

Bioinformatics Infrastructure Facility (BIF)  
Jamia Hamdard, New Delhi

**Studentship and Traineeships in Bioinformatics**  
**ADVERTISEMENT**

Applications are invited for the positions of a Studentship and a Traineeship in Bioinformatics at DBT, MST supported bioinformatics facility at Jamia Hamdard for a period of 5 months each at a remuneration of Rs. 8,000/- per month (fixed) with the following qualifications:

- (1) **Studentship** – Students perusing a Postgraduate Degree in Life Science or Pharmacy or Computer Science or an allied discipline with interest in bioinformatics, supported by an evidence/write up (one-page proposal in bioinformatics in an area of their choice), may apply
- (2) **Traineeship** – Applicants with a Postgraduate Degree in Life Science or Pharmacy or Computer Science or an allied discipline with interest in bioinformatics, supported by an evidence/write up (one-page proposal in bioinformatics in an area of their choice), are eligible

For both positions, the engagement will be on a purely temporary basis and the student/trainee will not be entitled to any claim implicit or explicit for permanent position in the University.

Interested candidates may send their applications on a plain paper along with a brief resume and a one-page write up indicating their interest in bioinformatics on or before 9 Feb 2018 to the Coordinator, BIF at the following address:
