About Jamia Hamdard

'Committed to excellence in higher education'

Jamia Hamdard (JH) was declared as a deemed-to-be University by the Govt. of India in 1989 on the recommendation of University Grants Commission (UGC) under the UGC Act 1956 in recognition of the services provided by erstwhile educational institutes established by HNF, the Hamdard National Foundation. These institutes built over a period of time included the Hamdard College of Pharmacy, Hamdard Tibbi College, Rufaida College of Nursing, the Institute of History of Medicine & Medical Research, and Indian Institute of Islamic Studies. The University was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi on August 1, 1989, who in his inspiring inaugural address applauded the efforts of Hakeem Abdul Hameed sb, the Founder, for setting up a number of institutions of learning which finally emerged in the form of Jamia Hamdard to, in the words of Shri Rajiv Gandhi, "... enable minority to go forward and help them to march forward".

Spread over a sprawling green campus of about 100 acres, located on a prime piece of land in South Delhi, JH has eight faculties including a medical college, two hospitals – a 350 bedded allopathic and another a Unani hospital – on its campus. It has a huge library building, archive centre, separate hostels for girls and boys, gymnasium, a large playground, residential quarters for the staff, and also an off campus in Kannur, Kerala.

The University has been maintaining a steady progress in all facets in its existence of over 25 years and is both nationally and internationally recognized for the quality of its students and research. The overall progress in this period has been excellent in terms of infrastructure and maintaining standard in higher education which is evident from the placement record of the University, high quality research, and publications and patents. The University is committed to excellence in tertiary education.

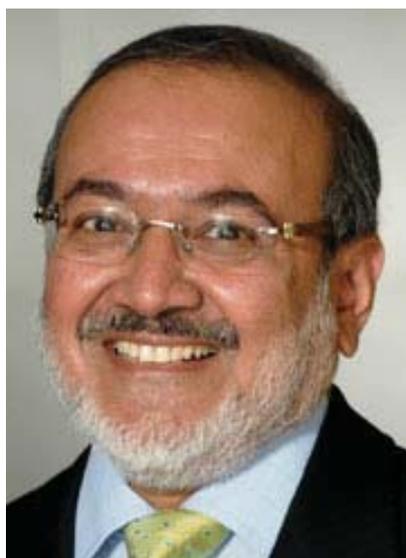

(14th Sept. 1908 - July 22, 1999)

The Founder

The Founder-Chancellor of Jamia Hamdard, Hakeem Abdul Hameed, a renowned physician of the Unani system of medicine who served the poorest of the poor and also had dignitaries such as Prince Charles of England as his patient, was a philanthropist who always had public service as his driving force. Hakeem Abdul Hameed set up a complex of educational institutions over a period of time which finally got amalgamated in Jamia Hamdard in 1989.

The first institute that was built on the piece of land in Tughlaqabad which today houses the Faculty of Science was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid down on November 15, 1962 by the then Prime Minister of India, Pandit Jawaharlal Nehru; the building was inaugurated by Mrs. Indira Gandhi, the Prime Minister of India in 70s. The Great Hakeem also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hakeem Abdul Hameed was conferred the Padma Shri and Padma Bhushan by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. Hakeem Abdul Hameed was a true follower of Islam in letter and spirit and strongly believed in “And spend in the cause of Allah and do good, for He loves those who do good for others” – Al Quran, 2:196.

Chancellor

The Chancellor of Jamia Hamdard, Dr. Habil Khorakiwala, is a well known figure in the business world. He is the Chairman of Wockhardt Group and the President of Federation of Indian Chambers of Commerce & Industry (FICCI), the premier Industry Association of India. He has been the National Council member of the Confederation of Indian Industry (CII). He also served as the President of Indian Pharmaceutical Alliance, which is an industry association of top 12 Indian Pharmaceutical companies.

Dr. Habil Khorakiwala holds a Masters Degree in Pharmaceutical Science from the Purdue University, USA and is an alumnus of the Harvard Business School.

Mr. Khorakiwala has been nominated by the Government of India in various capacities in Government bodies. He has been a member of the National Managing committee of Indian Red Cross Society, and also a member of the Advisory Board of Council of Scientific and Industrial Research, CSIR. He is an active member of the National Manufacturing Competitive Council and of NIPER, the National Institute of Pharmaceutical Education & Research, set up by the Government of India.

Dr. Khorakiwala has received many prestigious awards such as The Ernst & Young Entrepreneur of the Year Award for 2004 in the 'Healthcare and Life Sciences' category and the Giants International Award 2003 for Business and Industry for his contribution to Indian business and industry.

Vice Chancellor

Professor Dr. Seyed Ehtesham Hasnain

PhD, DSc (h.c.), DMedSc (h.c.), FNA, FTWAS, FAAM, ML

Prof. Seyed E. Hasnain, *Padma Shri*, took charge as Vice Chancellor, JH on 2 Sept 2016. Prof. Hasnain is a well known academician and a scientist, known for his excellent work on DNA fingerprinting and on tuberculosis. With over 250 publications in peer-reviewed journals of high impact and dozens of patents globally, Prof. Hasnain has not only established himself as a scientist, but also as an institution builder, policy maker, and an administrator. He taught at Delhi University, worked at the National Institute of Immunology, New Delhi and served as first Director of Centre for DNA Fingerprinting and Diagnostics (CDFD), Govt of India. He made CDFD a gold standard for DNA based crime investigations in the country.

Prof. Hasnain has travelled widely and has given invited talks at top global Universities including Oxford, Cambridge (UK), Harvard, Yale, Stanford, Univ of California, Salk Inst (USA), Institute Pasteur (France), Max Planck Inst, Frei Univ, Koln Univ (Germany), NUS (Singapore), Univ of Canberra (Australia), China, Thailand, Brazil, Senegal, Iran, Saudi Arabia, Bangladesh, Canada, etc. Currently, Prof. Hasnain is an Invited Professor at IIT Delhi, where he teaches, has a laboratory and is supervising dozens of PhD students and is currently on deputation from IIT-Delhi.

Prof. Hasnain is recipient of many prestigious awards, such as Germany's Highest Civilian Award – The Order of Merit (Das Verdienstkreuz, 1.Klasse) from the President of Germany, equivalent of India's Bharat Ratna, the only Indian so far and one of the very few persons globally. He is a recipient of Humboldt Research Prize (Alexander-von-Humboldt Foundation, Germany); the very exclusive Robert Koch Fellowship (the ONLY Indian so far) of the Robert Koch Institute, Berlin; and the first Indian elected as a Member of the German National Academy of Sciences Leopoldina, and youngest to be elected as a Fellow of TWAS, Trieste. He is elected Fellow of the prestigious American Academy of Microbiology, USA, and has been conferred with the ICMR's BR Ambedkar Award, the highest award for excellence in biomedical research; besides many other prestigious Indian Awards which include G.D. Birla Award, Shanti Swarup Bhatnagar Prize, FICCI Award, J.C. Bose National Fellow Award, Ranbaxy Research Award, Goyal Award, Bhasin Award etc. He is an elected Fellow of all the major Science Academies of India (FNA, FASc, FNASc), and a recipient of honorary Degrees from Universities in India and abroad. He is the 3rd Indian (Dr APJ Abdul Kalam, 2009, Dr Amartya Sen, 2010) to receive an Honorary Doctorate (2011) from the Queen's University, UK.

Prof. Hasnain has served as a Member (2004-2009, 2009-2014) of Science Advisory Council to the Prime Minister (SAC-PM) and Member of Scientific Advisory Committee to the Union Cabinet. He was Chairman of Biotech Advisory Council, Government of Andhra Pradesh for several years and a Member of Biotech Advisory Council of many other State Governments, including Gujarat.

He was the Vice Chancellor of University of Hyderabad, and is known for his accomplishment in making Hyderabad University among top Indian Universities. He has been the Chairman of the Academic Committee of PGIMER, Chandigarh, and a Member of the PGI Institute Body and Governing Council, as well as Member of the Research Advisory Committee of AIIMS, New Delhi. He has served as a Member of UGC, the Governing Councils of Indian Institute of Advanced Studies, Shimla; IISc, Bangalore; IIM, Kozhikode; IISER-Bhopal and several other institutions; policy-making bodies of the Ministries of S&T, MHRD, Health and Defense, and is a member of the Board of Directors/Audit Committees/Remuneration Committees of a number of Companies.

Jamia Hamdard Administration

Chancellor	Dr. H. Khorakiwala
Vice Chancellor	Prof. S. E. Hasnain
Registrar	Prof. E.A. Khan
Finance Officer, In-charge	Prof. M.Z. Abdin
Controller of Examinations	Prof. Kalim Javed
Dean, HIMSR (Hamdard Institute of Medical Sciences & Research)	Prof. M.Y. Kharadi
Dean, School of Unani Medicine	Prof. M.J. Siddiqui
Dean, School of Pharmaceutical Education and Research	Prof. Nadeem Siddiqui
Principal, Rufaida College of Nursing, School of Nursing Sciences and Allied Health	Prof. M. Chhugani
Dean, School of Chemical & Life Sciences	Prof. M.S. Alam
Dean, School of Interdisciplinary Sciences and Techology	Prof. Farhan Jalees Ahmad
Dean, School of Engineering Sciences & Technology	Prof. Ranjit Biswas
Dean, School of Humanities & Soc. Sciences	Prof. M. Miyan
Dean, School of Management & Business Studies	Prof. M. Miyan
Dean, Students' Welfare	Prof. E.A. Khan
Proctor	Prof. M.S. Alam
Provost (Girls)	Prof. Homay Vajifdar
Provost (Boys)	Prof. Kalim Javed
Director, IQAC / Advisor (Research)	Prof. S. Raisuddin
Director, JHRCA	Prof. A.A. Firdausi
Director-cum-Dean, School of Open & Distance Learning (SODL)	Prof. S.H.Ansari
Librarian	Mr. M. Shoab
Med. Supdtt., HAH Centenary Hospital	Dr. Ajaz Mustafa
Med. Supdtt., Majeedia Unani Hospital	Dr. M. Akhtar Siddiqui
Public Information Officer	Mr. Vinod Kumar
Public Relations Officer	Mr. Samad R. Khan

PROGRAMMES of Study

1. HIMSR (Hamdard Institute of Medical Sciences & Research)

Undergraduate

- Bachelor of Medicine & Bachelor of Surgery (MBBS)
- Bachelor of Physiotherapy (BPT)
- Bachelor of Occupational Therapy (BOT)
- BSc. in Medical Laboratory Techniques (BMLT)*
- Bachelor of Optometry (BOPT)*
- BSc. in Cardiology Laboratory Techniques (BCLT)*
- BSc. in Dialysis Techniques (BDT)*
- BSc. in Emergency & Trauma Care Techniques (ETCT)
- BSc. in Medical Imaging Technology (BMIT)*
- BSc. in Anaesthesia & Operation Theatre Techniques (BOTT)*
- BSc. in Medical Record & Health Information Management (BMR&HIM)*

**Lateral entry programmes where limited seats are available for direct entry to 3rd^d semester under Lateral entry*

Diploma

- Diploma in X ray & ECG Techniques (DXE)
- Diploma in Operation Theatre Techniques (DOTT)
- Diploma in Dialysis Techniques (DDT)
- Diploma in Mededical Record & Health Information Management (DMR&HIM)

Postgraduate

- MD/MS in Anatomy, Pathology and Community Medicine
- Master of Occupational Therapy (MOT) - Musculoskeletal
- Master of Occupational Therapy (MOT) - Pediatrics
- Master of Physiotherapy (MPT) - Cardiopulmonary
- Master of Physiotherapy (MPT) - Neurology
- Master of Physiotherapy (MPT) - Musculoskeletal
- Master of Physiotherapy (MPT) - Sports
- MSc Medical Microbiology
- MSc Medical Physiology
- MSc Medical Biochemistry

Doctoral

- PhD Medical Biochemistry
- PhD Medical Microbiology
- PhD Medical Physiology
- PhD Medicine
- PhD Pathology
- PhD Pharmacology
- PhD Rehabilitation Sciences

2. School of Unani Medicine

Undergraduate

- *Kamil-e-Tib-o-Jarahat* (BUMS)
- *Pre-Tib*

Postgraduate

- *Mahir-e-Tib* (MD Unani) – *Ilmul Advia, Moalajat, Tahaffuzi-wa-Samaji Tib*

Certificate

- Certificate Course of *Unani* Dispenser

3. School of Pharmaceutical Education & Research**Undergraduate**

- B Pharm (Limited number of seats available for lateral entry to 3rd Semester)

Diploma

- D Pharm

Postgraduate

- M. Pharm. Pharmaceutical Chemistry
- M. Pharm. Pharmaceutics
- M. Pharm. Pharmacognosy
- M. Pharm. Pharmacology
- M. Pharm. Pharmacy Practice
- M. Pharm. Pharmaceutical Quality Assurance
- M. Pharm. Pharmaceutical Biotechnology
- M. Pharm. Pharmaceutical Analysis

PhD

- Ph.D. Pharmaceutics
- Ph.D. Pharmaceutics with specialization in Quality Assurance
- Ph.D. Pharmacognosy and Phytochemistry
- Ph.D. Pharmacognosy & Phytochemistry with spln. in Pharmaceutical Biotechnology
- Ph.D. Pharmaceutical Chemistry
- Ph.D. Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- Ph.D. Pharmacology
- Ph.D. Pharmacology with specialization in Pharmacy Practice
- Ph.D. Pharmaceutical Medicine

4. School of Nursing Sciences and Allied Health**Diploma**

- Diploma in General Nursing and Midwifery (DGNM)

Undergraduate

- BSc (Hons) Nursing
- Post Basic BSc Nursing

Postgraduate

- MSc-Nursing Medical Surgical Nursing
- MSc-Nursing Obstetric & Gynaecology Nursing
- MSc-Nursing Psychiatric Nursing
- MSc-Nursing Community Health Nursing
- MSc-Nursing Paediatric Nursing

PhD

- PhD Nursing

5. School of Chemical & Life Sciences**Under graduate**

- B.Sc. – M.Sc. Integrated Programme

Postgraduate

- M.Sc. Biochemistry
- M.Sc. Biotechnology
- M.Sc. Botany
- M.Sc. Chemistry
- M.Sc. Clinical Research
- M.Sc. Toxicology

Ph.D.

- Ph.D. Biochemistry
- Ph.D. Biotechnology
- Ph.D. Botany
- Ph.D. Chemistry
- Ph.D. Clinical Research
- Ph.D. Toxicology

6. School of Interdisciplinary Sciences & Technology**Undergraduate**

- B. Tech. Food Technology

Postgraduate

- M. Tech. Food Technology

PhD

- PhD Bioinformatics
- PhD Chemoinformatics
- PhD Food and Fermentation Technology

7. School of Engineering Sciences & Technology**Doctoral**

- Ph.D. (Computer Science & Engineering)
- Ph.D. (Computer Science)

Postgraduate

- M.Tech (Computer Science & Engineering)
- M. Tech.(Information Security & Cyber Forensics)
- M.Tech.Part-Time (Computer Science & Engineering)
- Master of Computer Application (MCA)

Undergraduate

- B. Tech. (Computer Science & Engineering)
- B. Tech. (Electronics and Communication Engineering)
- Bachelor of Computer Application (BCA)/B.Sc. (IT)

8. School of Humanities & Social Sciences**Undergraduate**

- BA (Hons) Islamic Studies

Postgraduate

- MA Islamic Studies
- MA Human Rights

Diploma and Certificate

- Part time Diploma Course in Persian Language
- Part time Certificate Course in Persian Language

Doctoral / M Phil

- PhD Islamic Studies
- PhD Federal Studies
- M Phil Federal Studies

9. School of Management & Business Studies**Doctoral**

- Ph.D. Management (General / Phrama / Health)

Postgraduate

- MBA General
- MBA Health / Hospital Management
- MBA Pharmaceutical Management
- MBA Insurance

Undergraduate

- BBA

1. School of Open & Distance Learning**Undergraduate**

- Bachelor of Business Administration (BBA)
- Bachelor of Computer Application (BCA)

Post Graduate

- Post Graduate Diploma in Bioinformatics (PGDB)
- Post Graduate Diploma in Chemoinformatics (PGDC)
- Post Graduate Diploma in Dietetics & Therapeutic Nutrition (PGDDTN)

- Post Graduate Diploma in Pharmaceutical Regulatory Affairs (PGDPRA)
- P.G. Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA)
- P.G. Diploma in Intellectual Property Right (PGDIPR)
- P.G. Diploma in Human Rights (PGDHR)
- PG Diploma in Medical Record Techniques (PGDMRT)

10. Jamia Hamdard Kannur Campus

Undergraduate

- Bachelor of Business Administration (BBA)
- Bachelor of Computer Application (BCA)
- Bachelor of Commerce (B.Com.)
- Bachelor of Arts in English (BA English)

GENERAL SELECTION PROCEDURE

Selection procedure:

For undergraduate programs of study in biological sciences including MBBS, BUMS, Nursing, Pharmacy, Paramedical Sc., Rehabilitation Sc. and Chemical and Life Sciences, admissions will be made on the basis of rank/score in NEET 2017, subject to fulfilling other eligibility criteria. Likewise, for B. Tech., rank/score in JEE (Mains) 2017 will be considered. For B. Tech. in Food Technology, B.Sc.-M.Sc. Integrated Programme offered by School of Chemical & Life Sciences, rank/score in NEET 2017/JEE (Mains) 2017 will be considered. For postgraduate programs of study, selection will be based on the merit in the qualifying examination and interview or entrance test conducted by Jamia Hamdard. Weightage of interview, wherever conducted, will not be more than 15% in marks in interview.

Please see the detailed eligibility criteria for selection in each program.
Admission to PhD will be as per the PhD Bylaws 2016.

Applications:

Only online applications will be accepted through Online Admission Portal at University website, www.jamiahamdard.edu or www.jamiahamdard.ac.in

For any other admission related clarification, applicants are advised to contact at the email ID/phone number provided at the end of this information bulletin or contact the Dean of the School.

ACADEMIC STAFF

Hamdard Institute of Medical Sciences & Research, HIMSAR

Dean/Principal: Prof. M.Y. Kharadi

Department of Anatomy

Dr. Shayama Kumari Razdan, MBBS, MS; Professor and Head of the Department

Dr. Raj D. Mehra, M. Sc., Ph.D.; Professor

Dr. Ranjana Verma, MBBS, MS; Associate Professor

Dr. Shalini Kumar, MBBS, MS; Assistant Professor

Dr. Arpita Mahajan, MBBS, MD; Assistant Professor

Dr. Pooja Bhadoria, MBBS, MD; Demonstrator

Dr. Ashar Imam, MBBS; Demonstrator

Dr. Premendra Mohan Sharma, MBBS, PGDCR, PGDUSG; Demonstrator

Dr. Abhipriyam Gahlowt, MBBS; Demonstrator

Department of Physiology

Dr. M. Shobitha, MBBS, MD; Professor and Head of the Department

Dr. Md. Iqbal Alam, M.Sc., Ph.D ; Professor

Dr. Preeti Tyagi, MBBS, MD; Assistant Professor

Dr. Fauzia Iftikhar, MBBS; Demonstrator

Dr. Manju Sharma, MBBS; Demonstrator

Dr. Sangeeta Kohli, MBBS; Demonstrator

Department of Biochemistry

Dr, Sarita Agarwal, MBBS, MD; Professor and Head of the Department

Dr. S. K. Jain, M.Sc., Ph.D.; Professor

Dr. Shweta Singh, MBBS, MD; Associate Professor

Dr. Kahkasha, MBBS, MD; Assistant Professor

Dr. Sana Alam, MBBS, MD; Lecturer

Ms. Bhumika Upadhyaya, M.Sc.; Demonstrator

Mr. Kailash Chandra, M. Sc.; Demonstrator

Dr. Inara Abeer, MBBS; Demonstrator

Department of Pharmacology

Dr. Nilanjan Saha; MBBS, MD; Professor and Head of the Department

Dr. Razi Ahmad; MBBS, DCII, MD; Professor

Dr. Deepti Chopra, MBBS, DTCD; Associate Professor

Dr. Manju Sharma, M. Pharm., Ph.D.; Assistant Professor

Dr. Shoma Mukharjee, MBBS, MD; Lecturer

Dr, Sana Rehman, MBBS, MD; Demonstrator

Dr. Shubhnita Singh, MBBS; Demonstrator

Dr. Zenis Baluja, MBBS; Demonstrator

Department of Pathology

Dr. Sujata Jetley, MBBS, MD; Professor and Head of the Department

Dr. Zeeba Shamim Jairajpuri, MBBS, MD; Associate Professor

Dr. Sabina khan, MBBS, MD; Associate Professor

Dr. Mohd Jaseem Hassan, MBBS, MD; Associate Professor

Dr. Safia Rana, MBBS, DCP, D.N.B.; Assistant Professor

Dr. Shaan Khetrpal, MBBS, MD; Assistant Professor

Dr. Nehal Ahmad, MBBS, MD; Lecturer

Dr. Rubeena Naz Mohroo, MBBS, MD; Lecturer

Dr. Jyotsana Harit Gaur, MBBS, MD; Demonstrator

Dr. Devyani Pendharkar, MBBS, DNB; Demonstrator
Dr. Monal Trisal, MBBS, MD; Demonstrator
Dr. Monika Sharma, MBBS, MD; Demonstrator

Department of Microbiology

Dr. Mridu Dudeja, MBBS, MD; Professor and Head of the Department
Dr. Rachna Tiwari, MBBS, MD; Associate Professor
Dr. Mehvash Haider, MBBS, MD Assistant Professor
Dr. Azra Shauqia Hasan, MBBS, MD; Assistant Professor
Dr. Oves Siddique, MBBS, MD; Assistant Professor
Dr. Neetu Shree, MBBS, MD; Assistant Professor
Dr. Shikhar Saxena, MBBS, MD; Demonstrator
Dr. Saba Alam, MBBS; Demonstrator
Ms. Shyamasree Nandy Das, M.Sc.; Demonstrator
Mr. Ayan Kumar Das, M.Sc.; Demonstrator

Department of Forensic Medicine

Dr. P. C. Dikshit, MBBS, MD; Professor and Head of the Department
Dr. Amit Sharma, MBBS, MD; Associate Professor
Dr. Shahina, MBBS, MD; SR/Demonstrator
Dr. Showket Rashid, MBBS, MD; Demonstrator

Department of Community Medicine

Dr. Rambha Pathak, MBBS, MD, DNB; Professor and Head of the Department
Dr. Sushovan Roy, MBBS, MD; Associate Professor
Dr. Farzana Islam, MBBS, MD; Associate Professor
Dr. Mohd. Vasim Ismail, M.Sc., Ph.D.; Assistant Professor
Dr. Nazish Rashid, MBBS, MD; Assistant Professor
Dr. Mamta, MBBS, MD; Assistant Professor
Dr. Zakirhusain A. Shaikh, MBBS, MD, DHRM; Assistant Professor
Dr. Faheem Ahmed, MBBS, MD, MBA; Lecturer
Dr. Rashmi Agarwalla, MBBS, MD; Lecturer
Dr. Sanjay Gupta, MBBS; Demonstrator
Dr. Meely Panda MBBS, MD; Demonstrator
Dr. Mitasha Singh, MBBS, MD; Demonstrator
Dr. Uroosa Jabeen, MBBS, DGO; Lady Medical Officer
Dr. Yasmeen Abdullah, MD Physician; Lady Medical Officer

Department of Medicine

Dr. Sunil Kohli, MBBS, MD; Professor and Head of the Department
Dr. Smita Manjavkar, MBBS, MD; Professor
Dr. Vindu Amitabh, MBBS, MD, DTCD; Professor
Dr. Prem Kapur, MBBS, MD; Professor
Dr. Mohd Anwar Habib, MBBS, MD; Associate Professor
Dr. Vineet Jain, MBBS, MD; Assistant Professor
Dr. Jyotsana, MBBS, MD; Assistant Professor
Dr. Khan Afreen Mushtaq Ahmed, MBBS, MD; Assistant Professor

Department of TB & Chest

Dr. Veena Gupta, MBBS, MD, Professor and Head of the Department
Dr. Sumeera Bandy, MBBS, MD; Lecturer

Department of Dermatology

Dr. Avinash Kumar, MBBS, MD; Associate Professor
Dr. Mukesh Manjhi, MBBS, MD; Assistant Professor

