

Jamia Hamdard

(Deemed to be University under Section 3 of UGC Act 1956)

Established 1989

Accredited by NAAC in Grade 'A'

Amongst top 25 Universities of India

Ranked 2nd in Pharmacy and 11th in Medical Education amongst the institutions in India, as per NIRF-2018 ranking

About Jamia Hamdard

'Committed to excellence in higher education'

Jamia Hamdard (JH) was declared as a deemed-to-be University by the Govt. of India in 1989 on the recommendation of University Grants Commission (UGC) under the UGC Act 1956 in recognition of the services provided by erstwhile educational institutes established by the Hamdard National Foundation (HNF). These institutes, built over a period of time, included the Hamdard College of Pharmacy, Hamdard Tibbi College, Rufaida College of Nursing, the Institute of History of Medicine & Medical Research, and Indian Institute of Islamic Studies.

Jamia Hamdard was inaugurated by the then Prime Minister of India, Shri Rajiv Gandhi on August 1, 1989, who in his inspiring inaugural address applauded the efforts of Hakeem Abdul Hameed sb, the Founder, for setting up a number of institutions of learning which were finally emerged in the form of a “Deemed to be University” namely Jamia Hamdard. In the words of Shri Rajiv Gandhi, “This will enable minority to go forward and help India to march forward”.

Spread over a sprawling green campus of about 100 acres, located on a prime piece of land in South Delhi, JH has nine Schools including a medical college, two hospitals – a 750 bedded modern medicine hospital and another 150 bedded Unani medicine hospital – on its campus. It has a huge library building, archive centre, separate hostels for girls and boys, gymnasium, a large playground, residential quarters for the staff, and also an off-campus in Kannur, Kerala.

The University has been maintaining a steady progress in all facets in its existence of almost 30 years and is both nationally and internationally recognized for the quality of teaching and research. The overall progress in this period has been excellent in terms of infrastructure and maintaining the standards which is evident from the placement records, high quality of research, publications and patents. Jamia Hamdard is among top 25 universities of India and ranked 2nd in the field of Pharmaceutical sciences and ranked 11th in Medical Education by the Govt. of India (NIRF-2018 ranking). JH is perhaps the only privately funded University to get funding under the DST's PURSE (Promotion for University Research in Science and Engineering) Grant. Jamia Hamdard was placed at 2nd rank in i10 values and 5th in i100 values as per SCOPUS dataset of all the Institutes that awarded the DST PURSE grant. The total number of publications of Jamia Hamdard is 4386 as of today. The h-index of Jamia Hamdard is 95 and i100 is 87. Almost 36% of all our publications have been cited at least 10 times according SCOPUS database. JH has a close relationship with DRDO and joint research between Jamia Hamdard and INMAS-DRDO has led to development of pharmaceutical products which are being used by defense forces.

The University is committed to excellence in tertiary education.

The Founder

The Founder-Chancellor of Jamia Hamdard, Hakeem Abdul Hameed, a renowned physician of the Unani system of medicine served the poorest of the poor and also had global dignitaries and personalities such as Prince Charles of England as his patient. Hakeem Saheb was a philanthropist who always had public service as his driving force. He set up a complex of educational institutions over a period of time which finally got amalgamated in Jamia Hamdard in 1989.

The first institute that was built on the piece of land in Tughlaqabad, which today houses the Faculty of Science, was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid on November 15, 1962 by the then Prime Minister of India, Pandit Jawaharlal Nehru; the building was inaugurated by Mrs. Indira Gandhi, the Prime Minister of India in 70s. The Great Hakeem also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hakeem Abdul Hameed was conferred the Padma Shri and Padma Bhushan by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. Hakeem Abdul Hameed was a true follower of Islam in letter and spirit and strongly believed in “And spend in the cause of Allah and do good, for He loves those who do good for others” – [Al Quran, 2:195](#).

(14th Sept. 1908 - July 22, 1999)

Chancellor

Dr. Habil Khorakiwala

The Chancellor of Jamia Hamdard, is a keen disciple of 'Change Management'. Dr. Habil Khorakiwala has single-mindedly steered Wockhardt in becoming the first true healthcare group from India. His visionary and astute leadership resulted in Wockhardt emerging as a leading pharmaceutical and biotech conglomerate, driven by research and strategic thinking on a global scale.

Dr. Habil Khorakiwala is the Founder Chairman & Group CEO of Wockhardt Limited, a company he founded in the early 1960s. He holds a Masters in Pharmaceutical Science from Purdue University, and has participated in an Advanced Management Programme at Harvard Business School, USA. He is also the recipient of an honorary doctorate from Purdue University, USA. He has been past President of FICCI (Federation of Indian Chambers of Commerce & Industry) and President of the Indian Pharmaceutical Alliance (IPA), the organisation of research-based pharmaceutical companies in India. Beside he has been the Member of the National Manufacturing Competitiveness Council set up by Dr. Manmohan Singh, Prime Minister of India. He was nominated by Government of India to the National Managing Committee, Indian Red Cross Society, nominated by the Prime Minister of India to the Advisory Board of CSIR [Council of Scientific and Industrial Research] in New Delhi, Member of Board of Trade instituted by the Government of India under the Ministry of Commerce & Industry and nominated by the Government of India as member of the Board of Directors of NIPER (National Institute of Pharmaceutical Education and Research).

Dr. Khorakiwala has received many prestigious awards such as Shiromani Vikas award for 'Outstanding and Inspiring Contribution towards National Development' at the hands of Mother Teresa in 1992; Institute of Marketing & Management (IMM) 'Top CEO' in 2002; International Medical Integration Council 'Life Time Achievement' in 2003; Giants award for 'Outstanding Contribution to Business and Industry' in 2003; Rotary Award for Vocational Excellence, 2003-04; Ernst & Young 'Entrepreneur of the Year' in the Healthcare and Life Sciences' category in 2004; Named 'India's Greatest Brand Builders' in a book authored by Dr. R L Bhatia of Centre for Change Management in 2005; Indian Express Group of Newspapers 'Lifetime Achievement Award' at the Pharma Excellence Awards 2006; UK Trade & Investment 'Entrepreneur of the Year' at the India Business Awards 2008; Purdue University conferred an 'Honorary Doctorate in Pharmacy' in 2010; Frost & Sullivan 'Lifetime Achievement Awards' India Healthcare Excellence Awards.

Vice Chancellor

Professor Dr. Seyed Ehtesham Hasnain

PhD, DSc (h.c.), DMedSc (h.c.), FNA, FTWAS, FAAM, ML

Prof. Seyed E. Hasnain, *Padma Shri*, took charge as Vice Chancellor, JH on 2 Sept 2016. Prof. Hasnain is a well known academician and a scientist, known for his excellent work on DNA fingerprinting and on tuberculosis. With about 275 publications in peer-reviewed journals of high impact and dozens of patents globally, Prof. Hasnain has not only established himself as a scientist, but also as an institution builder, policy maker, and an administrator. He taught at Delhi University, worked at the National Institute of Immunology, New Delhi and served as first Director of Centre for DNA Fingerprinting and Diagnostics (CDFD), Govt of India. He made CDFD a gold standard for DNA based crime investigations in the country. As the Vice-Chancellor of University of Hyderabad (2005-2011) he brought this University to the #1 position displacing JNU and Delhi University.

Prof. Hasnain has travelled widely and has given invited talks at top global Universities including Oxford, Cambridge (UK), Harvard, Yale, Stanford, Univ of California, Salk Inst (USA), Institute Pasteur (France), Max Planck Inst, Frei Univ, Koln Univ (Germany), NUS (Singapore), Univ of Canberra (Australia), China, Thailand, Brazil, Senegal, Iran, Saudi Arabia, Bangladesh, Canada, etc. Prof. Hasnain is currently an Invited Professor at IIT Delhi, where he teaches, has a laboratory and is supervising PhD students and Post Docs and is currently on deputation from IIT-Delhi.

Prof. Hasnain is recipient of many prestigious awards, such as Germany's Highest Civilian Award – The Order of Merit (Das Verdienstkreuz, 1.Klasse) from the President of Germany, equivalent of India's Bharat Ratna, the only Indian so far and one of the very few persons globally. He is a recipient of Humboldt Research Prize (Alexander-von-Humboldt Foundation, Germany); the very exclusive Robert Koch Fellowship (the ONLY Indian so far) of the Robert Koch Institute, Berlin; and the first Indian elected as a Member of the German National Academy of Sciences Leopoldina, and youngest to be elected as a Fellow of TWAS, Trieste. He is elected Fellow of the prestigious American Academy of Microbiology, USA, and has been conferred with the ICMR's BR Ambedkar Award, the highest award for excellence in biomedical research; besides many other prestigious Indian Awards which include G.D. Birla Award, Shanti Swarup Bhatnagar Prize, FICCI Award, J.C. Bose National Fellow Award, Ranbaxy Research Award, Goyal Award, Bhasin Award etc. He is an elected Fellow of all the major Science Academies of India (FNA, FASc, FNASc), and a recipient of honorary Degrees from Universities in India and abroad. He is the 3rd Indian (Dr APJ Abdul Kalam, 2009, Dr Amartya Sen, 2010) to receive an Honorary Doctorate (2011) from the Queen's University, UK.

Prof. Hasnain has served as a Member (2004-2009, 2009-2014) of Science Advisory Council to the Prime Minister (SAC-PM) and Member of Scientific Advisory Committee to the Union Cabinet. He was Chairman of Biotech Advisory Council, Government of Andhra Pradesh for several years and a Member of Biotech Advisory Council of many other State Governments, including Gujarat.

He has been the Chairman of the Academic Committee of PGIMER, Chandigarh, and a Member of the PGI Institute Body and Governing Council, as well as Member of the Research Advisory Committee of AIIMS, New Delhi. He has served as a Member of UGC, the Governing Councils of Indian Institute of Advanced Studies, Shimla; IISc, Bangalore; IIM, Khozicode; IISER-Bhopal and several other institutions; policy-making bodies of the Ministries of S&T, MHRD, Health and Defense, and is a member of the Board of Directors/Audit Committees/Remuneration Committees of a number of Companies.

Pro-Vice Chancellor

Professor Dr. Ahmed Kamal

Ph.D, FNASc, FAPSc, FRSC

Dr. Ahmed Kamal, joined Jamia Hamdard as the first Pro-Vice Chancellor on October 03, 2017. Dr. Kamal was born in Hyderabad, Telangana. He graduated from Osmania University, Hyderabad (India) and obtained his Master's degree in Organic Chemistry. He subsequently completed his Ph.D. in the area of Medicinal Chemistry from the Aligarh Muslim University. He started his career as a Scientist at the CSIR-Indian Institute of Chemical Technology (IICT), Hyderabad. He carried out his post-doctoral research work at the University of Portsmouth, England and was a visiting scientist at the University of Alberta, Edmonton, Canada. For the last 30 years, he has pursued his research career at IICT, worked in the capacity of Outstanding Scientist at IICT and twice was the Acting Director. He was also the Project Director of the National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad.

His research interests mainly focus on the design and synthesis of gene-targeting compounds as newer potential anti-cancer agents. He is also proficient in the development of new efficient synthetic methodologies including solid phase, resin bound reagents and chemo-enzymatic strategies that are useful in both basic and applied pharmaceutical chemistry.

He has won several honors and awards for his research like CSIR Young Scientist Award in Chemical Sciences (1991), Fellow of the National Academy of Sciences, India (1999), Best Patent Award from the Indian Drug Manufacturers Association (2005), Medal from the Chemical Research Society of India (2005), Ranbaxy Research Award in the field of Pharmaceutical Sciences (2005), UKIERI Standard Award for Biomedical Solutions between India and UK (2006), OPPI Scientist Award from the Organization of Pharmaceutical Producers of India (2009), Fellow of the A. P. Academy of Sciences (2010), Fellow of Royal Society of Chemistry (2011) and Most Outstanding Researcher in the field of Chemistry by Careers 360 (2018). He has over 480 publications, more than 9400 citations, 22 review papers and 9 book chapters in the areas of biotransformation and medicinal chemistry. He has filed over 368 patents and five of his US patents have been licensed to a pharmaceutical company for their clinical development and some compounds from these patents are undergoing pre-clinical studies. Over 80 students have completed their Ph.D. work under his guidance. He is an editorial advisory board member for several prestigious peer-reviewed international journals.

Jamia Hamdard Administration

Chancellor	Dr. H. Khorakiwala
Vice Chancellor	Prof. S. E. Hasnain
Pro-Vice Chancellor	Prof. Ahmed Kamal
Registrar	Mr. Syed Saud Akhtar
Finance Officer	Mr. Rakesh Kumar Verma
Controller of Examinations	Mr. Mirza Vazir Hussain
Dean, Hamdard Institute of Medical Sciences & Research	Prof. M.Y. Kharadi
Dean, School of Unani Medical Education and Research	Prof. M.Akhtar Siddiqui
Dean, School of Pharmaceutical Education and Research	Prof. Nadeem Siddiqui
Dean, School of Nursing Sciences and Allied Health	Prof. Ahmed Kamal
Principal, Rufaida College of Nursing,	Prof. M. Chhugani
Dean, School of Chemical & Life Sciences	Prof. M.P. Sharma
Dean, School of Interdisciplinary Sciences and Techology	Prof. Farhan Jalees Ahmad
Dean, School of Engineering Sciences & Technology	Prof. Ranjit Biswas
Dean, School of Humanities & Social Sciences	Prof. G.Y. Anjum
Dean, School of Management & Business Studies	Prof. Ahmed Kamal
Dean, School of Law, Hamdard Institute of Legal Studies and Research (HILSR)	Mr. S.M. Khan
Dean, Students' Welfare	Prof. M. Amir
Proctor	Prof. M.S. Alam
Provost (Girls)	Prof. Homay Vajifdar
Provost (Boys)	Prof. Kalim Javed
Director, IQAC / Advisor (Research)	Prof. S. Raisuddin
Director, Jamia Hamdard Residential Coaching Academy	Mr. S.M. Khan
Director-cum-Dean, School of Open & Distance Learning	Prof. S.H.Ansari
Librarian	Mr. M. Shoaib
Med. Supdt., Hakeem Abdul Hameed Centenary Hospital	Dr. Ajaz Mustafa
Med. Supdt., Majeedia Unani Hospital	Dr. S. M. Arif Zaidi
Public Information Officer	Mr. Vinod Kumar
Public Relations Officer	Mr. Samad R. Khan

PROGRAMMES OF STUDY

1. HIMSR (Hamdard Institute of Medical Sciences & Research)

Undergraduate

- Bachelor of Medicine & Bachelor of Surgery (MBBS)

Postgraduate

- MSc Medical Microbiology
- MSc Medical Physiology
- MSc Medical Biochemistry
- MSc Medical Anatomy
- MSc Medical Pharmacology
- MS Anatomy
- MD Pathology
- MD Community Medicine

Doctoral

- Ph.D. Medical Biochemistry
- Ph.D. Medical Microbiology
- Ph.D. Medical Physiology
- Ph.D. Medicine
- Ph.D. Pathology
- Ph.D. Pharmacology

2. School of Unani Medical Education and Research

Undergraduate

- *Kamil-e-Tib-o-Jarahat* (BUMS)
- *Pre-Tib*

Postgraduate

- *Mahir-e-Tib* (MD Unani) – *Ilmul Advia, Moalajat, Tahaffuzi-wa-Samaji Tib*

Certificate

- Certificate Course of *Unani* Dispenser

3. School of Pharmaceutical Education & Research

Undergraduate

- B. Pharm
- Limited seats are also available for direct entry to 3rd^d semester under Lateral entry*

Diploma

- D. Pharm

Postgraduate

- M. Pharm. Pharmaceutical Chemistry

- M. Pharm. Pharmaceutics
- M. Pharm. Pharmacognosy
- M. Pharm. Pharmacology
- M. Pharm. Pharmacy Practice
- M. Pharm. Pharmaceutical Quality Assurance
- M. Pharm. Pharmaceutical Biotechnology
- M. Pharm. Pharmaceutical Analysis

Doctoral

- Ph.D. Pharmaceutics
- Ph.D. Pharmaceutics with specialization in Quality Assurance
- Ph.D. Pharmacognosy and Phytochemistry
- Ph.D. Pharmacognosy & Phytochemistry with specialization in Pharmaceutical Biotechnology
- Ph.D. Pharmaceutical Chemistry
- Ph.D. Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- Ph.D. Pharmacology
- Ph.D. Pharmacology with specialization in Pharmacy Practice
- Ph.D. Pharmaceutical Medicine

4. School of Nursing Sciences and Allied Health

Undergraduate

- BSc (Hons) Nursing
- Post Basic BSc Nursing
- Bachelor of Physiotherapy (BPT)
- Bachelor of Occupational Therapy (BOT)
- BSc. (Medical Laboratory Techniques) - BMLT*
- Bachelor of Optometry - BOPT*
- BSc. (Cardiology Laboratory Techniques) - BCLT
- BSc. (Dialysis Techniques) - BDT*
- BSc. (Emergency & Trauma Care Techniques) - ETCT
- BSc. (Medical Imaging Technology) - BMIT*
- BSc. (Anaesthesia & Operation Theatre Techniques) - BOTT*
- BSc. (Medical Record & Health Information Management) - BMR&HIM*

**Limited seats are also available for direct entry to 3rd^d semester under Lateral entry*

Diploma

- Diploma (General Nursing and Midwifery) - DGNM
- Diploma (X ray & ECG Techniques) - DXE
- Diploma (Operation Theatre Techniques) - DOTT
- Diploma (Dialysis Techniques)- DDT
- Diploma (Medical Record & Health Information Management) - DMR&HIM

Postgraduate

- MSc (Medical Surgical Nursing)
- MSc (Obstetric & Gynaecology Nursing)
- MSc (Mental Health Nursing) - Psychiatry
- MSc (Community Health Nursing)
- MSc (Child Health Nursing) - Paediatric
- Master of Occupational Therapy (MOT) - Musculoskeletal
- Master of Occupational Therapy (MOT) - Pediatrics
- Master of Physiotherapy (MPT) - Cardiopulmonary
- Master of Physiotherapy (MPT) - Neurology

- Master of Physiotherapy (MPT) - Musculoskeletal
- Master of Physiotherapy (MPT) - Sports
- MSc (Medical (Lab Sciences))
- MSc (Medical Radiology and Imaging Technology)
- Master of Optometry

Doctoral

- Ph.D. Nursing
- Ph.D. Rehabilitation Sciences

5. School of Chemical & Life Sciences

Under graduate

- B.Sc. – M.Sc. Integrated Programme

Postgraduate

- M.Sc. Biochemistry
- M.Sc. Biotechnology
- M.Sc. Botany
- M.Sc. Chemistry
- M.Sc. Clinical Research
- M.Sc. Toxicology

Doctoral

- Ph.D. Biochemistry
- Ph.D. Biotechnology
- Ph.D. Botany
- Ph.D. Chemistry
- Ph.D. Clinical and Translational Sciences
- Ph.D. Toxicology

6. School of Interdisciplinary Sciences & Technology

Undergraduate

- B. Tech. Food Technology

Postgraduate

- M. Tech. Food Technology
- Post Graduate Diploma in Food Analysis and Regulation (PGDFAR)

Doctoral

- Ph.D. Bioinformatics
- Ph.D. Chemoinformatics
- Ph.D. Food and Fermentation Technology
- Ph.D. Interdisciplinary Science
- Ph.D. Molecular Medicine

7. School of Engineering Sciences & Technology

Undergraduate

- B. Tech. (Computer Science & Engineering)
- B. Tech. (Electronics and Communication Engineering)
- Bachelor of Computer Application (BCA)/B.Sc. (IT)

Postgraduate

- M.Tech (Computer Science & Engineering)
- M. Tech. (Information Security & Cyber Forensics)
- M.Tech. Part-Time (Computer Science & Engineering)
- Master of Computer Application (MCA)
- M.Tech. (Bioinformatics)
- M.Tech. (Big Data Analytics)
- Integrated 6-Years Master of Computer Application (MCA)
- Integrated 5-Years Master of Science (Computer Science) M.Sc. (CS)

Doctoral

- Ph.D. (Computer Science & Engineering)
- Ph.D. (Computer Science)

8. School of Humanities & Social Sciences

Undergraduate

- BA (Hons) Islamic Studies

Postgraduate

- MA (Islamic Studies)
- MA (Human Rights)

Diploma and Certificate

- Part time Diploma Course in Persian Language
- Part time Certificate Course in Persian Language

Doctoral/M. Phil.

- PhD (Islamic Studies)
- PhD (Federal Studies)
- M Phil (Federal Studies)

9. School of Management & Business Studies

Undergraduate

- BBA

Postgraduate

- MBA General
- MBA Health / Hospital Management
- MBA Pharmaceutical Management
- MBA Insurance

Doctoral

- Ph.D. (Management)
- Ph.D. (Pharmaceutical Management)
- Ph.D. (Health Management)

10. School of Law, Hamdard Institute of Legal Studies and Research**Undergraduate**

- Bachelor of Arts and Bachelor of Law (BA-LLB) 5 Years Integrated Course

11. School of Open & Distance Learning**Undergraduate**

- Bachelor of Business Administration (BBA)
- Bachelor of Computer Application (BCA)

Post Graduate

- Post Graduate Diploma in Bioinformatics (PGDB)
- Post Graduate Diploma in Chemoinformatics (PGDC)
- Post Graduate Diploma in Dietetics & Therapeutics Nutrition (PGDDTN)
- Post Graduate Diploma in Pharmaceutical Regulatory Affairs (PGDPRA)
- P.G. Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA)
- P.G. Diploma in Intellectual Property Right (PGDIPR)
- P.G. Diploma in Human Rights (PGDHR)
- PG Diploma in Medical Record Techniques (PGDMRT)

12. Jamia Hamdard Kannur Campus**Undergraduate**

- Bachelor of Business Administration (BBA)
- Bachelor of Computer Application (BCA)
- Bachelor of Commerce (B.Com.)
- Bachelor of Arts in English (BA English)

ACADEMIC STAFF

Hamdard Institute of Medical Sciences & Research, HIMSR

Dean/Principal: Prof. M.Y. Kharadi

Department of Anatomy

Dr. Shayama Kumari Razdan, MBBS, MS; Professor and Head
Dr. Raj D. Mehra, M. Sc., Ph.D.; Professor
Dr. Shalini Kumar, MBBS, MS; Assistant Professor
Dr. Arpita Mahajan, MBBS, MD; Assistant Professor
Dr. Ashar Imam, MBBS; Demonstrator
Dr. Premendra Mohan Sharma, MBBS, PGDCR, PGDUSG; Demonstrator

Department of Physiology

Dr. M. Shobitha, MBBS, MD; Professor and Head
Dr. Md. Iqbal Alam, M.Sc., Ph.D; Professor
Dr. Salamah Parveen Imteyaz, MBBS, MD; Demonstrator
Dr. Fauzia Iftikhar, MBBS; Demonstrator
Dr. Manju Sharma, MBBS; Demonstrator
Dr. Sangeeta Kohli, MBBS; Demonstrator

Department of Biochemistry

Dr. Sarita Agarwal, MBBS, MD; Professor and Head
Dr. S. K. Jain, M.Sc., Ph.D.; Professor
Dr. Shweta Singh, MBBS, MD; Associate Professor
Dr. Sana Alam, MBBS, MD; Assistant Professor
Dr. Seema Kumari, MBBS, MD; Demonstrator
Ms. Bhumika Upadhyaya, M.Sc.; Demonstrator
Mr. Kailash Chandra, M. Sc.; Demonstrator

Department of Pharmacology

Dr. Anurabha Ray, MBBS, MD; Professor and Head
Dr. Nilanjan Saha; MBBS, MD; Professor
Dr. Razi Ahmad; MBBS, DCII, MD; Associate Professor
Dr. Shoma Mukharjee, MBBS, MD; Assistant Professor
Dr. Sana Rehman, MBBS, MD; Demonstrator
Dr. Nusrat Nabi, MBBS, MD; Demonstrator
Dr. Zenis Baluja, MBBS; Demonstrator

Department of Pathology

Dr. Sujata Jetley, MBBS, MD; Professor and Head
Dr. Zeeba Shamim Jairajpuri, MBBS, MD; Associate Professor
Dr. Sabina Khan, MBBS, MD; Associate Professor
Dr. Mohd Jaseem Hassan, MBBS, MD; Associate Professor
Dr. Safia Rana, MBBS, DCP, D.N.B.; Assistant Professor
Dr. Shaan Khetrapal, MBBS, MD; Assistant Professor
Dr. Nehal Ahmad, MBBS, MD; Assistant Professor
Dr. Rubeena Naz Mohroo, MBBS, MD; Demonstrator
Dr. Devyani Pendharkar, MBBS, DNB; Demonstrator
Dr. Monal Trisal, MBBS, MD; Demonstrator
Dr. Shivani Panhotra, MBBS, MD; Demonstrator
Dr. Akanksha Bajaj, MBBS, MD, Demonstrator

