JAMIA HAMDARD

(Deemed to be University)

Accredited in 'A' Grade by NAAC
Rank 1st in Pharmacy, 2020 by NIRF, Govt. of India

Jamia Hamdard was conferred the status of “Deemed to be University” under Section 3 of UGC act by Government of India in the year 1989. Since then it has steered ahead through all challenges and has gained an enviable position in the field of research and higher education. With its impressive track record in research, the University has a distinction of being consecutively accredited in “A” grade by National Assessment and Accreditation Council (NAAC) in all the three cycles. The University is a conglomerate of various Schools with distinct teaching and research programmes which are spread out in different educational levels from Diploma to PG and Ph.D. degrees with a focus in ‘healthcare education’. Jamia Hamdard has a rare distinction of being a seat of higher education in traditional system of Unani Medicine, cutting edge research in Biological, Chemical and Pharmaceutical Sciences, Nursing and other Allied Health Science disciplines. Healthcare education has been recently fortified by the establishment of Hamdard Institute of Medical Sciences and Research with the approval of Medical Council of India for imparting medical education by offering MBBS and MD degrees. The University has its own 600 bedded hospital.

Another distinguished feature is the presence of on-campus active research and academic collaborations with some organizations of international repute such as Clinical Pharmacy Unit of Sun Pharma, Vaccine Research Centre of Hilleman Laboratories Ltd., and BD-JH FACS Academy of Becton Dickinson Biosciences. Moreover, there are many MoUs with a number of international and national institutions and universities, wherein active collaborations are in progress. The University has substantially contributed in the area of quality research and has setup high standards for Ph.D. courses and research publications. An Internal Quality Assurance Cell (IQAC) ensures quality standards of academic and research programmes. In the year 2019, in the National Institutional Ranking Framework (NIRF-2019) conducted by National Board of Accreditation (NBA), Ministry of Human Resource Development, Government of India Jamia Hamdard has been ranked 1st in Pharmacy, 15th in Medicine, 18th in amongst the Universities and 31st in Overall institutions in the country. In the QS World subject ranking of ‘Pharmacy and Pharmacology’ it has been ranked in 151-200 rank band in 2019. A Committee constituted by the Government of India has recommended Jamia Hamdard as an ‘Institute of Eminence’ (IoE) status in 2018. It is one of the few universities in India having an active Department imparting education and undertaking cutting-edge research in the field of toxicology. Since 2018 with due approval of Bar Council of India (BCI) Jamia Hamdard has started BA-LLB integrated course in legal studies and also started Hotel Management course in 2019.

VISION AND MISSION OF JAMIA HAMDARD

Vision

“To provide international quality higher education and undertake cutting-edge research in the fields of natural science and technology and social sciences and particularly promote study of modern and traditional, especially Unani, medicine systems encompassing a holistic and integrative approach to healthcare and to meet societal education needs of underprivileged Indian communities.”

Mission

- a) To promote and advance the cause of higher education through modern methods of teaching and advanced research in such branches of knowledge as the Jamia Hamdard may continue to develop core-competence for and as may be in consonance with the emerging needs of India in general and underprivileged communities in particular.
- b) To co-operate, collaborate and associate with national and international organizations and institutions in any part of the world having mission wholly or partly similar to those of the Jamia Hamdard and as per the provision of the UGC regulations in place from time to time.
- c) To provide avenues for higher education leading to excellence and innovations in such branches of knowledge as may be deemed fit primarily at Under-graduate, Post-graduate and doctoral levels, fully conforming to the concept and idea of the University.

Quality statement

Jamia Hamdard is committed to strive for achieving and sustaining high quality standard in higher education leading to excellence and innovations in selected fields of knowledge and undertaking high quality research for the advancement of knowledge and its dissemination through various research programmes undertaken in – house or in collaboration with premier national and international institutes.

Quality framework

Students: To ensure the quality of students, strict adherence to the intake norms of the students to be taken. Only candidates screened through national and state level tests to be selected in various study programmes. Once enrolled students will be exposed to all realms of their curriculum with adequate knowledge and learning resources at their hands which facilitates their all-round development as a responsible citizen and professionally competent individual.

Faculty: Faculty quality is core to the quality of students. Jamia Hamdard while selecting a junior faculty looks into him/her a future leader (Professor). Therefore, highest level of quality parameters is applied for faculty recruitment and promotion. Jamia Hamdard also encourages faculty to undertake research in their selected areas of specialization and emphasizes in interdisciplinary and collaborative research.

Professional development: The University provides all avenues to its faculty for professional development and to recharge themselves with contemporary development in their field of interest. Research, innovation and generation of intellectual property are appropriately incentivized.

Diversity, inclusiveness, and equal opportunity: The University believes in diversity and therefore is open to all irrespective of their background. The diversity of students is not only ensured nationally but also internationally. It also promotes inclusiveness and equal opportunity with special focus on increasing enrollment of girls in its various study programmes and providing opportunities to educationally marginalized sections of society such as Indian Muslims.

Innovations, best practices and technological intervention: The University promotes innovation in teaching and research and lays emphasis on following best practices in administration, teaching and research. It encourages technological intervention and adoption of newer tool and techniques of knowledge delivery and management.

Ethics: Jamia Hamdard follows high level of ethics in its conduct and ensures that research and teaching is conducted following international ethical standards and transparency.

Environmental consciousness: Jamia Hamdard emulates green technology such as water harvesting, solar energy, waste and water re-cycling and eco-friendly waste management.

THE FOUNDER LATE HAKEEM ABDUL HAMEED

The Founder-Chancellor of Jamia Hamdard, Hakeem Abdul Hameed, a renowned physician of the Unani system of medicine who served the poorest of the poor and also had dignitaries such as Prince Charles of England as his patient, was a philanthropist who always had public service as his driving force. Hakeem Abdul Hameed set up a complex of educational institutions over a period of time which finally got amalgamated in Jamia Hamdard in 1989.

The first institute that was built on the piece of land in Tughlaqabad which today houses the Faculty of Science was the Institute of History of Medicine and Medical Research. The foundation stone of this institute was laid down on November 15, 1962 by the then Prime Minister of India, Pandit Jawaharlal Nehru; the building was inaugurated by Mrs. Indira Gandhi, the Prime Minister of India in 70s. The Great Hakeem also set up several other institutes which include the Hamdard National Foundation, Hamdard Education Society, Hamdard Study Circle, Hamdard Public School, Ghalib Academy, the Centre for South Asian Studies, and Business & Employment Bureau.

Hakeem Abdul Hameed was conferred the Padma Shri and Padma Bhushan by the Government of India, awarded the Avicenna Award by the erstwhile USSR in 1983, and was nominated as honorary member of the Academy of Medical Science, Iran. He served as Chancellor of Aligarh Muslim University. In October 2000, the Research Centre for Islamic History, Art and Culture (IRCICA) Istanbul, Turkey, presented IRCICA Award to him posthumously for Patronage in Preservation of Cultural Heritage and Promotion of Scholarship. Hakeem Abdul Hameed was a true follower of Islam in letter and spirit and strongly believed in “And spend in the cause of Allah and do good, for He loves those who do good for others” – Al Quran, 2:196

CHANCELLOR

Dr. Habil Khorakiwala

The Chancellor of Jamia Hamdard, is a keen disciple of 'Change Management'. Dr. Habil Khorakiwala has single-mindedly steered Wockhardt in becoming the first true multinational healthcare group from India. His visionary and astute leadership resulted in Wockhardt emerging as a leading pharmaceutical and biotech conglomerate, driven by research and strategic thinking on a global scale.

Dr. Habil Khorakiwala is the Founder Chairman & Group CEO of Wockhardt Limited, a company he founded in the early 1960s. He holds a Masters in Pharmaceutical Science from Purdue University, and has participated in an Advanced Management Programme at Harvard Business School, USA. He is also the recipient of an honorary doctorate from Purdue University, USA. He has been past President of FICCI (Federation of Indian Chambers of Commerce & Industry) and President of the Indian Pharmaceutical Alliance (IPA), the organisation of research-based Pharmaceutical companies in India. Beside he has been the Member of the National Manufacturing Competitiveness Council set up by Dr. Manmohan Singh, then Prime Minister of India. He was nominated by Government of India to the National Managing Committee, Indian Red Cross Society, nominated by the Prime Minister of India to the Advisory Board of CSIR [Council of Scientific and Industrial Research] in New Delhi, Member of Board of Trade instituted by the Government of India under the Ministry of Commerce & Industry and nominated by the Government of India as member of the Board of Directors of NIPER (National Institute of Pharmaceutical Education and Research).

Dr. Khorakiwala has received many prestigious awards such as Shiromani Vikas award for 'Outstanding and Inspiring Contribution towards National Development' at the hands of Mother Teresa in 1992; Institute of Marketing & Management (IMM) 'Top CEO' in 2002; International Medical Integration Council 'Life Time Achievement' in 2003; Giants Award for 'Outstanding Contribution to Business and Industry' in 2003; Rotary Award for Vocational Excellence, 2003-04; Ernst & Young 'Entrepreneur of the Year' in the Healthcare and Life Sciences' category in 2004; Named 'India's Greatest Brand Builders' in a book authored by Dr. R L Bhatia of Centre for Change Management in 2005; Indian Express Group of Newspapers 'Lifetime Achievement Award' at the Pharma Excellence Awards 2006; UK Trade & Investment 'Entrepreneur of the Year' at the India Business Awards 2008; Purdue University conferred an 'Honorary Doctorate in Pharmacy' in 2010; Frost & Sullivan 'Lifetime Achievement Awards' India Healthcare Excellence Awards.

VICE-CHANCELLOR

Prof. Dr. Seyed Ehtesham Hasnain

Ph.D., D.Sc. (H.C.), D.Med.Sc. (H.C.), FNA, FTWAS, FAAM, ML

Prof. Seyed E. Hasnain, *Padma Shri*, took charge as Vice Chancellor, JH on 2 Sept 2016. Prof. Hasnain is a well known academician and a scientist, known for his excellent work on DNA fingerprinting and on tuberculosis. With about 275 publications in peer-reviewed journals of high impact and dozens of patents globally, Prof. Hasnain has not only established himself as a scientist, but also as an institution builder, policy maker, and an administrator. He taught at Delhi University, worked at the National Institute of Immunology, New Delhi and served as first Director of Centre for DNA Fingerprinting and Diagnostics (CDFD), Govt of India. He made CDFD a gold standard for DNA based crime investigations in the country. As the Vice-Chancellor of University of Hyderabad (2005-2011) he brought this University to the #1 position displacing JNU and Delhi University.

Prof. Hasnain has travelled widely and has given invited talks at top global Universities including Oxford, Cambridge (UK), Harvard, Yale, Stanford, Univ of California, Salk Inst(USA), Institute Pasteur (France), Max Planck Inst, Frei Univ, Koln Univ (Germany), NUS(Singapore), Univ. of Canberra (Australia), China, Thailand, Brazil, Senegal, Iran, Saudi Arabia, Bangladesh, Canada, etc.

Prof. Hasnain is recipient of many prestigious awards, such as Germany's Highest Civilian Award – The Order of Merit (Das Verdienstkreuz, 1.Klasse) from the President of Germany, equivalent of India's Bharat Ratna, the only Indian so far and one of the very few persons globally. He is a recipient of Humboldt Research Prize (Alexander-von-Humboldt Foundation, Germany); the very exclusive Robert Koch Fellowship (the ONLY Indian so far) of the Robert Koch Institute, Berlin; and the first Indian elected as a Member of the German National Academy of Sciences Leopoldina, and youngest to be elected as a Fellow of TWAS, Trieste. He is elected Fellow of the prestigious American Academy of Microbiology, USA, and has been conferred with the ICMR's BR Ambedkar Award, the highest award for excellence in biomedical research; besides many other prestigious Indian Awards which include G.D. Birla Award, Shanti Swarup Bhatnagar Prize, FICCI Award, J.C. Bose National Fellow Award, Ranbaxy Research Award, Goyal Award, Bhasin Award etc. He is an elected Fellow of all the major Science Academies of India (FNA, FASc, FNASc), and a recipient of honorary Degrees from Universities in India and abroad. He is the 3rd Indian (Dr APJ Abdul Kalam, 2009, Dr Amartya Sen, 2010) to receive an Honorary Doctorate (2011) from the Queen's University, UK.

He has been the Chairman of the Academic Committee of PGIMER, Chandigarh, and a Member of the PGI Institute Body and Governing Council, as well as Member of the Research Advisory Committee of AIIMS, New Delhi. He has served as a Member of UGC, the Governing Councils of Indian Institute of Advanced Studies, Shimla; IISc, Bangalore; IIM, Kozhikode; IISER-Bhopal and several other institutions; policy-making bodies of the Ministries of S&T, MHRD, Health and Defense, and is a member of the Board of Directors/Audit Committees/Remuneration Committees of a number of Companies.

PRO-VICE CHANCELLOR

Dr. Ahmed Kamal

Ph.D., FNASc, FAPSc, FRSC

Dr. Ahmed Kamal, joined Jamia Hamdard as the first Pro-Vice Chancellor on October 03, 2017. Dr. Kamal was born in Hyderabad, Telangana. He graduated from Osmania University, Hyderabad (India) and obtained his Master's degree in Organic Chemistry. He subsequently completed his Ph.D. in the area of Medicinal Chemistry from the Aligarh Muslim University. On completion of his doctoral degree he joined as a Scientist at the Indian Institute of Chemical Technology (IICT), Hyderabad. He carried out his post-doctoral research work at the University of Portsmouth, England and was a visiting scientist at the University of Alberta, Edmonton, Canada. For the last 30 years, he has pursued his research career at IICT, Hyderabad and also worked in the capacity of Outstanding Scientist at IICT.

He was also the Project Director of the National Institute of Pharmaceutical Education and Research (NIPER), Hyderabad. He served as Acting Director of CSIR-IICT during September 2012 till April 2013 and April to June 2015.

His research interests mainly focus on the design and synthesis of gene-targeting compounds as new anti-cancer agents, and their targeted delivery as pro-drugs. New chemical entities for anti-tubercular and anti-malarial activity are also his research avenues. He is also proficient in development of new efficient synthetic methodologies including solid phase, resin bound reagents and chemo-enzymatic strategies that are useful in both basic and applied Pharmaceutical chemistry. He has won several honors and awards for his research like CSIR Young Scientist Award in Chemical Sciences (1991), Fellow of the National Academy of Sciences, India (1999), Best Patent Award from the Indian Drug Manufacturers Association (2005), Medal from the Chemical Research Society of India (2005), Ranbaxy Research Award in the field of Pharmaceutical Sciences (2005), UKIERI Standard Award for Biomedical Solutions between India and UK (2006), OPPI Scientist Award from the Organization of Pharmaceutical Producers of India (2009), Fellow of the A. P. Academy of Sciences (2010), Fellow of Royal Society of Chemistry (2011) and Most Outstanding Researcher in the field of Chemistry by Careers 360 (2018). He has over 490 publications, more than 9400 citations, 24 review papers and 9 book chapters in the areas of bio-transformation and medicinal chemistry. He has filed over 430 patents and five of his US patents have been licensed to a pharmaceutical company for their clinical development and some compounds from these patents are undergoing pre-clinical studies. He was instrumental in setting up of Biotechnology Incubation Centre at the Biotech Park in Hyderabad. Over 90 students have completed their Ph.D. work under his guidance and about 10 of them are currently working for their Ph.D. programme in different universities. He is an editorial advisory board member for several prestigious peer-reviewed international journals.

JAMIA HAMDARD ADMINISTRATION

Chancellor	Dr. Habil Khorakiwala
Vice Chancellor	Prof. S.E. Hasnain
Pro-Vice Chancellor	Prof. Ahmed Kamal
Registrar	Mr. S. S. Akhtar
Finance Officer	Mr. R. K. Verma
Controller of Examinations	Mr. M. V. Hussain
Dean, Hamdard Institute of Medical Sciences & Research	Prof. S.S Anand
Dean, School of Unani Medical Education and Research	Prof. M.A. Siddiqui
Dean, School of Pharmaceutical Education and Research	Prof. Nadeem Siddiqui
Dean, School of Nursing Sciences and Allied Health	Prof. Manju Chhugani
Principal, Rufaida College of Nursing,	Prof. Urmila D. Bhardwaj
Dean, School of Chemical & Life Sciences	Prof. M.P. Sharma
Dean, School of Interdisciplinary Sciences and Technology	Prof. F. J. Ahmad
Dean, School of Engineering Sciences & Technology	Prof. Ranjit Biswas
Dean, School of Humanities & Social Sciences	Prof. A.K. Singh
Dean, School of Management & Business Studies	Prof. N. Ravichandran
Dean, Hamdard Institute of Legal Studies and Research	Mr. S.M. Khan
Dean, Students' Welfare	Prof. Mohd. Amir
Proctor	Prof. M.S. Alam
Foreign Students Advisor	Prof. F. J. Ahmad
Assistant Provost (Girls)	Dr. Noria Farooqui
Provost (Boys)	Prof. Kalim Javed
Director, IQAC / Advisor (Research)	Prof. Shaikh Raisuddin
Director, Jamia Hamdard Residential Coaching Academy	Mr. S.M. Khan
Director-cum-Dean, School of Open & Distance Learning	Prof. (Dr.) Masood Parveez
Librarian	Mr. Mohd. Shoaib
Med. Superintendent, Hakeem Abdul Hameed Centenary Hospital	Dr. Ajaz Mustafa
Med. Superintendent, Majeedia Unani Hospital	Dr. S. M.A. Zaidi
Public Information Officer	Mr. Vinod Kumar
Public Relations Officer	Mr. S. R. Khan

CAMPUS FACILITIES

LIBRARY

The University library is among the oldest academic institutions established by the great Visionary Late Chancellor Hakeem Abdul Hameed Sb. (1908-1999) in 1977 at the Tughlakabad Campus of the upcoming university. The Central library is housed in a multi-tier round building famous for its architectural design and beautiful landscaping. It was renamed in 1992 as the Hakeem Mohammed Said Central library (acronym HM.Sc.L) on the name of the younger brother of the founder. The Jamia Hamdard Library System consists of the HMS Central library and a number of School libraries, such as School of Pharmacy library, School of Nursing library, School of Unani Medicine library, HIMSIR library, School of Humanities and Social Sciences library, etc. holding good number of Books.

Library development plan initiated or completed during period.

1. Digitization and uploading of 180 doctoral theses in the Shodhganga
2. Participation in the National Digital Library (NDL) of India, a MHRD initiative which aims to integrate all the existing digital contents across educational institutions of the nation in order to provide single window access to the different group of users ranging from primary to post-graduate;
3. Uploading Thesis and Rear Books of the local institutional repository (IR) under the caption JHDL (Jamia Hamdard Digital Library) on the D-Space platform.
4. Implementation of Urkund software to verify the authenticity of Ph.D. dissertations as well as other research publications submitted by the scholars/faculty members of Jamia Hamdard.
5. EBSCO (Elite) for School of Management and Supreme court Cases (SCC) for HILSR etc database were provided free access to the users.
6. The users are provided Smart Cards for Library membership IDs which can be used to borrow/return the books from any service point within the campus;
7. All books available in H.M.S. Central Library Tagged to Implement RFID in the H.M.S. Central Library.
8. Provided campus-wide search & retrieval facilities of subscribed and free available Databases to scholars through the University Intranet.
9. Contribution of bibliographical data to the INFLIBNET managed union catalogue INDCAT;
10. Demonstration of Web of Science and Turnitin anti-plagiarism software were organised

Library holding (as on 31st March 2020)

Sl. No.	Details of Books	Status
1.	Total collection of books	2,03,320
2.	Manuscripts	3800
3.	Journals subscribed	85
4.	Expenditure on Journals	28,39,473
5.	Bound Volumes	3184
6.	Thesis	1424
7.	Text books	8063
8.	Reference Books	2930

Addition in 2019-20

Sl No.	Details	Status
1.	No. of books purchased:	400
2.	Expenditure on books:	Rs. 6,75,607

COMPUTER CENTRE

The University has excellent state-of-the-art computing facilities and system analysis units in its computer centre to cater to needs of students. The computer centre is well equipped with advanced computers along with all the necessary peripherals as well as requisite software's.

Information Technology has become increasingly crucial to effective acquisition and dissemination of knowledge. Therefore, Computer professionals in Jamia Hamdard are adopting best practices for integrating these technologies in support of teaching and learning.

All the faculties, libraries, laboratories located in different buildings as well as Hakeem Abdul Hameed Centenary Hospital and Administrative Block are connected through 1GB fiber Optic cables. Residential areas are also connected through high-speed RAS ports and modems using existing EPABX.

Jamia Hamdard has also become part of National Knowledge Network (NKN) which is an ambitious programme of MHRD under which all the Universities and Institutes of repute are connected through dedicated bandwidth of 1 Gbps. Computer Centre is also providing to its Faculty and staff e-mail services on its domain www.jamiahamdard.ac.in. Centre has hosted 30 high-end Servers to provide different computing services to different segments of the University. Centre has also introduced cutting edge Virtualization technologies to minimize dependents on physical resources. Centre is also working with different Government funding agencies like Department of Biotechnology (DBT), Government of India; Department of Science and Technology (DST) and has established high end computing Labs (BIF) with their assistance for research and teaching purposes for PG students, research scholars and teachers. www.jamiahamdard.edu is official website of the University. Apart from that Centre is also maintaining www.himsr.org for its upcoming Medical College. All relevant information regarding courses, eligibility and admission process etc. are updated regularly. Centre is engaged in teaching and training assignments for students, staff and faculty of Jamia Hamdard. Recently video-conferencing was introduced to facilitate knowledge dissemination and research. Computer Centre, Jamia Hamdard is in collaboration with CISCO, which is a world renowned networking company, conducting CCNA Networking Programme at its premises for internal as well as external students. <http://www.jamiahamdard.edu> is the main resource of information about the University. Starting with the announcement of the admission, list of short listed candidates, regular notices are uploaded on the website.

GYMNASIUM

A Gymnasium has been constructed with the assistance of University Grants Commission and Hamdard National Foundation in 1999. Besides, playgrounds for cricket/football, volleyball and badminton (both for girls and boys) are available.

SMART CLASSROOM CLUSTER

The ‘Smart Classroom Cluster’ has been made fully functional and is currently utilized for teaching, seminars, group discussion and workshops.