Department of Psychiatry

Dr. R. C. Jiloha, MBBS, MD; Professor and Head of the Department
Dr. Deeksha Elwadh, MBBS, MD; Assistant Professor

Department of Pediatrics

Dr. A. K. Patwari, MBBS, MD; Professor and Head of the Department
Dr. Chandra Mohan Kumar, MBBS, MD; Professor
Dr. Aparna Chakravarty, MBBS, MD; Assistant Professor
Dr. Ankit Verma, MBBS, MD; Assistant Professor

Department of Surgery

Dr. Musharraf Hussain, MBBS, MS, DNB, MRCS; Professor and Head of the Department
Dr. Pavitra Kumar Ganguly, MBBS, MS; Professor
Dr. Tapan Sinha, MBBS, MS, M.Ch. (Urology); Professor
Dr. Ajay Kumar Thakral, MBBS, MS; Associate Professor
Dr. Mohammad Mohsin, MBBS, MS; Assistant Professor
Dr. Raja Nadeem, MBBS, MS; Lecturer
Dr. Divya Prasad, MBBS, MS; Lecturer
Dr. Junaid Alam, MBBS, MS; Lecturer

Department of Orthopedics

Dr. Shishir Rastogi, MBBS, MS, DNB; Professor and Head of the Department
Dr. Sandeep Kumar, MBBS, MS; Professor
Dr. Javed Jameel, MBBS, MS; Associate Professor
Dr. Mohd. Ammar Aslam, MBBS, MS; Lecturer

Department of Ophthalmology

Dr. Vishnu Swarup Gupta, MBBS, MS, Professor and Head of the Department
Dr. Hina Kausar, MBBS, MS; Associate Professor
Dr. Taskin Khan, MBBS, MS; Assistant Professor

Department of ENT

Dr. Khaja Naseeruddin, MBBS, MS, DLO; Professor and Head of the Department
Dr. Seema Monga, MBBS, MS; Associate Professor
Dr. Arun Parkash Sharma, MBBS, MS; Lecturer
Dr. Junaid Nasim Malik, MBBS, DNB; Lecturer

Department of Obst & Gynae

Dr. Swaraj Batra, MBBS, MS; Professor and Head of the Department
Dr. Aruna Nigam, MBBS, MS; Professor
Dr. Neha Gupta, MBBS, MS; Associate Professor
Dr. Arifa Anwar Elahi, MBBS, DNB; Associate Professor
Dr. Sumedha Sharma, MBBS, MS; Assistant Professor
Dr. Neha Varun, MBBS, MS; Assistant Professor
Dr. Nidhi Gupta, MBBS, MS; Assistant Professor
Dr. Arpita De, MBBS, MS; Assistant Professor

Department of Anaesthesia

Dr. Kharat Mohd. Batt, MBBS, MD; Professor and Head of the Department
Dr. Raktima Anand, MBBS, MD, Professor
Dr. Anjali Kochhar, MBBS, MD; Associate Professor
Dr. Archana Rani, MBBS, DNB; Assistant Professor
Dr. Pratibha Panjiar, MBBS, MD; Assistant Professor
Dr. Jahanara Banday, MBBS, MD; Assistant Professor
Dr. Samiksha Khanuja, MBBS, MD; Lecturer

Department of Radio-diagnosis

Dr. S S Anand, MBBS, MD, DRM; Professor and Head of the Department
Dr. Abhinav Jain, MBBS, DNB; Assistant Professor

Department of Dentistry

Dr. Ashok Kumar Kapoor, BDS, MDS; Professor and Head of the Department
Dr. Nilima Sharma, BDS, MDS; Associate Professor
Dr. Akbar Naqvi, BDS, MDS; Lecturer

Department of Rehabilitation Sciences

Prof. R.C. Jiloha, Professor and Head of the Department

Physiotherapy Unit

Ms Nishat Quddus, MPT (Osteomyology), Asstt. Prof., Incharge, Physiotherapy

Ms Kalpana Zutshi, MPT (Sports), Asstt. Prof.

Mr Sohrab A. Khan, MPT (Osteomyology), Asstt. Prof.

Ms Nusrat Hamdani, MPT (Neurology), Asstt. Prof.

Ms Jyoti Ganai, MPT (Cardiopulmonary), Asstt. Prof.

Mr Deepak Malhotra, MPT (Sports Medicine), Asstt. Prof.

Ms Ashima Chachra, MPT (Sports), Asstt. Prof.

Ms Benish Aslam, MPT (Orthopaedics), Lecturer

Mr Zuheb Ahmed Siddiqui, MPT (Orthopaedics), Lecturer

Ms Nahid Khan, MPT (Cardiopulmonary), Lecturer

Mr Hammad Ahmed Siddiqui, MPT (Neurology), Lecturer

Ms Prachi Tiwari, MPT (Neurology), Lecturer,

Mr Mohd. Rizwan Khan, MPT (Orthopaedics), Lecturer

Occupational Therapy Unit

Ms. Ona Pranav Desai, M.Sc. (O.T. in Neurology), Associate Prof./Incharge Occupational Therapy

Ms Ruchi Nagar Buckshee, M.Sc. O.T. in Rehabilitation of Physically Handicapped, Asstt. Prof.

Ms Shubha Arora, MOT (Paediatrics), Asstt. Prof.

Ms Rashida Begum, MOT (Paediatrics), Asstt. Prof.

Ms Swati, MOT (Musculoskeletal), Lecturer

Mr Shashank Sharma, MOT (Musculoskeletal), Lecturer

Ms Nazia Ali, MOT (Paediatrics), Lecturer

Mr Owais Ahmed Bhat, MOT (Musculoskeletal), Lecturer

Department of Paramedical Sciences

Dr. Iqbal Alam, M.Sc., Ph.D.; Professor and Head of the Department

Dr. P.Bhalla, MBBS, MD, Associate Professor

Dr. Saltanat Jamal, MBBS; Lecturer

Mr. Mohan Lal Bhagwat, M.Sc., Lecturer

Dr. Azhar Yusuf, MBBS, Demonstrator

Ms. Nikhat Khan, B.Sc., Clinical Instructor

Ms Asma Khatoon, B.Sc., Clinical Instructor

Ms Sarita Rani, B.Sc., Clinical Instructor

Ms Saqia Khanam, B.Sc., Clinical Instructor

Ms Shazia Khan, B.Sc., Clinical Instructor

Ms Aiman Fatima, B.Sc., Clinical Instructor

Mr Muneeb Qadir, B.Sc., Clinical Instructor

Mr Mohd. Areeb, B.Sc., Clinical Instructor

Mr Shumyla Khan, B.Sc., Clinical Instructor

Ms Disha Faujdar, B.Sc., Clinical Instructor

Ms Ruqaiya Ramzan, B.Sc., Clinical Instructor

Mr Sharique Shamim, B.Sc., Clinical Instructor

Ms Nitika Kumari, B.Sc., Clinical Instructor

Ms Vibha Singh, B.Sc., Clinical Instructor

School of Unani Medicine

Dean of the School: Prof. M. Junaid Siddiqui

Department of Kulliyat

Prof. AshharQadeer, B.U.M.S., M.D., Ph.D. (On Leave)

Dr. Abdul Bari, BUMS, M.A., Assistant Professor

Dr. Ayesha Nadeem, Ph.D., Pre-Tibb Teacher

Department of *Tashreeh*

Dr. Khursheed A. Ansari, BUMS, M.D., Assistant Professor
 Dr. ShehlaNazir, BUMS, Assistant Professor

Department of *Munafeul Aza*

Prof. S. Mehtab Ali, BIMS, Head
 Dr. Anwar H. Khan, BUMS, M.D., Associate Professor

Department of *Ilmul Advia*

Prof. M.A. Jafri, B.I.M.S., M.D.
 Dr. Mohd. Aslam, B.U.M.S., M.D., Associate Professor
 Dr. Mohd. Asif, M.Sc., Ph.D. Assistant Professor
 Dr. HifzulKabir, B.U.M.S., M.D., Assistant Professor

Department of *Ilmul Saidla*

Prof. Mohd. Aftab Ahmad, B.U.M.S., M.D., Head
 Dr. Aysha Siddiqui, B.U.M.S., M.D., Assistant Professor
 Dr. Shahid Shah Chaudhary, B.U.M.S., M.D., Assistant Professor (Contractual appointment)

HIMSR

(HAMDARD INSTITUTE OF MEDICAL SCIENCES & RESEARCH) AND ASSOCIATED HAH CENTENARY HOSPITAL

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi was established in 2012 as an ambitious project of Jamia Hamdard aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objects to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all its branches so as to demonstrate a high standard of Medical Education in India; to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity; and to attain self-sufficiency in Post-graduate Medical Education

In the first phase, the institute is supported by two teaching hospitals, namely, the 606 Bedded Hakeem Abdul Hameed Centenary Hospital and 240 Bedded Sayeeda Memorial Hospital. These are currently being upgraded in conformity to Medical Council of India guidelines.

HIMSR is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard

Hamdard Institute of Medical Sciences & Research is the great leap forward in line with the vision of the founders of Jamia Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute for suffering humanity. It shall establish the philosophy of Hamdard "Compassion, Concern, Care and sharing in pain."

The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing high level of medical care to the patients. Just to give a

glimpse of the services rendered by the hospital to the needy patients, nearly 448,000 patients were provided consultation and treatment in the outpatient departments during the year 2016. Out of these 66,000 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc. A new super-specialities hospital with state-of-the-art facilities is coming up in the campus

Program of study: Bachelor of Medicine and Surgery (MBBS)

Study period: Each student shall undergo a period of study extending over 4 ½ academic years divided into 9 semesters (of 6 months each) from the date of commencement of study for the subjects comprising the medical curriculum to the date of completion of examination and followed by **one year compulsory** rotating Internship.

Number of seats: 100

Allocation of Seats in different categories:

(A)	General category (Unreserved) seats	42
(B)	Reserved category seats (For Muslims)	43
(C)	Management category seats including NRI	15

3% of the total annual intake of seats is reserved for candidates with Locomotor disability of lower limb between 50%-70%, as per MCI norms, except management seats. Provided that in case any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotor disability of lower limbs between 50%-70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotor disability of lower limbs between 40%-50% before they are included in the annual sanctioned seats for General Category."

1. Eligibility conditions:

1.1 Age limit:

- He/she has completed age of 17 years at the time of admission or will complete the age on or before 31st December of the year of his/her admission to the 1st year MBBS Course.
- There is no upper age limit for NEET 2017 as per Supreme Court's directive on 31.03.2017. In the case of issuance of any new guideline by CBSE-NEET in the concerned matter, the same will be followed by HIMSR, Jamia Hamdard for admission to MBBS.

1.2 Qualifying examination: Candidates shall be admitted to first year of MBBS course only if s/he has passed qualifying examination as under,

- The Higher Secondary Examination or the Indian School Certificate Examination which is equivalent to 10+2 Higher Secondary Examination after a period of 12 years

study, the last two years of study comprising of Physics, Chemistry, Biology and Mathematics or any other elective subject with English at a level not less than core course of English as prescribed by the National Council of Educational Research and Training after the introduction of the 10+2+3 years educational structure as recommended by the National Committee on education.

Note: Where the course content is not as prescribed for 10+2 education structure of the National Committee, the candidates will have to undergo a period of one year pre-professional training before admission to the Medical College.

Or

b. The intermediate examination in science of an Indian University/Board or other recognized examining body with Physics, Chemistry and Biology which shall include a practical test in these subjects and also English as a compulsory subject.

Or

c. The pre-professional/pre-medical examination with Physics, Chemistry and Biology, after passing either the higher secondary school examination, or the pre-university or an equivalent Examination. The pre-professional/pre-medical examination shall include a practical test in Physics, Chemistry and Biology and also English as a compulsory subject.

Or

d. The first year of the three years degree course of a recognized university, with Physics, Chemistry and Biology including a practical test in three subjects provided the examination is a "University Examination" and candidate has passed 10+2 with English at a level not less than a core course.

Or

e. B.Sc. examination of an Indian University, provided that he/she has passed the B.Sc. examination with not less than two of the following subjects Physics, Chemistry, Biology (Botany, Zoology) and further that he/she has passed the earlier qualifying examination with the following subjects – Physics, Chemistry, Biology and English.

Or

f. Any other examination which, in scope and standard is found to be equivalent to the intermediate science examination of an Indian University/Board, taking Physics, Chemistry and Biology including practical test in each of these subjects and English.

Note: Marks obtained in Mathematics are not to be considered for admission to MBBS.

1.3 (a) Candidates must have passed the subjects of Physics, Chemistry, Biology and English individually and must have obtained a minimum of 50% marks taken together in Physics, Chemistry and Biology at the qualifying examination as mentioned in the clause 1.2.

(b) In respect of candidates with locomotory disability of lower limbs the minimum marks in qualifying examination in Physics, Chemistry and Biology taken together in qualifying examination shall be 45% instead of 50% as above.

2. Procedure for selection:

The selection for admission to the MBBS program in HIMSR shall be based strictly on basis of All India overall rank obtained in the National Eligibility Entrance Test (NEET) 2017 conducted by the Central Board of Secondary Education. The procedure for selection is as follows:

1. The selection will be done from amongst the candidates who apply in HIMSR on the prescribed application form issued by Jamia Hamdard for admission to MBBS and who satisfy the eligibility conditions prescribed by the MCI and as given in Clause-1 above.
2. The merit list shall be prepared by HIMSR as per NEET score/ All India overall rank of the candidates. The candidates applying in HIMSR on the prescribed application form are required to clearly indicate their NEET Registration Number and Roll Number.
3. The selection for admission to MBBS under the management quota shall be made from amongst the candidates who apply in this quota on the prescribed application form issued by JH for admission to MBBS and satisfy the minimum requisite eligibility criteria/conditions prescribed by the MCI as given in Clause-1 above, at the discretion of JH.
4. In order to be eligible for admission to MBBS Course for a particular academic year, it shall be necessary for a candidate to have been declared as eligible under 'National Eligibility-cum-Entrance Test for admission to MBBS course' held for the said academic year. In respect of candidates with locomotory disability of lower limbs terms of Clause 4(3) above, minimum eligibility for that category declared by NEET will be applicable. The percentile shall be determined on the basis of highest marks secured in the All-India common merit list in 'National Eligibility-cum-Entrance Test for admission to MBBS course'.
5. Provided that if any seat(s) remain vacant in the Management quota, the competent authority of HIMSR shall be at liberty to call for fresh application(s) for such vacant seats which shall be filled from amongst the candidates who apply in response to the same for admission to MBBS and who satisfy the minimum requisite eligibility criteria/conditions as prescribed by the MCI or as given in Clause-1 and 2 above.
6. Closure of admission will be as per announcement on the HIMSR/Jamia Hamdard websites.

“Provided further that this entire exercise for admissions shall be completed by 30th September and in no case any admission will be made in the MBBS program after 30th of September, which is the last date of admission in MBBS, including admissions in management quota.”

7. The candidate must have passed the qualifying examination on or before the date of admission. Candidate not reporting for admission and completing the admission formalities including deposit of fee etc. on the date and time fixed for admission, would forfeit his/her claim for admission and the seat so vacant will be offered to the next candidate on merit basis subject to his/her eligibility.
8. The candidates are required to fulfill all the eligibility criteria in terms of the education, age and such other eligibility conditions including deposit of the fee on the date and time of admission as specified in the selection list of admission.

Medical Examination: The selected candidates shall have to undergo medical examination by a Medical Board set up by the HIMSR, consisting of Faculty members of the Institute. If, in the assessment of the Medical Board, a candidate is found medically unfit to be admitted to the course, then his/her candidature for admission will be rejected and he/she will not be admitted. The decision of the Board in this regard shall be final. The university shall not consider any other medical certificates except the certificate given by the Medical Board of HIMSR. In case, of such forfeiture the seat fell so vacant, shall be offered to the next candidate in order of merit.

Training Period and Time Distribution

1. As already stated, every student shall undergo a period of study extending over 4 ½ academic years divided into 9 semesters of 6 months each from the date of commencement of his/her study for the subjects comprising the medical curriculum to the date of completion of examination and followed by one year compulsory rotating internship. The period of four and half years is divided into three phases as follows:-

(a) Phase-1 (2 semesters) – consisting of Pre-clinical subjects (Human Anatomy, Physiology including Bio-Physics, Biochemistry and introduction to Community Medicine including Humanities). Besides 60 hours for introduction to Community Medicine including Humanities, rest of the time shall be somewhat equally divided between Anatomy and Physiology plus Biochemistry combined (Physiology 2/3 and Biochemistry 1/3)

(b) Phase-II (3 semesters) – consisting of para-clinical/clinical subjects.

During this phase teaching of para-clinical and clinical subjects shall be done concurrently.

The para-clinical subjects shall consist of Pathology, Pharmacology, Microbiology, Forensic Medicine including Toxicology and part of Community Medicine.

The clinical subjects shall consist of all those subjects detailed under Phase III.

Out of the time for para-clinical teaching approximately equal time be allotted to Pathology, Pharmacology, Microbiology and Forensic Medicine and Community Medicine combined (1/3 Forensic Medicine and 2/3 Community Medicine).

(c) Phase-III (continuation of study of clinical subjects for 7 semesters after passing Phase-1)

The clinical subjects to be taught during Phase II and III are Medicine and its allied specialties, Surgery and its allied specialties, Obstetrics and Gynaecology and Community Medicine.

2. Admission process will be initiated in such a way that teaching in first semester starts by 1st of August each year.

GENERAL INFORMATION, INSTRUCTIONS AND GUIDELINES FOR ADMISSIONS RELATED TO MBBS

1. The applicants are advised to read carefully the contents of this Information Bulletin & Prospectus and familiarize themselves with the relevant rules governing the Admission before filling up the form. They should also carefully check all the eligibility criteria for MBBS programme.
2. If a candidate is not fulfilling the eligibility criteria on the date and time of admission, he/she shall not be granted admission in MBBS, even if he/she has valid Score / Rank in the NEET 2017 conducted by CBSE and his/her name is mentioned in the selection list for admission to the course.
3. Application Form of candidate whose qualifying examination is not recognized by Association of Indian Universities or MCI or by Jamia Hamdard shall not be considered for admission.
4. The admission shall be provisional and shall be subject to the verification of the certificates/ documents of the candidates. If the same are found to be fabricated/ mutilated/ forged etc. then the HIMSR shall have the right to cancel such admission and shall be at liberty to take any other action as deemed fit in accordance with Law, including criminal action. The candidate would further forfeit the complete fee deposited by him/her till that date.
5. Any omission/error on the part of the HIMSR in preparing the merit/admission list, detected during admission process or thereafter shall be liable to be rectified and no candidate shall claim any right for admission/ continuance of admission (if admitted).
6. All the intimation regarding admission in MBBS course shall be displayed on University website viz. HIMSR <http://www.HIMSR.org/> <http://www.jamiahamdard.edu> and no separate intimation shall be given to individual candidate. The candidates seeking admission are required to see the website at HIMSR or Jamia Hamdard regularly. The University shall not be responsible if a candidate fails to get/ access information regarding his/her selection/admission for any reason whatsoever.
7. Displaying list of selected candidates on the website/ HIMSR notice board in itself does not confer any right to a candidate to claim admission.
8. The HIMSR takes no responsibility for any delay in e-mail transmission through website of intimation/ selection list etc. or any other communication related to admission.

9. Any amendments, made in the Admission Rules or in the eligibility criteria from time to time, shall be binding on all the candidates seeking admission and/or admitted to MBBS course in the HIMSIR and the same shall be displayed on the HIMSIR/ University websites, which would be construed as notice to all candidates.
10. If it is discovered at any stage that a candidate has made a false representation or used fraudulent means for admission or that he/she does not fulfill the eligibility requirements, he/she will not be allowed to complete admission formalities or if admission has been granted to such candidate, the same shall be liable to be cancelled at any stage, besides initiating appropriate legal proceedings if required.
11. A vacancy, created due to withdrawal/cancellation of admission shall be filled up by the candidate next in the respective merit list who has applied in HIMSIR, provided the candidate next in the merit list fulfils the eligibility conditions etc. as laid down herein. This procedure would be valid till the closure of admission but not later than 30th September of the relevant academic year.
12. The Candidate should satisfy himself/ herself that he/she fulfils the eligibility criteria in terms of educational qualifications, age, or any other eligibility conditions etc.
13. For admission to MBBS Programme, the candidates getting Result-awarded/ Supplementary/ Compartment/ Essential Repeat in the qualifying examination, on the date of admission, will not be admitted and his/her claim for admission shall stand forfeited without any notice.
14. No candidate is allowed to pursue two regular courses simultaneously in one academic year.
15. No employee of any government/public or private sector organization shall be admitted unless he/she submits a Leave Sanction Order with No Objection Certificate from the competent authority, covering the entire/required duration of the course to which he/she is seeking admission.
16. Dual attendance at any stage will not be permissible.
17. For admission the candidate has to be physically present and produce for verification his/her original mark sheets and documents to fulfill the eligibility condition at the time of admission failing which his candidature will not be considered. No relaxation will be made in this regard.
18. A candidate, not reporting for admission on the date and time as stipulated, shall forfeit his/her claim for admission and no further correspondence in this regard will be entertained.
19. Candidates not selected for admission shall not be informed. In the event of non-selection, his/her Application Form/Form Fees/Photocopies of the attached certificates/Documents (if any) shall not be returned.
20. A candidate already enrolled in any of the programmes of study/class of Jamia Hamdard will be required to get his/her admission cancelled from the programme he/she is pursuing in this University to be eligible for admission to MBBS programme.

21. Candidates are required to produce the original mark sheets/certificate of qualifying examination and other necessary documents and submit attested copies of the same at the time of reporting for admission and while completing the admission formalities.

22. Application Form shall be liable to be rejected in case: Furnishing wrong or incomplete information in any manner

Applicant is advised to ensure that his/her Application Form is correctly filled and complete in all respects. No further correspondence/communication shall be entertained in this regard.

23. Only applications submitted online on Online Admission Portal 2017 on Jamia Hamdard website shall be accepted.

Canvassing for admission in any form by a candidate would lead to rejection of his/her application for admission.

24. The candidate once admitted shall be governed by the rules and by-laws of MCI, Jamia Hamdard and HIMSR.

25. Ragging is strictly prohibited. Offenders will be dealt in accordance with the prescribed laws.

A. As per direction of the Hon'ble Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus and all the authorities of Jamia Hamdard and HIMSR are determined not to allow any form of ragging. Whosoever directly or indirectly commits, participates in, abets or instigates ragging within or outside any of the campus of Jamia Hamdard shall have an FIR lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined which may extend to Rs. 10,000/- In case the applicant of admission is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, the punishment may include suspension from attending the classes, withholding/ withdrawing fellowship/ scholarship and other financial benefits or withholding the result or admission can be refused or he/she shall be expelled from the University/HIMSR.

B. The candidates as well as their parents, at the time of admission of the students to the institute, will be required to furnish an undertaking in the form of an affidavit that the candidates will not indulge in any form of ragging.

26. Entire Jamia Hamdard is NO TOBACCO CAMPUS. Smoking, and also consumption of alcohol, is strictly prohibited.

27. Admission completed in a particular category will not be transferred to any other category.

28. Admission to MBBS course will be provisional subject to renewal of the course by the concerned statutory council, that is, MCI.

29. Any amendments, made in the Admission Rules or in the eligibility criteria by the Medical Council of India from time to time, shall be applicable to applicants seeking admission or admitted in HIMSR.
30. Since admission to MBBS is based on NEET Score/Rank, filling of Registration No. and Roll No. of NEET examination (conducted by CBSE) in the Application Form is essential. If any candidate does not fill his/her Registration No. and Roll No. of NEET in the application form then his/her candidature for MBBS course may not be considered.
31. In case of any clarification, explanation the MCI Rule shall prevail.
32. All the matters of dispute shall be subject to Delhi jurisdiction only.

PARENTS/ GUARDIANS MAY PLEASE NOTE:

1. Once your ward is admitted in HIMSR, please discuss with him/her the rules and byelaws governing MBBS programme.
2. To appear in the sessional/annual/semester examination 75% attendance in all the course subjects is compulsory. Please impress upon your ward to communicate his/her attendance to you at the end of each term.
3. At the end of every academic session, please check the mark sheet of your ward and acquaint yourself with his/her performance.
4. Parents are advised to visit HIMSR and Jamia Hamdard websites <http://www.HIMSR.org> / <http://www.jamiahamdard.edu> regularly for important notices etc.