Department of Microbiology

Dr. Mridu Dudeja, MBBS, MD; Professor and Head
Dr. Rachna Tiwari, MBBS, MD; Associate Professor

Dr. Mehvash Haider, MBBS, MD Assistant Professor
Dr. Azra Shauqia Hasan, MBBS, MD; Assistant Professor
Dr. Neetu Shree, MBBS, MD; Assistant Professor
Dr. Saba Alam, MBBS; Demonstrator
Ms. Shyamasree Nandy Das, M.Sc.; Demonstrator
Mr. Ayan Kumar Das, M.Sc.; Demonstrator

Department of Forensic Medicine

Dr. Amit Sharma, MBBS, MD; Associate Professor and Head
Dr. Shahina, MBBS, MD; Demonstrator
Dr. Showket Rashid, MBBS, MD; Demonstrator

Department of Community Medicine

Dr. Rambha Pathak, MBBS, MD, DNB; Professor and Head
Dr. Sushovan Roy, MBBS, MD; Associate Professor
Dr. Farzana Islam, MBBS, MD; Associate Professor
Dr. Nazish Rashid, MBBS, MD; Assistant Professor
Dr. Mamta, MBBS, MD; Assistant Professor
Dr. Zakirhusain A. Shaikh, MBBS, MD, DHRM; Assistant Professor
Dr. Faheem Ahmed, MBBS, MD, MBA; Assistant Professor
Dr. Rashmi Agarwalla, MBBS, MD; Assistant Professor
Dr. Varun Kumar Kashyap, M.Sc., Ph.D, Assistant Professor
Dr. Sanjay Gupta, MBBS; Demonstrator
Dr. Meely Panda MBBS, MD; Demonstrator
Dr. Uroosa Jabeen, MBBS, DGO; Lady Medical Officer
Dr. Yasmeen Abdullah, MD Physician; Lady Medical Officer

Department of Medicine

Dr. Prem Kapur, MBBS, MD; Professor and Head
Dr. Sunil Kohli, MBBS, MD; Professor
Dr. Smita Manjavkar, MBBS, MD; Professor
Dr. Vindu Amitabh, MBBS, MD, DTCD; Professor
Dr. Mohd Anwar Habib, MBBS, MD; Associate Professor
Dr. Vineet Jain, MBBS, MD; Associate Professor
Dr. Jyotsana, MBBS, MD; Assistant Professor
Dr. Khan Afreen Mushtaq Ahmed, MBBS, MD; Assistant Professor

Department of TB & Chest

Dr. Veena Gupta, MBBS, MD, Professor and Head
Dr. Sumeera Banday, MBBS, MD; Assistant Professor

Department of Dermatology

Dr. Md. Raihan, MBBS, MD; Associate Professor and Head
Dr. Mukesh Manjhi, MBBS, MD; Assistant Professor
Dr. Shafia Nisar Kakroo, MBBS, MD, Lecturer

Department of Psychiatry

Dr. R.C. Jiloha, MBBS, MD; Professor and Head
Dr. Deepika Makkar, MBBS, MD; Assistant Professor

Department of Pediatrics

Dr. Chandra Mohan Kumar, MBBS, MD; Professor and Head
Dr. Jagannath Mohapatra, MBBS, MD; Associate Professor
Dr. Aparna Chakravarty, MBBS, MD; Assistant Professor
Dr. Nidhi Bedi, MBBS, MD; Assistant Professor

Department of Surgery

Dr. Musharraf Hussain, MBBS, MS, DNB, MRCS; Professor and Head
Dr. Pavitra Kumar Ganguly, MBBS, MS; Professor
Dr. Tapan Sinha, MBBS, MS, M.Ch. (Urology); Professor
Dr. Ajay Kumar Thakral, MBBS, MS; Associate Professor
Dr. Mohammad Mohsin, MBBS, MS; Assistant Professor
Dr. Mohammad Saquib, MBBS, MD, M.Ch. (Plastic Surgery); Assistant Professor
Dr. Divya Prasad, MBBS, MS; Assistant Professor
Dr. Mir Mujtaba Ahmad, MBBS, MS; Assistant Professor

Department of Orthopedics

Dr. Shishir Rastogi, MBBS, MS, DNB; Professor and Head
Dr. Sandeep Kumar, MBBS, MS; Professor
Dr. Javed Jameel, MBBS, MS; Associate Professor
Dr. Mohd. Ammar Aslam, MBBS, MS; Assistant Professor

Department of Ophthalmology

Dr. Vishnu Swarup Gupta, MBBS, MS, Professor and Head
Dr. Hina Kausar, MBBS, MS; Associate Professor
Dr. Taskin Khan, MBBS, MS; Assistant Professor

Department of ENT

Dr. Khaja Naseeruddin, MBBS, MS, DLO; Professor and Head
Dr. Seema Monga, MBBS, MS; Associate Professor
Dr. Arun Parkash Sharma, MBBS, MS; Assistant Professor
Dr. Junaid Nasim Malik, MBBS, DNB; Assistant Professor

Department of Obst & Gynae

Dr. Reva Tripathi, MBBS, MS; Professor and Head
Dr. Aruna Nigam, MBBS, MS; Professor
Dr. Neha Gupta, MBBS, MS; Associate Professor
Dr. Arifa Anwar Elahi, MBBS, DNB; Associate Professor
Dr. Sumedha Sharma, MBBS, MS; Assistant Professor
Dr. Neha Varun, MBBS, MS; Assistant Professor
Dr. Nidhi Gupta, MBBS, MS; Assistant Professor
Dr. Arpita De, MBBS, MS; Assistant Professor

Department of Anaesthesia

Dr. Kharat Mohd. Batt, MBBS, MD; Professor and Head
Dr. Raktima Anand, MBBS, MD, Professor
Dr. Ajai Kumar Jain, MBBS, MD; Professor
Dr. Archana Rani, MBBS, DNB; Assistant Professor
Dr. Pratibha Panjiar, MBBS, MD; Assistant Professor
Dr. Jahanara Banday, MBBS, MD; Assistant Professor
Dr. Samiksha Khanoja, MBBS, MD; Assistant Professor
Dr. Irshad Yousuf, MBBS, DNB; Assistant Professor

Department of Radio-diagnosis

Dr. S S Anand, MBBS, MD, DRM; Professor and Head
Dr. Abhinav Jain, MBBS, DNB; Associate Professor
Dr. Priyanka Mattoo, MBBS, MD, Assistant Professor

Department of Dentistry

Dr. Ashok Kumar Kapoor, BDS, MDS; Professor and Head
Dr. Nilima Sharma, BDS, MDS; Associate Professor
Dr. Akbar Naqvi, BDS, MDS; Assistant Professor

School of Unani Medical Education and Research

Dean: Prof. Mohammad Akhtar Siddiqui

Department of *Kulliyat*

Dr. Abdul Bari, B.U.M.S., M.A., Assistant Professor
Dr. Ayesha Nadeem, Ph.D., Pre-Tibb Teacher

Department of *Tashreeh ul Badan*

Dr. Syed Mahtab Ali, B.I.M.S., Professor & Head
Dr. Khursheed A. Ansari, B.U.M.S., M.D., Assistant Professor

Department of *Munafeul Aza*

Hamdard Institute of Medical Sciences & Research and Associated HAH Centenary Hospital

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is one of the finest self-financing unaided Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard. It was established in 2012 as an ambitious project of Jamia Hamdard aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objects to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all its branches so as to demonstrate a high standard of Medical Education in India; to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity; and to attain self-sufficiency in Post-graduate Medical Education

The institute is supported by 575 bedded Hakeem Abdul Hameed Centenary (HAHC) Hospital. This is in conformity to Medical Council of India guidelines.

Hamdard Institute of Medical Sciences & Research is the great leap forward in line with the vision of the founders of Jamia Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute for suffering humanity. It shall establish the philosophy of Hamdard "Compassion, Concern, Care and sharing in pain."

The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing high level of medical care to the patients. Just to give a glimpse of the services rendered by the hospital to the needy patients, nearly 521,000 patients were provided consultation and treatment in the outpatient departments during the year. Out of these 72,000 patients were admitted as indoor patients.

The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting

research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.

Program of study: Bachelor of Medicine and Surgery (MBBS)

Study period: Each student shall undergo a period of study extending over 4 ½ academic years divided into 9 semesters (of 6 months each) from the date of commencement of study for the subjects comprising the medical curriculum to the date of completion of examination and followed by **one year compulsory** rotating Internship.

Number of seats: 100

Allocation of Seats in different categories:

(A)	General category (Unreserved) seats	42
(B)	Reserved category seats (For Muslims)	43
(C)	NRI Seats	15

3% of the total annual intake of seats is reserved for candidates with Locomotor disability of lower limb between 50%-70%, as per MCI norms, except management seats. Provided that in case any seat in this 3% quota remains unfilled on account of unavailability of candidates with locomotor disability of lower limbs between 50%-70% then any such unfilled seat in this 3% quota shall be filled up by persons with locomotor disability of lower limbs between 40%-50% before they are included in the annual sanctioned seats for General Category.”

1. Eligibility conditions:

1.1 Age limit:

a) He/she has completed age of 17 years at the time of admission or will complete the age on or before 31st December of the year of his/her admission to the 1st year MBBS Course.

b) There is no upper age limit for NEET 2018 as per Supreme Court’s directive on 31.03.2017. In the case of issuance of any new guideline by CBSE-NEET in the concerned matter, the same will be followed by HIMSAR, Jamia Hamdard for admission to MBBS.

1.2 Qualifying examination: Candidates shall be admitted to first year of MBBS course only if s/he has passed qualifying examination as under,

1.2.1 The Higher Secondary Examination or the Indian School Certificate Examination which is equivalent to 10+2 Higher Secondary Examination after a period of 12 years study, the last two years of study comprising of Physics, Chemistry, Biology and Mathematics or any other elective subject with English at a level not less than core course of English as prescribed by the National Council of Educational Research and Training after the introduction of the 10+2+3 years educational structure as recommended by the National Committee on education.

Or

1.2.2 The intermediate examination in science of an Indian University/Board or other recognized examining body with Physics, Chemistry and Biology which shall include a practical test in these subjects and also English as a compulsory subject.

Or

1.2.3 The pre-professional/pre-medical examination with Physics, Chemistry and Biology, after passing either the higher secondary school examination, or the pre-university or an equivalent Examination. The pre-professional/pre-medical examination shall include a practical test in Physics, Chemistry and Biology and also English as a compulsory subject.

Or

1.2.4 The first year of the three years degree course of a recognized university, with Physics, Chemistry and Biology including a practical test in three subjects provided the examination is a "University Examination" and candidate has passed 10+2 with English at a level not less than a core course.

Or

1.2.5 B.Sc. examination of an Indian University, provided that he/she has passed the B.Sc. examination with not less than two of the following subjects Physics, Chemistry, Biology (Botany, Zoology) and further that he/she has passed the earlier qualifying examination with the following subjects – Physics, Chemistry, Biology and English.

Or

1.2.6 Any other examination which, in scope and standard is found to be equivalent to the intermediate science examination of an Indian University/Board, taking Physics, Chemistry and Biology including practical test in each of these subjects and English.

Note: Marks obtained in Mathematics are not to be considered for admission to MBBS.

1.3 (a) Candidates must have passed the subjects of Physics, Chemistry, Biology and English individually and must have obtained a minimum of 50% marks taken together in Physics, Chemistry and Biology at the qualifying examination as mentioned in the clause 1.2.

(b) In respect of candidates with locomotory disability of lower limbs the minimum marks in qualifying examination in Physics, Chemistry and Biology taken together in qualifying examination shall be 45% instead of 50% as above.

2 Procedure for selection:

The selection for admission to the MBBS program in HIMSR shall be based strictly on basis of All India overall rank obtained in the National Eligibility Entrance Test (NEET) 2018 conducted by the Central Board of Secondary Education.

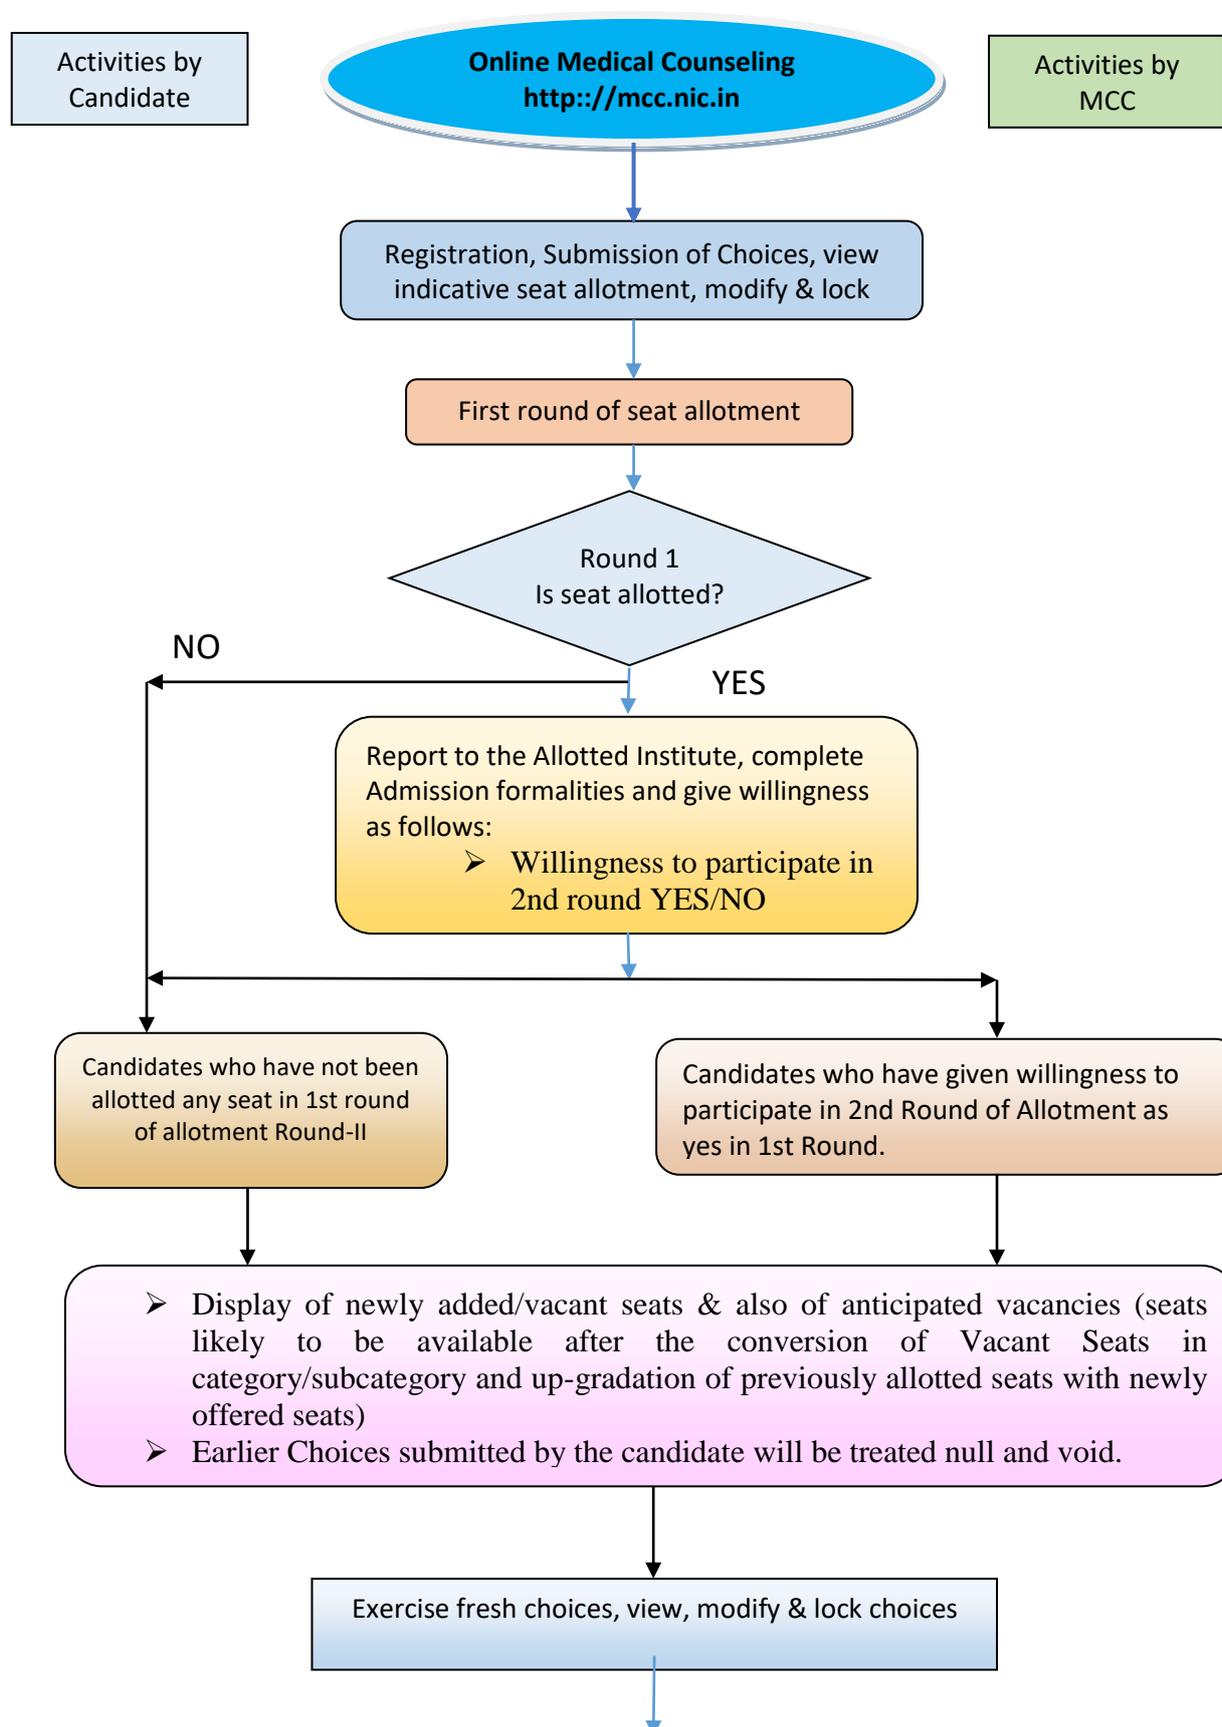

Counselling for MBBS Admission

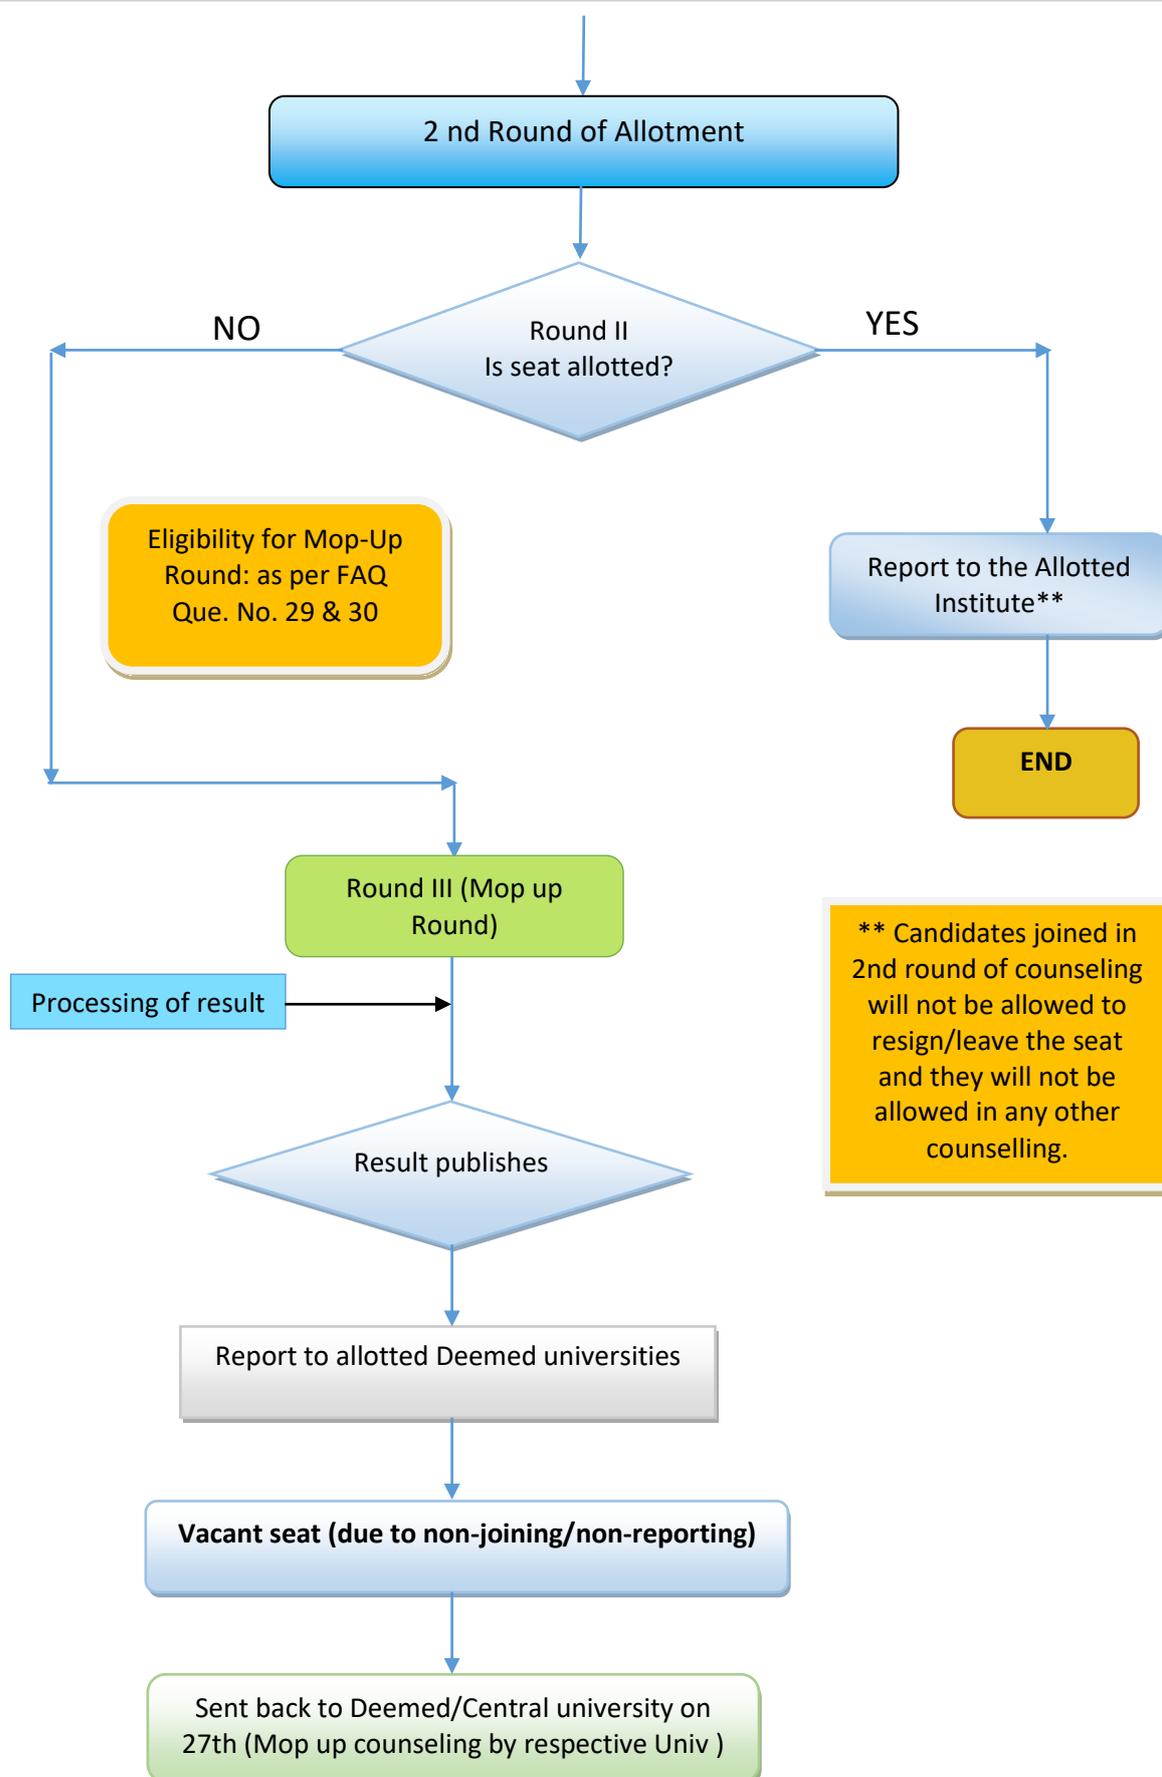

In compliance of Hon'ble Supreme Court's directions in WP 267 of 2017 DAR-USSLAM EDUCATIONAL TRUST AND ORS Petitioner(s) VERSUS MEDICAL COUNCIL OF INDIA AND ORS. The Court has directed that Common Counselling for admission to Deemed Universities shall be conducted by the DGHS as they have an All India character. The Deemed Universities mentioned above shall also include Deemed Universities run by religious and linguistic minorities.

