI / INDUSTRY SPONSORED CANDIDATES

- The annual fee for Foreign Nationals for PhD programme will be US\$ 4000 in the case of Pharmacy and Science students.
- The annual fee for Foreign Nationals for PhD programme will be US\$ 5000 in the case of Management and Computer Science students.
- The annual fee for Foreign Nationals for PhD/M Phil, programme will be US\$ 1500 in the case of Islamic Studies and Federal Studies.

ANNUAL FEE FOR PhD PHARMACEUTICAL MEDICINE

- The annual fee for PhD Pharmaceutical Medicine will be Rs. 2,50,000 for SFS and US \$ 8000 for Foreign/NRI/ Industry Sponsored students.

NOTE:

- Foreign Nationals from SAARC countries will pay US\$ 200 less for every course except for PhD in Federal Studies and Islamic Studies.
- No fee will be charged from teaching and non teaching employees of Jamia Hamdard registered for PhD Programme. However, they will pay admission, enrolment and examination fee.

ANNUAL HOSTEL FEE

Heads (For all students)	Annual Hostel Fee (In Rupees)
Admission Fee (one time)	1000
Room Rent	7500
Hostel Development Charges	2500
Electricity & Water Charges	2000
Other Amenities	1000
Service Charges	1000
Total	15000
Dormitory Fee	10000
Dormitory Fee with AC	24000
Hostel Security Money	As per rules of the University
A hostler will have to deposit an amount of Rs. 5000 as Hostel Security Money. The Security money will not be refunded if a student over stays in the hostel for more than a month.	

- Annual Hostel fee for International Hostel is US \$ 1000 or equivalent Indian Rupees for boys.
- Annual Hostel fee for Sultana Razia girls Hostel is US \$ 500 or equivalent Indian Rupees for girls.
- Preference will be given to foreign / NRI/ sponsored candidates in the above Hostels.

Important note about hostel fee:

Rates of hostel fee may change year to year depending on resources and general increase in maintenance of the facility. In case a student gets hostel accommodation in the second, third or subsequent year of his/ her study, the rates of hostel fee will be applicable as per the existing rates in the year he/she gets hostel accommodation. In case a student joins another programme of study, he/she will have to pay the hostel fee as per the prevalent rates. For example, if a student who is staying in the hostel joins MD programme after completing BUMS, he/she will have to pay the hostel fee as per the rates, which are prevalent when he gets admission to MD programme. Similar rule will apply to those who join PhD after completing Master's programme, as they have to pay the fee applicable to PhD students in the year they get hostel accommodation as PhD student.

- In addition to the above, monthly mess charges as applicable will be charged.
- In case of new hostel allottee, mess charges for three months will have to be deposited in advance.

Fee Concession: The provision of a maximum of 25% of tuition fee concession to a maximum of upto 10% students belonging to general category only on the basis of merit-cum-means may be provided to help the students admitted this year w.e.f. 2010-11.

Educational Loan: Following Banks are ready to provide educational loan facility to the students of Jamia Hamdard as per norms of the banks:

1. IDBI Bank Ltd. IFCI Tower, 61, Nehru Place, New Delhi-110019
2. Bank of India, Jamia Hamdard Campus, New Delhi-110062

ADMISSION FORM

ONLINE APPLICATION FORMS FOR ADMISSIONS-2010 ARE ALSO AVAILABLE ON THE UNIVERSITY WEBSITE

www.jamiahamdard.edu

www.jamiahamdard.ac.in

1. The Application Form and Prospectus will be available from the sale counter of Jamia Hamdard (Reception Counter, Faculty of Science Building, Hamdard University, Hamdard Nagar, New Delhi - 110062) and may also be obtained from:

Lucknow (U.P.) : Books and Books, Newel Kishore Road, Hazrat Ganj
Aligarh (U.P.) : Friends Book Depot, Shamshad Market
Srinagar (J&K) : DSW Office, University of Kashmir, Hazrat Bal
Calicut (Kerala) : Centre for Information and Guidance India, Golf Link Road, Chevayur
Patna (Bihar) : Hamdard (Wakf) Laboratories, Colony More, Kankar Bagh.

2. The cost of Application Form and Prospectus

Category	Counter Purchase (Rs.)	By Post (Crossed Bank Draft)Rs.
Indian Nationals	500	600

A candidate can apply for admission to more than one programme on the same form. Such a candidate should indicate his/ her order of preference for admission by writing the programme code in the boxes of the preference number in the form.

