Association - Delhi Branch**

Conference Objectives:

The objective of MIDD is to share the knowledge and best practices in techniques involved in molecular imaging & drug delivery. The workshop aim to bring together leading molecular imaging experts from industry, academia and research, to accelerate biomedical research. The workshop will address the challenges involved, from sample preparation to data analysis, and will act as a platform to exchange and share the experiences and research results on imaging techniques and their application in drug delivery

Conference Program

DAY 1 : 26 March, 2018

08:30 am – 09:30 am : Registration

09:30 am – 10:30 am : Inauguration

10:30 am – 11:00 am : High Tea

11:00 am – 01:30 pm : Technical Session / Workshop 1

01:30 pm – 02:30 pm : Lunch

02:30 pm – 03:30 pm : Technical Session / Workshop 2

03:30 pm – 04:30 pm : Oral Paper Presentation

04:30 pm : High Tea

Gamma Scintigraphy:
Application, usage, data
analysis in drug delivery

Confocal Laser Scanning
Microscopy: sample
preparation and working

DAY 2 : 27 March, 2018

08:30 am – 09:30 am : Registration

09:30 am – 10:30 am : Technical Session / Workshop 3

10:30 am – 11:00 am : High Tea

11:00 am – 01:30 pm : Technical Session / Workshop 3

01:30 pm – 02:30 pm : Lunch

02:30 pm – 04:00 pm : Technical Session / Workshop 4

04:00 pm – 04:30 pm : High Tea

04:30 pm : Vote of Thanks

Molecular Imaging & Drug Delivery

26-27 March, 2018

Convention Center, Jamia Hamdard

Conference Details

TECHNICAL SESSIONS

Technical sessions include lecture on working and application of imaging technique by distinguished scientist and experts in the field.

VIRTUAL WORKSHOPS

Workshop aims at providing a complete know-how of the imaging technique including practical training from sample preparation to data/ result analysis via live or recorded videos taking real examples. At the end of each workshop, a Q & A session will be conducted and winner of each session will be awarded. Certificate of attendance for each workshop will be provided separately.

CALL FOR PAPERS

Scientific papers are invited for e-paper competition. Summary of original and unpublished work should be submitted as PDF in Times New Roman, 12 font, 1.5 cm spacing with maximum 500 words to www.midd2018.com. The summary should focus on results and outcome. Lengthy introduction and more than one figure/ table should be avoided. The summary should include title in capital, name of author(s) and their affiliation. The name of the presenting author should be underlined. Papers of only registered candidates will be considered for evaluation.

Candidates registered for **e-paper competition only** will not be eligible for conference kit and lunch. Certificate for paper presentation will be send to them via courier within 7 days of workshop.

5 best papers will be invited for oral presentation at the conference day and will be awarded.

Registration Details

Registration	Students/ Scholars	Faculty	Industry
Single Day	Rs. 600	Rs. 1000	Rs. 1500
Both Days	Rs. 1000	Rs. 1500	Rs. 2500
E-paper competition only	Rs. 250		

Note:

- ❖ Last date of Registration and Paper submission is 20 March 2018.
- ❖ Separate certificates will be provided for conference attendance, workshops and e-paper participation.
- ❖ Candidates registered for conference are eligible for e-paper competition without any additional fee.
- ❖ For Spot registration, an additional fee of Rs. 500/- will be charged.