The students who take admission and secure admission in Deemed Universities pursuant to the second round of counselling conducted by the DGHS shall not be eligible to participate in any other counselling.

Scheme of online Counselling Deemed/ Central University-2017 in terms of direction of Hon'ble Supreme Court in WP(c) (267)-2017 dated 09/05/2017

A. Process of Counseling (Flow Chart)

*Facility for Registration will be available before Round-1 and beginning of round 2 only, on dates as specified in Counseling Schedule.

**Joining at allotted Institution is necessary, if candidate allotted seat fails to join the allotted college/seat within stipulated time, before last date of joining (as per counseling schedule), the allotted seat will be cancelled and candidate shall not be eligible to take part in further Rounds of the online Counseling.

Please also see Counseling Schedule, Notice and News/Events section to note change in scheme, from time to time regularly.

Training Period and Time Distribution

1. As already stated, every student shall undergo a period of study extending over 4 ½ academic years divided into 9 semesters of 6 months each from the date of commencement of his/her study for the subjects comprising the medical curriculum to the date of completion of examination and followed by one year compulsory rotating internship. The period of four and half years is divided into three phases as follows:-

(a) Phase-I (2 semesters) – consisting of Pre-clinical subjects (Human Anatomy, Physiology including Bio-Physics, Biochemistry and introduction to Community Medicine including Humanities). Besides 60 hours for introduction to Community Medicine including Humanities, rest of the time shall be somewhat equally divided between Anatomy and Physiology plus Biochemistry combined (Physiology 2/3 and Biochemistry 1/3)

(b) Phase-II (3 semesters) – consisting of para-clinical/clinical subjects.

During this phase teaching of para-clinical and clinical subjects shall be done concurrently.

The para-clinical subjects shall consist of Pathology, Pharmacology, Microbiology, Forensic Medicine including Toxicology and part of Community Medicine.

The clinical subjects shall consist of all those subjects detailed under Phase III.

Out of the time for para-clinical teaching approximately equal time be allotted to Pathology, Pharmacology, Microbiology and Forensic Medicine and Community Medicine combined (1/3 Forensic Medicine and 2/3 Community Medicine).

(c) Phase-III (continuation of study of clinical subjects for 7 semesters after passing Phase-I)

The clinical subjects to be taught during Phase II and III are Medicine and its allied specialties, Surgery and its allied specialties, Obstetrics and Gynaecology and Community Medicine.

2. Admission process will be initiated in such a way that teaching in first semester starts by 1st of August each year.

GENERAL INFORMATION, INSTRUCTIONS AND GUIDELINES FOR ADMISSIONS RELATED TO MBBS

1. The candidate once admitted shall be governed by the rules of HIMSR and Jamia Hamdard, and by-laws of MCI, and HIMSR.
2. Ragging is strictly prohibited. Offenders will be dealt in accordance with the prescribed laws.

A. As per direction of the Hon'ble Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus and all the authorities of Jamia Hamdard and HIMSR are determined not to allow any form of ragging. Whosoever directly or indirectly commits, participates in, abets or instigates ragging within or outside any of the campus of Jamia Hamdard shall have an FIR lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined which may extend to Rs. 10,000/- In case the applicant of admission is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, the punishment may include suspension from attending the classes, withholding/ withdrawing fellowship/ scholarship and other financial benefits or withholding the result or admission can be refused or he/she shall be expelled from the University/HIMSR.

B. The candidates as well as their parents, at the time of admission of the students to the institute, will be required to furnish an undertaking in the form of an affidavit that the candidates will not indulge in any form of ragging.

3. Entire Jamia Hamdard is NO TOBACCO CAMPUS. Smoking, and also consumption of alcohol, is strictly prohibited.
4. Admission completed in a particular category will not be transferred to any other category.
5. In case of any clarification, explanation the MCI Rule shall prevail.
6. All the matters of dispute shall be subject to Delhi jurisdiction only.

PARENTS/ GUARDIANS MAY PLEASE NOTE:

1. Once your ward is admitted in HIMSR, please discuss with him/her the rules and byelaws governing MBBS programme.
2. To appear in the sessional/annual/semester examination 75% attendance in all the course subjects is compulsory. Please impress upon your ward to communicate his/her attendance to you at the end of each term.
3. At the end of every academic session, please check the mark sheet of your ward and acquaint yourself with his/her performance.
4. Parents are advised to visit HIMSR and Jamia Hamdard websites <http://www.himsr.org> / <http://www.jamiahamdard.edu> regularly for important notices etc.

ANNUAL FEE FOR MBBS- 2018-19

Particulars	Fee
Admission Fee (one time)	Rs.25000
Enrolment Fee (One Time)	Rs.15000
Library Deposit (Refundable)	Rs.20000
Alumni Fund (one time) for The Alumni Association of Jamia Hamdard (TAAJH)	Rs.2000

Tuition fee:

Course/Program	Category	Fee Structure
MBBS	General (Open Merit) seats	Rs. 10.00 Lakhs
	Minority Seats	Rs. 10.00 Lakhs
	NRI Seats	30,000 UD \$

RULES FOR FEES :

- In addition to the above fee the candidate will have to pay the examination fee @ Rs 10,000 per MBBS Professional examination
- The fee for supplementary examinations will be charged separately @RS 2500 per paper.
- The fee for retotalling of the answer scripts in the university examination will be Rs 2500 per paper.
- The Annual course fee for Second year MBBS and onwards are required to be deposited by the 31st day of July of every years of the academic session, and in case of failure to deposit the course fee in time as prescribed, the student shall be liable to pay fine of Rs 200/-per day upto 30 days and 1% per month or part thereof for another month and thereafter administration may take other necessary action
- Full annual fee will be charged for MBBS Course for the final year which is taught for six months in the last year of the course
- All the fees will be paid through Bank Demand Draft in favor of “Hamdard Institute of Medical Sciences & Research” payable at New Delhi
- No fee concession is available for the students of MBBS Course, however the HIMSR offers few Scholarships to eligible students and students can apply and avail the same as per the norms.

ANNUAL HOSTEL FEE FOR MBBS STUDENTS

University has following two hostels for boys and girls for MBBS students:

- Ibn-e-Batuta Boys Hostel
- A.M. Hall of Residence (Girls Hostel)

Both hostels have furnished double seated rooms, gymnasium and indoor games facilities, as well as the Reading and Recreation rooms.

It will be incumbent upon the student admitted to the hostel to join the mess and pay mess charges for six months in advance at the rates prescribed from time to time. Mess charges may be revised at any time due to escalation in the prices of food items. The Hostel mess will be managed on cooperative basis under the supervision of hostel authorities, on no profit-no loss basis. The University will provide infrastructural facilities and the manpower required to operate the mess. Availing of the Mess facility will be compulsory for all students admitted to Hostel. **The students admitted to the hostel are entitled to stay in the hostel during the academic session only and are required to vacate the rooms during the summer vacations.**

Washing clothes inside the hostel premises is not allowed. University has made arrangement of mechanical laundry for washing limited clothes per month for hostel inmates at a nominal rate. The Hostel inmates will be required to comply with the rules and regulations as per **Hostel Bylaws.**

The Annual Hostel Fee for MBBS students for A.M. Hall of Residency (Girls Hostel) for the academic year 2018-19 and Ibn-e-Batuta Boys' Hostel will be as follows:

Rs. 60,000 (Non AC) and Rs.85,000 (AC) for Girls' Hostel

Rs. 60,000 (Non AC) and Rs.85,000 (AC) for Boys' Hostel

Charges of single seated AC Room: Rs. 1,70,000 for Girls' and Boys' Hostel

General Note:

1. Hostel fee shall be charged for the full academic year. In case a candidate is allotted in the middle of academic year, the hostel charges shall be calculated at Half year basis. Full Hostel charges shall be payable for Half year or part thereof.
(First Half year: 1st July to 31st December, Second Half year: 1st January to 30th June)
2. A hostler will have to deposit an amount of Rs. 10,000/- as Hostel Security Money. The Security money will not be refunded if a student over stays in the hostel for more than a month after the last examination held for a particular course.
3. Mechanical Laundry Facility is available and is mandatory for hostellers. An allottee will have to deposit the annual Laundry charge for washing of clothes along with Annual Hostel Fee. The charges will be decided by the HIMSR/ University every year.
4. Availing the Mess facility will be compulsory for the hostellers. The mess charges will be as prevalent. Mess fee shall be collected in two installments (5 months in advance at the time of admission)
5. Allotment in hostels will be for one Academic Year only. The hostellers will have to vacate the hostel at the end of the academic session (after annual/semester examinations). Seats in the hostel may be re-allotted to the student in the month of July when the new academic session begins. Prevalent hostel fee in the years shall be charged.
6. Hostel byelaws will be applicable to the hostellers

Student Support Facilities

The students of MBBS course shall have the same Student Support Facilities as available to all other students of Jamia Hamdard

POST GRADUATE COURSES OF HIMSR

MD/MS

HIMSR is greatly pleased to announce the starting of following PG Courses (MD/MS) in Anatomy, Pathology and Community Medicine from Academic year 2018-19:

NUMBER OF SEATS & SUBJECTS

MS Anatomy: 3 seats

MD Pathology: 3 seats

MD Community Medicine: 3 seats

Duration: 3 years

Eligibility conditions:

1. **Age limit:** There is no Upper age limit for admission to PG Medical courses
2. **Qualifying examination:** Candidates shall be admitted to first year of MD/MS courses only if she/he has passed qualifying examination as under
Applicants should be in possession of MBBS degree or provisional MBBS pass certificate recognized by MCI with MBBS qualification registered permanently or provisionally with MCI or State Medical Council and should have completed one year of internship or likely to

complete it on or before **31st March 2018**. Admission to such candidate will be given only after obtaining registration of Delhi Medical Council.

**MEDICAL COUNCIL OF INDIA POST GRADUATE MEDICAL EDUCATION REGULATIONS 2000
(AMENDED UPTO JULY 2017)**

Medical Council of India, Pocket – 14, Sector 8, Dwarka, New Delhi-110 077

Phone: +91-11-25367033, 25367035, 25367036 Fax: +91-11-25367024

Email: mci@bol.net.in, contact@mciindia.org Website: <http://www.mciindia.org>

9 (2) SELECTION OF POSTGRADUATE STUDENTS

The above Clause 9A(2) shall be substituted in terms of Gazette Notification dated 31.07.2017 as under .

“The Designated Authority for counselling for the 50% All India Quota seats of the contributing States, as per the existing scheme for Diploma and M.D./M.S. courses shall be the Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India.

Further, the Directorate General of Health Services, Ministry of Health and Family Welfare, Government of India shall conduct counselling for all postgraduate courses [Diploma, M.D./M.S., D.M./M.Ch.] in Medical Educational Institutions of the Central Government, Universities established by an Act of Parliament and the Deemed Universities.

Furthermore, the Directorate General of Health Services shall conduct the counselling for all Superspecialty courses (D.M./M.Ch.) in Medical Educational Institutions of the Central Government, Medical Educational Institutions of the State Government, Deemed Universities, Universities established by an Act of Parliament, Universities established by an Act of State/Union Territory Legislature, Medical Educational Institutions established by Municipal Bodies, Trust, Society, Company or Minority Institutions”. 12(3).

FEE STRUCTURE FOR MD/MS

Admission Fee (One Time)	:	Rs. 10,000
Enrolment Fee (One Time)	:	Rs. 5,000
Library Deposit (Refundable)	:	Rs. 10,000

(a) Annual fee

(1) MS Anatomy	Rs 16 lakh
(2) MD Pathology	Rs 20 lakh
(3) MD Community Medicine	Rs 16 lakh

Those who wish to deposit the fee in advance at the time of admission shall be granted the following discount:

1 years fee:	2%
2 years fee :	4%

Students can avail the discount in the subsequent years as well for remaining period of course.

(b) Hostel fee

Included in annual fee

(c) Stipend

The selected candidates will be paid a stipend for 3 years duration at the same rate as is being paid to JRs in HIMSR

M. Sc. programs at HIMSR

HIMSR offers M. Sc. in the following disciplines:

- (i) M. Sc. Medical Microbiology
- (ii) M. Sc. Medical Physiology
- (iii) M. Sc. Medical Biochemistry
- (iv) M.Sc. Medical Anatomy
- (v) M.Sc. Medical Pharmacology

M.Sc. Medical Microbiology

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)
Seats: 8

Eligibility: The candidate must have passed Bachelor degree (Life sciences)/MBBS/BDS/BPT with at least 55% marks in aggregate. Candidates having MBBS will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective discipline with MBBS 1st / 2nd year students.

Selection Procedure: Merit of the qualifying examination.
Annual Fee: Rs.1,10,000

M.Sc. Medical Physiology

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)
Seats: 8

Eligibility: A candidate must have passed MBBS or a degree course in allied Medical Sciences with Human Physiology as a major subject from a recognized university with at least 55% marks in aggregate. Those having MBBS degree will be directly admitted to 2nd year of three years MSc. In the first year, students will attend classes in their respective disciplines with MBBS 1st year students.

Selection procedure: Merit of the qualifying examination.
Annual Fee: Rs.1,10,000

M.Sc. Medical Biochemistry

Duration: 3 years (2 years for MBBS degree holders, who will be eligible for direct admission to 3rd Semester, 2nd year)
Seats: 8

Eligibility: B. Sc. in Biological Sciences with minimum 55% marks. Candidates with MBBS/BUMS/B. Pharm. will also be eligible for admission to this programme.

Selection procedure: Merit of the qualifying examination.
Annual Fee: Rs.1,10,000

M.Sc. Medical Anatomy

Duration: 3 years

Seats: 6

Eligibility: 55% marks in Bachelor degree in MBBS, BDS, B.Sc. Physiology and Rehab, Paramedical Sciences, B.Pharm, BUMS, B.Sc. Nutrition, B.Sc. Life Sciences, B.Sc.(Hon.) Zoology with Chemistry as one of the subsidiary subject, B.Sc. Human Biology, B.Sc. Bio-Sciences, B.Sc. Biomedical, B.Sc. Nursing, B.V.Sc..

Selection procedure: Merit of the qualifying examination.

Annual Fee: Rs.1,10,000

M.Sc. Medical Pharmacology

Duration: 3 years

Seats: 6

Eligibility: 55% marks in Bachelor degree in MBBS, BDS, B.Sc. Physiology and Rehab, Paramedical Sciences, B.Pharm, BUMS, B.Sc. Nutrition, B.Sc. Life Sciences, B.Sc.(Hon.) Zoology with Chemistry as one of the subsidiary subject, B.Sc. Human Biology, B.Sc. Bio-Sciences, B.Sc. Biomedical, B.Sc. Nursing, B.V.Sc..

Selection procedure: On the basis of merit of qualifying examination

Annual Fee: Rs.1,10,000

PhD at HIMSR

Hamdard Institute of Medical Sciences and Research offers PhD in the following disciplines:

- ❖ Medical Biochemistry
- ❖ Medical Microbiology
- ❖ Medical Physiology
- ❖ Medicine
- ❖ Pathology
- ❖ Pharmacology

Eligibility and selection procedure: MBBS or M.Sc. (Specific subject or in Allied field) with at least 55% marks (Or equivalent CGPA) in aggregate from any University/ Institution recognised by UGC/MCI.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

School of Unani Medical Education and Research and Associated Majeedia Unani Hospital

This school was established as Hamdard Tibbi College in 1963 at Gali Qasim Jaan as Hamdard Tibbi College. It was shifted to Hamdard Nagar Campus in 1980 and started B.U.M.S. course under University of Delhi. After the establishment of Jamia Hamdard in 1989 it was merged with the university and got the status of Faculty of Medicine (Unani) and now it has been renamed as School of Unani Medical Education and Research (SUMER). The School of Unani Medicine is one of the premier institutes of learning *Unani* system of Medicine. Presently the school runs undergraduate degree course Bachelor of Unani Medicine and Surgery (BUMS) and postgraduate courses M.D. Unani in three disciplines i.e. *Ilmul Advia*, *Moalajat* and *Tahaffuzi Wa Samaji Tibb*. The school also runs two one year courses i.e. (1) Pre-Tibb and (2) Certificate Course of Unani Dispenser (*Attar*) for candidates coming from Madarsa stream.

The School conducts teaching and research in Unani Medicine and Surgery and students are imparted instructions with extensive knowledge of the fundamental theories and basic principles of Unani System of Medicine as well as the modern medical subjects such as Physiology, Social and Preventive Medicine, Pharmacology, Pathology and Forensic Medicine.

The School consists of the following fourteen departments: (1) Department of Tashreeh, (2) Department of Munafeul Aza, (3) Department of Kulliyat, (4) Department of Tahaffuzi wa Samaji Tibb, (5) Department of *Ilmul Advia*, (6) Department of *Ilmul Saidla*, (7) Department of *Moalajat*, (8) Department of *Mahiyatul Amraz*, (9) Department of *Ilaj bit Tadabeer*, (10) Department of *Jild wa Taziniyat*, (11) Department of *Jarahiyat*, (12) Department of *Ain, Uzn, Anaf wa Halaq*, (13) Department of *Amraz-e-Niswan wa Qabalat*, (14) Department of *Amraz-e-Atfal*. This School has a 100 bedded Unani hospital namely Majeedia Unani Hospital.

Programms of study / selection procedure

Admission to UG/PG programs in this School is subject to the approval of CCIM.

Kamil-e-Tib-o-Jarahat (BUMS)

- Seats:** 50 (inclusive of 10 seats for those who have passed Pre-Tib from Jamia Hamdard, and 20 seats reserved for self-financing/NRI/sponsored category candidates)
- Duration:** Five and a half years, including one year compulsory unpaid rotatory internship (6 months in Majeedia Unani Hospital and 6 months in HAH Centenary Hospital).
- Eligibility:** A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate as in Physics, Chemistry and Biology; appeared in **NEET 2018** (for MBBS Programme conducted by CBSE); Proficiency in Urdu language comparable to High School (Class X) standard and knowledge of English; Medium of instruction of this programme is Urdu language substantiated with English.

Selection procedure: On the basis of merit through **NEET 2018** conducted by CBSE for MBBS from amongst the candidates who apply for BUMS admission in Jamia Hamdard. Such candidates are required to submit their high school certificate of Urdu / Arabic or Persian language as a subject along with their application on online admission portal of BUMS program on University website. The candidates who will not submit such certificates will be required to appear in the test of Urdu Language conducted by Jamia Hamdard. Other Urdu certificates like Adeeb, Munshi, Molvi etc are NOT ACCEPTABLE.

Pre-Tib

- Seats:** 10 (inclusive of one seat reserved for NRI/Sponsored category candidates).
- Duration:** One year
- Eligibility:** A candidate must have passed *Fazil* from Madarsa/Institution recognized by CCIM and must have studied Arabic and Falsafa; and appeared in Entrance Test by Jamia Hamdard.

Selection procedure: An Entrance Test will be conducted in Urdu language to test the knowledge of the candidates in General Awareness and oriental subjects (Tafseer, Hadees, Fiqah, Usool-e-Fiqah, Mantique, Falsafa, Arabic Adab, Seerat, Tareekh-e-Islam and General Scientific Awareness). The question paper shall comprise of descriptive questions. There will be an English component in Entrance test to test the knowledge of English language.

Note: Candidate admitted to Pre-Tib shall be eligible for admission to BUMS.

**LIST OF MADARSAS APPROVED BY CCIM AND THEIR QUALIFICATIONS
ELIGIBLE FOR ADMISSION TO PRE-TIBB COURSE**

S.No.	Name of Institution	Qualification

Certificate Course of Unani Dispenser

Seats: 10 (inclusive of seats reserved for NRI/Sponsored candidates); additional seats for Foreign Nationals

Duration: One year including two months practical training in *Unani* dispensary/Hospital/ Pharmacy/ Pharmaceutical Industry.

Eligibility: A candidate must have passed *Aalim* Examination from a Madarsa/Institution recognized by Jamia Hamdard (OR) Intermediate (10+2) qualification in any discipline with knowledge of Urdu.

Selection procedure: Admission to Certificate Course of Unani Dispenser will be made through merit in the qualifying examination.

Note: Candidates applying for Certificate Course of Unani Dispenser are advised to read the list of Madarsa/Boards/Institution recognized by Jamia Hamdard. (See Page-97)

Mahir-e-Tib (MD Unani)

Specialization & no. of seats

- ✓ MD Ilmul Advia (3)
- ✓ MD Moalajat (3)
- ✓ MD Tahaffuzi-wa-Samaji Tib (3)

Duration: Three years

Eligibility: Passed BUMS Examination, securing at least 50% marks in the aggregate from Jamia Hamdard or from any other University recognized by Jamia Hamdard; completed the compulsory internship; appeared in the Entrance Test 'AYUSH PGET 2018' conducted by Ministry of AYUSH, Govt. of India.

Note:

- 10% weightage of total marks secured in the test will be given to the wards of the employees of Jamia Hamdard.
- No stipend is available to the students of MD (Moalajat), MD (Ilmul Advia) and MD (Tahaffuzi-wa-Samaji Tib) from the Ministry of AYUSH, Government of India. Depending on the availability of resources, Jamia Hamdard may consider providing stipend (Hkm. Abdul Hameed Scholarship) of Rs. 5,000/- per month to some deserving students.
- MD Moalajat students may be posted in the Hospital of the University.

Selection Procedure: The selection will be made on the basis of merit determined by the performance of the candidates in the entrance test 'AYUSH PGET 2018' conducted by Ministry of AYUSH, Govt. of India. Applicants are advised to refer to the official website of ministry of Ayush <http://ayush.gov.in> and general admission guidelines in this prospectus.

School of Pharmaceutical Education and Research

The School of Pharmaceutical Education and Research (Formerly Faculty of Pharmacy), which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy education in India. A sizeable number of students of the School qualify GPAT securing high score. The School offers PhD in different disciplines, M Pharm in eight branches, B Pharm and D Pharm courses. Students get placements in major pharmaceutical companies after obtaining degrees from Jamia Hamdard.

School of Pharmaceutical Education and Research has been ranked No. 1 amongst Pharmacy Institutions of India under NIRF-2017 (National Institutional Framework) by Ministry of Human Resource Development (MHRD), Govt. of India.

Many faculty members have research projects funded by National / International funding agencies and Pharmaceutical Industries. A separate Pharmacy block dedicated to research in advanced fields of nanomedicine, bioactive natural products, CADD etc. with state of the art instruments and other facilities is also part of the School. The Central Instrumentation Facility (CIF) of the School is equipped with modern equipments needed for advanced pharmaceutical research like NMR spectrometer (400 MHz), LC-MS, Malvern zetasizer, SCF, AFM, HPLC, HPTLC, HPH, DSC etc. The School has a Computer Centre having 30 PCs with Internet connectivity. All the departments of School are actively involved in research as can be seen by publications. The School has published more than 1000 research papers in SCI indexed reputed journals and applied more than 25 patents in last five years and 10 have been granted.

The Department of Pharmaceutics has collaboration with School of Management for their MBA Pharmaceutical Management programme for teaching and placement related activities. The MBA Pharmaceutical management programme is designed to provide technical and administrative skills in management & research in Pharmaceutical sector.

The M Pharm programme in Pharmaceutical Analysis of the Department of Pharmaceutical Chemistry is also strengthening with the collaboration with the Department of Chemistry. The instrumentation facility and their expertise in this field gives a considerable support in learning and placement in pharmaceutical companies on mutual basis.

The research and teaching programme in M Pharm Pharmaceutical Biotechnology of Department of Pharmacognosy & Phytochemistry is supported-cum-collaborated with Department of Biotechnology, School of Chemical & Life Sciences. The highlighted areas of research in the Department are Development of Bio molecules, recombinant DNA technology and regulation of gene expression and fermentation technology etc.