Example: Suppose you want to apply for admission to MSc (Biochemistry), MSc (Toxicology) and MSc Botany programmes. If your first preference is MSc (Biochemistry), second preference is MSc Botany and third preference is MSc (Toxicology), you must write the code as given below:

1 st Preference	2 nd Preference	3 rd Preference
M S B C 8 9	M S B N 9 0	M S T X 9 4

If a candidate is applying for only one programme, the programme code of that programme must be written in the boxes of 1st Preference

You must take extreme care in filling the correct preferences. No change in the order of preference will be permitted later and no additional entry of codes will be allowed under any circumstances. It will be the responsibility of the candidate to fill in Correct Code(s) properly.

You will be considered for selection first in the programme whose code is mentioned in the 1st preference, if not selected, then for the programme whose code has been mentioned in the 2nd preference and so on.

Those candidates who want to apply for admission under NRI/Sponsored seats must use separate form meant for Foreign Nationals/NRI/Sponsored candidates. The candidate should fill in correct code(s) as given in Programme Code Table.

Item 2: Name of Applicant

Write your name, as recorded in the High School (Class X) Certificate in CAPITAL LETTERS. If your name has more than 32 characters, then abbreviate it suitably to accommodate it within the space provided. Leave one box blank between the first, middle and last name. Do not use Mr / Ms / Km etc.

S	A	I	F	U	R		R	E	H	M	A	N		
---	---	---	---	---	---	--	---	---	---	---	---	---	--	--

Item 3: Father's name

Write full name of your father in CAPITAL LETTERS in the boxes as per your High School Certificate (class X)

Item 4: Mother's name

Write full name of your mother in CAPITAL LETTERS in the boxes as per your High School Certificate (class X)

Item 5: Jamia Hamdard Employee's Ward

Fill in the box A-1 (Yes), if you are Jamia Hamdard employee's ward/ spouse otherwise fill the box B-2 (No) (If yes, Certificate from the Registrar should be submitted to the Admission Section).

Item 6: Date of Birth

Enter the date of birth in the boxes provided as given in your High School (Class X) Certificate.

Example: If your date of birth is September 14, 1988, fill it as shown below:

Date		Month		Year					
1	4	/	0	9	/	1	9	8	8

Item 7: Gender

(Write relevant code in the box.)

A 1 : for Male

B 2 : for Female

Item 8: Social Category

(Write relevant code in the box.)

A 1 : for Gen

B 2 : for SC

C-3 : for ST

Item 9: Physically Challenged / Sports Person

Cross (X) any one of the relevant box only if you belong to any of these categories

Example: If you are Physically Challenged person, fill it as shown below

Physically Challenged	Sports Person
<input checked="" type="checkbox"/>	<input type="checkbox"/>

Leave the box blank if you do not belong to any of the above category.

Item 10: Religion, Centre Choice, State of Domicile, Internal Candidate, Processing fee Information Details

a) **Religion:** Write your religion code in the box. The codes are given below:

Example: If your religion is Islam, fill it as shown below

4

Religion	Code
Buddhism	1
Christianity	2
Hinduism	3
Islam	4
Jainism	5
Parsi	6
Sikhism	7
Others	8

b) **Centre Choice:** The centre codes where the written Entrance Tests will be conducted are listed below. Write the code of the centre in the box, where you want to appear in the Entrance test. No request for change of the Centre will be entertained.

Note: All the GD, interview will be held in Jamia Hamdard, New Delhi only.

Example: If you want to appear at Delhi Test Centre, fill it as shown below:

0	4
---	---

Centre		Code
Allahabad	(UP)	01
Bhaderwah	(J & K)	02
Calicut	(Kerala)	03
Delhi	(NCT Delhi)	04
Hyderabad	(AP)	05
Karimganj	(Assam)	06
Kolkata	(WB)	07
Kota	(Rajasthan)	08
Lucknow	(UP)	09
Patna	(Bihar)	10
Srinagar	(J & K)	11

Important Note: 1. GD/ Interview for the following programmes of study will be conducted in Delhi:

- MBA in all Disciplines
- BOT III year-Lateral Entry
- BPT III year-Lateral Entry
- BSc. MLT II year Lateral Entry
- Certificate Programme in Unani Medicine
- Certificate Course of Unani Dispenser
- Ph.D in all Disciplines
- M.Phil. (Federal Studies)
- MA in Human Rights
- Any other programme if required

2. The University shall have the right to change/ cancel the schedule and test centre venue of the Entrance Test/ GD / Interview etc. at any stage

3. For International Students (Foreign/ NRI) and Sponsored Candidates Interview will be held in Delhi only

c) State of Domicile: Codes of Indian States are listed below. Write the code of state of your domicile in the box

Example: If you belong to Uttar Pradesh, fill it as shown below:

3	3
---	---

Table-1 NAME OF THE STATE

NAME OF THE STATE	CODE
Andaman and Nicobar	01
Andhra Pradesh	02
Arunachal Pradesh	03
Assam	04
Bihar	05
Chandigarh	06
Chhattisgarh	07
Dadra and Nagar Haveli	08
Daman and Diu	09
Delhi	10
Goa	11
Gujarat	12
Haryana	13
Himachal Pradesh	14
Jammu and Kashmir	15
Jharkhand	16
Karnataka	17
Kerala	18
Lakshadweep	19
Madhya Pradesh	20
Maharashtra	21
Manipur	22
Meghalaya	23
Mizoram	24

Pondicherry	27
Punjab	28
Rajasthan	29
Sikkim	30
Tamil Nadu	31
Tripura	32
Uttar Pradesh	33
Uttarakhand	34
West Bengal	35
Other State	36

d) Internal Candidate Information:

Write appropriate code in the box as shown below. Only those candidates will be considered Internal candidate who have passed qualifying examination for the course in which he/she is applying.

For example, if you are applying for admission to BUMS programme and you have passed DPharm examination from Jamia Hamdard and 10+2 from any other institution, you will not be considered as internal since 10+2 is the qualifying examination for admission to BUMS. In such cases, write 4 in the box provided otherwise your form may be rejected.

4

Name of the Institution	Code
Jamia Hamdard, New Delhi	1
Hamdard Public School, Sangam Vihar, New Delhi	2
Rabea Girls Public School, Ballimaran, Delhi	3
None of the above	4

e) Total Fee:

The amount of the bank Demand Draft enclosed as entrance Test/ GD /Interview/ Processing fee must be written in the boxes.

Fee for each programme is Rs.500 for Indian national and Rs.2000 (US \$ 40) for foreign national / NRI / Sponsored candidate

Example:

A candidate (Indian national) who is applying for admission to MPT (Cardio-pulmonary) and MPT (Sports Medicine) will have to enclose a draft for **Rs. 1000**. This should be written in the boxes as shown below:

1	0	0	0	
---	---	---	---	--

Item 11: Qualifying Examination Details

Fill correct code for qualifying examination and Board/University

Example: Suppose you have passed 10+2 from CBSE in the year 2009 with 70.57 per cent then you have to fill the entries as shown below:

Qualifying Exam Code		Board/ University			Year of Passing/ Appearing				Percentage				
0	1	1	0	6	2	0	0	9	7	0	.	5	7

Leave the boxes blank in the Percentage boxes, if you are appearing in the qualifying examination in 2010 and result is awaited.

The codes for qualifying examinations and Board/University are listed below:

Name of the Qualifying Examination

Name of the Qualifying Examination	Code
10+2	01
BA	02
BSc	03
B Com	04
BBA	05
BCA	06
BUMS	07

MAT/ GATE/ GPAT SCORE (For MBA/M/Pharm):

Applicants for admission to MBA must write the MAT Score in the boxes.

Applicants for admission to MPharm must write the GATE/ GPAT Score in the boxes.

Example: Suppose your MAT Score is 639.50, you must write score as given below:

6	3	9	.	5	0
---	---	---	---	---	---

Fill 000.00 if appearing in GPAT.

NET Qualified (For Ph.D):

Write the relevant code in the box:

A 1- Yes

B 2- No

MoU Candidates (For Ph.D):

Write the relevant code in the box:

A 1- Yes

B 2- No

Item 12: Photographs

A recent coloured photograph of required size should be pasted. Photograph should not be stapled and not attested.

Item 13: Mailing Address

Write your name and complete Mailing Address . Any request for change in address will not be entertained. Use black ball point pen only.

Item 14: Candidate's Signature:

The candidate must sign within the box using black ball point pen.