**GUIDELINES FOR WITHDRAWAL OF ADMISSION AND REFUND OF FEE
FOR MBBS PROGRAMME FOR ACADEMIC YEAR 2017-18**

The rules as notified by UGC will govern the refund of fee in case of withdrawal of admission and these are as given hereunder:

1. In case an admitted student does not join within 7 days of commencement of classes as notified in the Prospectus 2017-18 (Important Dates for MBBS Programme) or on, HIMSR/ Jamia Hamdard website, the admission fees collected from the student / candidate at the time of admission / provisional admission shall be refunded after deduction of the processing fee which is Rs. 10000/-. The refundable amount will be refunded within 15 days of receipt of withdrawal information
2. In case no such information is given by the student and he/she does not join within 7 days of commencement of classes but the seat so vacated is filled up upto last date of closure of admission then the fees collected minus the processing charges of Rs.10000/- shall be refunded within 15 days of request from the student or the expiry of 30 days of commencement of classes whichever is later.

3. In case a student / candidate withdraws his/her admission on or after 7 days from commencement of classes and before closure of admission as notified in the Prospectus 2017-18 (Important Dates for MBBS Programme) or on HIMSR/ Jamia Hamdard websites, the fee collected from the student / candidate at the time of admission / provisional admission shall be refunded after deduction of processing fee of Rs.10,000/- + @ Rs. 2055/- per day for General/Reserved category candidates and Rs. 4,930/- per day for management quota category from the commencement of classes till the date of withdrawal of admission.
4. In case a student / candidate joins and withdraws his/her admission on or after closure of admission as notified in the General Information & Prospectus 2017-18 (Important Dates for MBBS Programme) or on HIMSR/ Jamia Hamdard websites, the entire fees collected will be forfeited. In the event of seat vacated remaining unfilled HIMSR may impose a penalty to the tune of entire course fee for that seat.
5. Admission fee and Enrolment fee will not be refunded in seeking the withdrawal of admission.

ANNUAL FEE FOR MBBS, MS, MD AND MSc- 2017-18

Admission Fee (One Time) :	Rs. 10000
Enrolment Fee (One Time) :	Rs. 5000
Library Deposit (Refundable):	Rs. 10000

Program fee:

Program	Category (General)	Category (Management)
MBBS	Rs.7,50,000/-	Rs. 18,00,000/- or US\$ 30000 (For NRI)

Seats: 85 (Unreserved:42
(Reserved for Muslims:43)
15 (Management category)

Important note, MBBS

- The fee for supplementary examinations will be charged separately as per rules of the University
- The Annual course fee for Second year MBBS and onwards are required to be deposited by the 31st day of July of every years of the academic session, and in case of failure to deposit the course fee in time as prescribed, the student shall be liable to pay fine of Rs 200/-per day upto 30 days and 2% per month or part thereof for another month and thereafter the HIMSR may take other necessary action
- Full annual fee will be charged for MBBS Course for the final year which is taught for six months in the last year of the course
- All the fees will be paid through Bank Demand Draft in favor of “Hamdard Institute of Medical Sciences & Research” payable at New Delhi
- No fee concession is available for the students of MBBS Course, however the HIMSR offers few Scholarships to eligible students and students can apply and avail the same as per the norms.

Annual Fee for MS, MD and M.Sc

- **Admission Fee (one time): Rs.10000**
- **Enrolment Fee (One Time): Rs.5000**
- **Library Deposit (Refundable): Rs.10000**

Hamdard Institute of Medical Science & Research (HIMSR)

Program	Duration	Annual Fee INR	Seats
MS Anatomy	3 years	16,00,000	03
MD Pathology	3 years	20,00,000	03
MD Community Medicine	3 years	16,00,000	03
M. Sc. Medical Physiology	3 years	110000	05
M.Sc. Medical Biochemistry	3 years	110000	05
M. Sc. Medical Microbiology	3 years	110000	05

Stipend for MS & MD students: The selected candidates will be paid a stipend for 3 years duration at the same rate as is being paid to JRs in HIMSR.

Those who wish to deposit the fee in advance at the time of admission shall be granted the following discount:

- 2 years fee - 2% discount
- 3 years fee - 4% discount
- 4 years fee - 6% discount
- 5 years fee - 8% discount

Students can avail the discount in the subsequent years as well for remaining period.

ANNUAL HOSTEL FEE FOR MBBS STUDENTS

University has following two hostels for boys and girls for MBBS students:

- Ibn-e-Batuta Boys Hostel
- A.M. Hall of Residency (Girls Hostel)

Both hostels have furnished double seated rooms, gymnasium and indoor games facilities, as well as the Reading and Recreation rooms.

It will be incumbent upon the student admitted to the hostel to join the mess and pay mess charges for six months in advance at the rates prescribed from time to time. Mess charges may be revised at any time due to escalation in the prices of food items. The Hostel mess will be managed on cooperative basis under the supervision of hostel authorities, on no profit-no loss basis. The University will provide infrastructural facilities and the manpower required to operate the mess. Availing of the Mess facility will be compulsory for all students admitted to Hostel. The students admitted to the hostel are entitled to stay in the hostel during the academic session only and are required to vacate the rooms during the summer vacations.

Washing clothes inside the hostel premises is not allowed. University has made arrangement of mechanical laundry for washing 50 clothes per month for hostel inmates at a nominal rate. The Hostel inmates will be required to comply with the rules and regulations as per **Hostel Bylaws**.

The Annual Hostel Fee for MBBS students for A.M. Hall of Residency (Girls Hostel) for the academic year 2017-18 and Ibn-e-Batuta Boys' Hostel will be as follows:

Rs. 60,000 (Non AC) and Rs.85,000 (AC) for Girls' Hostel

Rs. 40,000 (Non AC) and Rs.65,000 (AC) for Boys' Hostel

Charges of single seated AC Room: Rs. 1,70,000 for Girls' Hostel
Rs. 1,30,000 for Boys' Hostel

General Note:

1. Hostel fee shall be charged for the full academic year. In case a candidate is allotted in the middle of academic year, the hostel charges shall be calculated at Half year basis. Full Hostel charges shall be payable for Half year or part thereof.

(First Half year: 1st July to 31st December, Second Half year: 1st January to 30th June)

2. A hostler will have to deposit an amount of Rs. 10,000/- as Hostel Security Money. The Security money will not be refunded if a student over stays in the hostel for more than a month after the last examination held for a particular course.
3. Mechanical Laundry Facility is available and is mandatory for hostellers. An allottee will have to deposit the annual Laundry charge for washing of clothes along with Annual Hostel Fee. The charges will be decided by the HIMSR/ University every year.
4. Availing the Mess facility will be compulsory for the hostellers. The mess charges will be as prevalent.
5. Allotment in hostels will be for one Academic Year only. The hostellers will have to vacate the hostel at the end of the academic session (after annual/semester examinations). Seats in the hostel may be re-allotted to the student in the month of July when the new academic session begins. Prevalent hostel fee in the years shall be charged.
6. Hostel byelaws will be applicable to the hostellers

STUDENTS SUPPORT FACILITIES

The students of MBBS course shall have the same Student Support Facilities as available to all other students of Jamia Hamdard.

ADMISSION FORM

ONLINE APPLICATION FORMS FOR ADMISSION 2017-18 ARE AVAILABLE ON THE UNIVERSITY WEBSITE www.jamiahamdard.eduor www.jamiahamdard.ac.in

The cost of a single Application Registration Form for MBBS

Category	Online application registration fee, in Rs.
MBBS (General, Open and Reserved)	1,500/-
MBBS (Management quota)	6,000/-

CHECK LIST OF DOCUMENTS TO BE SUBMITTED IN ORIGINAL as well as a self attested photocopy for verification at the time of counseling for MBBS

1. High School/Matriculation Certificate
2. 10+2/ Equivalent Examination Certificate
3. 10+2/ equivalent Examination Marks sheet
4. NEET 2017 Admit Card
5. NEET 2017 Score Card
6. Printout of HIMSR/online application form for MBBS Programme
7. Character Certificate
8. School Leaving/Migration Certificate
9. Gap/Intervening period certificate/affidavit if applicable. Those students who passed the 10+2/ Equivalent Examination before 2016 will have to produce an affidavit mentioning what they have done during the intervening/gap period, e.g., preparing for NEET/entrance exam, taken admission in some college/university (documents to be attached), etc.
10. Six passport size recent colour photograph (Two photograph self-attested)
Demand Draft of required amount as mentioned in HIMSR brochure 2017 in favour of HIMSR payable at New Delhi,
 - Tuition Fee(Demand Draft): Rs. 18.00 Lakh (Management category) and Rs 7.50 Lakh (General and Reserve category)
 - Admission Fee (One Time) (Demand Draft): Rs. 10,000
 - Enrollment Fee (One Time) (Demand Draft): Rs. 5,000/-
 - library deposit (refundable) (Demand Draft): Rs 10,000/-
 - Medical examination Fee (in cash): Rs 1000/-
11. Locomotory Disability Certificate* (if applicable) issued by the competent authority as per the MCI norms subject to verification by HIMSR Medical Board)

12. Selected candidates will have to deposit all the above mentioned documents in original at the office of the Dean, HIMSR and these will be returned to them after completion of course.

POST GRADUATE COURSES OF HIMSR

MD/MS

HIMSR is greatly pleased to announce the starting of following PG Courses (MD/MS) in Anatomy, Pathology and Community Medicine from Academic year 2017-18:

NUMBER OF SEATS & SUBJECTS

MS Anatomy: 3 seats

MD Pathology: 3 seats

MD Community Medicine: 3 seats

Duration: 3 years

ELIGIBILITY

Eligibility conditions:

1. **Age limit:** There is no Upper age limit for admission to PG Medical courses
2. **Qualifying examination:** Candidates shall be admitted to first year of MD/MS courses only if she/he has passed qualifying examination as under

Applicants should be in possession of MBBS degree or provisional MBBS pass certificate recognized by MCI with MBBS qualification registered permanently or provisionally with MCI or State Medical Council and should have completed one year of internship or likely to complete it on or before **31st March 2017**. Admission to such candidate will be given only after obtaining registration of Delhi Medical Council.

3. **Procedure for selection:** The selection for admission to the MS/MD postgraduate courses in Anatomy, Pathology & Community Medicine in HIMSR shall be based strictly on basis of All India overall rank obtained in the National Eligibility cum Entrance Test Postgraduate (NEET) 2017 conducted by the Central Board of Secondary Education. The procedure for selection is as follows:
 - (i) The selection will be done from amongst the candidates who apply in HIMSR on the prescribed application form issued by HIMSR/Jamia Hamdard for admission to the MS/MD postgraduate courses in Anatomy, Pathology & Community Medicine and who satisfy the eligibility conditions prescribed by the MCI
 - (ii) The merit list shall be prepared by HIMSR as per NEET score/ All India overall rank of the candidates. The candidates applying in HIMSR on the prescribed application form are required to clearly indicate their NEET Registration Number and Roll Number
 - (iii) In order to be eligible for admission to MS/MD Course, it shall be necessary for a candidate to obtain minimum qualifying marks in 'National Eligibility cum-Entrance Test Postgraduate 2017 examination as determined by CBSE for the year 2017.

- (iv) Closure of admission will be as per announcement on HIMSR/ University website.
- (v) The candidate must have passed the qualifying examination on or before the date of admission. Candidate not reporting for admission and completing the admission formalities including deposit of fee etc. on the date and time fixed for admission, would forfeit his/her claim for admission and the seat so vacant will be offered to the next candidate on merit basis subject to his/her eligibility.
- (vi) The candidates are required to fulfil all the eligibility criteria in terms of the education, age and such other eligibility conditions including deposit of the fee on the date and time of admission as specified in the selection list of admission.

Medical Examination: The selected candidates shall have to undergo medical examination by a Medical Board set up by the HIMSR, consisting of Faculty members of the Institute. If, in the assessment of the Medical Board, a candidate is found medically unfit to be admitted to the course, then his/her candidature for admission will be rejected and he/she will not be admitted. The decision of the Board in this regard shall be final. The university shall not consider any other medical certificates except the certificate given by the Medical Board of HIMSR. In case, of such forfeiture the seat fell so vacant, shall be offered to the next candidate in order of merit.

FEE STRUCTURE FOR MD/MS

Admission Fee (One Time)	:	Rs. 10,000
Enrolment Fee (One Time)	:	Rs. 5,000
Library Deposit (Refundable)	:	Rs. 10,000

(a) Annual fee

(1) MS Anatomy	Rs 16 lakh
(2) MD Pathology	Rs 20 lakh
(3) MD Community Medicine	Rs 16 lakh

Those who wish to deposit the fee in advance at the time of admission shall be granted the following discount:

2 years fee:	2%
3 years fee :	4%

Students can avail the discount in the subsequent years as well for remaining period of course.

(b) Hostel fee **Included in annual fee**

(c) Stipend **The selected candidates will be paid a stipend for 3 years duration at the same rate as is being paid to JRs in HIMSR**

DETAILS OF DEPARTMENTS

Department of Anatomy

Established in 2011, the faculty of the Department includes the following:

- Professors - 2

- Associate Professor- 1
- Assistant Professors - 2
- Demonstrators - 4

The Department is engaged in teaching students of following courses:

- MBBS
- MD - 3 seats permitted by MCI from 2017
- BPT, MPT, MOT degrees (Department of Rehabilitation sciences)
- BSc Nursing & MSc Nursing for students of Ruffaida School of Nursing
- BSc Medical Lab Technology (Department of Paramedical Sciences)

Departmental Facilities:

Dissection Hall – Spacious well ventilated and well furnished Dissection Hall with adequate number of dissection tables and seating for students, specimen storage tanks and plastic and glass jars, articulated skeletons, disarticulated bone sets, single and double X – ray viewing boxes and audio-visual facilities. The teaching faculty is readily available in the Hall for immediate help and guidance to the students.

Embalming and Cadaver Storage Facility – The department has an excellent set up for embalming and storage of cadavers. The three well-designed storage tanks have a combined storage capacity of 24–30 cadavers. The tanks are provided with a modern pulley system for easy lifting and transportation of the cadavers.

A mortuary freezer with adequate capacity to store at least four cadavers and dissected parts is also in use.

Histology Laboratory – The department has a modern Histology laboratory with comfortable seating arrangement for students along with an adequate number of monocular and binocular microscopes, ready to use slide sets of human tissues, organs and organ systems. This provides a congenial atmosphere for didactic teaching and self-learning facilities for students and teachers alike. Further, Photomicrographs and charts depicting microstructure of various tissues/organs are available to further augment the teaching-learning process.

Tissue Processing and Preparatory laboratory and the associated Research section provide additional facilities for in house preparation of slides.

Museum – The department maintains an excellent museum that is divided into three sections: i) Radiological Anatomy with adequate number of radiographs, MRI, CT scans, ultra sonographs etc. ii) Arthrology Section with models of various major joints of the body and iii) Gross/Developmental/Neuroanatomy section with wet specimens and fiberglass models/clay/plasticin models and photographs /charts etc. As usual the museum is in a continuous process of development and up gradation. Thus every now and then, additional resources are added to make it an attractive teaching and learning facility.

Central Research Laboratory – The laboratory provides all the basic infrastructure and equipment needed for carrying out research in advanced and interdisciplinary projects like molecular biology, biochemistry, immunology and other similar subjects.

Academic training program – The department maintains a robust training program in the form of regular seminars, group discussions, journal clubs and research presentations.

Awards:

Prof. Raj D. Mehra is the recipient of several national awards that include Kshanika Award of ICMR, 2007; Fellow of Indian Academy of Neurosciences, 2008; Prof. S.P. Jain Oration award of the Anatomical Society of India, 2013

Guest lectures, participation in national/Institutional meetings:

Prof. Raj D. Mehra delivered guest lecture “*Decade of Brain Challenges and Opportunities*” at the School of Life Sciences, Manipal University, Manipal, April 2016. She also Chaired the scientific Session in International Workshop on Stereology, held at MAMC, New Delhi, Sept.2015. She is a Member of Institutional Committee for Stem Cell Research (IC-SCR) of AIIMS, New Delhi, and Chairperson of the Institutional Animal Ethics Committee (IAEC) of AIIMS, New Delhi

Dr. Ranjana Verma was invited as Resource Faculty for the Workshop on Cast Preparation Techniques, MAMC, New Delhi Feb. 2015.

CME’s Conferences participated in:

Dr. Ranjana Verma gave Oral Presentation at the 63rd NATCON at Lucknow, Nov. 2015

Dr. Shalini Kumar gave a poster presentation in the same conference.

Dr. Pooja Bhadoria gave an Oral Presentation in 65th NATCON, Jodhpur, Oct. 2016

Ongoing projects in the department:

- i) Understanding the “Role of Estrogen in Non reproductive areas of Brain”.
- ii) Morphological and morphometric analysis of hypoglossal canal in North Indian dry skulls and its significance in cranial base surgeries.
- iii) Evaluation of some important osteogenic parameters of jugular foramen and its significance with respect to expanded endoscopic endonasal approach

Faculty members of the Department of Anatomy, HIMSR have published several papers in indexed, peer reviewed national and international journals. The Faculty has published a total 55 papers since inception of the department (5 years).

Department of Pathology

Established in 2011 and provides diagnostic services in the fields of Histopathology, Cytology, Hematology, Clinical Pathology and Blood Banking.

Departmental faculty includes:

- Professor-1
- Associate Professor-3
- Assistant Professor -4
- Demonstrator- 5

The Department is engaged in teaching students of following courses:

- MBBS Students
- MD -3 seats permitted by MCI from 2017
- BPT, MPT, MOT of Department of Rehabilitation sciences
- BSc Nursing, IInd year & MSc Nursing of Rufaida School of Nursing
- BSc Medical Lab Technology of the Department of Paramedical Sciences, HIMSR

Departmental Facilities:

Histopathology and Cytology Lab – This lab process approximately 5000 specimens every year. The rich clinical material ensures a wide variety of surgical and cytology specimens. This includes radical neck resections, mastectomy, colectomies, prostatectomies, thyroidectomies, to name a few of them. Both laboratories are well equipped to handle such specimens and the latest equipments include Rotary Microtome, Automated Tissue Processor, Tissue Embedding station, Electric Bone cutting saw & Bone Decalcifier. Cryostat with UV disinfection has also been procured and Intraoperative Frozen section facilities are now available for the clinicians.

Hematology lab- The hematology laboratory carries out all the hematological investigations for IPD & OPD patients of our hospital. Automated hematology analysers, both 6 Part & 3 Part, ESR analyser and Automated coagulometer are the important equipments in this lab.

Blood bank: Licensed Blood bank is present in the hospital premises with State of the art facilities and modern equipments. Facilities for component preparation and platelet aphaeresis are present round the clock.

We also have a robust **academic training program** in the form of regular seminars, group discussion, journal clubs and Monthly Clinicopathological Conferences.

CME's , Conferences organized and participated:

1. Transfusion Medicine Seminar on 9th July 2013
2. National level CME in Diagnostic Pathology on 7th Sept 2013
3. CME in Dermatopathology on 7th April 2015
4. Participated in Seminar on Dengue Virus Infection held on 1st October 2013 & gave a talk on 'Pathogenesis of Dengue Virus Infection': *Prof Sujata Jetley*
5. Participated in CME on 'Diagnosis & management of cervical intraepithelial neoplasia' held on 7 March 2015 & gave a talk on 'PAP : The Bethesda system': *Prof Sujata Jetley*
6. Participated in CME programme on "Carcinoma of Oral Cavity & Oropharynx" held on 21 March 2015 & gave a talk on 'Role of HPV in Oropharyngeal carcinoma': *Prof Sujata Jetley*

Ongoing projects in the department:

Investigator	Title
Prof S Jetley	- Role of Growth Factors and apoptotic markers associated with the spectrum of Morphological changes in endometrium

Dr Z Jairajpuri	- Role of Newer Techniques in Early Detection Of Oral Lesions In Tobacco Users - An analysis of clinicopathological profile of dermal amyloidosis
Dr S Khan	- Study of changes in hematological profile during pregnancy and puerperium in an uncomplicated pregnancy - Study of histopathological correlation of endoscopic findings in gastritis in a sample Indian population
Dr M J Hassan	- Study of role of nuclear morphometry as a supplement to fine needle aspiration cytology in early diagnosis of breast tumors.
Dr Safia Rana	- Association of H. pylori in Gall bladder lesions a clinicopathological study

Research work and inter-departmental collaborative studies with other departments of the Jamia Hamdard are regularly undertaken.

The department has conducted a total of 4 ICMR Short Term Student Research projects which have been approved by the Indian Council of Medical Research.

(1) Study of Risk Factors in Oral Carcinoma and the relationship between Tumor Thickness and Regional Nodal Involvement Reference ID: 2014-01558.

(2) Role of Cytology in Evaluating Oral Lesions for Early Detection of Oral Cancers. Reference ID: 2015-07144.

(3) Role of Her2/neu and Ki67 (a proliferative marker) in gall bladder cancers Reference ID: 2015-05617.

(4) Study of *Helicobacter pylori* and associated risk factors in symptomatic patients with special emphasis on smoking, alcohol and socioeconomic status Reference ID 2016- 06170.

Interdepartmental collaborative studies

(1) Phd student : Inter-departmental collaborative study carried out with Faculty of Medicine, Unani Medicine, Jamia Hamdard. Nephroprotective characteristics of *Peucedanum grande* against acute renal failure and oxidative stress after exposure to varying levels of toxicants.

(2) Phd student: Inter-departmental collaborative study carried out with National Institute of Pathology (ICMR). Role of Oxidative Stress in spontaneous aborters infected with *Chlamydia trachomatis*.

(3) Phd student: Inter-departmental collaborative study carried out with Department of Biochemistry, Jamia Hamdard. Role of Human Papillomavirus in Precancerous lesions of oral cavity and Comparative analysis of Secretory & Cellular proteins in Oral squamous cell carcinoma.

Faculty members of the department of Pathology have numerous publications in indexed, peer reviewed national and international journals, total 85 in number since the inception of the department.

Department of Community Medicine, Hamdard Institute of Medical Sciences and Research was established in 2011. Since its inception the department has evolved and grown in the subsequent years. The department is competent and well equipped to carry out

its primary objectives of teaching and training of Under graduate and Post graduate students and training of interns in community medicine.

Department details:

The department has the following no. of faculty at present:

1. Professor-1
2. Associate Professor-2
3. Assistant Professor-4
4. Lecturer-2
5. Demonstrator-3

Non-teaching staff present in the department are:

1. Medico social worker-1
2. Health and Sanitary Inspector-1
(A number of such workers have been engaged over the last 3 years.)
3. Attendant-2

The Department is engaged in teaching students of following courses-

- MBBS Students
- MD -3 seats permitted by MCI from 2017
- BPT, MPT, MOT by Department of Rehabilitation sciences
- MSc Community Nursing by Rufaida School of Nursing
- BSc Medical Records by Department of Paramedical Sciences

The various sections present in the department are:

1. **Epidemiological Section:** The section is involved in carrying out epidemiological studies and health inspection in the university and in the community.
2. **Biostatistical unit:** The biostatistics unit is analyzing the data of research projects being carried out by the department.
3. **Health education section:** The unit is involved in imparting health education to health workers in the university, food handlers, patients visiting the hospital and community dwellers.
4. **Family care study section:** This section is carrying out family health care programme in the catchment areas of the urban and rural health training centers attached to the department.
5. **Departmental research laboratory:** The department has a well equipped research laboratory to carry out various tests associated with ongoing research.
6. **Departmental museum: IT** has all the required specimens, models, and charts to facilitate undergraduate teaching and training
7. **Departmental library:** The library has over 150 books which is accessible to faculty members and students.

CME's ,Conferences organized and health days celebrated:

The department is actively involved in organizing CME's,conference,workshops and also celebration of important health days.