The Department of Pharmacology has multidisciplinary collaboration with HIMSR and Centre for Translational and Clinical Research, School of Chemical & Life Sciences. The M Pharm in Pharmacy Practice programme is augmented with the Clinical Research programme of School of Chemical & Life Sciences and Department of Community Medicine of HIMSR. In the HAH centenary hospital of Jamia Hamdard students of the Pharmacy Practice programme assist doctors in possible drug interaction and train patients to understand dosage regimen and other healthcare related queries.

This Pharmacy School consists of (1) Department of Pharmaceutical Chemistry, (2) Department of Pharmaceutics (3) Department of Pharmacology and (4) Department of Pharmacognosy and Phytochemistry

Programs and selection procedure

Undergraduate & Diploma

Bachelor in Pharmacy (B Pharm)

Duration: Four Years (8 Semesters)

Seats: 120 (60 General and 60 SFS, inclusive of seats reserved for NRI/Sponsored candidates. Additional seats are available for Foreign National candidates.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology/ Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology/ Mathematics.
- Appeared in NEET 2018/Paper-1 of JEE (Main) 2018.
- Completed the age of 17 years on or before 31st December 2018 as per PCI norms

Selection procedure:

Selection will be based on merit in NEET 2018/Paper-1 of JEE (Main) 2018 conducted by CBSE.

*Non-NEET/non-JEE candidates may also apply, however NEET-2018/JEE-2018 candidates will be preferred. Non-NEET/non-JEE applicants may be considered **only** if suitable number of NEET 2018/JEE 2018 candidates is not available, or there is delay in NEET/JEE result. If situation arises, Non NEET/non JEE applicants will be selected on the basis of merit in qualifying examination (PCB/PCM).*

Allocation of seats for NEET/JEE candidates will depend upon the number of applications received under a category (NEET/JEE or PCB/PCM).

B Pharm II Year (Lateral entry)

Duration: 3 Years (6 Semesters)

Seats: 12 (6 General, 6 SFS, inclusive of seats reserved for NRI/Sponsored candidates). Additional seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Diploma in Pharmacy examination of Jamia Hamdard or from any other recognized institution with 50% marks in the aggregate.
- Passed 10+2 examination from CBSE or any other board recognized by Jamia Hamdard as equivalent thereto with PCB.

Selection procedure: Admission to B Pharm II Year will be made on the basis of merit determined by marks obtained in D Pharm. Candidates have to submit the result of the D.Pharm, preferably on or before the last date of submission of application form or as notified by the University.

Diploma in Pharmacy (D Pharm)

Duration: 2 Years

Seats: 60 (inclusive of seats reserved for NRI/Sponsored candidates). Additional seats are available for Foreign Nationals.

Eligibility: A candidate must have

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology/Mathematics from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology/Mathematics.
- Completed the age of 17 years on or before 31st December 2018 as per PCI norms

Selection Procedure: Admission to D Pharm programme shall be made through merit in qualifying examination (10+2 PCB/PCM).

Note: Percentage of 10+2 as mentioned under eligibility is only minimum percentage for applying to a programme; the cutoff percentage for the selection list may be much higher than the minimum percentage.

Allocation of seats for PCB/PCM candidates will depend upon the number of applications received under a category (PCB/PCM).

M Pharm

Master of Pharmacy (M Pharm)

Duration: Two years (Four Semesters)

Seats: 77 (inclusive of seats reserved for NRI/Sponsored candidates). Additional seats are available for Foreign Nationals.

Specialization and no. of seats (may vary as per AICTE/PCI norms)

✓ M Pharm Pharmaceutics	15
✓ M Pharm Pharmacology	15
✓ M Pharm Pharmaceutical Chemistry	10
✓ M Pharm Pharmacognosy	08
✓ M Pharm Pharmacy Practice	08
✓ M Pharm Pharmaceutical Quality Assurance	08
✓ M Pharm Pharmaceutical Analysis	08
✓ M Pharm Pharmaceutical Biotechnology	05

Eligibility: A candidate must have:

- Passed B Pharm / B Pharm (Unani) examination or any other examination recognized by Jamia Hamdard or an institution recognized by Jamia Hamdard and AICTE, securing at least **55%** marks in the aggregate of theory papers and practicals.
- Appeared in GPAT. Preference will be given to GPAT 2018 qualified candidates.

Note:

- i. Non-GPAT candidates may be eligible only for seats under NRI / Sponsored category, if GPAT candidates are not available.
- ii. For consideration under the Sponsored category, candidates should have a two year full-time work experience in a registered firm / industry / educational institution. If experienced candidates are not available, consideration to fresh candidates may be given.

Selection Procedure: The admission to the M Pharm programme will be made on the basis of GPAT-2018 score. However, admission under NRI/Sponsored category candidates' admission will be made on the basis of GPAT-2018 Score, if available & B Pharm percentage.

Important note: Some scholarships may be available for MPharm students from AICTE.

PhD programs offered in following disciplines:

- Pharmaceutics
- Pharmacognosy & Phytochemistry
- Pharmaceutical Chemistry
- Pharmacology
- Pharmaceutics with specialization in Quality Assurance
- Pharmacognosy & Phytochemistry with specialization in Biotechnology
- Pharmaceutical Chemistry with specialization in Pharmaceutical Analysis
- Pharmacology with specialization in Pharmacy Practice

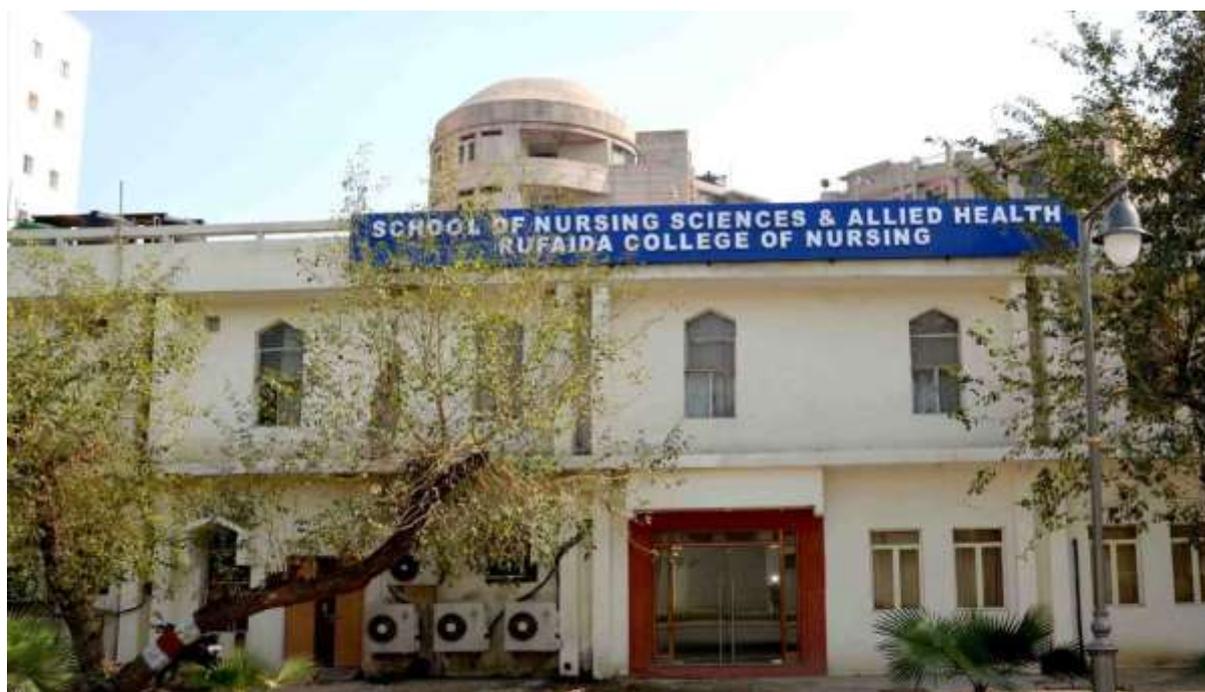

Eligibility and selection procedure: M Pharm in the relevant subject securing at least 55% marks in the aggregate or equivalent grade from Jamia Hamdard or from any other institution, recognized by AICTE/PCI/AIU and Jamia Hamdard.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

PhD-Pharmaceutical Medicine

Eligibility and selection procedure: M Pharm in Pharmacology / Hospital Pharmacy / Clinical Pharmacy/Pharmaceutics or MBBS degree securing at least 55% marks in the aggregate or equivalent grade from Jamia Hamdard or from any other institution, recognized by AICTE/PCI/AIU and Jamia Hamdard. Preference will be given to MD / DNB degree holders in Pharmacology / Medicine / Clinical Pharmacology.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

School of Nursing Sciences and Allied Health Rufaida College of Nursing

Rufaida School of Nursing was established in 1983 in order to popularize this noble profession of Nursing amongst Indian Muslims. The School of Nursing was upgraded into a College of Nursing in 1994. Over a period of more than three decades many batches have graduated from the college and today the College of Nursing attracts students from all over the country. The facilities available at Hakeem Abdul Hameed Centenary Hospital and other hospitals in Delhi and community health centres are utilized for teaching and practical training of students. The College maintains a Health Care Centre for the under-privileged in the neighboring areas of the university. The diploma, degree, postgraduate degree and doctorate offered by the College of Nursing are recognized by the Indian Nursing Council (INC). The successful graduates of the programmes get 100% employment through campus recruitment in leading hospitals and healthcare institutions. There is a global demand for our graduates to work in health care facilities.

Programs of study and selection procedure in Nursing

BSc (Hons) Nursing

Duration: Four years

Seats: 50 (20 General and 30 under SFS category); inclusive of seats reserved for NRI/Sponsored candidates.

Eligibility:

- Completed the age of 17 yrs on or before 31st December 2018 as per INC norms
- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry, Biology and English from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto, securing at least 45% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology. Student must have passed in all the subjects of 12th standard.
- Appeared in NEET (UG) 2018 conducted by CBSE.

- Candidate should be able to communicate in English
- Candidate should be medically fit

Selection procedure: Selection will be made on the basis of merit through NEET 2018 rank conducted by CBSE, among the candidates, who apply for admission to BSc (Hons) Nursing (General and SFS) Degree Course in Jamia Hamdard through Online Jamia Hamdard Application Form. Non NEET candidates may also apply. Although NEET 2018 candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

Post Basic BSc Nursing

Duration: 2 Years

Seats: 20 (inclusive of seats reserved for NRI/Sponsored candidates)

Eligibility: A candidate must have

- DGNM qualification from Nursing School/College recognized by Indian Nursing Council
- 10+2 or Senior Secondary/Intermediate from CBSE or any other equivalent examination recognized by Jamia Hamdard.
- Registered as RN (Registered Nurse) and RM (Registered Midwife) under State Nursing Council
- Candidate should be able to communicate in English
- Candidate should be medically fit

Selection Procedure: The applicant for Post Basic BSc Nursing programme shall have to appear in the Entrance Test conducted by Jamia Hamdard. The questions will be based on DGNM syllabus as per INC.

Diploma in General Nursing and Midwifery (DGNM)

Duration: 03 years

Seats: 40 (Inclusive of seats reserved for NRI/Sponsored candidates)

Eligibility:

- 10+2 class passed in Science/Arts/Commerce from recognized Board under ASSCE/CBSE/ICSE/SSCE/HSCE or any other Board recognized by Jamia Hamdard as equivalent thereto; must have secured **40%** marks in 10+2 examination.
- Candidate must have passed in any four subjects including English (3 subjects + English) from the list given below.
- The subjects for admission to DGNM are a) Physics, b) Chemistry, c) Biology, d) Mathematics, e) English, f) Commerce, g) Accountancy, h) Economics, i) Business Studies, j) Computer Science/Informatics/Word processing/Multimedia, k) Geography, l) Sociology, m) History, n) Civics, o) Psychology, p) Political Science, q) Home Science.
- Candidate must have passed in all the subjects of 10+2 (five subjects as per the CBSE policy).
- English shall not be included for calculating the percentage
- Candidate should be able to communicate in English
- Candidate should be medically fit
- Completed the age of 17 yr on or before 31st Dec. 2018. Upper age limit is 35 yrs.

Selection Procedure: Admission to DGNM course in Jamia Hamdard shall be made on the basis of merit of qualifying exam.

M. Sc. Nursing

Duration: Two years

Seats: 25 (inclusive of seats reserved for NRI/Sponsored)

M. Sc. Nursing Specialization	No. of Seats
M. Sc. Medical Surgical Nursing	06
M. Sc. Obstetric & Gynecology Nursing	06
M. Sc. Mental Health Nursing (Psychiatry)	06
M. Sc. Community Health Nursing	05
M. Sc. Child Health Nursing (Paediatric)	02

Two seats per annum are reserved for internal candidates, as per University norm.

Eligibility: A candidate must have:

- Passed B.Sc. Nursing / B.Sc. (Hons.) Nursing / Post Basic B.Sc. Nursing with minimum of 55% marks in aggregate from an Institution recognized by Indian Nursing Council.
- A Registered Nurse and Registered Midwife Certificate or equivalent with any State Nursing Registration Council.
- At least one year of work experience in Nursing field prior or after Post Basic B.Sc Nursing/ or after B.Sc-Nursing (after registering as RN and RM).
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection procedure: The applicants for admission to the M.Sc (Nursing) programme shall have to appear in the Entrance test conducted by Jamia Hamdard. The test paper will comprise of questions based on syllabus of B.Sc. (Hons.) Nursing prescribed by INC. Selection will be made on the basis of merit through entrance test.

General note for all Nursing students:

1. Stay in the hostel is recommended for all Nursing students. Hostel accommodation is provided on payment of prescribed charges.
2. Transport charges of Rupees Five Thousand for students of DGNM and B.Sc. (Hons) Nursing for clinical posting will be charged annually.
3. For admission against the Foreign National/NRI/ Sponsored seats, wherever applicable, written test is not required.

Ph.D. Nursing

Eligibility and selection procedure: M.Sc. in Nursing recognized by Indian Nursing Council (INC), with at least 55% marks in aggregate. Candidates possessing a degree considered equivalent to M.Phil. Degree shall also be eligible for admission.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Department of Rehabilitation Sciences

This Department is in existence since 1998 and with the help and active support of Hamdard Institute of Medical Sciences and Research and associated Centenary Hospital and other approved Delhi hospitals impart training of International standards to students. Consequently, the job availability to pass-out students has been very good and alumni of this Department are holding responsible positions in India and abroad.

The Department of Rehabilitation Sciences has been conducting the post graduate programmes from 1998 and Under Graduate programmes from 2001 respectively. The PhD Programme has commenced from 2017. The academic programmes have recognition from relevant Councils. Academic programmes are in consonance with the National and International professional bodies.

Many of our alumni are holding good positions in Govt. and private institutes nationally, students have been accepted for further studies and jobs abroad.

Rehabilitation Science programs

Bachelor of Physiotherapy (BPT)

Duration: Four years + compulsory internship of six months
Seats: 50 (30 + 20*) Inclusive of seats reserved for NRI/Sponsored candidates) Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least **50%** marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.
- Appeared in NEET (UG) National Eligibility cum Entrance Test 2018 (conducted by CBSE) for MBBS.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BPT Degree Course in Jamia Hamdard through online Jamia Hamdard Application Form.

A candidate having at least one year diploma in Yoga may be given preference in admission, subject to the condition that marks secured in the entrance examination and other eligibility conditions are same to a candidate with similar credentials but not having said expertise in Yoga.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

***Subject to regulatory approval**

Bachelor of Occupational Therapy (BOT)

Duration: Four years plus compulsory internship of six months
Seats: 50 (25 + 25*) Inclusive of seats reserved for NRI/Sponsored candidates). Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto securing at least 50% marks in the aggregate and also in the aggregate of Physics, Chemistry and Biology.
- Appeared in NEET (UG) National Eligibility cum Entrance Test 2018 (conducted by CBSE) for MBBS.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BOT Degree Course in Jamia Hamdard through Online Jamia Hamdard Application Form.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

***Subject to regulatory approval**

MPT / MOT

Master of Physiotherapy (MPT) – Cardiopulmonary / Neurology / Musculoskeletal / Sports

Duration: 2 Years
Seats: 10 (5 + 5*) in each discipline (Inclusive of seats reserved for NRI/Sponsored candidates in each discipline); additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Bachelor of Physiotherapy (BPT) from an institution recognized by Jamia Hamdard or university/ institute approved by the UGC, securing at least 50% marks in the aggregate. The BPT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
- Candidates who have obtained degree in BPT from distant mode are not eligible for Post Graduate courses in Physiotherapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard

Selection procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and physiotherapy subjects taught at BPT level.

***Subject to regulatory approval**

Master of Occupational Therapy (MOT) – Musculoskeletal / Paediatrics

Duration: Two Years
Seats: 08 (6 +2*) in each discipline (Inclusive of seats reserved for NRI/Sponsored candidates in each discipline). Additional Seats are available for Foreign Nationals.

Eligibility: A candidate must have:

- Bachelor of Occupational Therapy (BOT) from an institution recognized by Jamia Hamdard or University/Institute approved by UGC, securing at least 50% marks in the aggregate. The BOT course should be recognized by Delhi Council of Physiotherapy and Occupational therapy.
- Candidates who have obtained degree in BOT from distant mode are not eligible for Post Graduate courses in Occupational Therapy.
- Appeared in the Entrance Test conducted by Jamia Hamdard.

Selection Procedure: An Entrance Test will be conducted. The question paper will comprise of questions on basic sciences and occupational therapy subjects taught at BOT level.

***Subject to regulatory approval**

Please note that the candidates who have obtained degree in BPT and BOT from distant mode are not eligible for Post Graduate courses in Physiotherapy and Occupational Therapy.

Ph.D. Rehabilitation Science

Eligibility and selection procedure: MBBS or Masters Program (MPT/MOT) with at least 55% marks (Or equivalent CGPA) in aggregate from any University/ Institution recognised by UGC/MCI.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Department of Paramedical Sciences

Paramedical Science programs

M.Sc. (Medical Lab Sciences)

Duration: 2 years
Seats: 10 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed B.Sc. Medical Lab Technology with at least 55% marks.

Selection procedure: On the basis of merit of qualifying examination.

M.Sc. (Medical Radiology and Imaging Technology)

Duration: 2 years

Seats: 10 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed B.Sc. Medical Imaging Technology with at least 55% marks.

Selection procedure: On the basis of merit of qualifying examination.

Master of Optometry

Duration: 2 years

Seats: 10 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Bachelor of Optometry with at least 55% marks.

Selection procedure: On the basis of merit of qualifying examination.

B.Sc. (Medical Laboratory Techniques)

Duration: 4 years (Six semesters + I yr compulsory internship)

Seats: 42 (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

B.Sc. (Emergency & Trauma Care Techniques)

Duration: 4 years (Six semesters + I yr compulsory internship)

Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

Bachelor of Optometry

Duration: 4 years (Six semesters + I yr compulsory internship)

Seats: 30 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

B.Sc. (Medical Imaging Technology)

Duration: 4 years (Six semesters + I yr compulsory internship)

Seats: 30 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

B.Sc. (Anaesthesia & Operation Theatre Techniques)

Duration: 4 years (Six semesters + I yr compulsory internship)

Seats: 35 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

B.Sc. (Medical Record & Health Information Management)

Duration: 4 years (Six semesters + I yr compulsory internship)

Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); Additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

B.Sc. (Cardiology Laboratory Techniques)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 25 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

B.Sc. (Dialysis Techniques)

Duration: 4 years (Six semesters + I yr compulsory internship)
Seats: 30 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign national)

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 50% marks in the aggregate.
- Appeared in NEET 2018 (National Eligibility cum Entrance Test) for MBBS conducted by CBSE.

Selection procedure: On the basis of merit through NEET 2018 conducted by CBSE for MBBS programme, among the candidates, who apply for admission to BMLT, BETCT, BOPT, BMIT, BOTT, BMR & HIM, BCLT, BDT Degree Courses.

Non NEET candidates may also apply. Although NEET candidates will be preferred, non-NEET applicants may be considered on the basis of merit in qualifying examination.

Lateral Entry admissions – B.Sc. (Medical Laboratory Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia & Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Dialysis Techniques) 3rd Semester, through Lateral Entry.

Duration: 3 years (4 Semesters + I yr compulsory internship)

Seats: 10 seats each in BOPT, BMR&HIM, BOTT and BDT
 15 seats in BMIT
 35 seats in BMLT
 (Seats inclusive of seats reserved for NRI/Sponsored candidates; additional seats are available for foreign nationals)

Eligibility for Lateral Entry in B.Sc. (Medical Laboratory Techniques), Bachelor of Optometry, B.Sc. (Medical Imaging Technology), B.Sc. (Anaesthesia & Operation Theatre Techniques), B.Sc. (Medical Record & Health Information Management), B.Sc. (Dialysis Techniques)

1. A candidate must have passed a two years Diploma in respective course (after 10 +2) with 50% marks in the aggregate or 3 years Diploma after 10th examination from science stream, except for DXE where the student is eligible to apply for BMIT.

2. Liberal transfer credit system:

A student who has passed with 60% marks each in at least two of the subjects mentioned below can take admission in lateral entry of any of the degree programmes after fulfilling the selection procedure provided he/she agrees to attend the requisite classes to complete his/her credit hours and successfully clears the first and second semester examination of the related program by the end of 3rd and 4th semester; Anatomy, Physiology, Biochemistry, Pathology, Microbiology, Physics, Maths, Chemistry.

Selection procedure: For admission to BMLT, BOPT, BMIT, BOTT, BMR & HIM, BDT Lateral Entry 3rd Semester Degree Courses will be made on the basis of merit determined by marks obtained in the respective Diploma course and/or interview.

Inter-transfer in Paramedical programs

Interchange of number of vacant seats between lateral entry and regular seats at entry point within a specific program is possible, subject to the approval of the competent authority.

Diplomas in Paramedical Sciences

Diploma in X-ray & ECG Techniques (DXE)

Duration: Two years (Four Semesters)

Total Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); (Additional seats are available for foreign nationals).

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Operation Theatre Techniques (DOTT)

Duration: Two years (Four Semesters)

Seats: 15 seats (inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Dialysis Techniques (DDT)

Duration: Two years (Four Semesters)

Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

Diploma in Medical Record & Health Information Management (DMR&HIM)

Duration: Two years (Four Semesters)

Seats: 15 seats (Inclusive of seats reserved for NRI/Sponsored candidates); additional seats are available for foreign nationals.

Eligibility:

- Passed Senior Secondary (12th Standard/Intermediate) examination with Physics, Chemistry and Biology from Central Board of Secondary Education or any other examination recognized by Jamia Hamdard as equivalent thereto and secured at least 45% marks in the aggregate.

Selection Procedure: Admission to all Diploma courses in Jamia Hamdard shall be made through merit in the qualifying examination.

If seats are available in DMR&HIM, candidates from non-sciences streams with at least 45% marks in the aggregate of subjects of Senior Secondary (12th Standard/Intermediate) are also eligible.

School of Chemical & Life Sciences

Thrust areas of research in the School are environment and health. The research objective is to understand the etiology of diseases at molecular level and inter-relationship between nutrients and drugs. Modern bio-medical research tools and developments in the fields of Genetic Engineering, Genomics, Proteomics and Bioinformatics are being used to understand the cellular processes associated with health and diseases. The emerging concept of role of elements in health, effect of chemicals on environment, health and ecosystem including mitigation of their toxicity and carcinogenicity are other areas of research. Scientific evaluation of the efficacy of herbal medicine is being extensively pursued. The effect of environment on growth, structure and chemistry of plants, relationship between structure and function of proteins and enzymes, development of bio-molecules by r-DNA technology, regulation of gene expression, development of new generation vaccines and diagnostic probes, enhancement of secondary metabolites in medicinal plants, metabolomics, molecular biology of diseases, biotransformation of medicinal plants for better yield of medicinal compounds and transgenics of valuable crops and medicinal plants are also being studied. Besides the departments, the School has the following facilities:

1. Central Instrumentation Facility
2. Central Animal House Facility
3. Herbal Garden
4. Transgenic Containment Facility

Departments/Centres

School consists of the following departments and centres

- Department of Biochemistry
- Department of Biotechnology
- Department of Botany
- Department of Chemistry
- Centre for Translational and Clinical Research
- Department of Medical Elementology and Toxicology

Department of Biochemistry

Biochemistry is the molecular logic of living system. It finds applications in diverse disciplines such as medical and agricultural sciences, environmental sciences, forestry, dietetics, food science and technology, hormone production, vaccine research, virology,

immunology, microbiology, toxicology and in areas from marine biology to entomology, not just to carry out the R&D work and develop new products, but also to monitor the production, quality and safety of the product. Biochemists provide diagnostic service, carrying out tests on blood, urine and other body fluids, while researching the underlying causes of disease and methods of treatment, and have opportunities to work in hospitals, pharmaceutical industry and agrochemical companies, food brewing and biotechnology. The postgraduate degree in Biochemistry also enables students to teach in universities and colleges as well as the medical, dental and veterinary schools and consulting or allied work. The Department offers M. Sc. and Ph. D. programs in Biochemistry and over the years has gained reputation of being a center of quality education and training in Biochemistry both in India and abroad. The Department has been awarded UGC SAP and DST FIST, in addition to a number of grants from various sources including a DBT grant for creating Bioinformatics Infrastructure Facility. The Department has also successfully completed a UNICEF sponsored ICMR task force study, and several other schemes supported by CSIR, DST, DBT, ICMR, CCRUM and UGC.