SIDE 2

Item 15: Details of Examination Passed

Fill the information regarding qualifying and other examinations in the respective columns

Item 16: Parents Monthly Income (In Indian Rupees):

Write in the box your Parents monthly income. Enclose supporting certificate if income is less than Rs.10,000/- per month.

Item 17: Details of bank Demand Draft enclosed with the Application Form:

Make sure that the enclosed Demand Draft (non-refundable) is of required amount in favour of Jamia Hamdard payable at New Delhi and your name and address (including contact phone / mobile No.) is written on its back side. Write Demand Draft No. and Date of issue, Amount and Name of Bank in the respective columns:

Item 18: Permanent Address

Write your complete permanent address, phone / Mobile Nos. and E-mail address with black Ball Point Pen in the provided space.

Declaration By the Applicant:

Read the declaration and fill it with your name and father's name. Sign it with your name and date,

Father, Mother and Guardian's signature must be in place provide for.

Submission of photo copies of the Documents:

The attested copies of the following documents are required to be submitted along with the application form: (Do Not staple the documents with the form. Use U-clip).

1. Mark-sheet of the qualifying examination passed, if the result has been declared.

2. Mark-sheet of all other examinations passed (including I year, II year and III year or of graduate examinations).
3. Certificate of Date of Birth.
4. Certificate in respect of claim of benefit under any category.
5. MAT/ GATE / GPAT score card letter/ NET qualification/MoU letter.
6. Photocopy of your passport (for Foreign Nationals/NRIs).
7. Any other document certificate in support of your application (TOEFL/ IELTS score etc. in case of International Students).

Check list

Please check the following points before you submit your form:

- You have used right programme code (s).
- Your preferences of programmes are correct.
- You have enclosed demand draft of appropriate amount and in favour of **Jamia Hamdard**.
- You have used right code for test/Interview centre.
- Your photograph is in place.
- You have signed in the proper place.
- You have written your address with PIN code, Phone/Mobile number, Email using BLACK BALL POINT PEN in CAPITAL LETTERS.

SUBMISSION OF COMPLETED APPLICATION FORM

- Place the duly filled in application form and enclosures in the envelope provided and mail it as per address mentioned on the envelope.
- The application form will also be accepted at the University counter (Faculty of Science building) till the last date of submission of the form.
- The application form, complete in all respects, together with crossed Demand Draft of requisite amount (non-refundable) and copies of necessary documents should reach **The Asstt. Registrar (Admissions), Jamia Hamdard, Hamdard Nagar, New Delhi 110062 (India)** on or before the last date of submission of the form.
- You may keep as record a copy of the form and your form number for future reference.

INCOMPLETE APPLICATION FORMS ARE LIABLE TO BE REJECTED.

IMPORTANT INSTRUCTIONS REGARDING ENTRANCE TEST PAPER

The test papers, where ever applicable will comprise of Multiple Choice Questions (MCQs). Each question shall have four alternative probable responses (A, B, C & D) and the candidates will be expected to identify the correct/most appropriate one. A separate Answer Sheet shall be provided together with the question paper. Out of the four circles given in the Answer Sheet for each question, only one must be filled in by the candidate using HB Pencil only. The circle selected for answer has to be filled completely. The candidates should not put any other mark such as a cross or a tick or a dot etc. inside the circle or elsewhere.

Test paper for PhD programme may comprise both descriptive and/or MCQs. The evaluation of the OMR Answer Sheets is computerized. There will be negative marking for incorrect answers for the programmes where the test paper is comprised of only the MCQs. For every wrong answer, one fourth of the marks allotted to a question will be deducted.

- In the Answer Sheet, space has been provided for Roll Number and Paper Code. Candidates must write their Roll Number, communicated to them in the Admit Card, in the space provided for in the Answer Sheet.
- For each digit of Roll No., including the zeros, separate box space has been provided. Paper Code has to be written in the space provided for. For each digit of Paper Code, separate box space has been provided.
- e.g. Roll No. 10932 and BPT Course which will be written as under:

Roll No	Paper Code
1 0 9 3 2	1 1 2

- Fill appropriate circles for Roll Number and Paper code on the Answer Sheet using HB pencil.
- Use HB pencil only to mark your responses on the Answer Sheet.
- For every question, there are four responses. Only one of them will be correct. Fill only one circle out of the four. e.g. if you consider 'C' as correct. Example

- If you wish to change your answer to any question, erase completely the filled in circle before filling the new circle.
- Do not make any stray marks on the Answer Sheet.
- Bring your own HB lead pencil, eraser, pencil sharpener, pen and other necessary items.

MOBILES AND OTHER INFOTECH GADGETS ARE NOT ALLOWED INSIDE TEST CENTRE

DECLARATION OF SELECTION LIST

1. List of candidates who will be selected for admission to various programmes of study will be displayed on the University Notice Board and the website of the University: www.jamiahamdard.edu. Last dates given for completion of admission are strictly observed. The University will not be responsible in case a candidate fails to get information about his/her admission. It is the responsibility of the candidate to keep himself / herself informed about such notice on the Notice Board/website.
2. A candidate who does not report for admission on the given date and time as mentioned in the selection lists, will forfeit his/her chance and the offer of admission will be given to the next candidate in the merit.

3. Candidates not selected for admission shall not be informed about their non-selection. Their applications for admission and the fees/attested certificates/documents submitted by them shall not be returned.
4. Telephonic enquiry about results will not be entertained.

COMPLETION OF ADMISSION

The candidates selected for admission will have to report in person to the Dean/ Head of the respective faculty/ department as mentioned in the selection list with all original documents, obtain an authority slip from there and deposit the prescribed fee in the Accounts Section of Jamia Hamdard located in the Faculty of Science building. The fee is to be paid in the form of a crossed Demand Draft drawn in favour of '**JAMIA HAMDARD**' payable at New Delhi. No selected candidate shall be allowed to complete admission without producing original certificates and mark- sheets at the time of reporting for admission.

Rules for withdrawal of Admission before and after closure of admission will strictly be followed and fees will be refunded as per rules of the University only.

DIRECTORATE OF OPEN AND DISTANCE LEARNING OF JAMIA HAMDARD

Jamia Hamdard being in education sector for a long time has taken initiatives to offer an opportunity to those students who are unable to get on-campus education and those who have limited access to education resources. The Directorate of Open and Distance Learning (DODL) of Jamia Hamdard was established in 2004 to promote education through open and distance learning system, with introduction of flexible and innovative methods of education to ensure 'independent learning' to anyone, anytime and anywhere. ODL programmes of Jamia Hamdard also envisage providing an opportunity to girls from Muslim community who by and large have been left out in educational efforts of our nation.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own place and convenience. Within the financial means of University, due care has been taken to keep the cost of education low so that educationally backward sections can take advantage of University's programmes through ODL mode.

THE PROGRAMMES OF STUDY

Jamia Hamdard has decided to offer education through ODL mode only in few selected programmes where University has strength. The experience and expertise of reputed colleges and universities and other educational institutions, which are our recognized Study and Learning Resource Centres, are duly utilized for delivery of programmes and for effective learning. From the very beginning of the process of planning and execution of programmes, the best practices in Open and distance Learning for quality assurance are followed, which is why the programmes of Jamia Hamdard are very popular among the enlightened community of students.

Prospectus and application form for ODL programmes will be issued separately around in May - June 2010.

Interested candidates may write to director_dodl@jamiahamdard.ac.in for detail.

ACADEMIC PROGRAMMES OF JAMIA HAMDARD OFFERED THROUGH OPEN AND DISTANCE LEARNING (ODL) MODE

Name of the Programme / Course	Eligibility	Duration
PG Diploma in Bioinformatics (PGDB)	BSc in Biology or BSc in mathematics/ Statistics with Biology in 10 + 2 examinations	01 Year
PG Diploma in Chemo-informatics (PGDC)	BSc with Chemistry as one of the subjects	01 Year
PG Diploma in Dietetics and Therapeutics Nutrition (PGDTN)	BSc in Home Science or in Biological Sciences	01 Year
PG Diploma in Pharmaceutical Regulatory affairs (PGDPRA)	BPharm / MBBS or Bachelor Degree with two years experience in Pharmaceutical Industry	01 Year
PG Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA)	BSc in any branch of Science	01 Year
PG Diploma in Intellectual Property Right (PGDIPR)	BSc in any branch of Science	01 Year
PG Diploma in Human Rights (PGDHR)	Bachelor Degree in any discipline	01 Year
Bachelor of Computer Application (BCA)	10 + 2 with Mathematics as one of the subjects	03 Years
Bachelor of Business Administration (BBA)	10 + 2 any Subject	03 Years