CME's and conferences organized by the dept are:

1. CME on "Elimination of Hepatitis" was conducted and the chief guest for the event was Prof M.S Khuroo, Former Dean, SKIMS Kashmir..
2. CME on "Immunisation Update" was conducted with eminent speakers from WHO and BMGF and chief guest for the event was Dr Pradeep Haldar.
3. Symposium on "Beat Diabetes" on the occasion of World Health Day 2016, HIMSR, New Delhi
4. Member Organiser of 28th Annual Conference Indian Society of Atherosclerosis Research,2015, New Delhi
5. Collaborator of 3rd International Conference of Occupational and Environmental Health,23-25th September 2016,New Delhi
6. Collaborator of International Conference on Youth and Adolescent,2017,New Delhi

Publication details:

In the last 5 years 80 national and international publications have been made by the faculty members in the department.

Ongoing projects in the department:

Research in the areas of Public Health and Community Health are essential aspects of the department. The following research projects are being carried out in the department:

SN	Title	Investigators
1.	Pattern and determinants of physical activity and dietary practices among urban school going adolescents in Delhi	Dr. Rambha Pathak
2.	Evaluation of personality characteristics among medical students of HIMSR	Dr. Sushovan Roy
3.	Cyto-pathological profile of reproductive tract infection among women of Delhi	Dr Nazish Dr Zeeba S. Jairajpuri Dr Farida Iqbal
4.	(STS-ICMR Project); A study on comparison between complications of medical and surgical abortions and an analysis of patients previous knowledge about contraceptives	Miss PreethaUmesh Dr SwarajBatra Dr Rambha Pathak
5.	(STS-ICMR Project);Menstrual hygiene management and school absenteeism among girls of Delhi	Miss Aditi Vashishth, Dr Rambha Pathak
6.	Effect of educational package on tobacco consumption behavior of community dwelling residents of Pulprahlad Pur, New Delhi	Dr Mamta Dr Mitasha Singh
7.	Effectiveness of Immunization-reminder service in increasing compliance	Dr. Farzana Islam and Dr. Zakirhusain Shaikh
8.	Epidemiological profile of RTA cases admitted in tertiary care centers of Delhi.	Dr Rashmi Agarwalla Prof Rambha Pathak
9.	Assessment of vaccine wastage in health care centers of a tertiary care centre of South east district, Delhi	Dr Farzana Islam

10.	A study of primary immunization coverage among children aged 12-23 months in slum areas of Delhi using cluster sampling technique	Dr Nazish Rasheed Dr Farzana Islam
11.	Health profile of workers of flour mill, Delhi	Dr Faheem Ahmed

Community Medicine Department has MOU with

Department collaborates with governmental and non governmental health agencies in planning and implementation of several National Health Programs such as National Revised T.B. Control Programme, National Polio Eradication Programme, National AIDS Control Programme, National Immunization Programme, Maternal and Child Health Program etc.

- Directorate of Health and Family Welfare Govt. of Delhi
- Directorate of Health and Family Welfare, Haryana
- National Institute of TB and Respiratory diseases
- Inclen Trust
- Agrabami
- UN High Commissioner for Refugees

Memberships

- Nodal department for implementation of RNTCP in the medical college and Member of Delhi State taskforce on TB

Health Center Details:

Under the department of Community Medicine two health centres are run:

1. Urban Health Training Center, PulprahladPur
2. Rural Health Training Center, Madanpur Khadar

Staff at each of the health centers:

1. Medical officer-1
2. Nurse-1
3. Sanitary and Health inspector-1
4. Lab. Technician-1
5. Medico social worker-2
6. Attendant-1

The centres are catering to an average 150-200 patient per day. It provides comprehensive health care to the community and caters to a population of 100,000. Both OPD and IPD services are provided. Other services provided at the center are:

1. Immunization services
2. Health education and counseling
3. Training of interns
4. Family planning services
5. Maternal and child health services
6. School health services
7. Laboratory services

Primary Health Centers of Department of Health & Family Welfare, Govt. of Haryana attached to the dept

- A) PHC Pali
- B) PHC Anangpur
- C) PHC Tahegaon

M. Sc. programs at HIMSR

HIMSR offers M. Sc. in the following disciplines:

- (i) M. Sc. Medical Microbiology
- (ii) M. Sc. Medical Physiology
- (iii) M. Sc. Medical Biochemistry

(i) M.Sc. Medical Microbiology

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 5

Eligibility: The candidate must have passed Bachelor degree (Life sciences)/MBBS/BDS/BPT with atleast 55% marks in aggregate, and appeared in Entrance Test and / Interview conducted by HIMSR. Candidates having MBBS will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective discipline with MBBS 1st / 2nd year students.

Selection Procedure: Entrance Test and/Interview will be conducted by HIMSR. The question paper will comprise of questions on Medical Microbiology taught in MBBS and BSc level.

Annual Fee: Rs.1,10,000

(ii) M.Sc. Medical Physiology

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 5

Eligibility: A candidate must have passed MBBS or a degree course in allied Medical Sciences with Human Physiology as a major subject from a recognized university with atleast 55% marks in aggregate. Those having MBBS degree will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective disciplines with MBBS 1st year students. Candidates shall have to appear in the Entrance Test and / Interview conducted by Jamia Hamdard.

Selection procedure: An Entrance Test will be conducted by HIMSR. The question paper will comprise of questions on Human Physiology taught in MBBS and at BSc level.

Annual Fee: Rs.1,10,000

(iii) M.Sc. Medical Biochemistry

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)

Seats: 5

Eligibility: B. Sc. in Biological Sciences with minimum 55% marks. Candidates with MBBS/BUMS/B. Pharm. will also be eligible for admission to this programme.

Selection procedure: Online applications will be invited for this program. The entrance examination and interview/GD/counseling can be clubbed with the candidates for M. Sc. Biochemistry, School of Chemical & Life Sciences.

Annual Fee: Rs.1,10,000

PhD at HIMSR

Hamdard Institute of Medical Sciences offers PhD in the following disciplines:

- ❖ Medical Biochemistry
- ❖ Medical Microbiology
- ❖ Medical Physiology
- ❖ Medicine
- ❖ Pathology
- ❖ Pharmacology

Please refer to the PhD Bylaws 2016 of Jamia Hamdard for admission information.

Allied Health Science programs

HIMSR also has Allied Health science programs in the Department of Rehabilitation Sciences and Paramedical Sciences. Since inception, allied health science programs provide teaching and training under direct care & supervision of medical professionals, so that the students may explore to create, to challenge, and to lead in today's technology intensive and patient driven healthcare environment. Students are trained in special skills like English communication, computer skills, medical ethics and personality development. Curriculum is prepared as per the national & international standards by the eminent faculty. Hands-on practice is provided in real hospital settings under the direct supervision of medical fraternity, all through the course. Special training program in various hospitals, besides HAH Centenary Hospital, is provided at the end of some of the courses.

Rehabilitation Science programs**(i) Bachelor of Physiotherapy (BPT)**

Duration: Four years (8 Semesters) + compulsory internship of six months

Seats: 30 (Inclusive of seats reserved for NRI/Sponsored candidates)
Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics,

Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least **50%** marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.

- Appeared in NEET (UG) National Eligibility cum Entrance Test 2017 (conducted by CBSE) for MBBS.

Selection procedure: On the basis of merit through NEET 2017 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BPT Degree Course in Jamia Hamdard through online Jamia Hamdard Application Form.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%.

(ii) Bachelor of Occupational Therapy (BOT)

Duration: Four years (8 Semesters) plus compulsory internship of six months

Seats: 25 (Inclusive of seats reserved for NRI/Sponsored candidates). Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.
- Appeared in NEET (UG) National Eligibility cum Entrance Test 2017 (conducted by CBSE) for MBBS.

Selection procedure: On the basis of merit through NEET 2017 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BOT Degree Course in Jamia Hamdard through Online Jamia Hamdard Application Form.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%.

MPT / MOT

(i) Master of Physiotherapy (MPT) – Cardiopulmonary / Neurology / Musculoskeletal / Sports

Duration: 2 Years (4 Semesters)

Seats: 05 in each discipline (Inclusive of seats reserved for NRI/ Sponsored candidates in each discipline); additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Bachelor of Physiotherapy (BPT) from an institution recognized by Jamia Hamdard or university/ institute approved by the UGC, securing at least 50%

marks in the aggregate. The BPT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.

- Candidates who have obtained degree in BPT from distant mode are not eligible for Post Graduate courses in Physiotherapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard/ HIMSR.

Selection procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and physiotherapy subjects taught at BPT level.

(ii) Master of Occupational Therapy (MOT) – Musculoskeletal / Paediatrics

Duration: Two Years (4 Semesters)

Seats: 06 in each discipline (Inclusive of seats reserved for NRI/ Sponsored candidates in each discipline). Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Bachelor of Occupational Therapy (BOT) from an institution recognized by Jamia Hamdard or University/Institute approved by UGC, securing at least 50% marks in the aggregate. The BOT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
- Candidates who have obtained degree in BOT from distant mode are not eligible for Post Graduate courses in Occupational Therapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and occupational therapy subjects taught at BOT level.

PhD Rehabilitation Science

Eligibility and selection procedure: The admission will be as per the JH PhD Bylaws 2016. Applicants are advised to read PhD Bylaws 2016 before applying.

Selection procedure for programs of study – Department of Rehabilitation Sciences

This Department is in existence since 1998 and with the help and active support of Hamdard Institute of Medical Sciences and Research and associated Centenary Hospital and other approved Delhi hospitals impart training of International standards to students. Consequently, the job availability to pass-out students has been very good and alumni of this Department are holding responsible positions in India and abroad.

Please note that the candidates who have obtained degree in BPT and BOT from distant mode are not eligible for Post Graduate courses in Physiotherapy and Occupational Therapy.

Paramedical Science programs

(i) B.Sc. (Medical Laboratory Techniques)

Duration: 4 years (Six semesters + 1 yr compulsory internship)

Seats: 30 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

(ii) B.Sc. (Emergency & Trauma Care Techniques)**Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.**(ii) Bachelor of Optometry****Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.**(iii) B.Sc. (Medical Imaging Technology)****Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.**(iv) B.Sc. (Anaesthesia & Operation Theatre Techniques)****Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.**(v) B.Sc. (Medical Record & Health Information Management)****Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); Additional seats are available for foreign national.**(vi) B.Sc. (Cardiology Laboratory Techniques)****Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.**(vii) B.Sc. (Dialysis Techniques)****Duration:** 4 years (Six semesters + I yr compulsory internship)**Seats:** 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national)

Eligibility and selection procedure for the above mentioned courses offered by the Department of Paramedical Sciences, B.Sc. (Medical Laboratory Techniques), B.Sc. (Emergency & Trauma Care Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia & Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Cardiology Laboratory Techniques), B.Sc. (Dialysis Techniques) shall be as under

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other

examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.

- Appeared in NEET 2017 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2017 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses in HIMSR /Jamia Hamdard through Online HIMSR/ Jamia Hamdard Application Form.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%.

Lateral Entry admissions – B.Sc. (Medical Laboratory Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia & Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Cardiology Laboratory Techniques), B.Sc. (Dialysis Techniques) 3rd Semester, through Lateral Entry.

Duration: 3 years (4 Semesters + I yr compulsory internship)

Seats: 10 seats each in BOPT, BMR&HIM, BCLT, BOTT and BDT
15 seats in BMIT
20 seats in BMLT

(Seats inclusive of seats reserved for NRI/Sponsored candidates; additional seats are available for foreign nationals)

Eligibility for Lateral Entry in B.Sc. (Medical Laboratory Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia & Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Cardiology Laboratory Techniques), B.Sc. (Dialysis Techniques)

1. A candidate must have passed a two years Diploma in respective course (after 10 +2) with 50% marks in the aggregate or 3 years Diploma after 10th examination from science stream, except for DXE where the student is eligible to apply for BCLT and BMIT both.

2. Liberal transfer credit system:

A student who has passed with 60% marks each in at least two of the subjects mentioned below can take admission in lateral entry of any of the degree programmes after fulfilling the selection procedure provided he/she agrees to attend the requisite classes to complete his/her credit hours and successfully clears the first and second semester examination of the related program by the end of 3rd and 4th semester; Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Physics, Maths, Chemistry.

Selection procedure: For admission to BMLT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Lateral Entry 3rd Semester Degree Courses will be made on the basis of merit determined by marks obtained in the respective Diploma course and/or interview.

Inter-transfer in Paramedical programs

Interchange of number of vacant seats between lateral entry and regular seats at entry point within a specific program is possible, subject to the approval of the competent authority.

Diplomas in Paramedical Sciences

(i) Diploma in X ray & ECG Techniques (DXE)

Duration: Two years (Four Semesters)

Total Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates);
(Additional seats are available for foreign nationals.)

(ii) Diploma in Operation Theatre Techniques (DOTT)

Duration: Two years (Four Semesters)

Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates);
additional seats are available for foreign nationals.

(iii) Diploma in Dialysis Techniques (DDT)

Duration: Two years (Four Semesters)

Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates);
additional seats are available for foreign nationals.

(iv) Diploma in Medical Record & Health Information Management (DMR&HIM)

Duration: Two years (Four Semesters)

Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates);
additional seats are available for foreign nationals.

Eligibility for Diploma (DXE, DOTT, DDT, DMR & HIM) –

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.
- Appeared in the Interview conducted by Jamia Hamdard.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination-cum-interview. The weightage of interview shall be 15%.

If seats are available in DMR&HIM, candidates from non-sciences streams with at least 45% marks in the aggregate of subjects of Senior Secondary (12th Standard/Intermediate) are also eligible.

School of Unani Medicine and Associated Majeedia Unani Hospital

This school was established as Hamdard Tibbi College in 1963. The School of Unani Medicine is one of the premier institutes of learning *Unani* system of Medicine. The School consists of the following fourteen departments: (1) Department of Tashreeh, (2) Department of Munafeul Aza, (3) Department of Kulliyat, (4) Department of Tahaffuzi wa Samaji Tib, (5) Department of Ilmul Advia, (6) Department of Ilmul Saidla, (7) Department of Moalajat, (8) Department of Mahiyatul Amraz, (9) Department of Ilaj bit Tadabeer, (10) Department of Jild wa Taziniyat, (11) Department of Jarahiyat, (12) Department of Ain, Uzn, Anaf wa Halaq, (13) Department of Amraz-e-Niswan wa Qabalat, (14) Department of Amraz-e-Atfal. This School has a Unani hospital, Majeedia Hospital, attached to it.

Programms of study / selection procedure

Admission to UG/PG programs in this faculty is subject to the approval of CCIM.

Kamil-e-Tib-o-Jarahat (BUMS)

Seats: 50 (inclusive of 10 seats for those who have passed Pre-Tib from Jamia Hamdard, and 20 seats reserved for self financing / NRI / sponsored category candidates)

Duration: Five and a half years, including one year compulsory unpaid rotatory internship (6 months in Majeedia Unani Hospital and 6 months in HAH Centenary Hospital).

Eligibility: A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate as in Physics, Chemistry and Biology; appeared in **NEET 2017** (for MBBS Programme conducted by CBSE); Proficiency in Urdu language comparable to High School (Class X) standard and knowledge of English; Medium of instruction of this programme is Urdu language substantiated with English.

Selection procedure: On the basis of merit through **NEET 2017** conducted by CBSE for MBBS from amongst the candidates who apply for BUMS admission in Jamia Hamdard. Such candidates are required to submit their high school certificate of Urdu / Arabic or Persian language as a subject along with their application on online admission portal of

BUMS program on University website. The candidates who will not submit such certificates will be required to appear in the test of Urdu conducted by Jamia Hamdard. Date of the test will be announced later. *Non-NEET candidates may also apply. Non-NEET applicants may be considered on the basis of merit in qualifying examination-cum-interview, in case sats are not filled up by NEET candidates. The weightage of interview shall be 15%.*

Pre-Tib

Seats: 10 (inclusive of one seat reserved for NRI/Sponsored category candidates).
Duration: One year
Eligibility: A candidate must have passed *Fazil* from Madarsa/Institution recognized by CCIM and must have studied Arabic and Falsafa; and appeared in Entrance Test by JH.

Selection procedure: An Entrance Test will be conducted in Urdu language to test the knowledge of the candidates in General Awareness and oriental subjects (Tafseer, Hadees, Fiqah, Usool-e-Fiqah, Mantique, Falsafa, Arabic Adab, Seerat, Tareekh-e-Islam and General Scientific Awareness). The question paper shall comprise of descriptive questions. There will be an English component in Entrance test to test the knowledge of English language.

Note: Candidate admitted to Pre-Tib shall be eligible for admission to BUMS.

Certificate Course of Unani Dispenser

Seats: 04 (inclusive of seats reserved for NRI/Sponsored candidates); additional seats for Foreign Nationals
Duration: One year including two months practical training in *Unani* dispensary/Hospital/Pharmacy/ Pharmaceutical Industry.
Eligibility: A candidate must have passed *Aalim* Examination from a Madarsa/Institution recognized by Jamia Hamdard (OR) Intermediate (10+2) qualification in any discipline with knowledge of Urdu.

Selection procedure: Admission to Certificate Course of Unani Dispenser will be made through merit in the qualifying examination-cum-interview. The weightage of interview conducted by Jamia Hamdard shall be 15%.

Note: Candidates applying for Pre Tibb or Certificate Course of Unani Dispenser are advised to read the list of Madarsa/Boards/Institution recognized by CCIM.

Mahir-e-Tib (MD Unani)

Specialization & no. of seats

- ✓ MD Ilmul Advia (3)
- ✓ MD Moalajat (3)
- ✓ MD Tahaffuzi-wa-Samaji Tib (3)

Duration: Three years
Eligibility: Passed BUMS Examination, securing at least 50% marks in the aggregate from Jamia Hamdard or from any other University recognized by Jamia

Hamdard; completed the compulsory internship; appeared in the Entrance Test 'AYUSH PGET 2017' conducted by Ministry of AYUSH, Govt. of India.

Note:

- 10% weightage of total marks secured in the test will be given to the wards of the employees of Jamia Hamdard.
- No stipend is available to the students of MD (Moalajat), MD (Ilmul Advia) and MD (Tahaffuzi-wa-Samaji Tib) from the Ministry of AYUSH, Government of India. Depending on the availability of resources, Jamia Hamdard may consider providing stipend (Hkm. Abdul Hameed Scholarship) of Rs. 5,000/- per month to some deserving students.
- MD Moalajat students may be posted in the Hospital of the University.

Selection Procedure: The selection will be made on the basis of merit determined by the performance of the candidates in the entrance test 'AYUSH PGET 2017' conducted by Ministry of AYUSH, Govt. of India. Applicants are advised to refer to the official website of ministry of Ayush <http://ayush.gov.in> and general admission guidelines in this prospectus.

School of Pharmaceutical Education and Research

The School of Pharmaceutical Education and Research (previously Faculty of Pharmacy), which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy education in India. A sizeable number of students of the School qualify GPAT securing high score. The School offers PhD in different disciplines, M Pharm in eight branches, B Pharm and D Pharm courses. Students get placements in major pharmaceutical companies after obtaining degrees from Jamia Hamdard.

School of Pharmaceutical Education and Research has been ranked No. 1 amongst Pharmacy Institutions of India under NIRF-2017 (National Institutional Framework) by Ministry of Human Resource Development (MHRD), Govt. of India.

Many faculty members have research projects funded by National / International funding agencies and Pharmaceutical Industries. A separate Pharmacy block dedicated to research in advanced fields of nanomedicine, bioactive natural products, CADD etc. with state of the art instruments and other facilities is also part of the School. The Central Instrumentation Facility (CIF) of the School is equipped with modern equipments needed for advanced pharmaceutical research like NMR spectrometer (400 MHz), LC-MS, Malvern zetasizer, SCF, AFM, HPLC, HPTLC, HPH, DSC etc. The School has a Computer Centre having 30 PCs with Internet connectivity. All the departments of School are actively involved in research as can be seen by publications. The School has published more than 1000 research papers in SCI indexed reputed journals and applied more than 25 patents in last five years and 10 have been granted.

The Department of Pharmaceutics has collaboration with School of Management for their MBA Pharmaceutical Management programme for teaching and placement related activities. The MBA Pharmaceutical management programme is designed to provide technical and administrative skills in management & research in Pharmaceutical sector.

The M Pharm programme in Pharmaceutical Analysis of the Department of Pharmaceutical Chemistry is also strengthening with the collaboration with the Department of Chemistry. The instrumentation facility and their expertise in this field gives a considerable support in learning and placement in pharmaceutical companies on mutual basis.

The research and teaching programme in M Pharm Pharmaceutical Biotechnology of Department of Pharmacognosy & Phytochemistry is supported-cum-collaborated with Department of Biotechnology, School of Chemical & Life Sciences. Training under the guidance of experienced staff of Department of Biotechnology helps students in their

placement and higher studies in India & abroad. The highlighted areas of research in the Department are Development of Bio molecules, recombinant DNA technology and regulation of gene expression and fermentation technology etc.

The Department of Pharmacology has multidisciplinary collaboration with HIMSR and Centre for Translational and Clinical Research, School of Chemical & Life Sciences. The M Pharm in Pharmacy Practice programme is augmented with the Clinical Research programme of School of Chemical & Life Sciences and Department of Community Medicine of HIMSR. In the HAH centenary hospital of Jamia Hamdard students of the Pharmacy Practice programme assist doctors in possible drug interaction and train patients to understand dosage regimen and other healthcare related queries. Department of Clinical Pharmacology of HIMSR is supported with the vast experience of the senior Faculty of the Department of Pharmacology, Pharmacy School.

This Pharmacy School consists of (1) Department of Pharmaceutical Chemistry, (2) Department of Pharmaceutics, (3) Department of Pharmacology, and (4) Department of Pharmacognosy and Phytochemistry

Programs and selection procedure **Undergraduate & Diploma**

Bachelor in Pharmacy (B Pharm)

Duration: Four Years (8 Semesters)

Seats: 120 (60 General and 60 SFS, inclusive of seats reserved for NRI/Sponsored candidates. Additional seats are available for Foreign National candidates.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate as well as in Physics, Chemistry and Biology.
- Appeared in NEET 2017 (All India Pre Medical Test for MBBS Programme) conducted by CBSE.
- Completed the age of 17 years on or before 31st December 2017 as per PCI norms

Selection procedure: On the basis of merit through NEET 2017 conducted by CBSE for MBBS, among the candidates, who apply for B Pharm. – Regular or B.Pharm SFS admission in Jamia Hamdard through Jamia Hamdard Application Form.

Non-NEET candidates may also apply, however NEET candidates will be preferred, Non-NEET applicants may be considered if suitable number of NEET 2017 candidates is not available, or there is delay in NEET result. Non NEET applicants will be selected on the basis of merit in qualifying examination (PCB)-cum-interview. The weightage of interview will be 15%.

Note: Candidates who have passed 12th Standard / Intermediate from Open School are not eligible.

B Pharm II Year (Lateral entry)

Duration: 3 Years (6 Semesters)

Seats: 12 (6 General, 6 SFS), inclusive of seats reserved for NRI/Sponsored candidates). Additional seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Diploma in Pharmacy examination of Jamia Hamdard or from any other recognized institution with 50% marks in the aggregate.
- Passed 10+2 examination from CBSE or any other board recognized by JH as equivalent thereto with PCB.

Selection procedure: Admission to B Pharm II Year will be made on the basis of merit determined by marks obtained in D Pharm course and/or Interview. Candidates must produce the D.Pharm result on or before the interview.

Diploma in Pharmacy (D Pharm)

Duration: 2 Years

Seats: 60 (inclusive of seats reserved for NRI/Sponsored candidates). Additional seats are available for Foreign Nationals.

Eligibility: A candidate must have

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.
- Appeared in the interview conducted by Jamia Hamdard.
- Completed the age of 17 years on or before 31st December 2017 as per PCI norms

Selection Procedure: Admission to D Pharm programme shall be made through merit in qualifying examination-cum-interview (Weightage of interview will be 15%).

Note: Candidates who have passed 12th / Intermediate from Open School are not eligible.

M. Pharm.

Master of Pharmacy (M Pharm)

Duration: Two years (Four Semesters)

Seats: 77 (inclusive of seats reserved for NRI/Sponsored candidates). Additional seats are available for Foreign Nationals.