Thrust areas include:

- Chronic inflammatory diseases
- Cell proliferation and cell death pathways
- Cancer etiology; Nutrigenomics
- Pathogenesis of tuberculosis
- Efficacy of traditional medicine
- Metabolomics and Proteomics
- Natural products in diabetic complications
- Molecular immunology; Insulin resistance
- Computational and molecular virology

Over the years, the Department has developed facilities for high precision analytical work and has acquired sophisticated equipments and tools for cellular and molecular research including the facility to work on cell lines. The Department regularly organizes seminars, workshops, brain-storming and interactive sessions for the students, besides providing training to students and staff from other institutes, universities and colleges. The faculty actively participates in international and national conferences, seminars, workshops, meetings, orientation and refresher courses, and is on the panel of experts in various academic and nonacademic bodies. The Syllabus is updated regularly and promoting emerging areas such as computational and systems biology, nanotechnology. Students are encouraged for creative learning and to deliver lectures/debates on topics of current interest in biological sciences. Students have high rate of success in various competitive examinations and many of them are working in premier institutes and companies in India and abroad. About 200 students of the department have qualified various national level tests since its inception in 1994. Students are working as scientist and academicians in government setups including DRDO, CSIR and Indian universities, besides taking up jobs in private sectors.

Department of Biotechnology

The Department is 4th top Biotechnology Schools of India as per survey made by Bio Spectrum (2013). It is supported by FIST (DST, Govt. of India) and SAP (UGC). The Department offers two formal programmes of study: a two year postgraduate course leading to M.Sc. in Biotechnology and doctoral research leading to Ph. D. degree. Besides, it also offers opportunity for post-doctoral research. The faculty members of the Department have been able to attract number of extramurally funded research projects from various funding agencies such as DBT, DST, CSIR, ICAR, ICMR, DRDO, UGC, DOEn, ISM&H, CCRUM, AYUSH and World Bank. M.Sc. Part II students are allowed to do an intensive project work with teachers of the faculty covering literature survey, experimentation (wet lab), data generation, writing and presentation skill.

The current research interest of the faculty members include: development of biomolecules by r-DNA technology, regulation of gene expression, development of diagnostic tests, molecular virology; human viruses, vaccine development, genomics/proteomics of cancers and development of biomarkers for their early detection, Molecular biology of non-infectious diseases, proteomics of host-pathogen interactions, enhancement of secondary metabolites through genetic engineering and in vitro culture, metabolic engineering of medicinal plants for better yields of medicinal compounds, *in vivo* and *in vitro* conservation of medicinal plants and transgenics of vegetables, floriculture and oil crops.

The Department has inter-institutional collaboration with ICGEB (New Delhi), AIIMS (New Delhi), NII (New Delhi), Dabur Research Foundation (Ghaziabad), National Institute of Communicable Diseases (New Delhi), National Centre for Biological Sciences (Bangalore), CDRI (Lucknow), TERI (New Delhi), IARI (New Delhi), JNU (New Delhi), University of Delhi South Campus (New Delhi), Institute of Genomics and Integrative Biology (New Delhi), CDFD (Hyderabad), IITR (Lucknow), IIIM (Jammu), DRDO (New Delhi), Talwar Research Foundation (New Delhi), THSTI (Faridabad), NIPGR to name a few.

The students of biotechnology have high rate of success in NET/GATE/ ICMR/ DBT test for JRF. They have been selected in reputed institutions such as JMI, Delhi University, CCMB, CDFD, AIIMS, IISc, ICGEB, NII, NCCS, NCBS etc., besides placements abroad.

Recently the Department has developed international research programs (Indo-US Vaccine Action Program) with the Emory University, USA and Centre for Disease Control (CDC), USA on infectious diseases.

Centre for Transgenic Plant Development

The Centre is a unit of Department of Biotechnology. It is equipped with the state of the art facilities to train Ph. D. and postdoctoral students and to carry out research in various disciplines of plant and microbial biotechnology. The major R & D activities being pursued include cloning and characterization of novel genes linked with tolerance to biotic and abiotic stresses and quality traits of medicinal and crop plants, authentication and standardization of crude components of herbal formulations and nano vehicle assisted gene delivery in plants. The thrust areas of centre also include improving the quality of medicinal crops through genetic engineering of metabolic pathway; miRNA and RNAI approaches, conservation of medicinal plants; developments of easy, rapid, sensitive, cost effective method for aflatoxigenic mould detection in the groundnut kernels and soil and identification and quantification of aflatoxins in the food and feed. The centre has received grants from government agencies such as DST, DBT, Department of AYUSH, CCRUM, CSIR, ICMR, DRDO etc. for R & D projects carried out at the Centre. The consultancy projects from biotech companies are also carried out in the centre.

Department of Botany

The Department of Botany, which came into existence in the year 1989, has developed strong research programmes in the fields of stress physiology, structural & developmental botany, environmental botany, systematics, medicobotany, plant biotechnology and molecular biology. The first registration for Ph.D. was done in 1991. The post-graduate teaching programme started in 1994 leading to the award of M.Sc. degree. The first Ph.D. degree in Botany was awarded in 1995 and the first batch of students got M.Sc. degrees in 1996. So far 22 batches have successfully passed out from this department. A Post-graduate Diploma in Environmental Monitoring and Impact Assessment is also run by the department through distance mode of learning.

During the last 27 years as many as 95 students have been the recipients of Ph.D. degree. Alumni of the department have distinguished as teachers and scientists occupying important

position in Indian universities, research institutions, colleges and non-governmental organizations. The department has been acknowledged for its excellence and creativity by various agencies of National/ International repute.

Thrust areas of research

- Plant response to heavy metal and environmental stresses
- Characterization of medicinal plants
- Ethnobotany and plant systematic
- Meristematic behavior and radial growth in plants
- Tissue culture studies for alkaloid production, clonal multiplication and preservation of endangered species
- In vitro embryogenesis, gene expression; in vitro mutagenesis and crop improvement; chromosomal, molecular and proteomic analysis of variant/tissues, enhancement of secondary metabolites using biotic and abiotic elicitation; cryopreservation of important tissue/cell lines.
- Development of nanosensors for measurement of in vivo flux of metabolites
- Development of diagnostics for the detection of plant viruses.

Research Facilities

The Department has well equipped laboratories for research. The available equipments include Growth chambers, BOD incubators, Refrigerated microfuges, Laminar air flow, Shakers, Environmental shaker incubator, Double beam spectrophotometer, PCR, High speed cold centrifuge, Deep freezer (-20, -80,°C), IRGA (Photosynthesis System), Leaf area meters, Flame photometer, Sliding and rotary microtomes, Gel documentation system and Nikon Phase contrast microscope with photographic attachment, Weather station attached with gas monitoring sensors, Spectrophotometers, Chlorophyll Fluorometer, Plant Canopy Analyzer, Rotavapor, Sound level meter, Gas & dust analysing system and Inverted fluorescent microscope. A modest Green House and an environmentally controlled Glass House is also available.

Twenty three research projects from different funding agencies are successfully completed / going on in the department. The department has received substantial funding from DST and UGC under DS-FIST, UGC-SAP (DRS-I) programmes.

Centre for Translational and Clinical Research

The Centre was established as a Department of Clinical Research in the year 2009 with an objective to train human resources in clinical research. In the year 2012 activities of the Centre were expanded by including component of translational research. The Centre envisages imparting theory and practical training in all aspects of clinical research and clinical trials. It provides opportunity to young aspirants desirous of pursuing a career in expanding healthcare sector in India and abroad. According to industry sources, the clinical research industry in India will require a large number of professionals trained in various aspects of clinical research in the coming years. Importance of clinical research has got recognition in recent years due to commendable growth in domestic pharma industry. Global pharma giants have shown interest to conduct clinical trials in India. Moreover, a number of Contract Research Organisations (CROs) have been set up in India. These organizations provides support to the pharmaceutical, biotechnology, and medical device industries in the form of research services outsourced on a contract basis. In view of all this developments demand for clinical research professionals in India is expected to grow exponentially. Therefore, personnel involved in clinical research needs training in Good Clinical Practices (GCP) and ethics.

The Centre offers a four semester full-time M.Sc. programme in Clinical Research and Ph.D. in Clinical and Translational Science which takes care of all aspects of clinical research. The study programme is comprehensive based on both course work and hands-on research experience in leading clinical research organization. It is a broad-based multi-disciplinary

study programme to prepare professionals in clinical research with training in the principles and methods of clinical research, clinical trials, epidemiology, health economics, biostatistics, bioethics, GCP, translational research and application of these principles to clinical trials. The Centre has established collaboration with Sun Pharmaceuticals Ltd., Max Healthcare Institute Ltd. INCLIN Trust International, Apollo Hospitals Educational and Research Foundation and other leading clinical research organizations for practical and hands-on training of the students. The Centre also envisages to organize communication skills workshop, and regular seminars for the students to train them in writing and presenting research data, clinical reports, grant applications and case study reports. Students are also provided exposure to Instructional Review Board (IRB) meetings.

Placement opportunities for M.Sc. Clinical Research students are very bright. Passed out students have been placed in Novartis, Panacea Biotech, Troikaa Pharmaceuticals, Fortis, Jubilant, Ind Gene, Auriga Research Ltd., Max Neeman, Max Healthcare Institute Ltd., Sun Pharmaceuticals Ltd., Religare, Totipotent, Baxter, Sir Ganga Ram Hospital, Escorts Heart Institute, Medanta, Pushpawati Singhania Research Institute (PSRI), Translational Health Science and Technology Institute (THSTI, DBT), Jamia Hamdard (in Ph.D. programme), and BIT, Mesra (in Ph.D programme). Centre regularly organizes workshops on the contemporary topics in Clinical Research. Centre also undertakes consultancy projects on clinical trials.

Department of Chemistry

The mission of the Department is to provide knowledge in Chemistry that offers opportunities for a high quality and comprehensive learning experience for students. The Department offers a M. Sc. programme in Chemistry with the option of specialization in Organic Chemistry. The M. Sc. Students are assigned intensive project assignments on topics of current research interest in the fourth semester. The Department is also offering B.Sc.-M.Sc. Integrated program with an exit option of B.Sc. Hons in Chemistry. The students are exposed to sophisticated instrumental techniques such as UV-Vis, FT-IR, NMR, UP-LC MS, Nano-LC MS and confocal microscopy during the practicals and their project work. The exposure gives them the idea of high quality research in their budding stage itself. With WiFi facility in the department and hostels, the students have access to internet, most of research journals and e-contents round the clock.

With expertise distributed over different areas in Chemistry highly qualified faculty are engaged in teaching and research. Students are prepared for competitive examinations including NET. It helps students for employment in reputed pharmaceutical companies like Sun Pharmaceuticals Ltd., Jubilant Organosys, Glenmark, Wockhardt, Rexin, Indian Oil and other allied industries in addition to placement in universities colleges for teaching and research institutions for doctoral & postdoctoral scientist positions. The Department also offers a programme in PG Diploma in Chemoinformatics under Open and Distance Learning mode.

The thrust areas of research of the Department are:

- Natural Products Chemistry
- Medicinal Chemistry
 - o Anticancer agents & anti-inflammatory agents
 - o Anti-hyperglycemic agents
 - o Antimicrobials (anti-tubercular, anti-leishmanial etc.)
- Nanosynthesis and Drug Delivery
- Nanocomposites of carbon nanotubes, graphene, catalysis and Hydrogen evolution
- Gadolinium (III)-oligopeptides and anticancer activity

The competent chemistry faculty has reputation in the above mentioned areas of research with publications in standard research journals of decent impact factors such as American Chemical Society journals, Wiley interscience and Royal Society of Chemistry. The faculty is

mainly working in the area of medicinal chemistry viz., synthesis of natural products, small molecular high affinity ligands, gadolinium(III)-peptides and evaluation of antidiabetic and anticancer activities. Ethnopharmacological investigations of rare plant extracts are also carried out in order to identify new drug candidates from nature. Polymer based nanomedicines composites of carbon nanotubes, their delivery to the tumor targets and to the brain with the vision of curing neurological disorders is another focus of research in the department of Chemistry.

Diversity oriented synthesis of natural products inspired bioactive ligands as tubulin inhibitors, GSK-3-inhibitors, aldose reductase inhibitors, anti-hypoglycemic agents and antimicrobials another frontier areas in the Chemistry department. The Chemistry faculty is also engaged in the synthesis of novel iron-sulfur cubane type clusters which are found in the active sites of hydrogenases and their composites with carbon nanotubes and graphene. These catalytic materials are evaluated for their catalytic activity for hydrogen gas evolution which is considered as an environmentally clean and alternative fuel.

Research projects in the department are sponsored by the Department of Science and Technology for example, DST-EMR and DST-Fast Track. Funds for research have also been received from funding agencies like Department of Biotechnology (DBT), Defence Research & Development Organisation (DRDO) and University Grant Commission (UGC). The University is also funding the faculty through Research Promotion Grants for the beginners.

Department of Medical Elementology and Toxicology

The Department of Medical Elementology and Toxicology is one of the few Departments in India having full-fledged academic programme at Postgraduate and Doctoral levels in Toxicology. The Department has made its mark in toxicological research and has been supported by the Department of Science and Technology (DST) through Fund for Improvement of S&T Infrastructure in Universities & Higher Educational Institutions (FIST) programme and University Grants Commission (UGC) Special Assistance Programme (SAP). Ph.D degree in Toxicology is being awarded in different fields of toxicology. The Department has collaborative programmes with many reputed institutes such as Indian Institute of Toxicological Research (CSIR), Lucknow; Central Drug Research Institute (CSIR), Lucknow; Indian Institute of Integrative Medicine (CSIR), Jammu; Institute of Nuclear Medicine and Allied Sciences (DRDO), New Delhi etc.

Thrust areas

- Chemoprevention of cancer by plant products/indigenous medicines and standardization of such drugs.
- Targeting the molecular mechanism and elucidation of their plausible role in induction of carcinogenesis in prostate, liver, kidney and skin at preclinical stage.
- Toxic effects of endocrine disrupting chemicals (EDCs).
- Neurodegenerative disorders and their protection.
- Role of trace elements in the manifestation of diseases.
- Ecotoxicity of environmental pollutants and their interactive effects.
- Immunotoxicity of drugs and environmental chemicals and its prevention.
- Molecular mechanism of nanoparticles in toxicity manifestation.
- Animal models of arthritis for study of mechanism of action of protective agents.
- Fly lab as an alternate model of toxicology

The Department has received funding support from agencies such as Council of Scientific and Industrial Research (CSIR), Central Council for Research In Unani Medicine (CCRUM), Department of AYUSH, Department of Biotechnology (DBT), Department of Science and Technology (DST), Indian Council for Medical Research (ICMR), Ministry of Environment and Forests and UGC. Every year a good number of students qualify fellowships offered by government agencies. Students who have obtained degree in toxicology have got placements

in various companies and R&D institutes such as Sun Pharmaceuticals Ltd., CDRI, IITR, Dabur, Torrent, Cadila, Lupin, Dr. Reddy's Laboratory, Sri Ram Institute of Industrial Research, Nestle, Himalaya etc. The Department's distinguished Alumni as faculty or postdoctoral fellows are spread all over the globe. More emphasis is given to develop academic and research skills of the students. M.Sc. programme has integral component of dissertation work in the fourth semester. After completion of the course students have job opportunities in industry and research organizations. A good number of students qualify NET examinations conducted by UGC-CSIR in life science and forensic science streams. The Department is fully-equipped with sophisticated equipment to perform research in all major fields of toxicology including *in vitro* and *in vivo* toxicity studies.

Courses offered:

B.Sc.-M.Sc. Integrated programme:

(Biochemistry, Biotechnology, Botany, Chemistry, Clinical Research and Toxicology)

Duration : Five years (Ten semesters)

Seats : 120 (SFS), 20 seats per subject

Eligibility: A candidate seeking admission to the BSc-MSc Integrated program must have passed Senior Secondary (12th / Intermediate) examination with Biology/ Mathematics from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection procedure: Selection will be made purely based on the marks obtained in qualifying examination. In case the minimum number of students (at least 50%) of any particular discipline is not admitted then the course for that discipline for that particular year will be discontinued. Prospective students should fill at least 3 disciplines as choices at the time of filling application form.

The student will have exit option after sixth semester. In such cases the candidate will be awarded B.Sc. Honours degree in the respective subject of study chosen by him/her.

Post Graduate Programmes:

M.Sc. Biochemistry

Duration: Two years (Four semesters)

Seats: 30 [25* General Category+05 SFS Category]

Eligibility: Passed B.Sc. in Biochemistry or equivalent examination in Biological Sciences with Biochemistry or Chemistry as one of the subjects securing at least 50% marks in aggregate.

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of B.Sc. programme. In case where final year exam result is not out, the average of last two years marks will be counted for provisional selection of candidates.

M.Sc. Biotechnology

Duration: Two years (Four semesters)

Seats: 50 [25* General Category+25 SFS)-Seats include the seats for NRI/sponsored category candidates

Eligibility: Passed B.Sc. examination from a recognized University in Biological Sciences/B.Sc. (Agriculture)/B.V.Sc with a minimum of 50% marks in aggregate.

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of B.Sc. programme. In case where final year exam result is not out, the average of last two years marks will be counted for provisional selection of candidates.

M.Sc. Botany

Duration: Two years (Four semesters)

Seats: 40 [32* General Category + 08 SFS)

Eligibility: Passed B.Sc. or equivalent examination of a recognized university with Botany/Plant Sciences as one of the subjects securing at least 50% marks in the aggregate.

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of B.Sc. programme. In case where final year exam result is not out, the average of last two years marks will be counted for provisional selection of candidates.

M.Sc. Chemistry

Duration: Two years (Four semesters)

Seats: 40 [32 general + 08 SFS]

Eligibility: Passed B.Sc. or equivalent examination from a recognized University with Chemistry as one of the subjects securing at least 50% marks in the aggregate.

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of B.Sc. programme. In case where final year exam result is not out, the average of last two years marks will be counted for provisional selection of candidates.

M.Sc. Clinical Research

Duration: Two years (Four semesters)

Seats: 30 [SFS]

Eligibility: Passed MBBS/ BDS/ BAMS/ BUMS/ B.V.Sc./ B.Pharm/ B.Sc. Nursing /BOT/ BPT/ B.Sc. Medical Lab. Techniques/B.Sc. With Biochemistry/ Biotechnology/ Microbiology/ Zoology /Bioinstrumentation or any other life sciences/allied health sciences securing at least 50% marks in the aggregate

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of

B.Sc. programme. In case where final year exam result is not out, the average of last two years marks will be counted for provisional selection of candidates.

M.Sc. Toxicology

Duration: Two years (Four semesters)

Seats: 40 [32 General + 08 SFS)

Eligibility: Passed B.Sc. with any three of the following subjects: Botany, Chemistry, Zoology, Biochemistry, Biotechnology, Microbiology, Environmental Biology or a subject of Life Sciences securing at least 50% marks in the aggregate.

Having studied Biology at 10+2 level and having B. Pharm./B.V.Sc./B.Sc. (Agriculture)/BMLT and other paramedical or allied sciences degree securing at least 50% marks

Selection procedure: Selection for PG programs will be based on the merit in the qualifying examination. Qualifying exam will mean average of three years marks of B.Sc. programme. In case where final year exam result is not out, the average of last two years marks will be counted for provisional selection of candidates.

Doctoral

- Ph.D in Biochemistry
- Ph.D in Biotechnology
- Ph.D in Botany
- Ph.D in Chemistry
- Ph.D in Clinical and Translational Sciences
- Ph.D in Toxicology

Eligibility and selection procedure:

Briefly, candidates shall have a Master's Degree or a professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs.

School of Interdisciplinary Sciences and Technology

The school promotes education and research in interdisciplinary sciences and currently offers B.Tech in Food Technology, M. Tech. in Food Technology and Ph.D. in Bio-informatics, Chemo-informatics, Food and Fermentation Technology, and in Molecular Medicine, besides the areas where the nature of work is interdisciplinary, demanding expertise from different disciplines. The School provides opportunity to researchers and academicians to interact with the faculty and students of all the faculties of the University and carry out research in interdisciplinary areas as well as promote opportunities for higher education in identified areas. Faculty has entered into collaboration with URDIP (CSIR), Pune, and has established a very strong PhD program in the area of Bioinformatics and Fermentation in place. Presently over a dozen students are registered in PhD programme. The Department of Food Technology has received a substantial grant of Rs.75 lakhs from Ministry of Food Processing Industries and has strengthened the laboratories and infrastructure of the Department.

Department of Food Technology

Food Technology is a branch of science in which knowledge of food science is applied in manufacturing and preservation of food products. Food technologists study the chemical, physical and microbiological make-up of the food and are involved in its processing, preservation, packaging and storage in safe, wholesome and nutritious form. The demand of professionals and trained personnel in the food industry as well as in research and development in government and industrial setup is immense. Food technologists are employed in food industries, mills, distilleries, packaging industry and hotels. They are employed as professionals in quality assurance, food production, analytical and research laboratories and new product development. Food technology professionals also work as consultants, advisors, auditors in inspection boards or quality assurance departments. Companies like Hindustan Unilever, Britannia, Danone, Heinz, Kellogg, Nestle and many others recruit food technologists periodically as product development manager, food safety experts, quality assurance personnels as well as scientists for developing new products or bringing about an improvement in existing products.

The Food Technology program at Jamia Hamdard aims at producing professionally competent, proficient and highly skilled personnel in the field of food technology, with a knowledge of various aspects of food science and technology including the quality of raw material, packaging standards and methodology, health and hygiene parameters, processing techniques, storage and food value and educate them on the methodologies for extracting

useful byproducts. The course content includes the functional foods, nutraceuticals, nonalcoholic beverages, medicated water, dietary supplements, novel biodegradable material, transgenic and organic food, good manufacturing and post-harvest practices, fundamentals of chemical engineering, dairy technology, and bioprocess engineering.

B. Tech. Food Technology

Duration: Four years (Eight Semesters)

Seats: 30 (25 General + 5 NRI/ Sponsored); additional seats are available for Foreign nationals

Eligibility: A candidate seeking admission to the program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics/Biology from CBSE or any other Board recognized by JH as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection procedure: Selection will be based on merit in Paper-1 of JEE (Main) 2018/NEET 2018, conducted by CBSE. Non NEET/Non JEE candidates may also apply. *In case of non-availability of sufficient number of applicants with above mentioned qualification, University has the right to admit candidates on the basis of merit of qualifying examination or the merit of internal test and/or Interview conducted by Jamia Hamdard which will be announced separately, if situation arises.* Non JEE / Non NEET candidates may also apply. However, JEE / NEET candidates will be preferred. Subject to availability of vacant seats, non JEE / non NEET applicants may be considered on the basis of merit in qualifying examination with Physics, Chemistry, Maths / Biology.

M. Tech. Food Technology

Duration: Two years (Four Semesters)

Seats: 25; additional seats are available for Foreign Nationals.

Eligibility: B. Tech. in Food/ Dairy /Agriculture /Chemical/ Biotechnology and Mechanical Engineering or MSc in Food Science/Chemistry/ Biochemistry or allied disciplines or B. Pharm. with at least 55% marks in aggregate.

Selection procedure: Merit of the qualifying examination.

Post Graduate Diploma in Food Analysis and Regulation (DFIR)*

Duration: 1 year

Seats: 30

Eligibility: Aspirants possessing any of the following qualifications are eligible to apply. Bachelors degree in science stream with chemistry as a compulsory with minimum 50% marks. Bachelors degree in Agriculture/ Public Health/ Veterinary Science/ Dairy Technology/ Pharmacy/ Food Technology also eligible for applying Food Analysis and Regulation course.

Selection Procedure: Candidates will be selected based on performance in Interview. The primary objective of this interview is to test whether the candidates possess adequate knowledge to take up the responsibility of food inspection, analysis and regulation. Candidates can expect technical questions, which cover the areas of food technology. They should have good idea about how the food products are processed to do well in the interview round. As this is a personal interview, the attitude of the candidates will be also tested.

Fees Rs.100,000 (complete Course)

* Subject to approval

Ph.D. Bioinformatics

Eligibility and selection procedure: Masters degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics / chemoinformatics from a recognized University/Institute.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Ph.D. Chemoinformatics

Eligibility and selection procedure: Masters degree with minimum of 55% marks in aggregate in subjects such as Bioinformatics, Biotechnology, Biochemistry, Microbiology, Toxicology, Pharmacology, Information Technology and other allied subjects having relevance to Bioinformatics / chemoinformatics from a recognized University/Institute.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Ph.D. Food and Fermentation Technology

Eligibility and selection procedure: Candidates having passed MTech (Food Technology), MTech (Biotechnology) MSc (Food Science), MPharm (Pharmaceutics/ Pharmacognosy & Phytochemistry/ Pharmaceutical Biotechnology), MSc (Biotechnology) or MSc (Biochemistry) with minimum of 55% marks or equivalent grade from a recognized University/Institute.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Ph.D. in Molecular Medicine

Eligibility and selection procedure: Candidates having passed MSc in any branch of Life Sciences, M.Tech (Biotechnology) or any other related qualification with minimum of 55% marks or equivalent grade from a recognized University/Institute.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

PhD in Interdisciplinary Sciences

In areas where the nature of work is interdisciplinary, demanding expertise from different disciplines.

Eligibility and selection procedure: Briefly, candidates shall have a Master's Degree or a professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

School of Engineering Sciences & Technology (SEST)

Department of Computer Science & Engineering

Department of Computer Science & Engineering (in the School of Engineering Sciences & Technology) started in 1997, and it has grown now into a vibrant centre of teaching and research. The department has a pool of highly qualified excellent teachers and technical staff members as per UGC/AICTE norms. The Department not only offers Under Graduate (UG) and Post Graduate (PG) Programmes in Computer Science & Engineering / Computer Application / IT / Bioinformatics / ECE / Information Security & Cyber Forensics, but is also engaged in high quality research activities leading to Ph.D. degree in different thrust areas of computer science and engineering and intra disciplinary areas viz. Big Data, Soft Computing, Neural Network, Artificial Intelligence, Fuzzy Logic, Software Engineering, Data Mining, Information Security, Cyber laws, Cyber Forensics, Computer Architecture, Graph Theory, Computer Networks, Distributed System, Discrete Structure, Robotics, Cognitive Radios, Mobile Computing, DBMS, Algorithms, etc. to list a few. Department has made a lot of contributions towards these areas in the form of publications in journals/conference-proceedings/books/sponsored research and collaboration with industrial research. The Department offers the following programmes of study:-

Programs of Study and Selection Procedure

- ✓ Doctor of Philosophy (Ph.D.) in Computer Science & Engineering
- ✓ Doctor of Philosophy (Ph.D.) in Computer Science
- ✓ Master of Technology (M.Tech.) Information Security & Cyber Forensics
- ✓ Master of Technology (M.Tech.) Computer Science & Engineering
- ✓ Master of Technology (M.Tech.) Bioinformatics
- ✓ Master of Technology (M.Tech.) Computer Science & Engineering (Part Time)
- ✓ Master of Computer Application (MCA)
- ✓ Integrated 6-Years Master of Computer Application (MCA)
- ✓ Integrated 5-Years Master of Science (Computer Science) M.Sc.(CS)
- ✓ Bachelor of Technology (B.Tech.) Computer Science & Engineering
- ✓ Bachelor of Technology (B.Tech.) Electronics and Communication Engineering
- ✓ Bachelor of Computer Application (BCA)

Ph.D. in Computer Science & Engineering

Eligibility and selection procedure:

- M.Tech. / ME in Computer Science/IT /Computer Engineering (or in allied field), with at least 55% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Ph.D. in Computer Science

Eligibility and selection procedure:

- MCA / M.Sc. in Computer Science / IT with at least 55% marks (or equivalent CGPA) in aggregate from any University/Institution recognized by the Association of Indian Universities (AIU)/UGC/AICTE.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

M. Tech. (Information Security & Cyber Forensics)

Duration: 2 years (4 Semesters)

Seats: 30 (25 General + 5 Sponsored, including NRI). In addition to these seats, 03 seats are available for Foreign Nationals.

Eligibility: 55% or equivalent CGPA in B.Tech./BE in Computer Science/Computer Science & Engineering/Computer Engineering/Information Technology/Electronics & Communication/ Electronics Engineering/Electrical Engineering or equivalent degree **(OR)** 55% or equivalent CGPA in MCA or in M.Sc in IT/Computer Science/Information Science & Technology/Electronics/Software Engineering or equivalent degree.

Selection procedure: Merit of the qualifying examination.

M.Tech. (Computer Science & Engineering)

Duration: 2 years (4 Semesters)

Seats: 30 (25 General + 05 Sponsored, including NRI); in addition to these seats, 03 seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission in M. Tech. Computer Science & Engineering must have:

- Passed B.Tech. / B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering / ICT with at least 55% marks (or equivalent CGPA) in aggregate.

(Or)

MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc.(Electronics) with at least 55% marks (or equivalent CGPA) in aggregate.

(Or)

B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M.Tech. (Bioinformatics)

Duration: 2 years (4 Semesters)

Seats: 18 (15 General + 03 Sponsored, including NRI); in addition to these seats, 03 seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission in M. Tech. Bioinformatics must have:

: • Passed B.Tech. or M.Sc or equivalent degree in: Bioinformatics / Information Technology / Computer Science / Bioelectronics / Biophysics / Biomathematics / Biotechnology / Biochemistry / Life Sciences, or Pharmacy, or in any allied disciplines (as decided by Jamia Hamdard), or MCA degree, with at least **55%** marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M.Tech. (Big Data Analytics)

Duration: 2 years (4 Semesters)

Seats: 30 (25 General + 05 Sponsored, including NRI); in addition to these seats, 03 seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission in M. Tech. Big Data Analytics must have:

- Passed B.Tech. / B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering / ICT with at least 55% marks (or equivalent CGPA) in aggregate.

(Or)

MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc.(Electronics) with at least 55% marks (or equivalent CGPA) in aggregate.

(Or)

B.Tech. / B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 55% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

M.Tech. (Computer Science & Engineering) – Part Time

*This is a Weekend Programme to facilitate the enhancement of qualifications of the in-service engineers/technocrats besides the fresh candidates. Preference will be given to in-service candidates or to those having working experience. Most of the teaching-learning process of this Weekend Programme will be held during Saturdays/Sundays, **but all the Semester-end examinations (Theory and Practical both, and Seminars/Project/Dissertation evaluation etc.) and all other official activities including fees submission, central library service, sports, etc. (except Teaching) will be held during weekdays (Monday to Friday) only.** During the semesters with the courses like Project/Dissertation, **the guidance by the supervisors will be done during weekdays and consequently the students during these Project/Dissertation courses of the semesters must be prepared to visit the supervisors for guidance during weekdays. Candidates before applying for admission must ensure themselves well aware of the above conditions. They must take care of their personal constraints well in advance. For any query/ assistance in this respect, the office of the Department of Computer Science, Jamia Hamdard may be contacted.***

Duration: 3 years (6 Semesters)

Seats: 60 (25 General, + 5 Sponsored, including NRI); additional 6 seats available for Foreign Nationals.

Eligibility Criteria: A candidate seeking admission in M. Tech. Computer Science & Engineering must have:

- Passed B.Tech./B.E. or equivalent degree in Computer Science / Computer Science and Engineering / Computer Engineering / Information Technology / Software Engineering/ ICT with at least 50% marks (or equivalent CGPA) in aggregate.
- (Or)
- MCA or M.Sc.(CS), M.Sc.(IT), M.Sc.(Software Engineering), M.Sc. (Electronics) with at least 50% marks (or equivalent CGPA) in aggregate.
- (Or)
- B.Tech./B.E. or equivalent degree in Electronics & Communication / Electronics Engineering / Electrical Engineering with at least 50% marks (or equivalent CGPA) in aggregate.

Selection procedure: Merit of the qualifying examination.

Master of Computer Applications (MCA)

Duration: 3 years (6 Semesters)

Seats: 60 (50 General + 10 Sponsored, including NRI); in addition to these seats, 06 seats are available for Foreign Nationals.

Eligibility:

- Passed B.Tech. / B.E. / B.Sc. (Engg) / BCA / B.Sc. (with Mathematics / IT / CS / Electronics / Physics as one subject passed) examination from a recognized institution/university securing at least 50% marks (or equivalent CGPA) in aggregate.
- Passed at least one paper of Mathematics at Senior Secondary (12th level) or Bachelor's level.

Selection procedure: Merit of the qualifying examination.

6-Years Integrated Master of Computer Applications (MCA)

Duration: 6 years (3+3 = 6 Years) (12 Semesters), but having exit option with BCA degree on successful completion of first six semester courses.

Seats: 60 (Inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals)

Eligibility: A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination with Mathematics as one of the passed subjects from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior Secondary (12th Standard/Intermediate) examination with Commerce background having one paper Accountancy or Business Mathematics, securing at least 50% marks or equivalent CGPA in aggregate A candidate must have passed Senior-Secondary (12th standard/intermediate) examination with Mathematics as one of the subjects from CBSE or any other board recognized by Jamia Hamdard as equivalent thereto, securing atleast 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior-Secondary (12th standard/intermediate) examination with Commerce background having one paper Accountancy or Business Mathematics, securing at least 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior-Secondary (12th standard/intermediate) examination having one Theory paper Computer Science / Multimedia and Web Technology / Information Technology /Information Practice, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: The admission will be on the basis of merit of the qualifying examination.

5-Years Integrated Master of Science (Computer Science) : M.Sc (CS)

Duration: 5 years (3+2 = 5) (10 Semesters), but having exit option with B.Sc. (CS/IT) degree on successful completion of first six semester courses.

Seats: 60 (Inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals)

Eligibility: A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination from Science stream with Mathematics as one of the passed subjects from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: The admission will be on the basis of merit of the qualifying examination.

B. Tech. Computer Science & Engineering (CSE)

Duration: Four years (8 Semesters) for each programme.

Seats: Shift-1 = 120 seats, Shift-2 = 60 seats; inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 of JEE (Main) 2018, conducted by CBSE.

In case few of the seats remain unfilled, Jamia Hamdard may admit candidates on the basis of merit of qualifying examination.

B. Tech. Electronics and Communication Engineering (ECE)

Duration: Four years (8 Semesters) for each programme.

Seats: Shift-1 = 60 seats, Shift-2 = 60 seats; inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals.

Eligibility: A candidate seeking admission to this program must have passed Senior Secondary (12th / Intermediate) examination with Mathematics and Physics compulsory, and one subject out of the following: Computer Science, Chemistry, Electronics from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: Selection will be based on merit in Paper-1 of JEE (Main) 2018, conducted by CBSE.

In case few of the seats remain unfilled, Jamia Hamdard may admit candidates on the basis of merit of qualifying examination.

Bachelor of Computer Application (BCA) / B.Sc. (IT)

Duration: 3 years (6 Semesters)

Seats: 180 seats, (Shift-1 = 120 seats, Shift-2 = 60 seats; Inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals)

Eligibility: A candidate must have passed Senior Secondary (12th Standard/Intermediate) examination with Mathematics as one of the passed subjects from CBSE or any other Board recognized by Jamia Hamdard as equivalent thereto, securing at least 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior Secondary (12th Standard/Intermediate) examination with Commerce background having one paper Accountancy or Business Mathematics, securing at least 50% marks or equivalent CGPA in aggregate A candidate must have passed Senior-Secondary (12th standard/intermediate) examination with Mathematics as one of the subjects from CBSE or any other board recognized by Jamia Hamdard as equivalent thereto, securing atleast 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior-Secondary (12th standard/intermediate) examination with Commerce background having one paper Accountancy or Business Mathematics, securing at least 50% marks or equivalent CGPA in aggregate **(OR)** passed Senior-Secondary (12th standard/intermediate) examination having one Theory paper Computer Science / Multimedia and Web Technology / Information Technology /Information Practice, securing at least 50% marks or equivalent CGPA in aggregate.

Selection Procedure: The admission to the BCA/B.Sc. (IT) programme will be on the basis of merit of the qualifying examination.

General Note:

“**Equivalence**” of degrees/certificates or nomenclature or about subject area / specialization, the decision of Jamia Hamdard will be final. For this, Jamia Hamdard may ask for further documents from the candidates which they have to produce on or before the date prescribed by the university authority. For any foreign degree, equivalence of your degree is required to be issued by AIU. But, ultimately it is the sole right of Jamia Hamdard authority to accept/reject an ‘equivalence’ without giving any explanation.

School of Humanities & Social Sciences

We have made you into nations and tribes so that you may know each other. The most honourable of you with Allah is the one who is pious. [Al Quran, 49:13]

This School offers programs in humanities and social sciences. The School consists of a Department of Islamic Studies, Center for Iranology and a UGC-Center for Federal Studies.

Department of Islamic Studies

This is one of the oldest departments set up by the late Founder-Chancellor, Janab Hakeem Abdul Hameed Saheb, which later provided the base for establishing Jamia Hamdard in 1989. The Department is actively engaged in research and teaching activities and offers BA (Hons), MA and PhD programmes. The BA (Hons) and MA programmes have been designed to acquaint students with various aspects of Islamic faith and civilization. The subsidiary and compulsory papers of BA (Hons) have been prepared keeping in mind requirements of the present times. The purpose is to give a thorough knowledge of contemporary subjects of social sciences such as Sociology; Political Science; Economics; Islamic Economics, Banking and Finance; Computer Applications; Arabic and English languages. The MA programme also focuses on issues like Ijtihad, the Islamic position on multi-culturalism, dialogue between religions and civilizations, knowledge in the Islamic perspective, and problems faced by the Muslim community in India and abroad. The main thrust of research in the Department is in the areas which have relevance to the issues of the contemporary Muslim world with special reference to Indian Muslims. These include subjects related to the socio-economic, religious and political problems of Muslims in the contemporary Indian perspective, contribution of Muslims to different walks of life, issues related to misunderstandings about Islam and Muslims, the impact of Islam on India and vice-versa, the contribution of Indian Muslim scholars and noblemen during the medieval period, translations of outstanding works by Muslim scholars including Muslim scientists, ulama and sufis. Research in Islamic Studies is based on, and guided by, the social science approach, and modern methodology, within the parameters prescribed by the Holy Qur'an and Hadith.

BA (Honors) Islamic Studies

Duration: Three years (6 Semesters)

Seats: 25 (Inclusive of seats reserved for NRI/ Sponsored candidates); additional seats are available for Foreign Nationals.

Eligibility: A candidate must have passed the Senior Secondary (12th Standard/ Intermediate) examination conducted by the Central Board of Secondary Education, or any other examination recognized by Jamia Hamdard, securing

at least **45%** marks in aggregate. Knowledge of Urdu is essential. Alternatively, he/she should have passed *Alim* from Madrasa Board or should have *Alimiyah* degree from Madrasas recognized by Jamia Hamdard, securing at least **45%** marks.

Note: Candidates applying for BA (Hons.) Islamic Studies are advised to read the list of Madrasas/Boards/Institutions recognized by Jamia Hamdard as mentioned in General Information and Admission Guidelines 2018-19.

Selection procedure: Admission to BA (Hons) Islamic Studies will be made on the basis of merit determined by marks in the respective qualifying examination.

MA Islamic Studies

Duration: Two years (4 Semesters)

Seats: 20 (Inclusive of seats reserved for NRI/ Sponsored candidates) Additional seats are available for Foreign Nationals.

Eligibility: Candidate must have a Bachelor's degree in Islamic Studies or related disciplines with at least **45%** marks. Applicants who have passed *Fazilat* (Graduation) with at least **45%** marks from a Madrsa recognized by Jamia Hamdard or as per the guidelines prescribed for this purpose by the UGC, if any, are also eligible. Candidate should be proficient in English and Urdu/Arabic and have knowledge of the basic teachings of Islam.

Note: Candidates applying for MA Islamic Studies are advised to read the list of Madrasas/ Boards/ Institutions recognized by Jamia Hamdard as mentioned in General Information and Admission Guidelines 2018-19.

Selection procedure: Admission to MA Islamic Studies will be made on the basis of merit determined by marks in the respective qualifying examination.

Ph.D. Islamic Studies

Eligibility and selection procedure: Briefly, candidates shall have a Master's Degree or a professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

Centre for Iranology

Part-time Certificate Course in Persian Language

Duration: One Academic year

Seats: 15

Eligibility: Candidates seeking admission to the Certificate Course in Persian must have passed the Senior Secondary School Certificate Examination of the Central Board of Secondary Education, New Delhi or Alimiyat/Alim degree from Madarsas recognized by Jamia Hamdard or an examination recognized as equivalent thereto.

Selection Procedure: Admission will be made on the basis of merit, determined by marks in the respective qualifying examination.

Part-time Diploma in Persian Language

Duration: One Academic year

Seats: 15

Eligibility: Candidates seeking admission to the Diploma Course in Persian must have passed a Certificate Course in Persian from any university or an examination recognized as equivalent thereto.

Selection Procedure: Admission to the Diploma in Persian language will be made on the basis of merit, determined by marks in the respective qualifying examination.

Note for Applicants of Part-time Diploma in Persian Language and Certificate Course in Persian Language:

1. A student who has already enrolled in any other course of Jamia Hamdard and paid the Library Security Deposit, he/she will be exempted from payment of Library Security Deposit at the time of admission in Part-time Diploma in Persian Language and Certificate Course in Persian Language
2. A student from outside of Jamia Hamdard will also be exempted from payment of Library Security Deposit if he/she does not want to avail Library facility. He/she shall not be issued Library Cards and shall not be allowed to avail Library facility.
3. Jamia Hamdard students will be exempted from payment of Alumini Fund fee if they have already paid.
4. Enrolment Fee will not be charged from the Jamia Hamdard students if they have already paid the same and still on the roll of Jamia Hamdard.
5. The Examination Fee, if any, will be charged as usual.

UGC- Centre for Federal Studies

This Centre is

- a member centre of the prestigious international Association of Centers for Federal Studies (IACFS),
- an Area Studies Research Centre of the University Grants Commission of India
- Exclusively dedicated to the studies, researches and teaching on dimensionalities of federal nation building in multicultural comparative setting.
- over the years Federal Studies as an independent academic discipline has matured as a doctrine of
 - (i) State and nation building
 - (ii) Noncentralized/decentralized governance
 - (iii) Empowerment and welfarism
 - (iv) Rights and,
 - (v) Peace and conflict resolution

The contemporary focus of Federal Studies is on the promotion of interface and policy studies on 'human capital and natural resource management from the perspective of Federalism. It is being planned and developed as a principal knowledge instrument for shaping the future of mankind in the 21st century. It is unconventional in nature and scientific in temperament. It bridges the traditional divide between natural sciences and social sciences.

Mandate:

- (i) to develop as an exclusive knowledge resource centre and to grow as internationally acclaimed resource repository on various dimensions of federal nation-building in India and other multicultural and diverse polities of the world, particularly Euro-American and south Asian polities.
- (ii) to convert academic studies into pragmatic policies i.e. to provide policy alternatives and
- (iii) To popularize federalism as grand design of living together. Centre has unique knowledge repository on micro themes of Indian federation, democracy, polity and society Centre has also developed its own data bank on select themes of Indian polity and society Knowledge resource of the centre is being currently converted into online media for the access of national and international academia.

Since the year 2000, the Centre is regularly publishing its peer reviewed and internationally circulated bi-annual Journal **Indian Journal of Federal Studies (ISSN No. 0976-8408)**

Areas of Research:

- Comparative federalism
- Interstate comity
- Federal power sharing
- Working of coalition system
- Environmental management and ecological concerns of development
- Sectoral analysis of state policies
- Decentralization, development and empowerment
- Human rights, inclusive growth and development of socio-economically marginalized groups
- Federal accommodation of identities
- Globalization and global governance
- Indian Government and Politics
- Working of Indian Federalism
- Social/Regional Movements
- Public Finance and Economic Management of Taxes and Resources
- Environmental and Ecological Concerns
- Local Self-Government
- Election Studies

Methodologically the Centre promotes interdisciplinary and interface studies on abovementioned themes. It prefers case specific, simulated and guided modes of teaching and research.

Programs of study**MA (Human Rights)**

- Duration:** Two Years (4 Semesters)
- Seats:** 25 (inclusive of seats reserved for NRI/Sponsored candidates. Additional seats available for Foreign Nationals)
- Eligibility:** 45% marks in aggregate in the Bachelors examination recognized by the Statutory Bodies of India. Relaxation of 5% of marks, from 45% to 40% or an equivalent relaxation of grade, shall be allowed for those belonging to SC/ST/OBC (non-creamy layer) differently-abled and other categories of candidates declared eligible by the UGC from time to time.
- Selection Procedure: Merit of the qualifying examination.**

4	Teaching Experience/Publication	05
5	Personal Interview	35

- 1.3 The interview board shall specifically look for the candidate's depth of knowledge awareness of recent developments, competence for the proposed research, whether the research work can be suitably undertaken at the institute, and whether the proposed area of research can contribute to new/additional knowledge. The candidate is required to submit detailed research proposal in advance i.e. before the scheduled date of interview.
- 1.4 Total no of Seats : 25 (excluding supernumerary seats for foreigners)

Ph.D. in Federal Studies

Eligibility and selection procedure: Briefly, candidates shall have a Master's Degree or a professional degree declared equivalent to Master's degree by the corresponding statutory body, with at least 55% marks in aggregate or its equivalent Grade 'B' in the UGC 7-point scale.

NET-JRF/Individual Fellowship holders/Project Fellows will be preferred for admissions in Ph.D. programs

School of Management & Business Studies

This School consists of the following Departments and programs of study:

1. **Department of Management**
2. **Department of Health & Hospital Management**
3. **Centre for Catering and Hospitality Management**

The Department of Management Studies was established in the year 1998. Ever since its inception, the department has aimed at broadening the outlook, strengthening the skills of future managers and to develop the personality of the students. Due to the core competencies of the faculty the department has made a name for itself, both among industry erudite and intelligentsia. The degree awarded is a master's degree with specialization in General Management. In the year 2014, the Bachelors Program of BBA was initiated. So far this has been a well received program. The Department was bifurcated in 2016, into Department of Management and Department of Health & Hospital Management. The pedagogy involves combination of the theoretical concept with practical application. This is achieved by discussing the latest developments in management thinking and their applications in the Indian context through case studies, club activities, seminars, Guest lectures and Industrial tours. The students are encouraged to overcome the limitations of classroom education by attending club activities twice a week. The club activities provide a platform for polishing the communication and presentation skills. During the club session, students make individual presentations on recent happenings in the areas of management. They also organize Management Fests, Biz-Quiz, Debates, Ad-mad shows etc. through which learning becomes a pleasant experience. In order to have interaction with the corporate world, the MBA Programme incorporates guest lecturers as part of its curriculum. The department invites guest speakers from the industry to interact with the students and give insights in contemporary issues and developments.

Placements

Placement activities are coordinated by a placement cell headed by a Placement coordinator, comprising of selected student representatives and faculty member. This includes both summer internship as well as final placements.

Programmes of study and selection procedure

BBA (Bachelors in Business Administration)

Duration: 3 years/6 semesters

Seats: 150 (inclusive of seats reserved for NRI / sponsored candidates; additional seats are available for Foreign Nationals)

Eligibility: 10+2 from any recognized board with 50% marks.

Bachelor of Arts and Bachelor of Law (BA-LLB) 5 Years Integrated Course*

Duration: 5 Years
Seats: 120 seats

Eligibility:

The candidate should have passed 12th (10+2) standard examination from any government-recognized board with minimum 50% marks (45% for S.C. / S.T. students). Students who have appeared for their H.S.C finals and awaiting results are also eligible to apply, subject to submission of passing certificate by the notified date.

Selection procedure: Admission to BA-LLB will be made on the basis of merit determined by marks in the qualifying examination.

Fee Structure:

Rupees 100,000 per annum (50,000 each semester).

***Subject to approval by the Bar Council of India**

School of Open and Distance Learning

There has been a significant growth in the area of open & distance education around the world. Open Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on-campus education due to various reasons. As a result it is an effective tool for non-formal education. Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such as vocational and technical education and even in high technology based education. The distance education also has potential to reach to un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard being in education for a long time has taken initiatives to offer an opportunity to those students who are unable to get on-campus education and those who have limited access to educational resources.

The School of Open and Distance Learning (SODL) of Jamia Hamdard was established in 2004 to promote education through open and distance learning system. Its flexible and innovative methods of education to ensure 'independent learning' to anyone, anytime and anywhere. ODL programmes of Jamia Hamdard also envisage to provide an opportunity to girls from Muslim community, who by and large have been left out by the national educational endeavors.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of University, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of University's programmes through ODL mode. This goal in view, the DODL of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular updates of curricula and study material and introduction of tools of Information Technology.

Jamia Hamdard offer education through ODL mode in few selected programmes where University has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available

courses offered by other institutions and the market demand, and/or to provide cost-effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Without sacrificing the quality of education, the cost of education is kept very low so that the economically deprived sections may afford to pay fees and benefit from the educational opportunity provided at the doorsteps.

Following courses are offered through distance mode:

Programme	Eligibility	Duration (Years)
P.G. Diploma in Bio-informatics (PGDB)	B.Sc. in Biology or B.Sc. in Mathematics/ Statistics with Biology in 10+2 examination	01
P.G. Diploma in Chemo-informatics (PGDC)	B.Sc. with Chemistry as one of the subjects	01
P.G. Diploma in Dietetics & Therapeutics Nutrition (PGDDTN)	B.Sc. degree in home Science or in Biological Science	01
P.G. Diploma in Pharmaceutical Regulatory Affairs (PGDPRA)	B.Pharm./MBBS or Bachelor Degree with one year experience in Pharmaceutical Industry, Clinical Research, Regulatory affair and IPR are also eligible.	01
P.G. Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA)	B.Sc. in any branch of Science	01
P.G. Diploma in Intellectual Property Right (PGDIPR)	B.Sc. in any branch of Science/LLB	01
P.G. Diploma in Human Rights (PGDHR)	Bachelor degree in any discipline	01
PG Diploma in Medical Record Techniques (PGDMRT)	Bachelor degree in any discipline	01
Bachelor of Computer Application (BCA)	10+2 in any discipline	03
Bachelor of Business Administration (BBA)	10+2 in any discipline	03

ANNUAL FEE STRUCTURE FOR School of Open & Distance Learning Programmes

Name of the Programme/Course	Indian Students (in Rs.)	Foreign Nationals (in US \$)*
P.G. Diploma in Bio-informatics (PGDB)	18,000	1000
P.G. Diploma in Chemo-informatics (PGDC)	14,000	1000
P.G. Diploma in Dietetics & Therapeutics Nutrition (PGDTN)	12,000	1000
P.G. Diploma in Pharmaceutical Regulatory Affairs (PGDPRA)	20,000	2000
P.G. Diploma in Environmental Monitoring and Impact Assessment (PGDEMIA)	12,000	1000

P.G. Diploma in Human Rights (PGDHR)	6,000	800
PG Diploma in Medical Record Techniques (PGDMRT)	12000	1000
Bachelor of Computer Application (BCA)	18,000	1000
Bachelor of Business Administration (BBA)	16,000	1000

* Students from SAARC countries will pay fee as per the norms of the University.

Jamia Hamdard Residential Coaching Academy

Jamia Hamdard Residential Coaching Academy (JHRCA) was established in September, 2009 under the aegis of Ministry of Human Resource Development, Government of India and funded by the University Grants Commission. The main thrust of the Coaching Programme is to prepare candidates from the Minority community along with SC/ST and Women candidates to compete and secure jobs in Government and Public Sector Units. Academic support and guidance along with personality development interventions are emphasised at the Academy for holistic development of candidates to face the stiff competition for entry into various services.

Infrastructure and Facilities

The Coaching Academy is located in the main campus of Jamia Hamdard at Hamdard Nagar, New Delhi. Necessary infrastructures such as class rooms, library, offices, computer lab etc. are properly available to cater to the requirements.

The contextual and required lectures and interactive sessions are conducted by qualified and competent resource persons, drawn from respective fields and expertise. The coaching program, spread over a period of 10 months, is rigorous and intensive. Regular written Tests are conducted to evaluate the performances of the Candidates.

In addition, personality development of the candidates is emphasized by personal support and guidance. Regular interactive sessions with successful Civil Servants are also being conducted for the candidates. Group discussions and debates among candidates are encouraged to develop communication skills.

Library

There is a dedicated Library for the candidates of the Academy. Newspapers, periodicals, books and notes for civil services are available in the library. The library is kept open for 20 hours a day on all days of the week. Candidates can also avail the facilities at the Central Library of the University.

Hostel

Hostel facility is provided to all admitted candidates on sharing basis. Hostel rooms are equipped with all the basic amenities. Mess facility is open to all the residents of hostel on payment. As washing of cloths is not allowed in the Hostel, the Candidates will have to pay the laundry charges, separately the hostel facilities would be provided for a period of ten months only.

Stipend

Under the Project, 20% of the selected candidates would be awarded with stipend of Rs. 2,000 per month. The criteria for selection are based on merit cum means of the candidate. For securing the stipend the Applicants have to produce the income certificates of their parents, duly issued either by the Tahsildar (revenue officer) of their Block or Mandal or by their employer, only. The stipend will be given for a period of ten months which will commensurate with the stay in the hostel. However, a candidate will be eligible for stipend only for one term of his/ her stay in the Academy.

Admission Process

The Academy will screen and scrutinise the applications on specific parameters, as mentioned in paragraph 5 below, and only short listed candidates would be called for written test. Those who qualify in the written test would be called for Personal Interviews and final selection for admission. The written test and interviews will be held at Jamia Hamdard, New Delhi.

Eligibility

The Applicant must have completed graduation i.e. BA/BSc/B.Com/B.Tech/ B.Pharm or equivalent examination from any recognized University of the Country.

General Information and Admission Guidelines

Following admission guidelines shall be adhered to while considering the candidates for admission in various programs of study at Jamia Hamdard for the academic session 2018-19

Admission to all Under Graduate programs offered by Jamia Hamdard will be made through merit in NEET (UG)/JEE (Main) 2018, wherever applicable, from amongst the applicants who have applied for admission in Jamia Hamdard. In case of other programs, Jamia Hamdard may select the candidates for admission on the basis of marks obtained in the Qualifying Examination or Interview or Entrance Test conducted by Jamia Hamdard.

- Jamia Hamdard reserves the right to accept/ advertise and call applications from Non-NEET (UG)/ Non-JEE (Main) qualified candidates in case of non availability of suitable rank holders in a particular discipline subject to approval of the Competent Authority of Jamia Hamdard.
- Applications for all programs offered by Jamia Hamdard shall be accepted online through Online Admission Portal 2018. Jamia Hamdard reserves the right to accept applications for some or all programs of study offline, if required, subject to approval of the Competent Authority of Jamia Hamdard.
- Admission to MBBS program shall be governed by the MCI Guidelines, which can be accessed on the MCI website as well as on the website of Jamia Hamdard and in the Prospectus and Information Bulletin of Jamia Hamdard or website link of Hamdard Institute of Medical Sciences and Research (HIMSR).
- For admission to all other programs of study governed by various councils, regulatory bodies, admissions will be carried out as per their guidelines.
- In the interest of Jamia Hamdard, the Competent Authority of Jamia Hamdard, is authorized to take appropriate decision regarding admissions.

Important information and instructions

1. Applicants are advised to read carefully the contents of this Information Bulletin & Prospectus and familiarize themselves with the relevant rules governing the Admission / Entrance Test / GD / Interview /Counselling of Jamia Hamdard. They should also check all the eligibility criteria for a particular program of study.
2. Jamia Hamdard will not be responsible, if a candidate is denied admission for not fulfilling the eligibility criteria even if she/he has cleared all requisite eligibility conditions such as the Entrance Test / GD / Interview / Merit of qualifying examination and has been issued offer letter for admission to a particular Program of study.
3. Bachelor's degree signifies that the degree has been obtained under 10+2+3 or 10+2+4 system of education or equivalent. Application Form of candidate whose qualifying examination is not recognized by AIU (Association of Indian Universities) or by Jamia Hamdard shall not be considered for admission.
4. All admissions shall be provisional. If any omission / error in the processing / verification of certificates / documents of a candidate or not fulfilling eligibility criteria etc. is detected at the time of admissions or thereafter, the University shall have the right to cancel such admission at any time.
5. Display of name of short-listed candidates on the University website / notice board and appearing in Entrance Test / GD / Interview/ Counselling, issuance of the Admit Card / Interview letter do not confer any right to a candidate to claim admission if he / she does not fulfill all the eligibility conditions prescribed by Jamia Hamdard.

6. The Jamia Hamdard takes no responsibility for any delay or failure in e-mail transmission through website of Admit Card / Interview Letter / Intimation Letter etc. or any other communication related to admission as per regulations. Candidates are encouraged to frequently visit the Jamia Hamdard website (www.jamiahamdard.edu) for information or to contact the authorized persons as shown in the Contact Details of Online Admission Portal 2018 at www.jamiahamdard.edu.
7. No request for change in address already mentioned in the form shall normally be entertained until and unless it has been certified by respective Department of Government of India.
8. The Jamia Hamdard shall have the right to change / cancel the schedule of Entrance Test / Interview / GD/ Counselling and the display of list of selected candidates at any stage.
9. The Candidates who are not able to download their Admit Card (for entrance test only) must contact for the admit card from the Admission Section of Jamia Hamdard at least 2 days before the date of Entrance Test.
10. Any amendments, made in Admission Rules or in the eligibility criteria from time to time, shall be applicable to applicants seeking admission in the Jamia Hamdard.
11. If it is discovered at any stage that a candidate has made a false representation or used fraudulent means for admission or that she/he does not fulfill the eligibility requirements, she/he will not be allowed to complete admission formalities and a FIR against the candidate may be lodged. If admission has been granted to such candidate, the same shall be liable to be cancelled at any stage.
12. A vacancy, created due to the cancellation of admission in a manner mentioned above or due to any other reason, shall be filled up by the candidate on merit basis and as per rules of the Jamia Hamdard.
13. Jamia Hamdard reserves the right to ask the candidate to reappear in the Entrance Test / Interview to reassess his candidature if considered necessary.
14. Before filling the application form to any course, the applicant should satisfy himself / herself that he/she fulfills the eligibility criteria in terms of educational qualifications, age, (if applicable) or any other eligibility conditions etc.
15. Any omission/error on the part of Jamia Hamdard in preparing the merit/admission list, if detected during admission process or thereafter shall be liable to be rectified and no candidate shall claim any right for admission/continuance of admission (if admitted).
16. As per the resolution of Standing Committee to Academic Council (SC-120(AC)/JH-1/2007) all material related to admissions shall be retained for a period of one year only.
17. As per the resolution of Standing Committee to Academic Council (SC-142(AC)/JH-1/2011) the material related to examinations like answer books and other related material shall be retained for a period of one year after the examination. After that this may be disposed off. All other records like tabulation sheets, award lists and enrolment register etc will be maintained and remain available as per existing practice.
18. For admission to courses, the candidates getting supplementary/ compartment essential repeat in the qualifying examination may not be entitled to get admission. However, if and when allowed under special conditions as decided by the competent authority then the final result must be submitted by the given date or latest by 30th September in any case, if not submitted in time the admission will be cancelled by the Dean of the School.
19. For admission to courses, the confidential marks, received directly on or before the last date for receiving the mark sheet under sealed cover in the name of Controller of Examinations, Jamia Hamdard, New Delhi from the Universities/Boards where the result of qualifying examination could

not be declared formally may be accepted. Such candidate shall have to submit an undertaking duly Notarized by public Notary to the effect that the Original Marks sheet/Grade Sheet of the qualifying examination shall be submitted within the stipulated time limit.

20. No candidate is allowed to pursue two regular courses simultaneously in one academic year.
 21. No employee of any government / public or private sector organization shall be admitted unless he/she submits a Leave Sanction Order with No Objection Certificate from the competent authority of their departments, covering the entire/ required duration of the course to which he/she is seeking admission.
 22. Dual attendance at any stage will not be permissible.
 23. The list of selected candidates for Counselling / interview/admission will be displayed on University website, www.jamiahamdard.edu. It is the responsibility of the candidate to keep himself / herself informed about such notices. The University shall not be responsible if a candidate fails to get information regarding his/her selection for GD, interview/ Counselling/admission.
 24. In case a candidate fails to report for admission on the date and time as stipulated, his / her claim for admission shall be forfeited and no further correspondence in this regard will be entertained.
 25. Jamia Hamdard may display a waiting list. However, figuring of a name in the waiting list, will not confirm his/her right for admission.
 26. Non selected candidates for admission shall not be informed. His/her application processing fee will not be refunded. Further in all cases of admission online Application Fee /Processing Fee will not be refunded in any case.
 27. A candidate already enrolled in any of the Programs of study / class of Jamia Hamdard will be required to get his/her admission cancelled from the Program he/she is pursuing in Jamia Hamdard to be eligible for admission to another Program.
 28. Candidates are required to produce the original documents i.e. mark sheets / certificate/ degrees of qualifying examination and other necessary documents and are required to submit self attested copies of the same at the time of reporting for admission,
 29. Applicant is advised to ensure that his/her Online Application Form is correctly filled. Application Form shall be liable to be rejected in case:
 - Appropriate Fee is not paid
 - Incomplete information is provided in any respect.
 - Wrong course filled in Online Application Form
- No further correspondence shall be entertained in this regard.
30. If any discrepancy is found in the examination result of a candidate such as not fulfilling the eligibility criteria in terms of Percentage of marks or compartment in any subject or failing in the examination, the provisional admission so granted shall be cancelled by the Dean of the concerned School.
 31. If a candidate fails to produce the original marks sheet/grade sheet and other documents within time frame, the provisional admission so granted may be cancelled.
 32. No candidate shall be allowed to take admission to the same Course / Class which she/he has already passed.
 33. No candidates shall be allowed to fill up more than eight choices in a single application form as per existing option.

34. The application form can be filled only Online, although University reserves the right to accept Offline applications as and when required.

35. The medium of all Entrance Tests, wherever conducted, shall be English. However, for admission to the courses where knowledge of Urdu is essential, the medium of Entrance Test may be English / Urdu or both.

36. Remedial Course in English - It has been observed, that most of the students particularly, who come from non-English speaking countries/ geographical regions are not well versed with spoken/ written English up to the desired levels with which they can satisfactorily go along and pass their professional courses examinations. Due to this very fact, despite being talented, hardworking and committed to their studies, these students are not able to perform appreciably in their respective programs of study at Jamia Hamdard. To take care of this aspect, Jamia Hamdard conducts an 'English Language Foundation Course'.

37. In addition to the annual and other fees of the main program of study at Jamia Hamdard, students will also have to pay for this English Language Foundation Course as per the university prescribed fee structure.

38. Canvassing for admission in any form by a candidate would lead to rejection of his/her application and candidature for admission to the course.

39. The candidates once admitted shall be governed by the rules and regulations of Jamia Hamdard.

40. Jamia Hamdard has ZERO TOLERANCE for ragging. Offenders shall be dealt/punished under prescribed laws.

A. As per direction of the Honorable Supreme Court of India, the Government has banned ragging completely in any form inside and outside the campus. Whosoever, directly or indirectly, commits, participates in, abates or instigates ragging within or outside Jamia Hamdard / JH Off campus, an FIR will be lodged against him/her and he/she will be suspended or rusticated from the institution and shall also be liable to be fined to an extent of Rs. 10,000/-. In case the applicant is found to have indulged in ragging in the past or if it is noticed later that he/she has indulged in ragging, the punishment may include suspension from attending the classes, withholding / withdrawing fellowship / scholarship and other financial benefits or withholding the result, or admission can be refused or he/she shall be expelled from JH.

B. The candidates as well as their parents, at the time of admission of the students to the Jamia Hamdard, will be required to furnish an undertaking declaring that he/she will not indulge in any form of ragging.

41. Entire Jamia Hamdard is a NO TOBACCO & ALCOHOL-FREE CAMPUS. Smoking and/or consuming alcohol in the Campus is an offence. In case anyone violates shall be liable for punishment.

42. Admission completed in a particular category shall not be transferred to any other category until and unless eligible for that category as per rules of the Jamia Hamdard. A student admitted under Self Finance Scheme (SFS) category, for instance, shall not be permitted to transfer to general category until and unless he/she is eligible for General category as per rules of Jamia Hamdard. In the same way a student admitted under NRI/Sponsored/ Foreign National category will not be allowed to be transferred to SFS/General category until and unless he/she is eligible for SFS/General category as per rules of Jamia Hamdard.

43. Jamia Hamdard has the right not to admit a candidate to a course of study even if a notification inviting applications for admission to the same has been issued due to any genuine reason or if the number of applications received for admission is less than 50% of the sanctioned intake for a particular course.

44. Admission to all the courses will be subject to recognition of the course by the concerned statutory Councils/Boards of the Government like MCI, INC, AICTE, UGC, PCI, CCIM, etc. All admission will be provisional. In case of non-approval of the course by the concerned Council / Board, the admission to the course shall be cancelled and except the processing fee the rest of the fee deposited by the candidate shall be refunded in a proportionate manner as per rules of the Jamia Hamdard

45. Any amendments made in the Admission Rules or in the eligibility criteria by the concerned statutory Councils/Boards of the Government like MCI, INC, AICTE, UGC, PCI, CCIM etc from time to time shall be applicable to applicants seeking admission or admitted in Jamia Hamdard.

46. For B. Tech. programs, admission will be based on the merit in Paper I (BE/B. Tech.) of JEE (Main)-2018 examination, hence entry of JEE Roll No. and other information in the Jamia Hamdard Application Form is essential, otherwise applicant's candidature for this course may not be considered. In case few of the seats remain unfilled, Jamia Hamdard may admit candidates on the basis of merit of qualifying examination.

47. For MBA course, admission will be based on CMAT/ MAT/ GMAT/ XAT/CAT/ GPAT/ AITMA etc. Scores or any other examination approved by Jamia Hamdard. Hence before GD & Interview, applicant must submit score of CMAT/MAT/GMAT/XAT/CAT/ GPAT/ AITMA etc, otherwise his/her candidature may be rejected for consideration of admission to this course.

48. Admission to M. Pharm. course in all disciplines shall be made on the basis of GPAT score. Hence, before the interview, applicant must submit and update score of required GPAT in the Jamia Hamdard Application Form. Otherwise his/her candidature may be rejected for consideration of admission to these courses.

49. Wherever applicable, Urdu test for admission to BUMS will be held to test the proficiency of the applicant in Urdu language.

50. To maintain the good quality image of Jamia Hamdard in the public at large, students are advised to be appropriately attired in a manner befitting the status of Jamia Hamdard students, when they are on campus.

51. All the matters of dispute shall be subject to Delhi jurisdiction only.

RESERVATION / RELAXATION

50% seats in all courses at Jamia Hamdard are reserved for Muslim minority. Reservation and/or relaxation to various categories are also available as per the University rules. To claim reservation in any category the candidates will be required to produce original certificates at the time of admission. Weightage in merit is also available to internal students, sports persons (National or State level), SC/ ST and Physically Challenged candidates as per University rules (Please see the Reservation policy of Jamia Hamdard).

PERSONS WITH DISABILITIES (PWD) CANDIDATES

A candidate in order to be eligible for concession under this category should have minimum degree of disability to the extent of 40%. PWD candidates will have to submit certificate from the competent authority. The certifying authority in all such cases will be a medical board at the district level consisting of Chief Medical Officer (CMO), Sub-Divisional Medical Officer in the district and another expert in the specified field, viz., Ophthalmic Surgeon in the case of visually challenged, ENT surgeon or Audiologist for hearing speech challenged and an Orthopaedic Surgeon or a Specialist in Physical Medicine and rehabilitation in the case of locomotor challenged. Furthermore, a candidate will become eligible for the benefit under PWD category subject to his/her claim being verified by the Medical Board of HAH Centenary Hospital, Jamia Hamdard. This board will also ascertain that the

physical disability is not considered as a hindrance in pursuing the Program of study that the candidate wishes to be admitted to. Decision of this board shall be final and binding.

SPORTS PERSON

University has special provision for admissions in some undergraduate and postgraduate programs for admission of outstanding players and sports persons. For more information, Director (Sports) may be contacted.

Sportspersons of State and National level will be eligible to be considered for the benefit under this category, if he/she produces certificate from the competent authority that he/she has:

Represented State in the National Games/ Championships (certificate from National/State Association is to be submitted) or represented India in an International meet (certificate from Ministry of Youth Affairs & Sports to be submitted).

Candidates who have certificates of participation at lower levels than the above will not be given any consideration. Also certificate of participation in the games other than those mentioned above will not be given any consideration. Candidates who will be selected under this category may be asked to undergo a trial conducted by the University to verify their claim. Decision of the University in this regard shall be final.

PARENTS / GUARDIANS MAY PLEASE NOTE

1. Once your ward is admitted in Jamia Hamdard to a program of study, please discuss with him/her the rules and bye-laws governing that program.
2. To appear in the sessional / annual / semester examination, a minimum of 75% attendance in each paper of all program of study is mandatory. Please impress upon your ward to communicate his/her attendance to you at the end of each semester. Students having less than 75% attendance will not be allowed to appear in the examination in that particular paper where they are falling short of attendance. Only 5% exemption in attendance may be given on medical ground subject to submission of a valid medical certificate for the duration of the ailment.
3. At the end of every academic session, parents are advised to please check the marks sheet of their ward and acquaint themselves with his/her performance.
4. All the students will have to register for every subsequent semester along with payment of prescribed fees, there will be no automatic admission to next semester.
5. Parents are advised to visit Jamia Hamdard website, <http://www.jamiahamdard.edu> for important notices etc. They are encouraged to contact the concerned teacher or Dean/Head of the Department for any problem concerning the studies of their ward.

GUIDELINES FOR ADMISSION OF INTERNATIONAL STUDENTS AND SPONSORED CATEGORY CANDIDATES

(A) International Students – Foreign Nationals & Non-Resident Indians

- (i) Rules framed by University Grants Commission (UGC) and notified in its website www.ugc.ac.in will be followed for deciding the eligibility and admissions of International students to various courses offered in Jamia Hamdard.
- (ii) **International Students Cell (ISC):** Jamia Hamdard has set up an ‘International Students Cell’ to deal and facilitate the admission of international students. This Cell not only controls the admission of the international students but also provide necessary guidance for securing admission. All letters relating to international students will be addressed to ‘Foreign Students’ Advisor’ of Jamia Hamdard.

International Students - As per the guidelines, ‘International Students’ will include:

i) Foreign Students

Students holding passports issued by foreign countries and people of Indian origin who have acquired the nationality of foreign countries are included as foreign students.

ii) Non Resident Indians or NRI

Only those Non Resident Indian Students who have studied and passed the qualifying examinations from schools or colleges in foreign countries will be included as international students. This will include the students studying in the schools or colleges situated in foreign countries even if affiliated to Boards of Secondary Education or universities located in India, but will not include students studying in those schools or colleges (situated in India) and affiliated to the Boards of Secondary Education or Universities of the foreign countries. Students passing the qualifying examinations from Boards or Universities located in foreign countries as external students and dependants of NRI studying in India will not be included as International students. Entry level status of International students on entry to the country will be maintained.

Admission procedure for international students

1. Documents required for admission of International Students - For admission of international students at Jamia Hamdard, the following documents are required:

(i) VISA

All the International students will require a ‘Student VISA’ endorsed to this institution or permission from Govt. of India for joining full time courses. No other endorsement is acceptable. Students wishing to join a research program will require a ‘Research VISA’ endorsed to this institution or permission from Govt. of India. The visa should be valid for the prescribed duration of the course.

A visa is not required for NRI students. Students who are doing full time courses in some other institutions, do not require a separate visa for joining 'Part Time courses' provided that their current visa is valid for the entire duration of the course.

(ii) No Objection Certificate

Students do not require a 'No Objection Certificate' for joining professional courses. All International Students wishing to undertake any research work or join a Ph.D or M.Phil program will have to obtain prior security clearance from the Ministry of Home Affairs and the approval of Department of Secondary & Higher Education, Ministry of Human Resource Development, Government of India and this must be on the research VISA endorsed to this institution.

2. Eligibility qualifications

The qualifications required for eligibility for admission to different Courses can be checked in detail from the prospectus. Only those students who have qualified from foreign universities or Boards of Higher Education recognized as equivalent by the '**Association of Indian Universities**' (AIU) are eligible for admission. When required, a reference will be made to AIU to check the equivalence. In case the University /Board is not included in the list, the candidate has to obtain and submit a certificate to this effect from AIU (at the address given below) by paying the requisite fee. Submission of Equivalence Certificate from AIU is mandatory for such foreign nationals.

AIU HOUSE: 16, Comrade Indrajit Gupta Marg, New Delhi 110002, India.

Phone nos.: (91) -11-23230059, (91)-11-23232429

Fax: (91)-11-23232131

E mail: aiu@del2.vsnl.net.in

Website: <http://www.aiuweb.org>

3. Admission of International students

Admission of all the International students will be done through the 'International Students Cell (ISC)' of Jamia Hamdard. Students will generally be admitted in the beginning of the course. However, students can also be admitted as transfer cases in the middle of the course from other institutes with which there is an understanding for accepting the students as transfer cases.

The admission of International students is done in two steps:

First step:

A student wishing to join Jamia Hamdard gets the information on the courses available, the eligibility requirements and admission procedure from the prospectus or the website of Jamia Hamdard www.jamiahamdard.edu . Following this the candidate has to register for the course of study ONLINE (Also take out the print of online registered application form).

The International Students Cell after getting the eligibility criteria checked and other relevant information provided will accordingly issue a Provisional Admission Offer Letter (on payment of non refundable advance amount of 20% of the total annual course fee). This is required to get the VISA and to complete other formalities. At this stage, if required, Telecon Interview of the candidate may also be conducted.

After getting provisional admission, the candidate should get the 'Student VISA' / Research VISA (as the case may be) and complete all other formalities.

Second step:

- Report to Foreign Students' Advisor Office on or before the date of admission, as mentioned in the Provisional Admission Offer Letter.
- Get the original eligibility certificates verified.
- Pay the remaining course fee.

Jamia Hamdard also requires the students to appear and qualify the **English Language Proficiency Test at the concerned school**. Once this is done, the final admission is confirmed. The International students will have to pay the fees in US Dollars or equivalent in Indian rupees. Fee has to be deposited in the form of Crossed Demand Draft / Bank Pay Order, drawn in favor of Jamia Hamdard, payable at Delhi / New Delhi. The candidate can also pay the required amount of fee in the Account of Jamia Hamdard from any bank or Credit Card.

4. Remedial Course in English - It has been observed, that most of the students particularly, who come from non English speaking countries/ geographical regions are not well versed with spoken/ written English up to the desired levels with which they can satisfactorily go along and pass their professional courses examinations. Due to this very fact, despite being talented, hardworking and committed to their studies, these students are not able to perform appreciably in their respective programs of study at Jamia Hamdard. To take care of this aspect, Jamia Hamdard conducts an 'English Language Foundation Course'.

To evaluate the level of understanding of English language, concerned Schools will conduct an 'English Language Proficiency Test'. All the newly admitted International students will be required to appear in this test.

It is mandatory for an International student, who either fails/secures less than the desired scores or fails to appear in this proficiency test, to join the English Language Foundation Course at the School.

In addition to the annual and other fees of the main program of study at Jamia Hamdard, students will also have to pay for this English Language Foundation Course as per the university prescribed fee structure.

5. Transfers and change of course

An International student who has been granted admission to a particular course shall not be allowed to change the course. Transfer from one institution in India to another is also not allowed ordinarily. In exceptional cases, the 'International Student Cell' may permit this based on the availability of the course, eligibility rules and permission of the Competent Authority of Jamia Hamdard.

6. Government of India Scholars

International students who are awarded scholarships by the ICCR, New Delhi shall be preferred while granting admission and for hostel accommodation. Sponsored candidates from different foreign governments for training and for studies are also preferred for the same.

Stepwise procedure for admission of International Students for full time courses in Jamia Hamdard:

Step 1:

- a) International students should apply on a separate form prescribed for Foreign nationals/NRI / Sponsored candidates.
- b) The Information Bulletin & Prospectus along with Online Application Form for Foreign Nationals/NRIs may be checked on the Jamia Hamdard website www.jamiahamdard.edu. The candidate preferably has to apply/register on the prescribed form ONLINE. **He/she may also apply Offline.** For this the candidate may contact Foreign Students Advisor office.
- c) The application form registration fee is required to be paid through a crossed Bank Demand Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card.

Step 2:

Get the 'Provisional Admission Offer Letter' from the Foreign Students' Advisor Office, in order to obtain the VISA (on payment of non refundable advance amount of 20% of the total annual course fee).

Step 3:

Submit the 'Provisional Admission Offer Letter' to the Indian Embassy of the respective country for obtaining the 'Student VISA'.

Step 4:

Report at Jamia Hamdard for admission; Submit the below mentioned documents (in original along with the attested photo copies) and get them verified by the Foreign Students Advisor office.

- a) Degree/ Pass Certificate of the qualifying examination
- b) Mark list of the qualifying examination
- c) 'Student VISA' in Original
- d) A photo copy of the Passport- duly attested by a Notary.

Note: The original certificates will be returned to the students immediately after making an endorsement to this effect.

Step 5:

Students are required to undergo the medical fitness examination (at Jamia Hamdard hospital) and get the medical fitness certificate.

Step 6:

Appear for the 'English Language Proficiency Test' conducted by the concerned Schools of Jamia Hamdard. It is mandatory for an International / NRI student, who either fails/secures less than the desired scores or fails to appear in this proficiency test, to join the English Language Foundation Course

Step 7:

Admission of International /NRI students will be confirmed after verification of Valid Student/Research VISA; / original certificates, medical fitness test and payment of required fees.

Even after the admission, at any stage if it is noted that the qualifying Degree/Certificate is not recognized by AIU, the admission of the candidate may be cancelled. **Withdrawal of**

admissions/ refund of fees cases will be dealt as per the guidelines of Jamia Hamdard in this regard.

Step 8:

International students who are studying for full time courses in any other institution can be given admission to Part Time courses, only if they hold a valid visa for the duration of the Part Time course. A separate visa is not required. Such students will pay the fee as applicable. Jamia Hamdard in consultation with 'International Students Cell' may admit such cases directly, if they meet the prescribed eligibility qualifications.

Step 9:

Within two weeks of arrival in India, students are required to register their names with the police in the 'Foreigner Regional Registration Office (FRRO)' of the Delhi Police.

7. Examination and award of Degree & Diploma

The procedure for examination, payment of examination fees, issue of mark sheet, issue of passing certificates and award of degrees will be same as for the Indian students doing the same courses.

8. Financial assistance for meritorious students

There is a provision of discount in fee for the meritorious foreign students. The below mentioned criteria will be adopted:

Fee concession will be applicable from the II year/III semester (after passing the 1st year/2nd semester) and onwards based on performance (results etc) in a particular program.

- 25% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:
 - 75% class attendance in the concerned academic year and 75% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year.
 - The student must have passed all the subjects of the concerned academic year in first attempt.

- 15% discount in only annual Tuition fee of the concerned academic year may be provided to those foreign national students studying at Jamia Hamdard subject to the following terms and conditions:
 - 75% class attendance in the concerned academic year and 65% marks (in aggregate) in the concerned academic year or aggregate of two semester exams in a year.
 - The student must have passed all the subjects of the concerned academic year in first attempt.

9. Withdrawal of admission

Refund of fee in case of admission withdrawal of foreign nationality students will be as per the Jamia Hamdard guidelines.

10. Attendance

It is mandatory to have 75% attendance in all subjects of the course and English Language Foundation course (if enrolled) in order to become eligible for appearing in the semester or final year examinations.

All the students will have to register for every subsequent semester along with payment of prescribed fees, there will be no automatic admission to next semester.

11. Ph.D program

International students fulfilling the minimum eligibility criteria for admission to Ph.D and preferably holding a fellowship, submit their applications online or write to the School. They may also contact the prospective supervisor or write to the Office of the Foreign Students Advisor. Applicants are advised to refer to the Ph.D Bylaws 2016 (available on Jamia Hamdard website: www.jamiahamdard.edu) before applying.

12. Discipline

The International students should abide by all the rules of Jamia Hamdard and the code of conduct as applicable to Indian students enrolled in the same courses

Currently, foreign students of the following countries are enrolled in various Programs of study in Jamia Hamdard:

Afghanistan	Libya	Somalia
Algeria	Malaysia	Sudan
Bahrain	Mongolia	Syria
Bhutan	Nepal	Tanzania
Canada	Nigeria	Tibet
China	Oman	Thailand
Congo	Pakistan	Turkey
Iran	Palestine	USA
Iraq	Saudi Arabia	Yemen

(B) Sponsored category candidates

Procedure for applying

1. The Information Bulletin & Prospectus along with Online Application Form for Sponsored candidates may be checked on the Jamia Hamdard website www.jamiahamdard.edu
2. Sponsored candidate should apply/register ONLINE on a separate form prescribed for Sponsored candidates. The sponsored candidates will have to submit a sponsorship letter at the time of admission.
3. The application form registration fee as per the admission guidelines (in Rupees or equivalent in US \$) is required to be paid through a crossed Bank Draft drawn in favor of Jamia Hamdard, payable at New Delhi. The candidate can also transfer the required amount of fee in the account of Jamia Hamdard from any bank or credit card. This should be done well in time, so that the student is able to obtain the VISA and NOC before the due date of admission.
4. Rest of the admission formalities are same as for the other students.

Important note for International students and sponsored category candidates

- All students desirous of admission at Jamia Hamdard are required to go through the General information and guidelines 2018-19.
- Please note that the above rules and guidelines will be strictly followed. In case, there are any differences on the interpretation of rules then the opinion of the 'International Students Cell' will be final. Students will have to pay the revised fee, when applicable. On the points not specifically covered, the decision of competent authorities of Jamia Hamdard will be final.
- If the seats reserved for NRI/Sponsored Candidates are not filled, vacant seats will be offered to general category candidates from the merit list.
- Additional 15% of total seats are reserved for Foreign Nationals wherever applicable as per MHRD/UGC norms.

Reservation policy of Jamia Hamdard

The following reservation policy of JH will be applicable to all admissions in academic year 2018-19, other than the admissions in MBBS:

1. 50 % of total seats in all programs will be reserved for Indian Muslims.
2. 50 % of total seats in all programs will be filled up by open merit.

Out of 1 and 2 above:

- (a) One seat in each program where the number of seats is more than 10 will be reserved for the wards of Jamia Hamdard Employees,
 - (b) Courses where the number of seats is 10 or less no seat will be reserved for wards of Jamia Hamdard Employees, however such candidates will be given an additional 10% weightage of marks/score obtained in Qualifying/Entrance Exam/Interview.
 - (c) 10% weightage in marks will be given to the following categories:
 - (i) Sports persons fulfilling the defined criteria,
 - (ii) Jamia Hamdard students,
 - (iii) Candidate from Hamdard Public School and Rabea Girls School, both funded by the HNF, for admission in undergraduate programs, and
 - (d) Few seats in each self-financing undergraduate program may be filled up by nomination of eligible candidates by the Management. The number of nominations would be kept to the barest minimum.
3. Weightage of 5% of marks obtained in the Entrance Test / Interview will be given to the SC/ST candidates.
 4. Relaxation of 5% in the required percentage of marks for the eligibility will be given to SC/ST candidates provided a copy of certificate from the competent authority is enclosed with the application form.
 5. That 4% weightage will be given to the students of DODL of Jamia Hamdard for admission to Jamia Hamdard courses.
 6. 5% seats in all programmes will be reserved for Physically Challenged/ Physically Handicapped candidates.
 7. In addition, as per the directives of the HRD Ministry, two seats will be made available under supernumerary quota in Jamia Hamdard for admitting students coming from the state of Jammu & Kashmir. The seats will be available in all subjects, except MBBS, BUMS and those like strictly controlled by the respective councils”.

Fee Concession, Scholarships and Fellowships

1. Students' aid fund

JH has allocation in budget under Students' Aid Fund (SAF), which is meant for financial help of the needy students. Any student whose parents/guardians have annual income of less than Rs. 4.5 lakh is eligible for assistance from SAF, subject to his/her satisfactory performance in the previous examination and other conditions laid down by the University.

Fee concession for Indian students

1. Full free ship of Annual Tuition Fee up to 10% students in each course subject to relative merit. The criteria will be as under:
 - (i) The student must have secured 90% marks or above in the qualifying examination of the course

The Security money will not be refunded if a student over stays in the hostel for more than a month after the last examination held for a particular course. Students can claim the hostel deposit within one year from the date of hostel vacation.
5. Allotment in the hostel will be for one academic year only. Allotment of Hostel for subsequent years shall be afresh and at rates as prevalent in those years.
6. The Annual Hostel Fees would be applicable for academic Session 2018-19.
7. Hostellers will have to vacate the hostel at the end of the academic session (after annual/semester examinations). Seats in the hostel would be allotted afresh to the students in the month of July when the new academic session begins.
8. Mechanical Laundry Facility is available and is mandatory for hostellers in the University. An allottee will have to deposit the annual Laundry charge for washing of clothes as per rules of the University along with Annual Hostel Fee. The charges will be decided by the University every year and shall be intimated at the time of admission.
9. It will be incumbent upon the student admitted to the hostel to join the mess and pay mess charges for 5 months in advance at the rates prescribed from time to time.
10. All seats are allotted on first cum first basis FOR ONE YEAR ONLY. The university reserves the right to allot/ not allot seats to whosoever it deems fit. Candidates living in far off areas of Delhi/NCR shall be given preference only after allotting seats to Non Delhi candidates.
11. Hostel Fee for HPS, Talimabad shall be taken on monthly basis from the date of joining
12. HPS, Talimabad hostel fee includes hostel fee Mess fee, laundry, security deposit and Transport charges.
 - a) Hostel fee: Rs.3000/- per month
 - b) Mess fee: Rs.4000/- per month
 - c) Transport fee: Rs.500/- per month
13. Hostel bylaws will be applicable to the hostlers.

GUIDELINES FOR WITHDRAWAL OF ADMISSION AND REFUND OF FEE FOR ACADEMIC YEAR 2018-19

Following rules as notified by UGC vide their letter D.O. No.1-3/2007 (CPP-II) dated 6th December 2016 will govern the refund of fee in case of withdrawal of admission.

1. If a student choose to withdraw from the program of study in which he/she is enrolled, Jamia Hamdard shall follow the following four-tier system for the refund of fees remitted by the student.

Sr. No.	Percentage Refund of Aggregate fees*	Point of time when notice of withdrawal of admission is served to Jamia Hamdard
(1)	100%	15 days before the formally-notified last date of admission
(2)	80%	Not more than 15 days after the formally-notified last date of admission
(3)	50%	More than 15 days but less than 30 days after formally-notified last date of admission
(4)	00%	More than 30 days after formally-notified last date of admission

*(Inclusive of course fees and non-tuition fees but exclusive of caution money and security deposit)

2. In case of (1) in the table above, Jamia Hamdard shall deduct an amount not more than 10% of the aggregate fees as processing charges from the refundable amount.
3. Fees shall be refunded by Jamia Hamdard to an eligible student within fifteen days from the date of receiving a written application from him/her in this regard.

Activities & Facilities for Students

Sports and cultural activities

Jamia Hamdard has Indoor and Outdoor sports facilities in the campus. For Indoor facilities, University has an indoor hall consisting well equipped physical fitness centre/gym, badminton, chess, carbon board and table tennis. For outdoor facilities, University has athletic track, basketball, cricket, football and hockey grounds, basketball, volleyball and lawn tennis courts. University also organizes Inter-faculty tournaments and cultural week every year. University teams participated in the All India Inter-University and North zone intervarsity tournaments in different games, and also participated in local tournaments.

NSS

National Service Scheme (NSS) is a program sponsored by the Ministry of Youth Affairs and Sports, Government of India. The NSS volunteers participate in various awareness program such as Pulse Polio Immunization camps, awareness about Hepatitis-B, DPT and BCG immunization, HIV/AIDS, STD, importance of cleanliness, illiteracy eradication program, plantation and related activities. NSS volunteers also participate in program sponsored by

Delhi AIDS Control Society. NSS volunteers organize blood donation camp every year. A 15-day Special camp is organized by NSS volunteers every year in slums of Delhi for community awareness. NSS Jamia Hamdard is a member of the Red Ribbon Club which is HIV/AIDS awareness scheme sponsored by Delhi Government. The number of NSS volunteers in JH is around two hundred.

NCC

NCC or National Cadet Corps unit of Jamia Hamdard is affiliated to 7 Delhi Battalion NCC, New Delhi. Students of various Faculties are enrolled as NCC cadets. NCC is a youth development movement. It has enormous potential for national building. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets in a wide range of activities, with a distinct emphasis on Social Services, Discipline and Adventure Training.

Besides routine drills, NCC cadets participate in National Integration Camps (NIC), combined annual training camp, Advance Leadership Camp (ALC) and several welfare programs such as the blood donation camp, health awareness camp and immunization programs and flag hoisting in University premises on the occasion of the Republic Day and Independence Day celebrations.

NCC has wide range of benefits for students enrolled under the program ranging from:

- i) Excellent career opportunities in defense services
- ii) Reserved seats for C certificate holders in various Universities across India
- iii) Cadets are entitled to various scholarship and activities undertaken by NCC Headquarters like
 - (a) Annual Sahara scholarship
 - (b) Cadets welfare society
 - (c) Youth exchange programs in countries like Sri Lanka, China, USA etc.

LIBRARY

The University library is among the oldest academic institutions established by the great Visionary late Chancellor Hakeem Abdul Hameed Sb. (1908-1999) in 1977 at the Tughlakabad Campus of the upcoming university. The Central library is housed in a multi-tiered round building famous for its architectural design and beautiful landscaping. It was renamed in 1992 as the Hakeem Mohammed Said Central library (acronym HMSCL) on the name of the younger brother of the founder.

The Jamia Hamdard Library System consists of the HMS Central library and a number of School libraries, such as School of Pharmacy library, School of Nursing library, School of *Unani* medicine library, HIMSR library, School of Humanities and Social sciences library, etc. holding good number of Books.

Library computerisation

The library has undertaken the computerization of its house-keeping activities based on the popular propriety ILMs Libsys web opec software since 2004. Keeping in view the nature of the collection which consist of a large number of non-European printed materials, bibliographic databases in Unicode complaint standard have been developed Now, a variety of bibliographic databases, such as database for printed books, theses and CD-ROMs are available in English, Urdu, Hindi, Persian and Arabic languages. These various databases are available to be accessed throughout the campus and beyond in 24x7 format on the Intranet and Internet topography. All library members are provided bar-coded library IDs with category specific privileges for borrowing materials from any issue counter within the library system.

Library services

- ❖ Various conventional and also some non-conventional services are provided to the students and scholars by the library system from 9.00A.M. to 8.00 P.M. All working days.
- ❖ Issue/Return of documents.
- ❖ Book Bank service.
- ❖ Inter-library loan service (through DELNET).
- ❖ Documents delivery service (DDS).
- ❖ Current awareness service (CAS)
- ❖ Electronic theses & dissertation (ETD) service.
- ❖ Short-range and long-range reference service.
- ❖ Anti-plagiarism check (through web tools Urkund).
- ❖ H.M.S. Central Library organizing Book Exhibition Cum Sale to facilitate faculty members to select latest books of their interest.
- ❖ Member of National Digital Library.

Digitization projects

The Library is actively seeking funding as well projects on turn-key basis to carry out digitization of library documents. Right now, the following three projects are under process:

- Under the grants two times received from the National Archives of India (NAI), several out of print rare books have been digitized. Full text search through the database developed by using the open source software Dspace has been provided.
- Lamination and archival binding of manuscripts have been undertaken under NAI grant.

- The National Mission for Manuscripts (NMM) under the Ministry of Tourism and culture has digitized most of the manuscripts on turn-key basis.
- Handsome grant has been also received through UGC on recommendation of Inflibnet for the purpose of (i) uploading doctoral theses to the Shodhganga repository; and (ii) the setting-up of an ETD laboratory for undertaking future digitization activities in-house.

Library promotion

The library is carrying-on two promotional exercises on the web:

❖ The web link captioned “University library & Information system” is hosting the web OPAC, as well as the links to various purchased and open access knowledge databases and also static information about the library sections and professional staff members.

❖ There is another interactive link called “Library Current Awareness Services” which carries to update information concerning new additions, notices, circulars, news relating to H.M.S. Central Library, etc.

These links can be accessed by visiting either the university website <http://www.jamiahamdard.edu>.

Library outreach activities

The library offers periodic orientation programmes and on-demand training programmes to access the different databases and e-resources for the benefit of students and the academic staff of the university. Training programmes for LIS students from other universities are also conducted from time to time. Lectures on current best practices in librarianship are arranged in the library to facilitate opportunities for continuous learning and professional up-gradation to the library staff. Thematic exhibitions are also organized with a view to inform the internal as well as external customers about the richness of the collection and enhance the utilization of the library resources.

Important Dates

SCHEDULE OF TESTS/INTERVIEWS/COUNSELING, 2018-19

- All Tests/ Interviews/Counseling will be conducted at Jamia Hamdard campus, New Delhi.
- Vice Chancellor, JH, in the best interest of the University, will be authorized to change/cancel the dates or amend the requirement of entrance test and/or interview, which will be notified through University website. University may decide to conduct entrance test at a center outside Delhi, in addition to entrance test at JH.
- The selection of candidates appearing for Test/Interview shall be based on the merit as determined by the performance of the candidate in test / interview / qualifying examination marks, whichever is applicable, or as amended by the competent authority in the best interest of the University.
- In their own interest, applicants are advised to visit the University website/Online admission portal from time to time for update and keep checking their SMS/e-mail, as provided in the application form.

Last Date for Submission of online applications	20 June 2018
Closure of admissions	30 Sept 2018

Selection lists will be uploaded on University website. Selected candidates will also be informed on e-mail ID/SMS provided in the application form.

Dates for Ph.D. Admissions will be announced later

Hamdard Institute of Medical Sciences and Research

Courses	Date	Time	Event
M. Sc. Medical Microbiology	4.7.2018	10.00 AM	Counseling
M.Sc. Medical Anatomy			
M.Sc. Medical Pharmacology			
M. Sc. Medical Physiology			
M. Sc. Medical Biochemistry			
M.S. Anatomy	As per DGHS Notification	As per DGHS Notification	Central Counseling by DGHS
M.D. Pathology			
M.D. Community Medicine			
MBBS	As per DGHS Notification	As per DGHS Notification	Central Counseling by DGHS
MBBS (Management Quota)			

School of Interdisciplinary Sciences and Technology

Courses	Date	Time	Event
Post Graduate Diploma in Food Analysis and Regulation (PGDFAR)	6.7.2018	10.00 AM	Interview
MTech. Food Technology (MFT)	6.7.2018	10.00 AM	Counseling
B.Tech. Food Technology	9.7.2018	10.00 AM	Counseling of NEET 2018 candidates
BTech (Food Technology)	10.7.2018	10.00 AM	Counseling of JEE 2018 candidates

School of Nursing Sciences and Allied Health

Courses	Date	Time	Event
MSc (Medical Lab Sc.)	4.7.2018	10.00 AM	Counseling
MSc (Medical Radiology and Imaging Tech.)			
MSc (Optometry)			
Diploma in X-Ray & ECG Techniques	5.7.2018	2.00 PM	Counseling
Diploma in Operation Theatre Techniques			
Diploma in Dialysis Techniques			
Diploma in Medical Record Techniques(DMRT)			
DGNM	6.7.2018	10.00 AM	Counseling
BSc MLT II yr. (Lateral entry)			
BSc Optometry II yr. (Lateral Entry)			
BSc Medical Imaging Technology (Lateral Entry)			
BSc Anaesthesia & Operation Theater Techniques (Lateral Entry)			
BSc Medical Record & Health Information Mgt. (Lateral Entry)			
BSc Dialysis Techniques (Lateral Entry)	7.7.2018	10.00 AM To 12.00 Noon	Entrance Test
Post-Basic B. Sc. Nursing			
MSc-Nursing (Obs. & Gynaecology Nursing)			
M. Sc. Mental Health Nursing (Psychiatry)			
MSc-Nursing (Community Health Nursing)			
MSc-Nursing (Medical Surgical Nursing)			
M. Sc. Child Health Nursing (Paediatric)	7.7.2018	2.30 PM To 4:30 PM	Entrance Test
MOT (Musculokeletal)			
MOT (Paediatrics)			
MPT (Cardio –Pulmonary)			
MPT (Neurology)			
MPT (Musculokeletal)			
MPT (Sports Medicine)	9.7.2018	10.00 AM	Counseling of NEET 2018 candidates
BSc Nursing (Hons.)			
BOT			
BPT			
BSc MLT			
BSc Emergency & Trauma Care Technology			
BSc Optometry			
BSc Medical Imaging Technology			
BSc Anaesthesia & OT Techniques			
BSc Medical Record & Health Information Mgt.			
BSc in Cardiology Lab Techniques			
BSc Dialysis Techniques			

School of Pharmaceutical Education and Research

Courses	Date	Time	Event
B Pharm (Gen. & SFS)	9.7.2018	10.00 AM	Counseling of NEET 2018 candidates
B Pharm (Gen. & SFS)	10.7.2018	10.00 AM	Counseling of JEE 2018 candidates
M Pharm (Pharmaceutical. Chemistry)	12.7.2018	10.00 AM	Counseling of GPAT 2018 Candidates
M Pharm (Pharmaceutics)			
M Pharm (Pharmacognosy & Phytochemistry)			
M Pharm (Pharmacology)			
M Pharm (Quality Assurance)			
M Pharm (Pharmacy Practice)			
M Pharm (Pharmaceutical. Biotechnology)