The **Jamia Hamdard University (Deemed University)** has grown phenomenally in the last decade with addition of new programs and consequent expansion initiatives of the University with the support of Hamdard Foundation and Govt. of India.

The Smart Classroom Cluster is a Central Facility developed in the Library Building of the Jamia Hamdard University comprising of 18 Lecture Rooms and a Video Conference Room is an exercise in capacity building and has been designed as a state-of-the-art shared Central Facility of the University. It is envisaged that this facility will cater for teaching in the Management, Unani, Pharmacy, Medical and Engineering faculties. A multi-functional space is proposed in the central *atrium* to showcase various achievements of Jamia Hamdard University in the last 52 years.

The facility caters to 144 lectures during the day and the lecture scheduling is coordinated by the office of Dean Academics. The hourly footfall in the building on full loading is around 1600 people including the students, faculty and staff, besides an average floating population of about 1000 students and faculty. To meet the requirements of circulation, three entry and exit points have been provided. A *landscape court* has been planned as an interactive zone for the students and faculty and the central movement spine leads to the Proposed Faculty of Engineering. The salient features of the complex are enumerated in the following sections.

The facility has been designed to effectively and efficiently utilize the existing floor space of 34,661-sq. ft available in the Library building in view of efficiently utilising space and the existing real estate asset of the university. The proposals in the Master Plan of JHU envisage effective space management within the faculty buildings by utilising the space occupied by classrooms and generating space for Research Laboratories, Centers of Excellence, New Academic Programs and development of new Academic Facility primarily for Under Graduate/Graduate Teaching while classrooms being transferred to a specialized central facility of the University. The allied functions comprise of Main Reception Lobby, Faculty Offices with an Open Office Planning concept, Cafe, Public facilities and a AV Media Lab.

The academic functions comprise of 02 nos. state-of-the-art Lecture Theatres (capacity 140 students), 02 nos. state-of-the-art Lecture Theatres (capacity 100 students), 05 nos. state-of-the-art Lecture Theatres (capacity 85 students), 07 nos. state-of-the-art Lecture Theatres (capacity 70 students), 02 nos. state-of-the-art Lecture Theatres (capacity 50 students), 1 no. Conference Room (capacity 20 persons) with Video Conferencing Theatre facility, 2nos. Discussion/Meeting Rooms which have been Acoustically Treated and provided with state-of-the-art Audio Visual Systems and Modern Teaching Aids with LCD Projectors, Internet Connectivity, Media Lab for Audio and Video Recording, Content Management/editing and storage facilities for E-Learning and dissemination of information to students on Internet and intranet All the lectures can be recorded simultaneously and will be networked with the data Center and an information system guides the students to the respective classroom.

The Water Conservation strategies include use of auto flushing and auto closing faucets, low water discharge cisterns/Flush valves etc. The MEP Services Design include Fire Fighting System through Down Comer Pipes and Sprinklers etc. as NBC Requirements. The system design includes provision of Building Management

System with an integrated approach combining all services and has been provided to monitor all the vital parameters besides indicating the equipment performance, faults etc. to the controller. All the systems selected are BMS compliant. The MEP services have been articulated around the principle of 4E's i.e. *cost effectiveness, efficiency, economy* through design and *ease of maintenance*.

The Electrical System has been designed with multi-level safety mechanism, energy saving using energy efficient technologies and luminaries such as LED Lighting. The Electrical Panels has been provided to cater for enhanced load and will be interlocked with existing Main LT Panel of the Building. The Captive Power will be provided from the existing source which is proposed for up gradation as per Master Plan Proposals. The Air Conditioning System has been designed using Cassette Type/High wall Splits using Five Star Machines for energy efficiency and by implementing VRV Technology.

The Integrated Security System comprises of Access Control, Public Address System, CCTV, Fully Addressable Fire Detection and Alarm System which has been integrated with Electrical System and controlled access and monitoring system for security surveillance has been provided.

The entire complex has been networked to the Central Computer Network of the University with Internet Protocol and Wi-fi Connectivity supported by the secondary data enter networked to the main data center of the University.

The facility has been provided with state-of-the-art AV system, which include live streaming and video conferencing system of Cisco, Digital podiums, Short and long through projectors, a facility Controller which is operated through a tablet and controls HVAC System, Lighting, motorized blinds, AV and projection systems. The live AV stream of lectures is managed by the AV media lab where content management and editing is done and thereafter uploaded on the intranet for the benefit of the students and students enrolled in the Distant Learning Program. The audio-visual technologies support effective academic and administrative processes required by a forward looking global university in the 21st Century with a vision to achieve excellence in academics and research through global outreach. In order to fulfil the desired objectives, it was prudent to develop a facility holistically with complete integration of all the building components. The total Cost of project was Rs 8.36 Crores for the Smart Classroom Cluster. The facility has been developed with seamless integration of functions, technology and supporting services.

SCHOLARSHIPS AND FELLOWSHIPS

The following scholarships / fellowships are available for the students of Jamia Hamdard. This is besides the various scholarships and fellowship schemes of the Govt. of India and Delhi Govt.

For Students of All Schools of Jamia Hamdard

Scholarship	Eligibility
Hamdard National Foundation (HNF) Scholarship	Limited Ph.D. students on the merit-cum-means
Khwaja Moinuddin Chishti Ajmeri (Gharib Nawaz) merit-cum-means scholarship	On the basis of essay writing competition on the life and work of Khwaja Gharib Nawaz.
Dr. L.M. Singhvi Gold Medallion (or Silver Shield) of accolade	For the first and second winner of essay competition on a subject of topical importance of interfaith dialogue.

For Students of Pharmacy / Unani Medicine/ Science / Nursing

Scholarship	Eligibility
Hakeem Abdul Majeed Scholarship	Who secured highest marks in annual exams of B.Pharm. (Regular) I, II and III Years, BUMS I & II Prof., B.Sc. Nursing, I, II and III Yr and M.Sc. I yr.

For Students of school of Chemical and Life Sciences

Mrs. Shakila Naqvi Merit Scholarship	Muslim female of M.Sc. II year who secures highest marks in M.Sc. I year
Tasmia Merit Scholarship	For a student of M.Sc. II year Biotechnology, on the basis of merit
Noorul Hasan Memorial	Scholarship Student of II year of M.Sc. Biotech on merit & need
Prof. A.K.M. Ghouse Means-cum-Merit Scholarship	Student of M.Sc. II Year Botany, on merit
Anchrom Means-cum-Merit Scholarship	Student of M.Sc. Chemistry II year, on merit
Dr. Manoj Varshney Scholarship	Student of M.Sc. II Year Chemistry on merit
Khalil Ahmad Merit-cum-means Scholarship	Student of M.Sc. Chemistry on merit and need
Late Mr C.R. Arora Scholarship d	Student of M.Sc. Chemistry Final year on merit & Nee
Hind Agro Industries Merit Scholarship	Student of M.Sc. II year Toxicology on merit & need
Tasneema Fellowship	Female student of M.Sc. Toxicology II year, for studies on Regulatory Toxicology
Late Hajji Mohammad Asif (s/o late Janab Mohammad Ishaque Sandook Wale) Reward for knowledgeable student (MARKS)	Muslim student(s) in M.Sc. (Biochemistry/ Biotechnology/ Chemistry/Botany/Toxicology) II Year
Prof. Masroor Alam Baig Memorial	Scholarship Muslim student of Biochemistry on merit & need

For Students of Social Science & Humanities

Scholarship	Eligibility
Late Lady Laiqan-Nisa Award for Meritorious Professional (LAMP) Scholarship.	Student of M.A. (Islamic Studies) II Year on merit cum-means who passed all subjects of First Year
Mrs. Aquil-un-Nisa Alam Scholarship.	Student of M.A. Islamic Studies, on there commendation of HOD and Dean

For Students of Management

Scholarship	Eligibility
Late Hajji Mohammad Ilyas Memorial Initiative for learning and educating student (M-MILES)	Muslim student(s) of MBA II year.

For Students of HIMSR

Scholarship	Eligibility
Prof. S.M. Yahya merit cum means scholarship	For a Muslim student of MBBS II year

For Students of Unani Medicine

Scholarship	Eligibility
Hkm Abdul Hameed Fellowship	For students of M.D. (Unani).
Maulana Wahid Hussain Memorial Scholarship	Student of BUMS II Prof on merit and need.
Dr. Maqbool Husain Jafri Memorial Scholarship	Student of BUMS III Prof. on merit and need.
Akhtar Hussain Memorial Merit Scholarship	Who joins BUMS after Pre-Tibb, on merit.
Late Maulvi Shabbir Ahmad Scholarship	For a topper of annual examination, Pre-Tib.
Late Janab Haji Mohammed Ahmed Khan Education Reward (MAKER) Scholarship	Two BUMS II Prof. students on merit-cum-means,subject to passing of all papers.
Mrs. Aquil-un-Nisa Alam Scholarship	Student of SUMER on recommendation of HOD & Dean

For Students of Nursing and Paramedical

Scholarship	Eligibility
Jamboonathan Means-cum-Merit Scholarship	Student of B.Sc.. (Nursing) II year secured highest marks in I year
Mrs. Farida Haque Scholarship	Student of DGNM I Year, on the basis of means only; the student is eligible to receive Zakat.
Noorul Hasan Memorial Scholarship	Student of DGNM II Year on merit and need.
Late Lady Nasira – Begum Education Award for Topper (NEAT) Scholarship	Student of B.Sc. (Nursing) II year on merit cum means who pass all subjects of I year.
Musharraf Hussain Jafri Scholarship	Student of BMLT III Year, on merit-cum-need
Syed Abdul Karim Scholarship	Student of DXE II Year on merit-cum-need
Rais Ahmad Khan Scholarship	Student of DMRT on financial condition
Prof. Syed Wahiduddin Scholarship	Student of DDT II Year on merit and need.
Noorul Hasan Memorial Scholarship	Student of DOTT II Year on merit and need.

Late lady Reshma Parveen Memorial Initiative for Learning & Educating Students (R-MILES)	Muslim Student(s) of BOT or BPT, B.Sc.. (MLT) or BETCT, 2 nd year.
---	--

For Students of Pharmacy

Scholarship	Eligibility
Hakim S.A. Jamil Qadri Memorial Scholarship	Student of B. Pharm. 1 st year on need & eligibility
Maulalan Shibli Nomani Scholarship	Student of B. Pharm. II Year (SFS and General) who secures highest marks in B. Pharm. I Year.
Noorul Hasan Memorial Scholarship	Student of B.Pharm. II Year on merit and need
Late Janab Haji Mohammad Ahmed for Top Excellence Award (MASTER) Scholarship	Two students of B. Pharm. II year on merit cum means who passed all subjects.

Post-Doctoral and Research Fellowships:

- Jamia Hamdard has instituted two research fellowships with its own resources to commemorate its silver jubilee year as institution Deemed to be University.
- Jamia Hamdard Silver Jubilee Post-doctoral fellowship – Open to all
- Jamia Hamdard Silver Jubilee Research Fellowships – Open for Research Scholars registered in Ph.D. programme of Jamia Hamdard

SCHOOLS AND FACULTY INFORMATION HAMDARD INSTITUTE OF MEDICAL SCIENCES & RESEARCH AND ASSOCIATED HAKEEM ABDUL HAMEED CENTENARY HOSPITAL

Hamdard Institute of Medical Sciences & Research (HIMSR) at Hamdard Nagar in New Delhi is one of the finest self-financed Private medical Institute in Delhi with infrastructure and faculty that support students to become outstanding medical professionals. It is a constituent unit of Jamia Hamdard. It was established in 2012 as an ambitious project of Jamia Hamdard aimed at furthering its scope in the life sciences and health domains and providing quality healthcare at an affordable cost.

HIMSR has been established as an institution of national importance with the objects to develop patterns of teaching in Undergraduate and Post-graduate Medical Education in all its branches so as to demonstrate a high standard of Medical Education in India; to bring together in one place educational facilities of the highest order for the training of personnel in all important branches of health activity; and to attain self-sufficiency in Post-graduate Medical Education.

The institute is supported by 470 bedded Hakeem Abdul Hameed Centenary (HAHC) Hospital. This is in conformity to Medical Council of India guidelines.

Hamdard Institute of Medical Sciences & Research is the great leap forward in line with the vision of

the founders of Jamia Hamdard and in fulfilling the dream of Hakeem Abdul Hameed to create an institute for suffering humanity. It shall establish the philosophy of Hamdard "Compassion, Concern, Care and sharing in pain."

The Institute, over the years, has developed excellent organizational structure through its statutory and non-statutory authorities resulting in establishment of a well-regulated administrative machinery and achievement of excellence in academic functioning and medical research and providing high level of medical care to the patients. Just to give a glimpse of the services rendered by the hospital to the needy patients, nearly 521,000 patients were provided consultation and treatment in the outpatient departments during the year. Out of these 72,000 patients were admitted as indoor patients. The faculty of HIMSR is carefully selected by national level experts through an interview process ensuring excellent quality of the teachers. The teaching aids are contemporary, networked, interactive and upgradable. At HIMSR, great emphasis is put on conducting research and publishing scientific papers by the faculty. Regular up-gradation of professional knowledge is facilitated by regular clinical meetings, seminars, symposia etc.

SCHOOL OF UNANI MEDICINE AND ASSOCIATED MAJEEDIA UNANI HOSPITAL

The school was established as Hamdard Tibbi College in 1963 at Gali Qasim Jaan as Hamdard Tibbi College. It was shifted to Hamdard Nagar Campus in 1980 and started B.U.M.S. course under University of Delhi. After the establishment of Jamia Hamdard in 1989 it was merged with the university and got the status of Faculty of Medicine (Unani) and now it has been renamed as School of Unani Medical Education and Research (SUMER). The School of Unani Medicine is one of the premier institutes of learning Unani System of Medicine. Presently the School runs undergraduate degree course Bachelor of Unani Medicine and Surgery (BUMS) and postgraduate courses M.D. Unani in three disciplines i.e. Ilmul Advia, Moalajat and Tahfuzzi Wa Samaji Tibb. The school also runs two one year courses i.e. (1) Pre-Tibb and (2) Certificate Course of Unani Dispenser (Attar) for candidates coming from Madarsa stream:

The School conducts teaching and research in Unani Medicine and Surgery and students are imparted instructions with extensive knowledge of the fundamental theories and basic principles of Unani System of Medicine as well as the modern medical subjects such as Physiology, Social and Preventive Medicine, Pharmacology, Pathology and Forensic Medicine.

This School has a 100 bedded Unani hospital namely Majeedia Unani Hospital.

SCHOOL OF PHARMACEUTICAL EDUCATION AND RESEARCH

The School of Pharmaceutical Education and Research (Formerly Faculty of Pharmacy), which was established as Hamdard College of Pharmacy in 1972, is one of the most prestigious institutions of Pharmacy education in India. A sizeable number of students of the School qualify GPAT securing high score. The School offers Ph.D. in different disciplines, M.Pharm. in eight branches, B.Pharm. and D.Pharm. courses. Students get placements in major pharmaceutical companies after obtaining degrees from Jamia Hamdard.

School of Pharmaceutical Education and Research has been ranked No. 1 amongst Pharmacy Institutions of India under NIRF-2017 (National Institutional Framework) by Ministry of Human Resource Development (MHRD), Govt. of India.

Many faculty members have research projects funded by National /International funding agencies and Pharmaceutical Industries. A separate Pharmacy block dedicated to research in advanced fields of nano medicine, bioactive natural products, CADD etc. with state-of-the-art instruments and other facilities is also part of the School. The Central Instrumentation Facility (CIF) of the School is equipped with modern

equipments needed for advanced pharmaceutical research like NMR spectrometer (400 MHz), LC-MS, Malvern zetasizer, SCF, AFM, HPLC, HPTLC, HPH, DSC etc. The School has a Computer Centre having 30 PCs with Internet connectivity. All the departments of School are actively involved in research as can be seen by publications. The School has published more than 1000 research papers in SCI indexed reputed journals and applied more than 25 patents in last five years and 10 have been granted.

The Department of Pharmaceutics has collaboration with School of Management for their MBA Pharmaceutical Management programme for teaching and placement related activities. The MBA Pharmaceutical management programme is designed to provide technical and administrative skills in management & research in Pharmaceutical sector.

The M.Pharm. programme in Pharmaceutical Analysis of the Department of Pharmaceutical Chemistry is also strengthening with the collaboration with the Department of Chemistry. The instrumentation facility and their expertise in this field gives a considerable support in learning and placement in pharmaceutical companies on mutual basis.

The research and teaching programme in MPharm. Pharmaceutical Biotechnology of Department of Pharmacognosy & Phytochemistry is supported-cum-collaborated with Department of Biotechnology, School of Chemical & Life Sciences. The highlighted areas of research in the Department are Development of Bio molecules, recombinant DNA technology and regulation of gene expression and fermentation technology etc.

The Department of Pharmacology has multidisciplinary collaboration with HIMSR and Centre for Translational and Clinical Research, School of Chemical & Life Sciences. The M.Pharm. in Pharmacy Practice programme is augmented with the Clinical Research programme of School of Chemical & Life Sciences and Department of Community Medicine of HIMSR. In the HAH centenary hospital of Jamia Hamdard students of the Pharmacy Practice programme assist doctors in possible drug interaction and train patients to understand dosage regiment and other healthcare related queries.

SCHOOL OF NURSING SCIENCES AND ALLIED HEALTH

Rufaida College of Nursing

Rufaida College of Nursing was established in 1983 in order to popularize this noble profession of Nursing amongst Indian Muslims. The School of Nursing was upgraded into a College of Nursing in 1994. Over a period of more than three decades many batches have graduated from the college and today the College of Nursing attracts students from all over the country. The facilities available at Hakeem Abdul Hameed Centenary Hospital and other hospitals in Delhi and community health centres are utilized for teaching and practical training of students. The College maintains a Health Care Centre for the under-privileged in the neighboring areas of the university. The diploma, degree, postgraduate degree and doctorate offered by the College of Nursing are recognized by the Indian Nursing Council (INC). The successful graduates of the programmes get 100% employment through campus recruitment in leading hospitals and healthcare institutions. There is a global demand for our graduates to work in health care facilities.

Department of Rehabilitation Sciences

The Department of Rehabilitation Sciences has been conducting the post graduate Programme from 1998 and Under Graduate programme from 2001 respectively. The Ph.D. Programme has commenced from 2017. The academic programme has recognition from relevant Councils. Academic programme are in consonance with the National and International professional bodies.

Consequently, the job availability to pass-out students has been very good. Many of our alumni are holding responsible positions in Govt. and private institutes nationally. Students are in demand for jobs abroad and they under take further studies as well.

SCHOOL OF CHEMICAL & LIFE SCIENCES

Thrust areas of research in the School are environment and health. The research objective is to understand the etiology of diseases at molecular level and inter-relationship between nutrients and drugs. Modern bio-medical research tools and developments in the fields of Genetic Engineering, Genomics, Proteomics and Bioinformatics are being used to understand the cellular processes associated with health and diseases. The emerging concept of role of elements in health, effect of chemicals on environment, health and ecosystem including mitigation of their toxicity and carcinogenicity are other areas of research. Scientific evaluation of the efficacy of herbal medicine is being extensively pursued. The effect of environment on growth, structure and chemistry of plants, relationship between structure and function of proteins and enzymes, development of bio-molecules by r-DNA technology, regulation of gene expression, development of new generation vaccines and diagnostic probes, enhancement of secondary metabolites in medicinal plants, metabolomics, molecular biology of diseases, biotransformation of medicinal plants for better yield of medicinal

compounds and transgenics of valuable crops and medicinal plants are also being studied. Besides the departments, the School has the following facilities:

1. Central Instrumentation Facility
2. Central Animal House Facility
3. Herbal Garden
4. Transgenic Containment Facility

Departments/Centres in the School

SCHOOL OF INTERDISCIPLINARY SCIENCES AND TECHNOLOGY

The School promotes education and research in interdisciplinary sciences and provides opportunities to researchers and academicians to interact with the faculty and students of other schools of Jamia Hamdard and carry out research in interdisciplinary areas as well as promote opportunities for higher education in identified areas.

The school is currently offering M.Tech. in Food Technology and Ph.D. in Bio-informatics, Chemo-informatics and Food & Fermentation Technology, Interdisciplinary Sciences and Molecular Medicine. The School is running two departments namely Dept. of Food Technology and Jamia Hamdard Institute of Molecular Medicine.

The Department of Food Technology in the school received a substantial grant of Rs.75 lakhs in 2010 from Ministry of Food Processing Industries to strengthen the laboratories and infrastructure of the Department as the demand of professionals

and trained personnel in the food industry as well as in research and development in government and industrial set-up is immense.

The mission of JH-IMM is to develop a multi-disciplinary approach via successful collaborations to bridge the gap between basic and clinical or translational sciences in India. Scientists at JH-IMM are involved in scientific programs, which try to integrate laboratory and clinical research, with an aim to develop new and innovative therapeutic modalities with an active interest in disease intervention strategies and assay development for diagnostic and therapeutic purposes

SCHOOL OF ENGINEERING SCIENCES & TECHNOLOGY

Department of Computer Science & Engineering (in the School of Engineering Sciences & Technology) started in 1997, and it has grown now into a vibrant centre of teaching and research. The department has a pool of highly qualified excellent teachers and technical staff members as per UGC/AICTE norms. Since its inception, the Department has gradually acquired prominence in University endeavors and has attracted bright talents from India and abroad. Taking cognizance of the fact that India is poised to enter the Knowledge-Era and aiming at a leadership position in Information Technology, the Department has given a major thrust to strengthen and expand its activities. In addition to offering various graduate and postgraduate courses, the Department also facilitates high-quality research leading to Ph.D. degree in the areas of

Machine Learning, Blockchain Technology, Artificial Intelligence, Soft Computing, Data Science, Big Data, Data Mining, Smart Transportation, Sustainable Development, Green Computing, E-Governance, Pattern Recognition, Image Processing, Knowledge Engineering, Software Engineering, Information Security, Cyber laws, Cyber Forensics, Mobile Computing, Cloud Computing and IOT. Employing a fine blend of traditional and modern techniques, the Department has successfully trained the students as executives, managers, researchers, and entrepreneurs over the years. Department has made a lot of contributions towards these areas in the form of publications in journals/conference proceedings/books/sponsored research and collaboration with industrial research.

INSTITUTION INNOVATION COUNCIL (IIC)

Institution Innovation Council (IIC), an initiative of the Ministry of Education, Govt. of India, was launched with the purpose of fostering the culture of Innovation and Entrepreneurship in all Higher Education Institutions (HEIs) across the country. Jamia Hamdard got its IIC in 2019; and based on the performance, it got 4.5 stars out of 5 stars in 2020 and was among Top Achievers in its zone.

Jamia Hamdard also has its Entrepreneurship Cell (EC), in the School of Engineering Sciences and Technology, which has already got grants two times from Department of Science & Technology (DST), Govt. of India for organizing entrepreneurship related activities at Jamia Hamdard including faculties from nearby colleges too.

MoE's Innovation Cell, under its Innovation Ambassadors Training, has trained and designated four of us from Jamia Hamdard as Innovation Ambassadors in the areas viz. Entrepreneurship Development Program, IPR & Technology Transfer, Design thinking & Innovations, Pre-incubations and Incubation Management. They have been listed as Innovation Ambassadors at the official MIC website. They are expected to perform the role of mentor at our IIC, provide support to other IICs as resource person in organising various programs related to innovation and startup and spread the message of innovation & start-up among the students and faculties.

IIC&EC follows the IIC calendar as prescribed by MoE's Innovation Cell and conducts regular activities across the year to inculcate the entrepreneurial traits in its students. As a result, the students get encouragement and regularly participate in the activities here as well as at national level.

Recently, Jamia Hamdard has created a separate budget for IIC & EC for the coming financial year 2021-2022.

IIC & EC (Jamia Hamdard) is also trying to get an ATAL INCUBATION CENTRE of NITI Ayog to be funded by the Government of India and HNF.

SCHOOL OF HUMANITIES & SOCIAL SCIENCES

The School consists of Department of Islamic Studies, Centre for Iranology and a UGC-Center for Federal Studies.

The Department of Islamic Studies is actively engaged in research and teaching activities. The B.A. (Hons.) and MA programs have been designed to acquaint students with various aspects of Islamic faith and civilization. The purpose is to give a thorough knowledge of contemporary subjects of social sciences such as Sociology, Political Science, Economics, Islamic Economics, Banking and Finance, Computer Applications, Arabic and English languages.

The Masters program also focuses on issues like Ijtihad, the Islamic position on multi-culturalism, dialogue between religious and civilizations, knowledge in the Islamic perspective and problems faced by the Muslim Community in India and abroad. The main thrust of research in the Department is the areas which have relevance to the issues of the contemporary Muslim world with special reference to Indian Muslims.

Research in Islamic Studies are based on and guided by the social science approach, and modern methodology within the parameters prescribed by the Holy Qur'an and Hadith.

UGC-Centre for Federal Studies is a member centre of the prestigious International Association of Centers for Federal Studies (IACFS) and is exclusively dedicated to the studies, researches and teaching on dimensionalities of federal nation building in multicultural comparative setting.

Over the years Federal Studies as an independent academic discipline has matured as a doctrine of (i) state and nation building (ii) Non-centralized/decentralized governance (iii) Empowerment and welfarism (iv) Rights and (v) Peace and conflict resolution

The areas of research include Comparative federalism, Interstate comity, Federal power sharing, Working of coalition system, Environmental management and ecological concerns of development, Sector analysis of state policies, Decentralization, development and empowerment, Human rights, inclusive growth and development of socio-economically marginalized groups, Indian Government and Politics, Public Finance and Economic management of Taxes and resources and Election studies.

SCHOOL OF MANAGEMENT & BUSINESS STUDIES

The Department of Management Studies was established in the year 1998. Ever since its inception, the department has aimed at broadening the outlook, strengthening the skills of future managers and to develop the personality of the students. Due to the core competencies of the faculty the department has made a name for itself, both among industry erudite and intelligentsia. The degree awarded is a master's degree with specialization in General Management. In the year 2014, the Bachelors Program of BBA was initiated. So far this has been a well received program. The Department was bifurcated in 2016, into Department of Management and Department of Health & Hospital Management. The pedagogy involves combination of the theoretical concept with practical application. This is achieved by discussing the latest developments in management thinking and their applications in the Indian context through case studies, club activities, seminars, Guest lectures and Industrial tours. The students are encouraged to overcome the limitations of classroom education by attending club activities twice a week. The club activities provide a platform for polishing the communication and presentation skills. During the club session, students make individual presentations

on recent happenings in the areas of management. They also organize Management Fests, Biz-Quiz, Debates, Ad-mad shows etc. through which learning becomes a pleasant experience. In order to have interaction with the corporate world, the MBA Programme incorporates guest lecturers as part of its curriculum. The department invites guest speakers from the industry to interact with the students and give insights in contemporary issues and developments.

Placements

Placement activities are coordinated by a placement cell headed by a Placement coordinator, comprising of selected student representatives and faculty member. This includes both summer internship as well as final placements.

Departments in the School

- Department of Management
- Department of Healthcare & Pharmaceutical Management
- Department of Hotel Management

SCHOOL OF LAW

Hamdard Institute of Legal Studies and Research (HILSR)

Hamdard Institute of Legal Studies and Research (HILSR) was established by the Academic Council of Jamia Hamdard, and Board of Management registered with and approved by Bar Council of India (BCI) in 2018. With the introduction of B.A.-L.L.B, 5 years integrated course, in the first academic year 2018-19, the school recorded admission from different parts of the country for 120 seats.

Aim and objectives

The aim of school of law is to train students in legal profession by developing skills, competence, philosophies, and ideologies for creation and maintenance of just society. It is to enhance human sensibilities in order to make responsible lawyers.

The objective of the course is to equip students with sufficient knowledge of the historical and sociological background of the country's legal system and to promote multi-disciplinary analysis of socio-legal issues. The course-structure has been successfully designed and teaching methodologies are adopted by competent faculty members, in order to facilitate learners towards understanding, interpretation and demand of the dynamic global challenges. To inculcate students with the operative legal rules; both

substantive and procedural, to provide them with adequate experience for application of these rules, and to impart knowledge of the foreign legal system for adoption of universal and comparative approaches.

The methods of teaching include classroom lectures, open discussions, discussions on the judgments, seminars, tutorials, presentations to help and improve communication skills of the students, and moot court training for better understanding of legal concepts and their applications. School of Law aims to become a platform for imparting legal education and cutting-edge research in the country. The principal objective of the school is to cultivate among its students a critical thinking and to promote research in an inter-disciplinary manner.

The School of Law has the distinction of the following infrastructure and facilities:

- Smart Classrooms
- Moot Court room with a capacity of 200 chairs.
- A well-stocked and computerised library.
- Computer Lab with internet facility.
- Legal Aid Clinic
- Common Rooms (a) General Room (b) Boys (c) Girls.

Programme of Study

Undergraduate

- Bachelor of Arts and Bachelor of Law (BA-LLB) 5 Years Integrated Course

SCHOOL OF OPEN AND DISTANCE LEARNING

One of the key concepts in the right to education is access: access to the means to fully develop as human beings as well as access to the means to gain skills, knowledge and credentials. Distance education is an instructional delivery system that allows students to participate in an educational opportunity without being physically present in the same location as the instructor. The rapid growth in the number of distance education courses and programs has had a profound impact on the ideas and beliefs about teaching and learning.

There has been a significant growth in the area of open & distance education around the world. Open and Distance Learning (ODL) mode of education has been recognized as one of the effective tools of educationally empowering those sections of the society, which could not afford to join the formal on campus education due to various reasons. As a result, it is an effective tool for non-formal education.