Specialization and no. of seats (may vary as per AICTE/PCI norms)

✓ M Pharm Pharmaceutical Chemistry:	10
✓ M Pharm Pharmaceutics:	15
✓ M Pharm Pharmacognosy	08
✓ M Pharm Pharmacology	15
✓ M Pharm Pharmacy Practice	08
✓ M Pharm Pharmaceutical Quality Assurance	08
✓ M Pharm Pharmaceutical Biotechnology	05
✓ M Pharm Pharmaceutical Analysis	08

Eligibility: A candidate must have:

- Passed B Pharm / B Pharm (Unani) examination or any other examination recognized by Jamia Hamdard or an institution recognized by Jamia Hamdard and AICTE, securing at least **55%** marks in the aggregate of theory papers and practicals.
- Appeared in GPAT. Preference will be given to GPAT 2017 qualified candidates
- Appeared in the Interview conducted by Jamia Hamdard

Note:

- i. Non-GPAT candidates may be eligible only for seats under NRI / Sponsored category, if GPAT candidates are not available.
- ii. For consideration under the Sponsored category, candidates should have a two year full-time work experience in a registered firm / industry / educational institution. If experienced candidates are not available, consideration to fresh candidates may be given.

For NRI/ Sponsored category, candidates have to appear in Interview (date and time will be announced in due course of time)

Selection Procedure: The applicants for admission to the M Pharm programme (General and NRI / Sponsored category) shall have to appear in the Interview. The selection will be made on the basis of the merit prepared by apportioning the following weightages:

For General Category

- Weightage of score in GPAT (85%)
- Weightage of Interview conducted by Jamia Hamdard (15%)

For NRI/Sponsored Category

- Weightage of GPAT score (if available) and Percentage of B.Pharm. (85%)
- Weightage of Interview conducted by Jamia Hamdard (15%)

Important note: Some scholarships may be available for MPharm students from AICTE.

PhD

The Faculty of Pharmacy offers PhD in the following disciplines:

- PhD Pharmaceutics and Pharmaceutics with specialization in Quality assurance
- PhD Pharmacognosy & Phytochemistry and Pharmacognosy & Phytochemistry with specialization in Pharmaceutical Biotechnology
- PhD Pharmaceutical Chemistry and Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- PhD Pharmacology and Pharmacology with specialization in Pharmacy Practice.
- PhD Pharmaceutical Medicine

Duration: Minimum three years

Seats: The number of seats will be notified at the time of admission on University website.

For PhD Pharmaceutical Medicine, distribution of seats will be as follows:

General - 4 (1 reserved for Sun Pharmaceuticals sponsored candidates),
Other - 6 (03 SFS, 01 for Sun Pharmaceuticals sponsored candidate, and 02
for NRI / Industry sponsored candidates)

Eligibility and selection procedure: The admission will be as per the JH PhD Bylaws 2016. Applicants are advised to read PhD Bylaws 2016 before applying.

Rufaida College of Nursing School of Nursing Sciences and Allied Health

Rufaida School of Nursing was established in 1983 in order to popularize this noble profession of Nursing amongst Indian Muslims. The School of Nursing was upgraded into a College of Nursing in 1994. Over a period of more than three decades many batches have graduated from the Faculty and today the Faculty of Nursing attracts students from all over the country. The facilities available at hospitals of the university and others hospitals in Delhi and community health centres are utilized for teaching and practical training of students. The Faculty maintains a Health Care Centre for the under-privileged in the neighbouring areas of the university. The diploma, degree, postgraduate degree and doctorate offered by the Faculty of Nursing are recognized by the Indian Nursing Council (INC). The successful graduates of the programmes get 100% employment through campus recruitment in leading hospitals and healthcare institutions. There is a great demand for our graduates to work in health care facilities internationally.

Programs of study and selection procedure in Nursing

BSc (Hons) Nursing

Duration: Four years

Seats: 50 (20 General and 30 under SFS category); inclusive of seats reserved for NRI/Sponsored candidates.

Eligibility:

- Completed the age of 17 yrs on or before 31st December 2017 as per INC norms
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry, Biology and English from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology. Student must have passed in all the subjects of 12th standard.

- Appeared in NEET (UG) 2017 conducted by CBSE.
- Candidate should be able to communicate in English
- Candidate should be medically fit

Selection procedure: Selection will be made on the basis of merit through NEET 2017 rank conducted by CBSE, among the candidates, who apply for admission to BSc (Hons) Nursing (General and SFS) Degree Course in Jamia Hamdard through Online Jamia Hamdard Application Form. Non NEET candidates may also apply. Although NEET 2017 candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination-cum-interview. The weightage of interview shall be 15%

Post Basic BSc Nursing

Duration: 2 Years

Seats: 20 (inclusive of seats reserved for NRI/Sponsored candidates)

Eligibility: A candidate must have

- DGNM qualification from Nursing School/College recognized by Indian Nursing Council
- 10+2 or Senior Secondary/Intermediate from CBSE or any other equivalent examination recognized by Jamia Hamdard and appeared in the Entrance Test/Interview conducted by Jamia Hamdard
- Registered as RN(Registered Nurse) and RM(Registered Midwife) under State Nursing Council
- Candidate should be able to communicate in English
- Candidate should be medically fit

Selection Procedure: The applicant for Post Basic BSc Nursing programme shall have to appear in the Entrance Test conducted by Jamia Hamdard and Interview. The questions will be based on DGNM syllabus as per INC. The weightage of Interview will be 15%

Diploma in General Nursing and Midwifery (DGNM)

Duration: 03 years

Seats: 40 (Inclusive of seats reserved for NRI/Sponsored candidates)

Eligibility:

- 10+2 class passed in Science/Arts/Commerce from recognized Board under ASSCE/CBSE/ICSE/SSCE/HSCE or any other Board recognized by Jamia Hamdard as equivalent thereto; must have secured **40%** marks in 10+2 examination; must have appeared in entrance test conducted by Jamia Hamdard.
- Candidate must have passed in any four subjects including English (3 subjects + English) from the list given below.
- The subjects for admission to DGNM are a) Physics, b) Chemistry, c) Biology, d) Mathematics, e) English, f) Commerce, g) Accountancy, h) Economics, i) Business Studies, j) Computer Science/Informatics/Word processing/Multimedia, k) Geography, l) Sociology, m) History, n) Civics, o) Psychology, p) Political Science, q) Home Science.
- Candidate must have passed in all the subjects of 10+2 (five subjects as per the CBSE policy).
- English shall not be included for calculating the percentage

- Candidate should be able to communicate in English
- Candidate should be medically fit
- Completed the age of 17 yr on or before 31st Dec. 2017. Upper age limit is 35 yrs.

Selection Procedure: Admission to DGNM course in Jamia Hamdard shall be made through entrance examination and or interview conducted by Jamia Hamdard. The weightage of Interview will be 15%

M. Sc. Nursing

Duration: Two years

Seats: 25 (20 General, 5 SFS, inclusive of seats reserved for NRI/Sponsored)

M. Sc. Nursing Specialization	No. of Seats
--------------------------------------	---------------------

M. Sc. Medical Surgical Nursing	06
M. Sc. Obstetric & Gynecology Nursing	06
M. Sc. Psychiatric Nursing	06
M. Sc. Community Health Nursing	05
M. Sc. Paediatric Nursing	02

Two seats per annum are reserved for internal candidates, as per University norm.

Eligibility: A candidate must have:

- Passed B Sc Nursing / B Sc (Hons.) Nursing / Post Basic BSc Nursing with minimum of 55% marks in aggregate from an Institution recognized by Indian Nursing Council.
- A Registered Nurse and Registered Midwife Certificate or equivalent with any State Nursing Registration Council.
- At least one year of work experience prior or after Post Basic BSc Nursing/BSc-Nursing (after registering as RN and RM).
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection procedure: The applicants for admission to the MSc-Nursing programme shall have to appear in the Entrance test. The test paper will comprise of questions based on syllabus of BSc (Hons.) Nursing prescribed by INC.

PhD Nursing

The doctoral programme in Nursing has been started with an objective to prepare the Nurses to conduct the research relevant to Nursing practice, education and research including clinical research, further the development of nursing theories to contribute to nursing science and to display the leadership skills in nursing.

Eligibility and selection procedure: The admission will be as per the JH PhD Bylaws 2016. Applicants are advised to read PhD Bylaws 2016 before applying.

General note for all Nursing students:

1. Stay in the hostel is recommended for all Nursing students. Hostel accommodation is provided on payment of prescribed charges.
2. Transport charges for students of all courses for clinical posting will be included in the annual fees.
3. For admission against the Foreign National/NRI/ Sponsored seats, wherever applicable written test is not required.

School of Chemical & Life Sciences

Thrust areas of research in the School are environment and health. The research objective is to understand the etiology of diseases at molecular level and inter-relationship between nutrients and drugs. Modern bio-medical research tools and developments in the fields of Genetic Engineering, Genomics, Proteomics and Bio-informatics are being used to understand the cellular processes associated with health and diseases. The emerging concept of role of elements in health, effect of chemicals on environment, health and ecosystem including mitigation of their toxicity and carcinogenicity are other areas of research. Scientific evaluation of the efficacy of herbal medicine is being extensively pursued. The effect of environment on growth, structure and chemistry of plants, relationship between structure and function of proteins and enzymes, development of bio-molecules by r-DNA technology, regulation of gene expression, development of new generation vaccines and diagnostic probes, enhancement of secondary metabolites in medicinal plants, metabolomics, molecular biology of diseases, biotransformation of medicinal plants for better yield of medicinal compounds and transgenics of valuable crops and medicinal plants are also being studied. Besides the departments, the School has the following facilities:

1. Central Instrumentation Facility
2. Central Animal House Facility
3. Herbal Garden
4. Transgenic Containment Facility

Departments/Centres

School consists of the following departments and centres

- Department of Biochemistry
- Department of Biotechnology
- Department of Botany
- Department of Chemistry
- Centre for Clinical and Translational Research
- Department of Medical Elementology and Toxicology

Department of Biochemistry

Biochemistry is the molecular logic of living system. It finds applications in diverse disciplines such as medical and agricultural sciences, environmental sciences, forestry, dietetics, food science and technology, hormone production, vaccine research, virology, immunology, microbiology, toxicology and in areas from marine biology to entomology, not just to carry out the R&D work and develop new products, but also to monitor the production, quality and safety of the product. Biochemists provide diagnostic service, carrying out tests on blood, urine and other body fluids, while researching the underlying causes of disease and methods of treatment, and have opportunities to work in hospitals, pharmaceutical industry and agrochemical companies, food brewing and biotechnology. The postgraduate degree in Biochemistry also enables students to teach in universities and colleges as well as the medical, dental and veterinary schools and consulting or allied work. The Department offers M. Sc. and Ph. D. programs in Biochemistry and over the years has gained reputation of being a center of quality education and training in Biochemistry both in India and abroad. The Department has been awarded UGC SAP and DST FIST, in addition to a number of grants from various sources including a DBT grant for creating Bioinformatics Infrastructure Facility. The Department has also successfully completed a UNICEF sponsored ICMR task force study, and several other schemes supported by CSIR, DST, DBT, ICMR, CCRUM and UGC.

Thrust areas include:

- Chronic inflammatory diseases
- Cell proliferation and cell death pathways
- Cancer etiology; Nutrigenomics
- Molecular Biology and Proteomics
- Natural products in diabetic complications
- Molecular immunology; Insulin resistance

Over the years, the Department has developed facilities for high precision analytical work and has acquired sophisticated equipments and tools for cellular and molecular research including the facility to work on cell lines. The Department regularly organizes seminars, workshops, brain-storming and interactive sessions for the students, besides providing training to students and staff from other institutes, universities and colleges. The faculty actively participates in international and national conferences, seminars, workshops, meetings, orientation and refresher courses, and is on the panel of experts in various academic and nonacademic bodies. The Syllabus is updated regularly and promoting emerging areas such as computational and systems biology, nanotechnology. Students are encouraged for creative learning and to deliver lectures/debates on topics of current interest in biological sciences. Students have high rate of success in various competitive examinations and many of them are working in premier institutes and companies in India and abroad. About 200 students of the department have qualified various national level tests since its inception in 1994. Students are working as scientist and academicians in government setups including DRDO, CSIR and Indian universities, besides taking up jobs in private sectors.

Department of Biotechnology

The Department is 4th top Biotechnology Schools of India as per survey made by Bio Spectrum (2013). It is supported by FIST (DST, Govt. of India) and SAP (UGC). The Department offers two formal programmes of study: a two year post-graduate course leading to M.Sc. in Biotechnology and doctoral research leading to Ph. D. degree. Besides, it also offers opportunity for post-doctoral research. The faculty members of the Department have

been able to attract number of extramurally funded research projects from various funding agencies such as DBT, DST, CSIR, ICAR, ICMR, DRDO, UGC, DOEn, ISM&H, CCRUM, AYUSH and World Bank. M.Sc. Part II students are allowed to do an intensive project work with teachers of the faculty covering literature survey, experimentation (wet lab), data generation, writing and presentation skill.

The current research interest of the faculty members include: development of biomolecules by r-DNA technology, regulation of gene expression, Development of diagnostic tests, molecular virology; human viruses, vaccine development, genomics/proteomics of cancers and development of biomarkers for their early detection, Molecular biology of non-infectious diseases, proteomics of host-pathogen interactions, enhancement of secondary metabolites through genetic engineering and *in vitro* culture, metabolic engineering of medicinal plants for better yields of medicinal compounds, *in vivo* and *in vitro* conservation of medicinal plants and transgenics of vegetables, floriculture and oil crops.

The Department has inter-institutional collaboration with ICGEB (New Delhi), AIIMS (New Delhi), NII (New Delhi), Dabur Research Foundation (Ghaziabad), National Institute of Communicable Diseases (New Delhi), National Centre for Biological Sciences (Bangalore), CDRI (Lucknow), TERI (New Delhi), IARI (New Delhi), JNU (New Delhi), University of Delhi South Campus (New Delhi), Institute of Genomics and Integrative Biology (New Delhi), CDFD (Hyderabad), CDRI, IITRC (Lucknow), IIIM (Jammu), DRDO (New Delhi), Talwar Research Foundation (New Delhi), THSTI (Faridabad), NIGPR to name a few.

The students of biotechnology have high rate of success in NET/GATE/ ICMR/ DBT test for JRF. They have been selected in reputed institutions such as JMI, Delhi University, CCMB, CDFD, AIIMS, IISc, ICGEB, NII, NCCS, NCBS etc., besides placements abroad.

Recently the Department has developed international research programs (Indo-US Vaccine action program) with the Emory University, USA and Centre for Disease Control (CDC), USA on infectious diseases.

Centre for Transgenic Plant Development

The Centre is a unit of Department of Biotechnology. It is equipped with the state of the art facilities to train Ph. D. and post doctoral students and to carry out research in various disciplines of plant and microbial biotechnology. The major R & D activities being pursued include cloning and characterization of novel genes linked with tolerance to biotic and abiotic stresses and quality traits of medicinal and crop plants, authentication and standardization of crude components of herbal formulations and nano vehicle assisted gene delivery in plants. The thrust areas of centre also include improving the quality of medicinal crops through genetic engineering of metabolic pathway; *miRNA and RNAi approaches*, conservation of medicinal plants; developments of easy, rapid, sensitive, cost effective method for aflatoxigenic mould detection in the groundnut kernels and soil and identification and quantification of aflatoxins in the food and feed. The centre has received grants from government agencies such as DST, DBT, Department of AYUSH, CCRUM, CSIR, ICMR, DRDO etc. for R & D projects carried out at the Centre. The consultancy projects from biotech companies are also carried out in the centre.

Department of Botany

The Department of Botany, which came into existence in the year 1989, has developed strong research programmes in the fields of stress physiology, structural & developmental botany, environmental botany, systematics, medicobotany, plant biotechnology and molecular

biology. The first registration for Ph.D. was done in 1991. The post-graduate teaching programme started in 1994 leading to the award of M.Sc. degree. The first Ph.D. degree in Botany was awarded in 1995 and the first batch of students got M.Sc. degrees in 1996. So far 19 batches have successfully passed out from this department. A Post-graduate Diploma in Environmental Monitoring and Impact Assessment is also run by the department through distance mode of learning.

During the last 26 years as many as 90 students have been the recipients of Ph.D. degree. Alumni of the department have distinguished as teachers and scientists occupying important position in Indian universities, research institutions, colleges and non-governmental organizations. The department has been acknowledged for its excellence and creativity by various agencies of National/ International repute.

Thrust areas of research

Plant response to heavy metal and environmental stresses

- Air pollution impact on plant form, function and medicinal properties
- Characterization of medicinal plants
- Ethnobotany and plant systematic
- Meristematic behavior and radial growth in plants
- Tissue culture studies for alkaloid production, clonal multiplication and preservation of endangered species
- Proteomics of nitrogen-efficient and nitrogen-inefficient rice and wheat
- Development of nanosensors for measurement of in vivo flux of metabolites

Research Facilities

The Department has well equipped laboratories for research. The available equipments include Growth chambers, BOD incubators, Refrigerated microfuges, Laminar air flow, Shakers, Environmental shaker incubator, Double beam spectrophotometer, PCR, High speed cold centrifuge, Deep freezer (-20, -80,°C), IRGA (Photosynthesis System), Leaf area meters, Flame photometer, Sliding and rotary microtomes, Gel documentation system and Nikon's Phase contrast microscope with photography attachment, Weather station attached with gas monitoring sensors, Spectrophotometers, Chlorophyll Fluorometer, Plant Canopy Analyzer, Rotavapor, Sound level meter, Gas & dust analysing system and Inverted fluorescent microscope. A modest Green House and an environmentally controlled Glass House is also available.

Twenty three research projects from different funding agencies are successfully completed / going on in the department.

The University Grants Commission has granted assistance to the Department of Botany, Jamia Hamdard at the level of DRS-1 for 5 years 2011-2016 under the Special Assistance Programme (SAP).

Centre for Clinical and Translational Research

The Centre was established as a Department of Clinical Research in the year 2009 with an objective to train human resources in clinical research. In the year 2012 it was transformed into a Centre and scope of its activities was also expanded by including component of translational research. The Centre envisages imparting theory and practical training in all aspects of clinical research and clinical trails. It provides opportunity to young aspirants desirous of pursuing a career in expanding healthcare sector in India and abroad. According

to industry sources, the clinical research industry in India will require a large number of professionals trained in various aspects of clinical research in the coming years. Importance of clinical research has got recognition in recent years due to commendable growth in domestic pharma industry. Global pharma giants have shown interest to conduct clinical trials in India. Moreover, a number of contract research organisations (CROs) has been set up in India. In view of all this developments demand for clinical research professionals in India is expected to grow exponentially. Therefore, personnel involved in clinical research needs training in Good Clinical Practices (GCP) and ethics.

The Centre offers a four semester full-time M.Sc. programme in Clinical Research which takes care of all aspects of clinical research. The study programme is comprehensive based on both course work and hands-on research experience in leading clinical research organization. It is a broad-based multi-disciplinary study programme to prepare professionals in clinical research with training in the principles and methods of clinical research, clinical trials, epidemiology, health economics, biostatistics, bioethics, GCP, translational research and application of these principles to clinical trails. The Centre has established collaboration with Sun Pharmaceuticals Ltd., Max Health Care Institute Ltd. INCLIN Trust International, Apollo Hospitals Educational and Research Foundation and other leading clinical research organizations for practical and hands-on training of the students. The Centre also envisages to organize communication skills workshop, and regular seminars for the students to train them in writing and presenting research data, clinical reports, grant applications and case study reports. Students are also provided exposure to Instructional Review Board (IRB) meetings.

Placement opportunities for M.Sc. Clinical Research students are very bright. Passed out students have been placed in Novartis, Panacea Biotech, Troikaa Pharmaceuticals, Fortis, Jubilant, Indgene, Auriga, Max Neemam, Max Healthcare Institute Ltd., SRL-Sun Pharmaceuticals Ltd., Relegare, Totipotent, Baxter, Sir Gangram Hospital, Escort Health Institute, Medanta Pushpawati Singhania Research Institute (PSRI), Translational Health Science and Technology Institute (THSTI, DBT), Jamia Hamdard (in Ph.D programme), and BIT, Mesra (in Ph.D programme). Centre regularly organizes workshops on the contemporary topics in Clinical Research. Centre also undertakes consultancy projects on clinical trials.

Department of Chemistry

The mission of the Department is to provide knowledge in Chemistry that offers opportunities for a high quality and comprehensive learning experience for students. The Department offers a M. Sc. programme in Chemistry of standard UGC approved syllabus with the option of specialization in: (a) Organic Chemistry and (b) Industrial Applications in the third and fourth semesters. The M. Sc. Students are assigned intensive project assignments on topics of current research interest coupled with innovation in the fourth semester. The students are exposed to sophisticated instruments such as UV-Vis, FT-IR, NMR, UP-LC mass, Nano-LC mass spectrometers and confocal microscopy during the practicals and their project work. The students are also allowed to go to other nearby institutes through proper channel to analyse their samples by TEM, SEM and X-ray crystallography. The exposure gives them the idea of high quality research in their budding stage itself. With WiFi facility in the department and hostels, the students have access to internet, most of research journals and e-contents round the clock.

With expertise distributed over different areas in Chemistry highly qualified faculty are engaged in teaching and research that prepare the students for market driven opportunities and coach them to qualify in NET examination. It further helps students for employment in reputed pharmaceutical companies like Sun Pharmaceuticals Ltd., Jubilant Organosys,

Glenmark, Wockhardt, Rexin, Indian Oil and other allied industries in addition to placement in universities colleges for teaching and research institutions for doctoral & postdoctoral research positions. The Department also offers a programme in PG Diploma in Chemoinformatics under Open and Distance Learning mode.

The thrust areas of research of the Department are:

- Natural Products Chemistry
- Medicinal Chemistry including
 - Anticancer agents & anti-inflammatory agents
 - Anti-hyperglycemic agents
 - Antimicrobials (anti-tubercular, anti-leishmanial etc.)
- Nanosynthesis and Drug Delivery
- Nanocomposites of carbon nanotubes, graphene, catalysis and H₂ evolution
- Gadolinium(III)-oligopeptides and anticancer activity

The competent chemistry faculty has reputation in the above mentioned areas of research with publications in standard research journals of decent impact factors such as American Chemical Society journals, Wiley interscience and Royal Society of Chemistry. The faculty is mainly working in the area of medicinal chemistry *viz.*, synthesis of natural products, small molecular high affinity ligands, gadolinium(III)-peptides and evaluation of antidiabetic and anticancer activities. Ethnopharmacological investigations of rare plant extracts are also carried out in order to identify new drug candidates from nature. Polymer based nanomedicines composites of carbon nanotubes, their delivery to the tumor targets and to the brain with the vision of curing neurological disorders is another focus of research in the department of Chemistry.

Diversity oriented synthesis of natural products inspired bioactive ligands as tubulin inhibitors, GSK-3-inhibitors, aldose reductase inhibitors, anti-hypoglycemic agents and anti microbials another frontier areas in the Chemistry department. The Chemistry faculty is also engaged in the synthesis of novel iron-sulfur cubane type clusters which are found in the active sites of hydrogenases and their composites with carbon nanotubes and graphene. These catalytic materials are evaluated for their catalytic activity for hydrogen gas evolution which is considered as an environmentally clean and alternative fuel.

Many projects in the department are sponsored by the Department of Science and Technology for example, DST-EMR and DST-Fast Track. The University is also funding the faculty through Research Promotion Grants for the beginners. Funds for research have also been received from funding agencies like Department of Biotechnology (DBT), Defence Research & Development Organisation (DRDO) and University Grant Commission (UGC).

Department of Medical Elementology and Toxicology

The Department of Medical Elementology and Toxicology is one of the few Departments in India having full-fledged academic programme at Postgraduate and doctoral levels in Toxicology. The Department has made its mark in toxicological research and has been supported by the Department of Science and Technology (DST) through Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions (FIST) programme and University Grants Commission (UGC) Special Assistant Programme (SAP). Ph.D degree in Toxicology is being awarded in different fields of toxicology. The Department has collaborative programmes with many reputed institutes such as Indian Institute of Toxicological Research (CSIR), Lucknow; Central Drug Research Institute

(CSIR), Lucknow; Indian Institute of Integrative Medicine (CSIR), Jammu; Institute of Nuclear Medicine and Allied Sciences (DRDO), New Delhi etc

Thrust areas

- Chemoprevention of cancer by plant products/indigenous medicines and standardization of such drugs.
- Targeting the molecular mechanism and elucidation of their plausible role in induction of carcinogenesis in prostate, liver, kidney and skin at preclinical stage.
- Toxic effects of endocrine disrupting chemicals (EDCs).
- Neurodegenerative disorders and their protection.
- Role of trace elements in the manifestation of diseases.
- Ecotoxicity of environmental pollutants and their interactive effects.
- Immunotoxicity of drugs and environmental chemicals and its prevention.
- Molecular mechanism of nanoparticles in toxicity manifestation.
- Animal models of arthritis for study of mechanism of action of protective agents.

