

“Most Outstanding Researcher” Award

A ‘Faculty Research Award’ to recognize the efforts of India’s brightest minds in the field of academic research, the Careers360, a premier education advisory company, evaluated the academic output in SCOPUS indexed journals for the year 2015-17 based on citation and h-index. The selection was carried out by averaging of differential weights by top 20 academicians of the country.

To recognize the great service rendered to the nation, Prof. Ahmed Kamal, Pro-Vice Chancellor has been awarded as the “Most Outstanding Researcher” in the field of Chemistry by Hon’ble Union Minister of HRD, Shri. Prakash Javadekar on the 20th March, 2018 at New Delhi.
