SUMMARY

Dedicated and seasoned Assistant Professor with a strong interest in teaching, research and supervision in the healthcare management industry. Plans lessons and delivers coaching to drive student attainment. A conscientious, enthusiastic & high-energy-driven research professional, with a background in healthcare administration and public health, targeting assignments in the domain of teaching and research, preferably in the health systems industry. My research interest lies broadly in the domain of sustainability and the healthcare sector.

PROFESSIONAL EXPERIENCE

Assistant Professor (Full- Time)
December 2024 – Present
(Healthcare Management)

Jamia Hamdard University
New Delhi, India

Peer Reviewer

International Journal of Consumer Studies, ABDC - 'A' category Journal (Full-time Oct 2023 – Present)

Foundation of Healthcare Technologies Society, Delhi**June 2021 – Feb 2022****INSPIRE Intern**

As a public health intern, I joined FHTS to gain insights into the public health delivery system of India. My goal was to learn various disease patterns across the Indian subcontinent. This internship program fulfilled my aspiration to be a public health learner and helped me gain insights about various research methods in the form of assignments given.

Fortis Escorts, Delhi**June 2017 – Aug 2017****Project Trainee**

Project Study Titled - “Gap analysis in Facility Management and Safety with respect to NABH Standards in a Tertiary Care Accredited Hospital”.

Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow Jun 2016 – Aug 2016