The Department has received funding support from agencies such as Council of Scientific and Industrial Research (CSIR), Central Council for Research In Unani Medicine (CCRUM), Department of AYUSH, Department of Biotechnology (DBT), Department of Science and Technology (DST), Indian Council for Medical Research (ICMR), Ministry of Environment and Forests and UGC. Every year a good number of students qualify fellowships offered by government agencies. Students who have obtained degree in toxicology have got placements in various companies and R&D institutes such as Sun Pharmaceuticals Ltd., CDRI, IITR, Dabur, Torrent, Cadila, Lupin, Dr. Reddy's Laboratory, Sri Ram Institute of Industrial Research, Nestle, Himalaya etc. The Department's distinguished Alumni as faculty or post-doctoral fellows are spread all over the globe. More emphasis is given to develop academic and research skills of the students. M.Sc. programme has integral component of dissertation work in the fourth semester. After completion of the course students have job opportunities in industry and research organizations. A good number of students qualify NET examinations conducted by UGC-CSIR in life science and forensic science streams. The Department is fully-equipped with sophisticated equipment to perform research in all major fields of toxicology including *in vitro* toxicity.

Courses offered:

1. BSc-MSc Integrated programme:

Duration: Three years (Six semesters)

Seats: 120 (SFS)

Eligibility: A candidate seeking admission to the BSc-MSc Integrated program must have passed Senior Secondary (12th / Intermediate) examination with Biology /Mathematics from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection procedure: Selection will be based on merit in NEET2017/ Paper-1 of JEE (Main) 2017. Non NEET/ Non JEE candidates may also apply. *In case of non-availability of sufficient number of applicants from NEET 2017/JEE 2017, University has the right to admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by Jamia Hamdard.*

2. Post Graduate Programmes:

- **M.Sc. Biochemistry**

Duration: Two years (Four semesters)

Seats: 25 [20* General Category+05 SFS Category]

Eligibility: Passed B.Sc. in Biochemistry or equivalent examination in Biological Sciences with Biochemistry or Chemistry as one of the subjects securing at least 45% marks in aggregate.

- **M.Sc. Biotechnology**

Duration: Two years (Four semesters)

Seats: 40 [20* General Category+20 SFS)-Seats include the seats for NRI/sponsored category candidates

Eligibility: Passed B.Sc. examination from a recognized University in Biological Sciences/B.Sc. (Agriculture)/B.V.Sc with a minimum of 45% marks in aggregate.

- **M.Sc. Botany**

Duration: Two years (Four semesters)

Seats: 30 [25* General Category + 05 SFS)

Eligibility: Passed B.Sc. or equivalent examination of a recognized university with Botany/Plant Sciences as one of the subjects securing at least 45% marks in the aggregate.

- **M.Sc. Chemistry**

Duration: Two years (Four semesters)

Seats: 25 [20 general +05 SFS]

Eligibility: Passed B.Sc. or equivalent examination from a recognized University with Chemistry as one of the subjects securing at least 45% marks in the aggregate.

- **M.Sc. Clinical Research***

Duration: Two years (Four semesters)

Seats: 25 [SFS]

Eligibility: Passed MBBS/ BDS/ BAMS/ BUMS/ B.V.Sc./ B.Pharm/ B.Sc. Nursing /BOT/ BPT/ B.Sc. Medical Lab. Techniques/B.Sc. With Biochemistry/ Biotechnology/ Microbiology/ Zoology /Bioinstrumentation or any other life sciences/allied health sciences securing at least 45% marks in the aggregate

- **M.Sc. Toxicology**

Duration: Two years (Four semesters)

Seats: 30[25 General + 05 SFS)

Eligibility: Passed B.Sc. with any three of the following subjects: Botany, Chemistry, Zoology, Biochemistry, Biotechnology, Microbiology, Environmental Biology or a subject of Life Sciences securing at least 45% marks in the aggregate.

Having studied Biology at 10+2 level and having B. Pharm./B.V.Sc./B.Sc. (Agriculture)/BMLT and other paramedical or allied sciences degree securing at least 45% marks

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination and interview conducted by Jamia Hamdard. In case where result is awaited, merit for shortlisting the candidates for interview will be considered on the basis of average of marks obtained in all the years except the last year in the qualifying examination.

3. Doctoral

- Ph.D in Biochemistry
- Ph.D in Biotechnology
- Ph.D in Botany
- Ph.D in Chemistry
- Ph.D in Clinical Research
- Ph.D in Toxicology

Eligibility and selection procedure:

All applicants seeking admission to PhD are advised to read JH PhD Bylaws 2016 before applying.

Briefly, candidates shall have a Master's Degree or a professional degree declared equivalent to Master's degree by the corresponding statutory body, with atleast 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale. The University shall admit Ph.D. students through an Entrance Test comprising of 2-stage selection process to be conducted at the School level.

The selection will be based on performance in interview and previous academic record as per the following weightage:

Criteria	Weightage
Personal Interview	35%
JRF/NET (INSPIRE, 30, JRF=20, NET=10)	30%
Performance in Post graduate examination	20%
Performance in Undergraduate examination	10%
Teaching experience/publication	05%

School of Interdisciplinary Sciences and Technology

The school promotes education and research in interdisciplinary sciences and currently offers B.Tech in Food Technology, M. Tech. in Food Technology and Ph.D. in Bio-informatics, Chemo-informatics, Food and Fermentation Technology, and in Molecular Medicine, besides the areas where the nature of work is interdisciplinary, demanding expertise from different disciplines. The School provides opportunity to researchers and academicians to interact with the faculty and students of all the faculties of the University and carry out research in interdisciplinary areas as well as promote opportunities for higher education in identified areas. Faculty has entered into collaboration with URDIP (CSIR), Pune, and has established a very strong PhD program in the area of Bioinformatics and Fermentation in place. Presently over a dozen students are registered in PhD programme. The Department of Food Technology has received a substantial grant of Rs.75 lakhs from Ministry of Food Processing Industries and has strengthened the laboratories and infrastructure of the Department.

Department of Food Technology

Food technology is a branch of science in which knowledge of food science is applied in manufacturing and preservation of food products. Food technologists study the chemical, physical and microbiological make-up of the food and are involved in its processing, preservation, packaging and storage in safe, wholesome and nutritious form. The demand of professionals and trained personnel in the food industry as well as in research and development in government and industrial setup is immense. Food technologists are employed in food industries, mills, distilleries, packaging industry and hotels. They are employed as professionals in quality assurance, food production, analytical and research laboratories and new product development. Food technology professionals also work as consultants, advisors, auditors in inspection boards or quality assurance departments. Companies like Hindustan Unilever, Britannia, Danone, Heinz, Kellogg, Nestle and many others recruit food technologists periodically as product development manager, food safety experts, quality assurance personnels as well as scientists for developing new products or bringing about an improvement in existing products.

The Food Technology program at Jamia Hamdard aims at producing professionally competent, proficient and highly skilled personnel in the field of food technology, with a knowledge of various aspects of food science and technology including the quality of raw material, packaging standards and methodology, health and hygiene parameters, processing techniques, storage and food value and educate them on the methodologies for extracting

useful byproducts. The course content includes the functional foods, nutraceuticals, nonalcoholic beverages, medicated water, dietary supplements, novel biodegradable material, transgenic and organic food, good manufacturing and post-harvest practices, fundamentals of chemical engineering, dairy technology, and bioprocess engineering.

B. Tech. Food Technology

Duration: Four years (Eight Semesters)

Seats: 30 (25 General + 5 NRI/ Sponsored); additional seats are available for Foreign nationals

Eligibility: A candidate seeking admission to the program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics/Biology from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection procedure: Selection will be based on merit in Paper-1 of JEE (Main) 2017/NEET 2017, conducted by CBSE. Non NEET/Non JEE candidates may also apply. *In case of non-availability of sufficient number of applicants with above mentioned qualification, University has the right to admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by Jamia Hamdard which will be announced separately, if situation arises.* Non JEE / Non NEET candidates may also apply. However, JEE / NEET candidates will be preferred. Subject to availability of vacant seats, non JEE / non NEET applicants may be considered on the basis of merit in qualifying examination with Physics, Chemistry, Maths / Biology and interview. The weightage of interview shall be 15 %.

M. Tech. Food Technology

Duration: Two years (Four Semesters)

Seats: 18 (15 General + 3 NRI/ Sponsored); additional seats are available for Foreign Nationals.

Eligibility: B. Tech. in Food/ Dairy /Agriculture /Chemical/ Biotechnology and Mechanical Engineering or MSc in Food Science/Chemistry/ Biochemistry or allied disciplines or B. Pharm. with at least 55% marks in aggregate; appeared in the Entrance Test /Interview conducted by Jamia Hamdard.

Selection procedure: Interview will be conducted to test the knowledge of the candidates in Physics, Chemistry, Biology, Maths, Biochemistry, Biotechnology and Food Science of B.Sc level.

Ph.D. Bioinformatics / Ph.D. Chemoinformatics

Duration: Minimum 3 years

Eligibility: (i) Masters degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics / chemoinformatics from a recognized University/Institute,

PhD Food and Fermentation Technology

Duration: Minimum 3 years

Eligibility: (i) Candidates having passed MTech (Food Technology), MTech (Biotechnology) MSc (Food Science), MPharm (Pharmaceutics/ Pharmacognosy & Phytochemistry/ Pharmaceutical Biotechnology), MSc (Biotechnology) or MSc (Biochemistry) with minimum of 55% marks or equivalent grade from a recognized University/Institute,

PhD in Molecular Medicine

Duration: Minimum 3 years

Eligibility: (i) Candidates having passed MSc in any branch of Life Sciences, M.Tech (Biotechnology) or any other related qualification with minimum of 55% marks or equivalent grade from any recognized Indian University or foreign University recognized by Association of Indian Universities (AIU)

PhD in Interdisciplinary Sciences – In areas where the nature of work is interdisciplinary, demanding expertise from different disciplines.

Eligibility and selection procedure: Applicants seeking admission to PhD in any of the above mentioned disciplines are advised to read JH PhD Bylaws 2016 before applying.

School of Engineering Sciences & Technology (SEST)

This School consists of the Department of Computer Science and Engineering.

Department of Computer Science & Engineering started in 1997, and it has grown now into a vibrant centre of teaching and research. The department has a pool of highly qualified excellent teachers and technical staff members as per UGC/AICTE norms. The Department offers Under Graduate (UG) and Post Graduate (PG) Programmes in Computer Science & Engineering / Computer Application / IT / ECE / Information Security & Cyber Forensics, also engaged in high quality research activities leading to Ph.D. degree in different thrust areas of computer science and engineering and intra disciplinary areas viz. Big Data, Soft Computing, Neural Network, Artificial Intelligence, Fuzzy Logic, Software Engineering, Data Mining, Information Security, Cyber laws, Cyber Forensics, Computer Architecture, Graph Theory, Computer Networks, Distributed System, Discrete Structure, Robotics, Cognitive Radios, Mobile Computing, DBMS, Algorithms, etc. to list a few. Department has made a lot of contributions towards these areas in the form of publications in journals/conference-proceedings/books/sponsored research and collaboration with industrial research. The School offers the following programmes of study:-

Programs of study and selection procedure

- Ph.D. in Computer Science & Engineering
- Ph.D. in Computer Science
- M.Tech. Information Security & Cyber Forensics
- M.Tech. Computer Science & Engineering
- M.Tech. Computer Science & Engineering- Part time
- MCA
- B.Tech. Computer Science & Engineering
- B.Tech. Electronics and Communication Engineering
- BCA / B. Sc. (IT)

B. Tech.**1. B. Tech. Computer Science & Engineering (CSE) / B. Tech. Electronics and Communication Engineering (ECE)**

Duration: Four years (8 Semesters) for each programme.

Seats: 120 (CSE) + 60 (ECE); inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing atleast 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 of JEE (Main) 2017, conducted by CBSE.

In case few of the seats remain unfilled, Jamia Hamdard may admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by Jamia Hamdard which will be announced separately, if situation arises.

2. Bachelor of Computer Application (BCA)

Duration: 3 years (6 Semesters)

Seats: 60 (Inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals)

Eligibility: A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination with Mathematics as one of the passed subjects from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior Secondary (12th Standard/Intermediate) examination with Commerce background having one paper Accountancy or Business Mathematics, securing at least 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior-Secondary (12th standard/intermediate) examination having one Theory paper Computer Science / Multimedia and Web Technology / Information Technology securing atleast 50% marks or equivalent CGPA in aggregate.

Selection Procedure: The admission to the BCA/B.Sc. (IT) programme will be on the basis of merit of the qualifying examination and/or interview to be conducted by Jamia Hamdard.

M. Tech. programs**M. Tech. (Information Security & Cyber Forensics)**

Duration: 2 years (4 Semesters)

Seats: 30 (25 General + 5 Sponsored, including NRI). In addition to these seats, 03 seats are available for Foreign Nationals.

Eligibility: 60% or equivalent CGPA in B.Tech./BE in Computer Science/Computer Science & Engineering/Computer Engineering/Information Technology/Electronics & Communication/ Electronics Engineering or

equivalent degree **(OR)** 60% or equivalent CGPA in MCA or in M.Sc in IT/Computer Science/Information Science & Technology/Electronics/Software Engineering or equivalent degree.

Selection procedure: Entrance Test or Interview will be conducted based on the syllabus of B.Tech. (CSE/IT) / MCA programmes of Jamia Hamdard. Selection will be based on merit of qualifying examination and Interview.

M.Tech. (Computer Science & Engineering)

Duration: 2 years (4 Semesters)

Seats: 30 (25 General + 05 Sponsored, including NRI); in addition to these seats, 03 seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission in M. Tech. Computer Science & Engineering must have

- Passed B.Tech. / B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering / ICT with atleast 60% marks (or equivalent CGPA) in aggregate. (Or) MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc.(Electronics) with atleast 60% marks (or equivalent CGPA) in aggregate. (Or) B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with atleast 60% marks (or equivalent CGPA) in aggregate.

Selection procedure: Selection will be based on merit of qualifying examination and Interview.

M.Tech. (Computer Science & Engineering) – Part Time

This is a Part Time Programme to facilitate the enhancement of qualifications of the in-service engineers/technocrats besides the fresh candidates. Preference will be given to in-service candidates or to those having working experience. Most of the teaching-learning process of this Weekend Programme will be held during Saturdays/Sundays, but all the Semester-end examinations (Theory and Practical both, and Seminars/Project/Dissertation evaluation etc.) and all other official activities including fees submission, central library service, sports, etc. (except Teaching) will be held during weekdays (Monday to Friday) only. During the semesters with the courses like Project/Dissertation, the guidance by the supervisors will be done during weekdays and consequently the students during these Project/Dissertation courses of the semesters must be prepared to visit the supervisors for guidance during weekdays. Candidates before applying for admission must ensure themselves for the above conditions.

Duration: 3 years (6 Semesters)

Seats: 60 (50 General, + 10 Sponsored, including NRI); additional 3 seats available for Foreign Nationals.

Eligibility criteria:

- Passed B.Tech./B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software

Engineering/ ICT with atleast 60% marks (or equivalent CGPA) in aggregate. or MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc. (Electronics) with atleast 60% marks (or equivalent CGPA) in aggregate. (O r) B.Tech./B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with atleast 60% marks (or equivalent CGPA) in aggregate.

Selection procedure: Selection will be based on merit of qualifying examination and Interview.

Master of Computer Applications (MCA)

Duration: 3 years (6 Semesters)

Seats: 60 (50 General + 10 Sponsored, including NRI); in addition to these seats, 06 seats are available for Foreign Nationals.

Eligibility:

- Passed B.Tech. / B.E. / B.Sc. (Engg) / BCA / B.Sc. (with Mathematics / IT / CS / Electronics / Physics as one subject passed) examination from a recognized institution/university securing at least 50% marks (or equivalent CGPA) in aggregate.
- Passed at least one paper of Mathematics at Senior Secondary (12th level) or Bachelor's level.
- Appeared in the Entrance Test or Interview conducted by Jamia Hamdard.

Selection procedure: Entrance Test or Interview will be conducted based on the syllabus of BCA programmes of Jamia Hamdard.

Ph.D.

- Computer Science & Engineering
- Ph.D. in Computer Science

Eligibility and selection procedure: For eligibility and selection procedure, applicants are advised to go through the PhD Bylaws 2016.

General Note: Wherever required, the “**Equivalence**” of degrees/certificates or nomenclature or about subject area / specialization, the decision of Jamia Hamdard will be final. For this, Jamia Hamdard may ask for further documents from the candidates that they have to produce on or before the date prescribed by the university authority. For any foreign degree, equivalence of your degree is required to be issued by AIU. But, ultimately it is the sole right of Jamia Hamdard authority to accept or reject ‘equivalence’ without giving any explanation.

School of Humanities & Social Sciences

We have made you into nations and tribes so that you may know each other. The most honourable of you with Allah is the one who is pious. [Al Quran, 49:13]

This School offers programs in humanities and social sciences. The School consists of a Department of Islamic Studies, Center for Iranology and a UGC-Center for Federal Studies.

Department of Islamic Studies

This is one of the oldest departments set up by the late Founder-Chancellor, Janab Hakeem Abdul Hameed Saheb, which later provided the base for establishing Jamia Hamdard in 1989. The Department is actively engaged in research and teaching activities and offers BA (Hons), MA and PhD programmes. The BA (Hons) and MA programmes have been designed to acquaint students with various aspects of Islamic faith and civilization. The subsidiary and compulsory papers of BA (Hons) have been prepared keeping in mind requirements of the present times. The purpose is to give a thorough knowledge of contemporary subjects of social sciences such as Sociology; Political Science; Economics; Islamic Economics, Banking and Finance; Computer Applications; Arabic and English languages. The MA programme also focuses on issues like Ijtihad, the Islamic position on multi-culturalism, dialogue between religions and civilizations, knowledge in the Islamic perspective, and problems faced by the Muslim community in India and abroad. The main thrust of research in the Department is in the areas which have relevance to the issues of the contemporary Muslim world with special reference to Indian Muslims. These include subjects related to the socio-economic, religious and political problems of Muslims in the contemporary Indian perspective, contribution of Muslims to different walks of life, issues related to misunderstandings about Islam and Muslims, the impact of Islam on India and vice-versa, the contribution of Indian Muslim scholars and noblemen during the medieval period, translations of outstanding works by Muslim scholars including Muslim scientists, ulama and sufis. Research in Islamic Studies is based on, and guided by, the social science approach, and modern methodology, within the parameters prescribed by the Holy Qur'an and Hadith.

BA (Honors) Islamic Studies

Duration: Three years (6 Semesters)

Seats: 25 (Inclusive of seats reserved for NRI/ Sponsored candidates); additional seats are available for Foreign Nationals.

Eligibility: A candidate must have passed the Senior Secondary (12th Standard/ Intermediate) examination conducted by the Central Board of Secondary Education, or any other examination recognized by Jamia Hamdard, securing at least **45%** marks in aggregate. Knowledge of Urdu is essential. Alternatively, he/she should have passed *Alim* from Madrasa Board or should have *Alimiyah* degree from Madrasas recognized by Jamia Hamdard, securing at least **45%** marks.

Note: Candidates applying for BA (Hons.) Islamic Studies are advised to read the list of Madrasas/ Boards /Institutions recognized by Jamia Hamdard as mentioned in General Information and Admission Guidelines 2017-18.

Selection procedure: Admission to BA (Hons) Islamic Studies will be made on the basis of merit determined by marks in the respective qualifying examination and/ or Interview.

MA Islamic Studies

Duration: Two years (4 Semesters)

Seats: 15 (Inclusive of seats reserved for NRI/ Sponsored candidates) Additional seats are available for Foreign Nationals.

Eligibility: Candidate must have a Bachelor's degree in Islamic Studies or related disciplines with at least **45%** marks. Applicants who have passed *Fazilat* (Graduation) with at least **45%** marks from a Madrsa recognized by Jamia Hamdard or as per the guidelines prescribed for this purpose by the UGC, if any, are also eligible. Candidate should be proficient in English and Urdu/Arabic and have knowledge of the basic teachings of Islam.

Note: Candidates applying for MA Islamic Studies are advised to read the list of Madrasas/ Boards/ Institutions recognized by Jamia Hamdard as mentioned in General Information and Admission Guidelines 2017-18.

Selection procedure: Admission to MA Islamic Studies will be made on the basis of merit determined by marks in the respective qualifying examination and/ or Interview.

PhD Islamic Studies

Eligibility and selection procedure: For eligibility and selection procedure, applicants are required to go through the PhD Bylaws 2016.

Centre for Iranology

Part-time Certificate Course in Persian Language

Duration: One Academic year

Seats: 20

Eligibility: Candidates seeking admission to the Certificate Course in Persian must have passed the Senior Secondary School Certificate Examination of the Central Board of Secondary Education, New Delhi or Alimiyat/Alim degree from

Madaras recognized by Jamia Hamdard or an examination recognized as equivalent thereto.

Selection Procedure: Admission will be made on the basis of merit, determined by marks in the respective qualifying examination and/or Interview.

Part-time Diploma in Persian Language

Duration: One Academic year

Seats: 20

Eligibility: Candidates seeking admission to the Diploma Course in Persian must have passed a Certificate Course in Persian from any university or an examination recognized as equivalent thereto.

Selection Procedure: Admission to the Diploma in Persian language will be made on the basis of merit, determined by marks in the respective qualifying examination and/or Interview.

UGC- Centre for Federal Studies

This Centre is

- a member centre of the prestigious international Association of Centers for Federal Studies (IACFS),
- an Area Studies Research Centre of the University Grants Commission of India
- exclusively dedicated to the studies, researches and teaching on dimensionalities of federal nation building in multicultural comparative setting.
- over the years Federal Studies as an independent academic discipline has matured as a doctrine of
 - (i) State and nation building
 - (ii) Noncentralized/decentralized governance
 - (iii) Empowerment and welfarism
 - (iv) Rights and,
 - (v) Peace and conflict resolution

The contemporary focus of Federal Studies is on the promotion of interface and policy studies on 'human capital and natural resource management from the perspective of Federalism. It is being planned and developed as a principal knowledge instrument for shaping the future of mankind in the 21st century. It is unconventional in nature and scientific in temperament. It bridges the traditional divide between natural sciences and social sciences.

Mandate:

- (i) to develop as an exclusive knowledge resource centre and to grow as internationally acclaimed resource repository on various dimensions of federal nation-building in India and other multicultural and diverse polities of the world, particularly Euro-American and south Asian polities.

- (ii) to convert academic studies into pragmatic policies i.e. to provide policy alternatives and
- (iii) to popularize federalism as grand design of living together. Centre has unique knowledge repository on micro themes of Indian federation, democracy, polity and society Centre has also developed its own data bank on select themes of Indian polity and society Knowledge resource of the centre is being currently converted into online media for the access of national and international academia.

Since the year 2000, the Centre is regularly publishing its peer reviewed and internationally circulated bi-annual Journal **Indian Journal of Federal Studies (ISSN No. 0976-8408)**

Areas of Research:

- Comparative federalism
- Interstate comity
- Federal power sharing
- Working of coalition system
- Environmental management and ecological concerns of development
- Sectoral analysis of state policies
- Decentralization, development and empowerment
- Human rights, inclusive growth and development of socio-economically marginalized groups
- Federal accommodation of identities
- Globalization and global governance
- Indian Government and Politics
- Working of Indian Federalism
- Social/Regional Movements
- Public Finance and Economic Management of Taxes and Resources
- Environmental and Ecological Concerns
- Local Self-Government
- Election Studies

Methodologically the Centre promotes interdisciplinary and interface studies on abovementioned themes. It prefers case specific, simulated and guided modes of teaching and research.

Programs of study

MA (Human Rights)

- Duration:** Two Years (4 Semesters)
- Seats:** 20 (inclusive of seats reserved for NRI/Sponsored candidates. Additional seats available for Foreign Nationals)
- Eligibility:** 45% marks in aggregate in the Bachelors examination recognized by the Statutory Bodies of India. Relaxation of 5% of marks, from 45% to 40% or an equivalent relaxation of grade, shall be allowed for those belonging to SC/ST/OBC (non-creamy layer) differently-abled and other categories of candidates declared eligible by the UGC from time to time.

Selection Procedure:

S. No.	Criteria	Max. Marks (100)
3	Written Entrance Test	40
4	Personal Interview	30
2	Graduation Degree	20
1	Intermediate/Sr. Sec. School	10

M. Phil.

M.Phil is a pre-Ph.D but a separate programme. Candidates for admission to M.Phil. programme shall have a Master's Degree in the major disciplines of social sciences/ federal studies such as Political Science, International Politics, Economics, Public finance, Public Policy, Governance, Regional and Development Studies, Geography, Sociology, Public Administration, Human Rights, Law, Comparative Politics and other allied disciplines, or a Professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent grade 'B' in the UGC 7-points scale.

A relaxation of 5% of marks, from 55% to 50% or an equivalent relaxation of grade, shall be allowed for those belonging to SC/ST/OBC (non-creamy layer) differently-abled and other categories of candidates declared eligible by the UGC from time to time.

M. Phil. Selection criteria:

- 1.1 M.Phil. programme shall be for a minimum duration of two consecutive semesters/ one year, including course work and to a maximum of four consecutive semesters/ two years.
- 1.2 The University/Centre shall admit M.Phil. students through an Entrance Test comprising of 2-stage selection process to be conducted at the level of the Department /Centre. Centre will conduct a screening test/ qualifying written examination. Written examination will comprise of short and long answers types questions from the fields of research methodology, federal studies, public policy, Indian society, constitution, economy, government and politics, human rights, major theories of social sciences and other contemporary issues of India and the world. Candidate securing less than 50% of the total marks shall not be eligible for Interview Test. Selection will be based on performance in interview and previous academic record as per the following.

S. No.	Criteria	Max. Marks (100)
1	Post-graduate	20
2	Undergraduate	10
3	JRF/NET (INSPIRE=30, JRF=20 NET=10)	30
4	Teaching Experience/Publication	05
5	Personal Interview	35

- 1.3 The interview board shall specifically look for the candidate's depth of knowledge awareness of recent developments, competence for the proposed

research, whether the research work can be suitably undertaken at the institute, and whether the proposed area of research can contribute to new/additional knowledge. The candidate is required to submit detailed research proposal in advance i.e. before the scheduled date of interview.

1.4 Total no of Seats : 15 (excluding supernumerary seats for foreigners)

Ph.D.

Eligibility and selection procedure: For eligibility and selection procedure, applicants are advised to go through JH PhD Bylaws 2016.

School of Management & Business Studies

This School consists of the following Departments and programs of study:

1. **Department of Management**
2. **Department of Health & Hospital Management**
3. **Centre for Catering and Hospitality Management**

The Department of Management Studies was established in the year 1998. Ever since its inception, the department has aimed at broadening the outlook, strengthening the skills of future managers and to develop the personality of the students. Due to the core competencies of the faculty the department has made a name for itself, both among industry erudite and intelligentsia. The degree awarded is a master's degree with specialization in General Management. In the year 2014, the Bachelors Program of BBA was initiated. So far this has been a well received program. The Department was bifurcated in 2016, into Department of Management and Department of Health & Hospital Management. The pedagogy involves combination of the theoretical concept with practical application. This is achieved by discussing the latest developments in management thinking and their applications in the Indian context through case studies, club activities, seminars, Guest lectures and Industrial tours. The students are encouraged to overcome the limitations of classroom education by attending club activities twice a week. The club activities provide a platform for polishing the communication and presentation skills. During the club session, students make individual presentations on recent happenings in the areas of management. They also organize Management Fests, Biz-Quiz, Debates, Ad-mad shows etc. through which learning becomes a pleasant experience. In order to have interaction with the corporate world, the MBA Programme incorporates guest lecturers as part of its curriculum. The department invites guest speakers from the industry to interact with the students and give insights in contemporary issues and developments.

Placements

Placement activities are co-ordinated by a placement cell headed by a Placement coordinator, comprising of selected student representatives and faculty member. This includes both summer internship as well as final placements

Programmes of study and selection procedure

1. BBA(Bachelors in Business Administration)

Duration: 3 years/6 semesters

Seats: 120 (inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals)

Eligibility: 10+2 from any recognized board with 50% marks.

Selection Procedure: The admission to the BBA programme will be on the basis of merit of the qualifying examination and/or interview to be conducted by Jamia Hamdard.

SC/ST: Pl read the reservation policy of JH

2. MBA (Masters in Business Administration)Duration: 2 years/4 semesters

Seats: 120 (Seats include the seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals).

Eligibility: (i) Bachelor's degree in any discipline with minimum 50% aggregate marks core CGPA 5 out of 10 point scale.
(ii) Appeared in CMAT/MAT/GMAT/XAT/GPAT/ATMA.

Note: Those with 2 years' work experience/teaching; Foreign / NRI/Sponsored candidates are exempted from CMAT/MAT/GMAT/XAT/GPAT/ATMA. Their admission will be based on GD followed by interview.

Selection Process: On the basis of qualified CMAT (up to January 2017)/MAT (up to May 2017)/GMAT (up to -2016) / XAT (up to January 2017) /CAT/ ATMA (Association of Indian Management Schools Test (ATMA) exams scores or any other examination approved by the University. Shortlisted candidates will be called for GD/PI at Jamia Hamdard campus. The candidates should clearly write the application Form number / Roll number of Jamia Hamdard on the back of the Score Card. The admission will be made on the basis of overall merit determined by the University.

For NRI/Sponsored Seats: CMAT / MAT /GMAT / XAT /CAT / ATMA scores are not required.

SC/ST: Pl read the reservation policy of JH

3. MBA (Health / Hospital Management)

Duration: 2 years

Seats: 60 General (Seats include the seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals).

Eligibility: Bachelor's degree in any discipline with minimum 50% aggregate marks or core CGPA 5 on a 10 point scale.

Selection procedure: On the basis of qualified CMAT (up to January 2017)/MAT (up to May 2017)/GMAT (up to -2017) / XAT (up to January -2017) /CAT/ ATMA (Association

of Indian Management Schools Test (ATMA) exam scores or any other examination approved by the University. Shortlisted candidates will be called for Group Discussion (GD) and Personal Interview (PI) to be conducted at Jamia Hamdard campus. Their admission will be made on the basis of overall merit determined by the University.

Exemption - Candidates with MBBS/BUMS/ BDS/ BPT/ BOT/ B.Pharm/ B.Tech (Biotech)/ M.Sc. (Biotech) / M.Sc. (Biochem) /M.Sc. (Chem) are exempted from MAT and other competitive examinations. Mid-career professionals with 2 years of experience are also exempted from these tests. They will be directly called for GD/P.I.

For NRI/Sponsored Seats: CMAT / MAT /GMAT / XAT /CAT / GPAT / ATMA score is not required. They will have to appear for English proficiency, GD & PI.

Candidates with very good academic record may also be exempted, subject to approval from the competent authority.

SC/ST: Pl read the reservation policy of JH

4. MBA (Pharmaceutical Management)

Duration: 2 years

Seats: 60 General (Seats include the seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals).

Eligibility: Bachelor's degree in any discipline with minimum 50% aggregate marks or core CGPA 5 on a 10 point scale.

Selection Process: On the basis of qualified CMAT (up to January 2017)/MAT (up to May 2017)/GMAT (up to -2017) / XAT (up to January -2017) /CAT/ ATMA (Association of Indian Management Schools Test (ATMA) exams scores or any other examination approved by the University. Shortlisted candidates will be called for Group Discussion (GD) and Personal Interview (PI) to be conducted at Jamia Hamdard campus. Their admission will be made on the basis of overall merit determined by the University.

Exemption - Candidates with MBBS/BUMS/BDS/BPT/BOT/B.Pharm/ B.Tech (Biotech)/ M.Sc. (Biotech) / M.Sc. (Biochem) /M.Sc. (Chem) are exempted from MAT and other competitive examinations. Mid-career professionals with 2 years of experience are also exempted from these tests. They will be directly called for GD/P.I.

For NRI/Sponsored Seats: CMAT / MAT /GMAT / XAT /CAT / GPAT / ATMA score is not required. They will have to appear for English proficiency, GD & PI.

Candidates with very good academic record may also be exempted, subject to approval from the competent authority.

SC/ST:Pl read the reservation policy of JH

5. MBA (Insurance)

Duration: 2 years

Seats: 40 (Seats include the seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals).

Eligibility: Bachelor's degree in any discipline with minimum 50% aggregate marks or core CGPA 5 on a 10 point scale.

Selection Process: On the basis of qualified CMAT (up to January 2017)/MAT (up to May 2017)/GMAT (up to -2017) / XAT (up to January -2017) /CAT/ ATMA (Association of Indian Management Schools Test (ATMA) exams scores or any other examination approved by the University. Shortlisted candidates will be called for Group Discussion (GD) and Personal Interview (PI) to be conducted at Jamia Hamdard campus. Their admission will be made on the basis of overall merit determined by the University.

Exemption - Candidates with MBBS/BUMS/BDS/BPT/BOT/B.Pharm/ B.Tech (Biotech)/ M.Sc. (Biotech) / M.Sc. (Biochem) /M.Sc. (Chem) are exempted from MAT and other competitive examinations. Mid-career professionals with 2 years of experience are also exempted from these tests. They will be directly called for GD/P.I.

For NRI/Sponsored Seats: CMAT / MAT /GMAT / XAT /CAT / GPAT / ATMA score is not required. They will have to appear for English proficiency, GD & PI.

Candidates with very good academic record may also be exempted, subject to approval from the competent authority.

SC/ST: Please read the reservation policy of JH

6. PhD Management (General / Pharma / Health)

Admission will be held twice in a year:

- i) Applications received from January till July (every year)
- ii) Applications received after July till December (every year)

Eligibility and selection procedure: For eligibility and selection procedure, applicants are advised to go through the PhD Bylaws 2016.

School of Open and Distance Learning

There has been a significant growth in the area of open & distance education around the world. Open & Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on-campus education due to various reasons. As a result it is an effective tool for non-formal education. Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such as vocational and technical education and even in high technology based education. The distance education also has potential to reach to un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard being in education for a long time has taken initiatives to offer an opportunity to those students who are unable to get on-campus education and those who have limited access to educational resources.

The School of Open and Distance Learning (SODL), Jamia Hamdard was established in 2004 to promote education through open and distance learning system. Its flexible and innovative methods of education ensure 'independent learning' to anyone, anytime and anywhere. ODL programmes of Jamia Hamdard also envisage at providing an opportunity to girls, who by and large have been left out by the national educational endeavours.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of University, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of University's programmes through ODL mode. This goal in view, the SODL of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study material and introduction of tools of Information Technology.

Jamia Hamdard offer education through ODL mode in few selected programmes where University has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available courses offered by other institutions and the market demand, and/or to provide cost-effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Without sacrificing the quality of education, the cost of education is kept very low so that the economically deprived sections may afford to pay fee and benefit from the educational opportunity provided at the doorstep.

Programme	Eligibility	Duration
P.G. Diploma in Bio-informatics (PGDB)	B.Sc. in Biology or B.Sc. in Mathematics/ Statistics with Biology in 10+2 examination	01 year
P.G. Diploma in Chemo-informatics (PGDC)	B.Sc. with Chemistry as one of the subjects	01 year
P.G. Diploma in Dietetics & Therapeutics Nutrition (PGDDTN)	B.Sc. degree in home Science or in Biological Science	01 year
P.G. Diploma in Pharmaceutical Regulatory Affairs (PGDPRA)	B. Pharm./MBBS or Bachelor Degree with one year experience in Pharmaceutical Industry, Clinical Research, Regulatory affair and IPR are also eligible.	01 year
P.G. Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA)	B.Sc. in any branch of Science	01 year
P.G. Diploma in Intellectual Property Right (PGDIPR)	B.Sc. in any branch of Science/LLB	01 year
P.G. Diploma in Human Rights (PGDHR)	Bachelor degree in any discipline	01 year
PG Diploma in Medical Record Techniques (PGDMRT)	Bachelor degree in any discipline	01 year
Bachelor of Computer Application (BCA)	10+2 in any discipline	03 years
Bachelor of Business Administration (BBA)	10+2 in any discipline	03 years

ANNUAL FEE STRUCTURE FOR School of Open & Distance Learning PROGRAMMES		
Name of the Programme/Course	Indian students (in Rs.)	Foreign nationals (in US \$)*
P G. Diploma in Bio-informatics (PGDB)	18,000	1000
P.G. Diploma in Chemo-informatics (PGDC)	14,000	1000
P.G. Diploma in Dietetics & Therapeutics Nutrition (PGDDTN)	12,000	1000
P.G. Diploma in Pharmaceutical Regulatory Affairs (PGDPRA)	20,000	2000

General Information and Admission Guidelines

2017-18

GENERAL INFORMATION AND GUIDELINES FOR ADMISSION TO VARIOUS PROGRAMS OF STUDY FOR ACADEMIC SESSION 2017-18

Following admission guidelines shall be adhered to while considering candidates for admission in various programs of study at Jamia Hamdard for academic session 2017-18

- **ADMISSION TO ALL UNDERGRADUATE PROGRAMS OFFERED BY JAMIA HAMDARD WILL BE MADE THROUGH MERIT IN AIPMT/JEE (Main) 2017, WHEREVER APPLICABLE, FROM AMONGST THE APPLICANTS WHO HAVE APPLIED FOR ADMISSION IN JAMIA HAMDARD. FOR OTHER PROGRAMS, UNIVERSITY MAY SELECT THE CANDIDATES ON THE BASIS OF MARKS SECURED IN QUALIFYING EXAMINATION-CUM-INTERVIEW OR CONDUCT ENTRANCE TEST.**
- **UNIVERSITY RESERVES THE RIGHT TO ACCEPT / ADVERTISE AND CALL APPLICATIONS FROM NON-AIPMT / JEE (MAIN) QUALIFIED CANDIDATES IF SUITABLE RANK HOLDERS ARE NOT AVAILABLE IN A PARTICULAR DISCIPLINE AS DECIDED BY THE COMPETENT AUTHORITY.**
- **APPLICATIONS FOR ALL PROGRAMS OFFERED BY JAMIA HAMDARD SHALL BE ACCEPTED ONLINE THROUGH ONLINE ADMISSION PORTAL 2017. UNIVERSITY RESERVES THE RIGHT TO ACCEPT APPLICATIONS FOR SOME OR ALL PROGRAMS OF STUDY OFFLINE, AS AND WHEN REQUIRED, SUBJECT TO THE APPROVAL OF THE COMPETENT AUTHORITY.**
- **ADMISSION TO MBBS SHALL BE GOVERNED BY THE MCI GUIDELINES, WHICH CAN BE ACCESSED ON MCI WEBSITE OR FOUND IN THE INFORMATION BULLETIN OR HAMDARD INSTITUTE OF MEDICAL SCIENCES AND RESEARCH (HIMSR).**
- **FOR ALL OTHER PROGRAMS OF STUDY GOVERNED BY VARIOUS COUNCILS, REGULATORY BODIES, ADMISSIONS WILL BE MADE AS PER THE GUIDELINES OF THE COUNCILS.**
- **IN THE BEST INTEREST OF THE UNIVERSITY, THE COMPETENT AUTHORITY OF JAMIA HAMDARD, THE VICE CHANCELLOR, SHALL BE AUTHORIZED TO TAKE ANY DECISION REGARDING ADMISSIONS.**

Important information and instructions

1. Applicants are advised to read carefully the contents of this Information Bulletin & Prospectus and familiarize themselves with the relevant rules governing the Admission / Entrance Test / GD / Interview of Jamia Hamdard. They should also check all the eligibility criteria for a particular program of study.
2. University will not be responsible if a candidate is denied admission for not fulfilling the eligibility criteria even if she/he has cleared all requisite eligibility conditions such as the Entrance Test / GD / Interview and has been issued offer letter for admission to a particular Program of study.
3. Bachelor's degree signifies that the degree has been obtained under 10+2+3 system of education or equivalent. Application Form of candidate whose qualifying

examination is not recognized by AIU (Association of Indian Universities) or by Jamia Hamdard shall not be considered for admission.

4. All admissions shall be provisional. If any omission / error in the processing / verification of certificates / documents of a candidate or not fulfilling eligibility criteria etc. is detected at the time of admissions or thereafter, the University shall have the right to cancel such admission at any time.
5. Display of name of short-listed candidates on the University website / notice board and appearing in Entrance Test / GD / Interview, issuance of the Admit Card / Interview letter do not confer any right to a candidate to claim admission if he / she does not fulfill all the eligibility conditions prescribed by Jamia Hamdard.
6. The University takes no responsibility for any delay or failure in e-mail transmission through website of Admit Card / Interview Letter / Intimation Letter etc. or any other communication related to admission as per regulations. Students are encouraged to frequently visit the University website (www.jamiahamdard.edu) for information or contact the admission helpline.
7. No request for change in address already mentioned in the form shall normally be entertained until and unless it has been certified by respective Department of Government of India.
8. The University shall have the right to change / cancel the schedule of Entrance Test / Interview / GD and the display of list of selected candidates at any stage.
9. The Candidates who are not able to download their Admit Card must contact for the admit card from the Admission Section of the University at least 2 days before the Entrance Test / Interview / GD / Counseling.
10. Any amendments, made in Admission Rules or in the eligibility criteria from time to time, shall be applicable to applicants seeking admission in the University.
11. If it is discovered at any stage that a candidate has made a false representation or used fraudulent means for admission or that she/he does not fulfill the eligibility requirements, she/he will not be allowed to complete admission formalities and a FIR against the candidate may be lodged. If admission has been granted to such candidate, the same shall be liable to be cancelled at any stage.
12. A vacancy, created due to the cancellation of admission in a manner mentioned above or due to name removal or any other reason, shall be filled up by the candidate on merit basis and as per rules of the University.
13. The University reserves the right to ask the candidate to reappear in the Entrance Test / Interview to assess his candidature if considered necessary.
14. Before filling the application form to any course, the applicant should satisfy himself / herself that he/she fulfills the eligibility criteria in terms of educational qualifications, age, (if applicable) or any other eligibility conditions etc.
15. Any omission/error on the part of the university in preparing the merit/admission list, if detected during admission process or thereafter shall be liable to be rectified and no candidate shall claim any right for admission/continuance of admission (if admitted).

16. As per the resolution of Standing Committee to Academic Council (SC-120(AC)/JH-1/2007) all material related to admissions shall be retained for a period of one year only.
17. As per the resolution of Standing Committee to Academic Council (SC-142(AC)/JH-1/2011) the material related to examinations like answer books and other related material shall be retained for a period of one year after the examination. After that this may be disposed off. All other records like tabulation sheets, award lists and enrolment register etc will remain kept in a safe custody as per existing practice.
18. For admission to courses the candidates getting supplementary/ compartment essential repeat in the qualifying examination may not be entitled to get admission. However, if and when allowed under special conditions as decided by the competent authority then the final result must be submitted by the given date or latest by 30th September in any case, if not submitted then after that admission will automatically get cancelled by the Dean of the School.
19. For admission to courses, the confidential marks, received directly on or before the last date for receiving the mark sheet under sealed cover in the name of Controller of Examinations, Jamia Hamdard, New Delhi from the Universities/Boards where the result of qualifying examination could not be declared formally may be accepted. Such candidate shall have to submit an undertaking dully Notarized by public Notary to the effect that the Original Marks sheet/Grade Sheet of the qualifying examination shall be submitted within the stipulated time limit.
20. No candidate is allowed to pursue two regular courses simultaneously in one academic year.
21. No employee of any government / public or private sector organization shall be admitted unless he/she submits a Leave Sanction Order with No Objection Certificate from the competent authority, covering the entire/ required duration of the course to which he/she is seeking admission.
22. Dual attendance at any stage will not be permissible.
23. The list of selected candidates for interview/admission will be displayed on University website, www.jamiahamdard.edu and/or www.jamiahamdard.ac.in. It is the responsibility of the candidate to keep himself / herself informed about such notices. The University shall not be responsible if a candidate fails to get information regarding his/her selection for GD, interview/ admission.
24. A candidate not reporting for admission on the date and time as stipulated may forfeit his / her claim for admission and no further correspondence in this regard will be entertained.
25. The University may display a waiting list. However, figuring of a name in the waiting list, by itself is not an offer of admission.
26. Candidates not selected for admission shall not be informed. In the event of non-selection of a candidate, his/her Application processing fee will not be returned.

27. A candidate already enrolled in any of the Programs of study / class of Jamia Hamdard will be required to get his/her admission cancelled from the Program he/she is pursuing in this University to be eligible for admission to another Program.
28. Candidates are required to produce the original mark sheets / certificate of qualifying examination and other necessary documents and submit attested copies of the same at the time of reporting for admission, while completing the admission formalities.
29. Applicant is advised to ensure that his/her Online Application Form is correctly filled. Application Form shall be liable to be rejected in case:

- Fee is not paid
- Incomplete information is provided in any respect.

No further correspondence shall be entertained in this regard.

30. If any discrepancy is found in the examination result of a candidate such as not fulfilling the eligibility criteria in terms of Percentage of marks or compartment in any subject or failing in the examination, the provisional admission so granted shall be cancelled by the Dean of the concerned School.
31. If original marks sheet/grade sheet is not produced within the stipulated time, the provisional admission so granted may be cancelled.
32. No candidate shall be allowed to take admission to the same Course / Class which she/he has already passed.
33. No candidates shall be allowed to fill up more than three choices in a single application form as per existing option.
34. The application form can be filled only Online, although University reserves the right to accept Offline applications as and when required.
35. The medium of all Entrance Tests, wherever conducted, shall be English. However, for admission to the courses where knowledge of Urdu is essential, the medium of Entrance Test may be English / Urdu or both.
36. Since the medium of instruction in most of the courses of this University is English and some students may not be well versed with spoken/written English up to the desired level with which they can satisfactorily go along and pass their professional courses examinations and, due to this very fact, despite being talented, hardworking and committed to their studies, these students may not be able to perform appreciably in their respective Program of study at Jamia Hamdard. An English Language Proficiency Test of VIII standard may, therefore, be conducted for all such students getting admissions in various courses at JH. If a student fails to qualify this test he/she may have to undergo an English Language Foundation Course of three months (45 contact hours) / Six months (80 contact hours) duration conducted by Jamia Hamdard. In addition to the annual and other fees of the main Program of study at Jamia Hamdard, such students will also have to pay for the English Language Foundation Course as per the University rule. Those with a documentary evidence of studying English at school level (VIII and above) shall be exempted from this test.

37. Canvassing for admission in any form by a candidate would lead to rejection of his/her application and candidature for admission to the course.
38. The candidates once admitted shall be governed by the rules and regulations of Jamia Hamdard.
39. Jamia Hamdard has ZERO TOLERANCE for ragging. Offenders shall be dealt under prescribed laws.
 - A. *As per direction of the Honorable Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus and all Jamia Hamdard authorities are determined not to allow any form of ragging. Whosoever, directly or indirectly, commits, participates in, abates or instigates ragging within or outside Jamia Hamdard / JH Off campus shall have an FIR lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined to an extent of Rs. 10,000/-. In case the applicant is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, the punishment may include suspension from attending the classes, withholding / withdrawing fellowship / scholarship and other financial benefits or withholding the result, or admission can be refused or he/she shall be expelled from JH.*
 - B. *The candidates as well as their parents, at the time of admission of the students to the institute, will be required to furnish an undertaking in the form of an affidavit that the candidates will not indulge in any form of ragging.*
40. Entire Jamia Hamdard is a NO TOBACCO & ALCOHOL-FREE CAMPUS. Smoking and/or consuming alcohol in the Campus is an offence.
41. Admission completed in a particular category shall not be transferred to any other category until and unless eligible for that category as per rules of the University. A student admitted under SFS category, for instance, shall not be transferred to general category until and unless he/she is eligible for General category as per rules of the University. In the same way a student admitted under NRI/Sponsored/ Foreign National category will not be allowed to be transferred to SFS/General category until and unless he/she is eligible for SFS/General category as per rules of the University.
42. The University has the right not to admit a candidate to a course of study even if a notification inviting applications for admission to the same has been issued due to any genuine reason or if the number of applications received for admission is less than 50% of the sanctioned intake for a particular course.
43. Admission to all the courses will be subject to recognition of the course by the concerned statutory Councils/Boards of the Government like MCI, INC, AICTE, UGC, PCI, CCIM, etc. All admission will be provisional. In case of non-approval of the course by the concerned Council / Board, admission to the course may be terminated and deposited fee may be refunded as per rules of the University.
44. Any amendments made in the Admission Rules or in the eligibility criteria by the concerned statutory Councils/Boards of the Government like MCI, INC, AICTE, UGC, PCI, CCIM etc from time to time shall be applicable to applicants seeking admission or admitted in Jamia Hamdard.

