About E-cell:

Entrepreneurship cell provides a platform for the students who have brilliant business ideas but don't know how to implement them. Jamia Hamdard have such minds who are looking forward to bring their Business ideas in real world. So Department of Computer Science and Engineering decided to provide such platform for students. Under the Leadership of **Prof. M. Afshar Alam (Head, Department of CSE),** E-Cell was established in January 2016 by Dr **Jawed Ahmad (Assistant Professor) and Mr Mirza Rahil Beg.** And was officially inaugurated on **28 February 2018**. Since then E-cell, Jamia Hamdard is actively organizing and participating in various workshops that will enhance the vision and skills of student.

 E-Cell is Consulting *Ms Palak Bhatia* from *Startup India*. She is continuously guiding and supporting us. She familiarised us to Atal Incubation Centre, Birla Institute of Management Technology (AIC, BIMTECH).

Following teachers helped in the formation of E-cell and are actively involved in coordinating workshops for E-Cell:

1. Dr Jawed Ahmad
2. Mr Mirza Rahil Beg
3. Ms Manpreet Kaur Kohli
4. Ms Maria Afzal
5. Dr Sidhhartha Sankar Biswas
6. Dr Amit Bhushan
7. Mr Akeel Khalique
8. Dr Shakeel A. Siddiqui
9. Dr Sohrab Ali

An Introductory Workshop on Entrepreneurship by Dr. Abha Rishi on 21 March 2018.

Speakers: Dr Abha Rishi (Director AIC, BIMTECH) and Mr Chittransh Verma

- An Interactive workshop was organized by E-cell Department of CSE With the help of Startup India and AIC, BIMTECH.
- Dr Abha Rishi (CEO, AIC BIMTECH) interacted with students to know their perception about Entrepreneurship. She asked students to name any product then is impossible to be sold in market. After collecting names of products. She redistributed it with other students and asked them to find the use for those unsellable products. Students shared their ideas among themselves to use unusable things for some productive means. This activity enhanced the skill of idea generation in students.
- Mr Chittransh CEO of AIC, BIMTECH gave introductory session about startups.
- Few Glimpse of event are below:
