**Sub: Let COVID 19 Not Stop You from Learning – ICT Initiatives of Ministry of Human Resource Development, Government of India and the University Grants Commission**

Dear learner,

I am herewith forwarding the letter dated 25/03/2020 of Prof. Rajnish Jain, the Hon'ble Secretary, University Grants Commission (UGC), Ministry of Human Resource Development (MHRD), Government of India, advising the learners to study at home during the lock – down period with the help of online educational resources. The letter lists the ICT Initiatives of MHRD and the UGC, giving access links to the online education resources.

You are advised to access these online educational resources for learning and to broaden your horizon of learning. For academic queries, if any, please write to us for clarification. Details are given on our webpage <http://www.jamiahamdard.ac.in/PDF/ODLPDF/Redress%20of%20Student%20Grievances.pdf>

Further, I am informed by the Programme Coordinators that counselling sessions of most of the academic programmes are conducted already. We shall reschedule the pending counselling sessions, if any, after the University reopens. Please do not worry. Take care of yourself. Stay at home, and be safe.

Best wishes!

Yours sincerely,
