

## Seminars etc organized by the Department, 2007 – onward

1. 3<sup>rd</sup> Bioinformatics Seminar cum Hands-on Training on **Protein Structure Prediction**, BIF, Department of Biochemistry, Jamia Hamdard (28-29 Nov. 2011)
2. 2<sup>nd</sup> Bioinformatics Seminar cum Hands-on Training 2010 on **ChemBioinformatics and Computational Biology**, BIF, Department of Biochemistry, Faculty of Science, Jamia Hamdard (27-29 Sept 2010)
3. Summer Workshop on **Western Blot Analysis**, Department of Biochemistry, Faculty of Science, Jamia Hamdard (25-26 May 2010)
4. Summer School on **Cutting Edge Technologies in Life Sciences**, in collaboration with the Center for Transgenic Research and FEIS, Jamia Hamdard (15-30 June, 2010)
5. Workshop on **Embedded System Design**, Department of Biochemistry, Jamia Hamdard, New Delhi (19-24 Apr 2010)
6. Workshop (First Seminar) cum Training Program on **Bioinformatics Application in Computer Aided Drug Design**, Jamia Hamdard, New Delhi (21-22 Dec 2009)
7. Training Program on **Tissue Culture, Transgenic Technology and Biotechnology**, in collaboration with the Center for Transgenic Research and FEIS, Jamia Hamdard (30 Nov 2009- 5 Dec 2009)
8. Seminar lecture of Prof. J. Eaves, Director, Terry Fox Laboratory, Canada on **Blood Stem Cell**, Deptt. of Biochemistry, JH (13 March 2009)
9. Brain storming session on **Bioinformatics: Global and Indian Scenario** (Oct 2007)
10. Seminar on **Nanobiotechnology: Challenges and Road Ahead** (Feb 2007)