45. For B. Tech. programs, admission will be based on the merit in Paper I (BE/B. Tech.) of JEE (Main)-2017 examination, hence entry of JEE Roll No. and other information in the Jamia Hamdard Application Form is essential, otherwise applicant's candidature for this course may not be considered.
46. For MBA course, admission will be based on CMAT/ MAT/ GMAT/ XAT/CAT/GPAT/AITMA Scores or any other examination approved by Jamia Hamdard. Hence before GD & Interview, applicant must submit score of CMAT/MAT/GMAT/XAT/CAT/GPAT/AITMA etc, otherwise his/her candidature may be rejected for consideration of admission to this course.
47. Admission to M. Pharm. course in all disciplines shall be made on the basis of GPAT score. Hence, before the interview, applicant must submit and update score of required GPAT in the Jamia Hamdard Application Form. Otherwise his/her candidature may be rejected for consideration of admission to these courses.
48. Wherever applicable, Urdu test for admission to BUMS will be held to test the proficiency of the applicant in Urdu language.
49. All the matters of dispute shall be subject to Delhi jurisdiction only.

RESERVATION / RELAXATION

50% seats in all courses at Jamia Hamdard are reserved for Muslim minority. Reservation and/or relaxation to various categories are also available as per the University rules (Please see the Reservation policy of JH). Candidates will be required to produce original certificates at the time of admission. Weight-age in merit is also available to internal students, sports persons (National or State level) and Physically Challenged candidates as per University rules.

PERSONS WITH DISABILITIES (PWD) CANDIDATES

A candidate in order to be eligible for concession under this category should have minimum degree of disability to the extent of 40%. PWD candidates will have to submit certificate from the competent authority. The certifying authority in all such cases will be a medical board at the district level consisting of Chief Medical Officer (CMO), Sub-Divisional Medical Officer in the district and another expert in the specified field, viz., Ophthalmic Surgeon in the case of visually challenged, ENT surgeon or Audiologist for hearing speech challenged and an Orthopedic Surgeon or a Specialist in Physical Medicine and rehabilitation in the case of locomotor challenged. Furthermore, a candidate will become eligible for the benefit under PWD category subject to his/her claim being verified by the Medical Board of HAH Centenary Hospital, Jamia Hamdard. This board will also ascertain that the physical disability is not considered as a hindrance in pursuing the Program of study that the candidate wishes to be admitted to. Decision of this board shall be final and binding.

SPORTS PERSON

University has special provision for admissions in some undergraduate and postgraduate programs for admission of outstanding players and sports persons. For more information, Director (Sports) may be contacted.

Sportspersons of State and National level will be eligible to be considered for the benefit under this category, if he/she produces certificate from the competent authority that he/she has:

1. Represented State in the National Games/ Championships (certificate from National/State Association is to be submitted)

Or

2. Represented India in an International meet (certificate from Ministry of Youth Affairs & Sports to be submitted).

Candidates who have certificates of participation at lower levels than the above will not be given any consideration. Also certificate of participation in the games other than those mentioned above will not be given any consideration. Candidates who will be selected under this category may be asked to undergo a trial conducted by the University to verify their claim. Decision of the University in this regard shall be final.

PARENTS / GUARDIANS MAY PLEASE NOTE

1. Once your ward is admitted in Jamia Hamdard to a program of study, please discuss with him/her the rules and bye-laws governing that program.
2. To appear in the sessional / annual / semester examination, a minimum of 75% attendance in each paper of all program of study is mandatory. Please impress upon your ward to communicate his/her attendance to you at the end of each semester. Students having less than 75% attendance will not be allowed to appear in the examination in that particular paper where they are falling short of attendance. Only 5% exemption in attendance may be given on medical ground subject to submission of a valid medical certificate for the duration of the ailment.
3. At the end of every academic session, parents are advised to please check the marks sheet of their ward and acquaint themselves with his/her performance.
4. Parents are advised to visit Jamia Hamdard website, <http://www.jamiahamdard.edu> for important notices etc. They are encouraged to contact the concerned teacher or Head of the Department for any problem concerning the studies of their ward.

General Information and Admission Guidelines 2017-18

International Students / Foreign Nationals & Sponsored Category Candidates

GUIDELINES FOR ADMISSION OF INTERNATIONAL STUDENTS AND SPONSORED CATEGORY CANDIDATES

(A) International Students – Foreign Nationals & Non-Resident Indians

- (i) Rules framed by University Grants Commission (UGC) and notified in its website www.ugc.ac.in will be followed for deciding the eligibility and admissions of International students to various courses offered in Jamia Hamdard.
- (ii) International Students Cell (ISC). The university has set up an 'International Students Cell' to deal and facilitate the admission of international students. This Cell not only control the admission of the international students but also provide necessary guidance for securing admission. All letters relating to international students will be addressed to 'Foreign Students' Advisor' of Jamia Hamdard.

International Students - As per the guidelines, 'International Students' will include:

i) Foreign Students

Students holding passports issued by foreign countries and people of Indian origin who have acquired the nationality of foreign countries are included as foreign students.

ii) Non Resident Indians or NRI

Only those Non Resident Indian Students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to Boards of Secondary Education or universities located in India, but will not include students studying in those schools or colleges (situated in India) and affiliated to the Boards of Secondary Education or Universities of the foreign countries. Students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependants of NRI studying in India will not be included as International students. Entry level status of International students on entry to the country will be maintained.

Admission procedure for international students

1. **Documents required for admission of International Students** - For admission of international students at JH, the following documents are required:

i) VISA

All the International students will require a 'Student VISA' endorsed to this institution for joining full time courses. No other endorsement is acceptable. Students wishing to join a research program will require a 'Research VISA' endorsed to this institution. The visa should be valid for the prescribed duration of the course.

A visa is not required for NRI students. Students who are doing full time courses, in some other institutions, do not require a separate visa for joining 'Part Time courses' provided that their current visa is valid for the entire duration of the course.

i) No Objection Certificate

Students do not require a 'No Objection Certificate' for joining professional courses. All International Students wishing to undertake any research work or join a PhD or M Phil program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must be on the research VISA endorsed to this institution.

2. **Eligibility qualifications** - The qualifications required for eligibility for admission to different Courses can be checked in detail from the prospectus. Only those Students who have qualified from foreign universities or Boards of Higher Education recognized as equivalent by the '**Association of Indian Universities**' (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. In case the University /Board is not included in the list, the candidate has to obtain and submit a certificate to this effect from AIU (at the address given below) by paying the requisite fee. Submission of Equivalence Certificate from AIU is mandatory for such foreign nationals.

AIU HOUSE: 16, Comrade Indrajit Gupta Marg, New Delhi 110002, India.
 Phone nos.: (91) -11-23230059, (91)-11-23232429
 Fax: (91)-11-23232131
 E mail: aiu@del2.vsnl.net.in
 Website: <http://www.aiuweb.org>

3. **Admission of International students** - Admission of all the International students will be done through the 'International Students Cell (ISC)' of Jamia Hamdard. Students will generally be admitted in the beginning of the course. However, students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases.

The admission of International students is done in two stages:

First step:

A student wishing to join Jamia Hamdard gets the information on the courses available, the eligibility requirements and admission procedure from the prospectus or the website of Jamia Hamdard www.jamiahamdard.edu. Following this the candidate has to register for the course of study ONLINE (Also take out the print of online registered application form).

The ISC after getting the eligibility criteria checked and other relevant information provided will accordingly issue a Provisional Admission Offer Letter (on payment of non refundable advance amount of 20% of the total annual fee). This is required to get the VISA and to complete other formalities. At this stage, if required, Telecon Interview of the candidate may also be conducted.

After getting provisional admission, the candidate should get the 'Student VISA' and complete all other formalities.

Second step:

- Report to Foreign Students' Advisor Office on or before the date of admission, as mentioned in the Provisional Admission Offer Letter.
- Get the original eligibility certificates verified.
- Pay the remaining course fee.

Jamia Hamdard also requires the students to appear and qualify the **English Language Proficiency Test**. Once this is done, the final admission is confirmed.

The International students will have to pay the fees in US Dollars or equivalent in Indian rupees. Fee has to be deposited in the form of Crossed Demand Draft / Bank Pay Order, drawn in favor of Jamia Hamdard, payable at Delhi / New Delhi. The candidate can also pay the required amount of fee in the Account of Jamia Hamdard from any bank or Credit Card.

- 4. Remedial Course in English** - It has been observed, that most of the students particularly, who come from non English speaking countries/ geographical regions are not well versed with spoken/ written English up to the desired levels with which they can satisfactorily go along and pass their professional courses examinations. Due to this very fact, despite being talented, hardworking and committed to their studies, these students are not able to perform appreciably in their respective programs of study at Jamia Hamdard. To take care of this aspect, Jamia Hamdard conducts an 'English Language Foundation Course' of Three months (45 contact hours) / Six months (80 contact hours) duration.

To evaluate the level of understanding of English language, Jamia Hamdard will conduct an 'English Language Proficiency Test'. All the newly admitted International students / NRI students will be required to appear in this test.

It is mandatory for an International / NRI student, who either fails / secures less than the desired scores or fails to appear in this proficiency test, to join the English Language Foundation Course of either 03 months or 06 months duration (depending on the scores secured in the proficiency test).

In addition to the annual and other fees of the main program of study at Jamia Hamdard, students will also have to pay for this English Language Foundation Course as per the university prescribed fee structure.

It is desirable, that International students join this 'English Language Foundation Course', 03 months / 06 months before beginning of the academic session.

This course is also open for the International students, who are planning to take admission in any of the regular programs of study at Jamia Hamdard in the next academic session. Such students may be provided hostel accommodation, if required on normal payment of fee for boarding and lodging. Interested students may obtain the application form for 'English Language Foundation Course' from the office of the Foreign Students' Advisor or download this from www.jamiahamdard.edu and contact the Foreign Students' Advisor in this regard.

5. Transfers and change of course

An International student who has been granted admission to a particular course shall not be allowed to change the course. Transfer from one institution in India to another is also not allowed ordinarily. In exceptional cases, the 'International Student Cell' may permit this- based on the availability of the course, eligibility rules and permission of the Competent Authority of Jamia Hamdard.

6. Government of India Scholars

International students who are awarded scholarships by the ICCR, New Delhi shall be preferred while granting admission and for hostel accommodation. Sponsored candidates from different foreign governments for training and for studies are also preferred for the same.

Stepwise procedure for admission of International Students for full time courses in Jamia Hamdard:

Step 1:

- a) International students should apply on a separate form prescribed for Foreign nationals/NRI/Sponsored candidates.
- b) The Information Bulletin & Prospectus along with Online Application Form for Foreign Nationals/NRIs may be checked on the Jamia Hamdard website www.jamiahamdard.edu. The candidate preferably has to apply/register on the prescribed form ONLINE. **He/she may also apply Offline.** For this the candidate may contact Foreign Students Advisor office.
- c) The application form registration fee of **Rs.3,500/-** or equivalent in US \$ is required to be paid through a crossed Bank Demand Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card.

Step 2:

Get the 'Provisional Admission Offer Letter' from the Foreign Students' Advisor Office, in order to obtain the VISA (on payment of non refundable advance amount of 20% of the total annual fee).

Step 3:

Submit the 'Provisional Admission Offer Letter' to the Indian Embassy of the respective country for obtaining the 'Student VISA'.

Step 4:

Report at Jamia Hamdard for admission; Submit the below mentioned documents (in original along with the attested photo copies) and get them verified by the Foreign Students Advisor.

- a) Degree/ Pass Certificate of the qualifying examination
- b) Mark list of the qualifying examination
- c) 'Student VISA' in Original
- d) A photo copy of the Passport- duly attested by a Notary.

Note: The original certificates will be returned to the students immediately after making an endorsement to this effect.

Step 5:

Students are required to undergo the medical fitness examination (at Jamia Hamdard hospital) and get the medical fitness certificate. All international students will be required to pay medical fees of US \$ 50, which includes the medical insurance cover for the first year. For subsequent years medical insurance fees will be the same as for other Indian students and is included in other fees.

Step 6:

Appear for the 'English Language Proficiency Test' conducted by Jamia Hamdard. It is mandatory for an International / NRI student, who either fails / secures less than the desired scores or fails to appear in this proficiency test, to join the English Language Foundation Course of either 03 months or 06 months duration (depending on the scores secured in the proficiency test).

In addition to the annual and other fees of the main program of study at Jamia Hamdard, students will also have to pay for this English Language Foundation Course as per the university prescribed fee structure

Step 7:

Admission of International /NRI students will be confirmed after verification of original certificates, medical fitness test and payment of required fees.

Even after the admission, at any stage if it is noted that the qualifying Degree/ Certificate is not recognized by AIU, the admission of the candidate may be cancelled. Withdrawal of admissions/ refund of fees cases will be dealt as per the guidelines of Jamia Hamdard in this regard.

Step 8:

Within two weeks of arrival in India, students are required to register their names with the police in the 'Foreigner Regional Registration Office (FRRO)' of the Delhi Police. International students who are studying for full time courses in any other institution can be given admission to Part Time courses, only if they hold a valid visa for the duration of the Part Time course. A separate visa is not required. Such students will pay the fee as applicable. Jamia Hamdard in consultation with 'International Students Cell' may admit such cases directly, if they meet the prescribed eligibility qualifications.

7. Examination and award of Degree & Diploma

The procedure for examination, payment of examination fees, issue of mark sheet, issue of passing certificates and award of degrees will be same as for the Indian students doing the same courses.

8. Financial assistance for meritorious students

There is a provision of discount in fee for the meritorious foreign students the below mentioned criteria will be adopted:

- Fee concession will be applicable from the II year/III semester (after passing the 1st year/2nd semester) and onwards based on performance (results etc) in a particular program.
- 25% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions: 75% class attendance in the concerned academic year and 75% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year. The student must have passed all the subjects of the concerned academic year in first attempt.
- 15% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions: 75% class attendance in the concerned academic year and 65% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year. The student must have passed all the subjects of the concerned academic year in first attempt.

9. Withdrawal of admission

Following rules as notified by UGC will govern the refund of fee in case of withdrawal of admission.

- (i) Admission fee and Enrolment fee will not be refunded in seeking the withdrawal of admission.
- (ii) In case an admitted student does not join the university within 7 days of opening of the university, the university shall refund:
 - a. In case the student informs of his intention not to join the University at least 7 days before the start of the academic session, then 100% of the fees collected minus the processing charges of Rs.10,000 or the semester fee whichever is less. The same shall be refunded within 15 days of receipt of information from the student.
 - b) In case no such information is given by the student but the University is able to fill up the seat so vacated, then 100% of the fees collected minus the processing charges of Rs 10,000 or the semester fee whichever is less. The same shall be refunded within 15 days of request of refund from the student or the expiry of 30 days after opening of academic session, whichever is later.
 - c) In case no such information is given by the student and the University is not able to fill up the seat even by the end of 30 days after the opening of academic session, then 50% of the fees collected minus the processing charges of Rs 10000. The same shall be refunded within 15 days of request of refund from the student or the expiry of 30 days after opening of academic session, whichever is later.
- (iii) If a student joins the University, and then leaves it after 30 days of the opening of academic session then the entire fees collected shall be forfeited.

10. Attendance

It is mandatory to have 75% attendance in all subjects of the course and English Language Foundation course (if enrolled) in order to become eligible for appearing in the semester or final year examinations.

11. PhD program

International students fulfilling the minimum eligibility criteria for admission to PhD and preferably holding a fellowship submit their applications online or write to the School. They may also like to contact the prospective supervisor, or write to the Office of the Foreign Students Advisor.

Applicants are advised to refer to the PhD Bylaws 2016 before applying.

12. Discipline

The International students should abide by all the rules of Jamia Hamdard and the code of conduct as applicable to Indian students enrolled in the same courses

Contact address for foreign nationals

Office of the Foreign Students' Advisor

Prof. Asim Ali Khan

Foreign Students Advisor (FSA)

FSA Office, 'Students' Welfare Centre'

Jamia Hamdard, New Delhi-110062, India

Phone: (91)-11-26059688; Extension nos.: 5715 and 5450

(B) Sponsored category candidates

Procedure for applying

1. The Information Bulletin & Prospectus along with Online Application Form for Sponsored candidates may be checked on the Jamia Hamdard website www.jamiyahamdard.edu
2. Sponsored candidate should apply/register ONLINE on a separate form prescribed for Sponsored candidates. The sponsored candidates will have to submit a sponsorship letter at the time of admission.
3. The application form registration fee of Rs. 3,500/- or equivalent in US \$ is required to be paid through a crossed Bank Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card. This

- should be done well in time, so that the student is able to obtain the VISA and NOC before the due date of admission.
4. Rest of the admission formalities is same as for the other students.

Important note for International students and sponsored category candidates

All students desirous of admission at Jamia Hamdard are required to go through the General information and guidelines 2017-18

Please note that the above rules and guidelines will be strictly followed. In case, there are any differences on the interpretation of rules then the opinion of the 'International Students Cell' will be final. Students will have to pay the revised fee, when applicable. On the points not specifically covered, the decision of competent authorities of Jamia Hamdard will be final

If the seats reserved for NRI/Sponsored Candidates are not filled, vacant seats will be offered to general category candidates from the merit list

Additional 15% of total seats are reserved for Foreign Nationals wherever applicable as per MHRD/UGC norms.

Reservation policy of Jamia Hamdard

The following reservation policy of JH will be applicable to all admissions in academic year 2017-18, other than the admissions in MBBS:

1. 50 % of total seats in all programs will be reserved for Indian Muslims.
2. 50 % of total seats in all programs will be filled up by open merit.

Out of 1 and 2 above:

- (a) One seat in each program will be reserved for the children of Jamia Hamdard Employees,
- (b) 10% weightage in marks will be given to the following categories:
 - (i) Physically challenged, and also sports persons fulfilling the defined criteria,
 - (ii) Jamia Hamdard students, iii) Candidate from Hamdard Public School and Rabea Girls School, both funded by the HNF, for admission in undergraduate programs, and
 - (c) Few seats in each self-financing undergraduate program may be filled up by nomination of eligible candidates by the Management. The number of nominations would be kept to the barest minimum.
3. Weightage of 5% of marks obtained in the Entrance Test / Interview will be given to the SC/ST candidates.
4. Relaxation of 5% in the required percentage of marks for the eligibility will be given to SC/ST candidates provided a copy of certificate from the competent authority is enclosed with the application form.
5. That 4% weightage will be given to the students of DODL of Jamia Hamdard for admission to Jamia Hamdard courses.
6. 3% seats in all programmes will be reserved for Physically Challenged/ Physically Handicapped candidates.
7. In addition, as per the directives of the HRD Ministry, two seats will be made available under supernumerary quota in Jamia Hamdard for admitting students coming from the state of Jammu & Kashmir. The seats will be available in all subjects, except MBBS, BUMS and those like strictly controlled by the respective councils”.

Activities & Facilities for Students

Sports and cultural activities

Jamia Hamdard has Indoor and Outdoor sports facilities in the campus. For Indoor facilities, University has an indoor hall consisting well equipped physical fitness centre/gym, badminton, chess, carbon board and table tennis. For outdoor facilities, University has athletic track, basketball, cricket, football and hockey grounds, basketball, volleyball and lawn tennis courts. University also organizes Inter-faculty tournaments and cultural week every year. University teams participated in the All India Inter-University and North zone intervarsity tournaments in different games, and also participated in local tournaments.

NSS

National Service Scheme (NSS) is a program sponsored by the Ministry of Youth Affairs and Sports, Government of India. The NSS volunteers participate in various awareness program such as Pulse Polio Immunization camps, awareness about Hepatitis-B, DPT and BCG immunization, HIV/AIDS, STD, importance of cleanliness, illiteracy eradication program, plantation and related activities. NSS volunteers also participate in program sponsored by

Delhi AIDS Control Society. NSS volunteers organize blood donation camp every year. A 15-day Special camp is organized by NSS volunteers every year in slums of Delhi for community awareness. NSS Jamia Hamdard is a member of the Red Ribbon Club which is HIV/AIDS awareness scheme sponsored by Delhi Government. The number of NSS volunteers in JH is around two hundred.

NCC

NCC or National Cadet Corps unit of Jamia Hamdard is affiliated to 7 Delhi Battalion NCC, New Delhi. Students of various Faculties are enrolled as NCC cadets. NCC is a youth development movement. It has enormous potential for national building. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets in a wide range of activities, with a distinct emphasis on Social Services, Discipline and Adventure Training.

Besides routine drills, NCC cadets participate in National Integration Camps (NIC), combined annual training camp, Advance Leadership Camp (ALC) and several welfare programs such as the blood donation camp, health awareness camp and immunization programs and flag hoisting in University premises on the occasion of the Republic Day and Independence Day celebrations.

NCC has wide range of benefits for students enrolled under the program ranging from:

- Excellent career opportunities in defense services
- Reserved seats for C certificate holders in various Universities across India
- Cadets are entitled to various scholarship and activities undertaken by NCC Headquarters like
 - (a) Annual Sahara scholarship
 - (b) Cadets welfare society
 - (c) Youth exchange programs in countries like Sri Lanka, China, USA etc.

GUIDELINES FOR WITHDRAWAL OF ADMISSION AND REFUND OF FEE FOR ACADEMIC YEAR 2017-18

Following rules as notified by UGC will govern the refund of fee in case of withdrawal of admission.

1. Admission fee and Enrolment fee will not be refunded in seeking the withdrawal of admission.
2. In case an admitted student does not join the university within 7 days of opening of the university, the university shall refund:
 - a. In case the student informs of his intention not to join the University at least 7 days before the start of the academic session, then 100% of the fees collected minus the processing charges of Rs.10,000 or the semester fee whichever is less. The same shall be refunded within 15 days of receipt of information from the student.
 - b. In case no such information is given by the student but the University is able to fill up the seat so vacated, then 100% of the fees collected minus the processing charges of Rs 10,000 or the semester fee whichever is less. The same shall be refunded within 15 days of request of refund from the student or the expiry of 30 days after opening of academic session, whichever is later.
 - c. In case no such information is given by the student and the University is not able to fill up the seat even by the end of 30 days after the opening of academic session, then 50% of the fees collected minus the processing charges of Rs 10000. The same shall be refunded within 15 days of request of refund from the student or the expiry of 30 days after opening of academic session, whichever is later.
3. If a student joins the University, and then leaves it after 30 days of the opening of academic session then the entire fees collected shall be forfeited.

Important Dates

IMPORTANT DATES & SCHEDULE OF TESTS / INTERVIEWS, 2017-18

Important note:

- All Interviews / Tests will be conducted at Jamia Hamdard campus, New Delhi.
- Vice Chancellor, JH, in the best interest of the University, will be authorized to change/cancel the dates or amend the requirement of entrance test and/or interview, which will be notified through University website. University may decide to conduct entrance test at a center outside Delhi, in addition to entrance test at JH.
- The selection of candidates appearing for Test/Interview shall be based on the merit as determined by the performance of the candidate in test / interview / qualifying examination marks, whichever is applicable, or as amended by the competent authority in the best interest of the University. The weightage of marks for interview, wherever conducted, will not exceed 15% of total marks.
- In their own interest, applicants are advised to visit the University website/Online admission portal from time to time for update and keeping checking their SMS/e-mail, as provided in the application form.

Submission of online applications	20 Mar – 15 Jun 2017
Display of selection lists	On University website*
Commencement of Academic Session (for New Batch) and Closure of admissions	As per notification of the individual schools

***Selection lists** will be uploaded on University website. Selected candidates will also be informed on e-mail ID/SMS provided in the application form.

For MBA, admissions will be completed in cycles. First list of selected candidates will be displayed in first week of April 2017. For the second cycle, applicants will be informed by the office of Dean of the School about the date and venue of GD/PI in May 2017.