Presently, ODL institutions are not only imparting education as an alternative to the formal system but also making effective contribution in areas, such as vocational and technical education and even in high technology based education. The distance education also has potential to reach to un-reached and even marginalized and excluded groups of the society such as tribal populations and Muslim women. Open

and distance education provides an opportunity to students for acquiring new knowledge and skills that are needed for their development. Jamia Hamdard being in education for along time has taken initiatives to offer an opportunity to those students who are unable to get on campus education and those who have limited access to educational resources.

The School of Open and Distance Learning (SODL) of Jamia Hamdard was established in 2004 to promote education through open and distance learning system. Its flexible and innovative methods of education endeavor to ensure 'independent learning' to anyone, anytime and anywhere. ODL programmes of Jamia Hamdard also envisage to provide an opportunity to girls from Muslim community, who by and large have been left out by the national educational endeavors.

Jamia Hamdard's study programmes under ODL are selective and customized to meet the learning requirements of knowledge seekers as well as to ensure that they learn at their own pace and convenience. Within the financial means of Jamia Hamdard, due care has been taken to keep the cost of education low, so that educationally backward sections can take advantage of Jamia Hamdard programmes through ODL mode. This goal in view, the SODL of Jamia Hamdard has made concerted efforts to offer professional and job oriented courses with regular

updates of curricula and study material and introduction of tools of Information Technology. Transaction of the curriculum is effected by means of specially prepared materials in the form of Self Learning Material (SLM) which are delivered to the learner at their doorstep through various media such as print, audio/videotape, CD-ROMs, etc. A technological medium replaces the interpersonal communication of conventional classroom based education which is between the teacher and learners.

Jamia Hamdard offers education through ODL mode in few selected programmes where Jamia Hamdard has tremendous strength. The courses are designed and developed with views to prepare a cadre of manpower with requisite knowledge and professional skills so that they can effectively function in the globalised economy, which is no doubt highly knowledge intensive. In its endeavors to cater for education and training needs of different socio-economic groups, the programmes have been carefully identified to fill the contemporary gaps in available courses offered by other institutions and the market demand, and/or to provide cost-effective options to the weaker sections of the society, who are unable to reap the benefit of development due to lack of adequate education, training and skills.

Without sacrificing the quality of education, the cost of education is kept very low so that the economically deprived sections may afford to pay fees and benefit from the educational opportunity provided at the doorsteps.

JAMIA HAMDARD RESIDENTIAL COACHING ACADEMY

Jamia Hamdard Residential Coaching Academy (JHRC) was established in September, 2009 under the aegis of Ministry of Human Resource Development, Government of India and funded by the University Grants Commission. The main thrust of the Coaching Programme is to prepare candidates from the Minority community along with SC/ST and Women candidates to compete and secure jobs in Government and Public Sector Units. Academic support and guidance along with personality development interventions are emphasised at the Academy for holistic development of candidates to face the stiff competition for entry into various services.

Infrastructure and Facilities

The Coaching Academy is located in the main campus of Jamia Hamdard at Hamdard Nagar, New Delhi. Necessary infrastructures such as class rooms, library, offices, computer lab etc. are properly available to cater to the requirements.

The contextual and required lectures and interactive sessions are conducted by qualified and competent resource persons, drawn from respective fields and expertise. The coaching program, spread over a period of 10 months, is rigorous and intensive. Regular written Tests are conducted to evaluate the performances of the Candidates.

In addition, personality development of the candidates is emphasized by personal support and guidance. Regular interactive sessions with successful Civil Servants are also being conducted for the candidates. Group discussions and debates among candidates are encouraged to develop communication skills.

Library

There is a dedicated Library for the candidates of the

Academy. Newspapers, periodicals, books and notes for civil services are available in the library. The library is kept open for 20 hours a day on all days of the week. Candidates can also avail the facilities at the Central Library of the University.

Hostel

Hostel facility is provided to all admitted candidates on sharing basis. Hostel rooms are equipped with all the basic amenities. Mess facility is open to all the residents of hostel on payment. As washing of cloths is not allowed in the Hostel, the Candidates will have to pay the laundry charges, separately the hostel facilities would be provided for a period of ten months only.

Stipend

Under the Project, 20% of the selected candidates would be awarded with stipend of Rs. 2,000 per month. The criteria for selection are based on merit cum means of the candidate. For securing the stipend the Applicants have to produce the income certificates of their parents, duly issued either by the Tahsildar (revenue officer) of their Block or Mandal or by their employer, only. The stipend will be given for a period of ten months which will commensurate with the stay in the hostel. However, a candidate will be eligible for stipend only for one term of his/ her stay in the Academy.

JAMIA HAMDARD KANNUR CAMPUS

During this year, the first ever convocation of Jamia Hamdard Kannur Campus was held on 29th August 2019 (Thursday) at Dinesh Auditorium, G K Panicker Memorial Research Centre, Kannur. All the graduates were awarded their degrees and the batch toppers of Admn. 2015 & 2016 batches were honored with gold medals. The convocation was held for the students of various departments viz, BA English, BBA, BCA and B. Com (with computer Application) who qualified degree in the year 2017 and 2018.

It was presided over by Prof. Sayed Ehtesham Hasnain (The then Vice Chancellor, Jamia Hamdard) and conducted by Mr. S S Akhtar (Registrar, Jamia Hamdard). The Welcome speech and presentation of Annual report were delivered by Prof. Ahmed Kamal, Pro Vice Chancellor, Jamia Hamdard. Mr. Ahmed Rayees, President, Deenul Islam Sabha addressed the gathering. After the distribution of degrees and felicitation of Guests Dr. Shibu John delivered the vote of thanks. Mr. TV Subhash, District Collector, Kannur was our guest for lunch. Since he had a hectic schedule, he was not able to reach for the awarding ceremony. The parents of the degree qualifiers, few renowned businessmen and academicians from institutes in and around Kannur were also invited and attended the function. A press meet was arranged at the venue and a good number of reporters attended the meeting.

Our academic year 2019-20 commenced on 10th June '19 by reopening classes for ongoing semesters. Admission for new batch of 2019 was completed and classes started for the I Semester students on 03.07.2019. Apart from the 05 existing UG courses and 01 PG course, we have started one new UG course w.e.f 2019 admissions viz. B.Sc. Psychology.

The students enrolled at JHKC peruse higher studies abroad including UK, Canada and in India at New Delhi, Bangalore, Cochin, Chennai, Kottayam and so on. Likewise, our students have been able to secure jobs not only in India but also abroad particularly in Gulf countries. Equal importance is given to arts and cultural activities parallel to academics.

Arts and Cultural Activities

- Freshers' day was conducted in August where the junior students were given a warm welcome by the senior students.
- Onam Celebrations held in September '19
- KASARTH 2K19 was conducted in December. It was a 2 days cultural program where the students showcased their talents in various streams of art.

Seminars, Conferences, Club Activities & Workshops

- A career guidance class on 'Study broad' was conducted by Placement cell on 18th July 2019.
- One day workshop on Self Management skill by Dept. of Management Studies on 3rd Dec.,2019
- Workshop on Digital Marketing by Dept. of Comp. Science on 3rd Dec.,2019

- One day workshop on Neuro Psychology of serial killing jointly organized by Dept. of Psychology, JHK & Team Inpsyght.
- Self Defence training workshop for girls jointly organized by Women Cell, JHK in association with Kerala Police, Vanitha Cell on 5th Dec. 2019
- A workshop on Essence of Literature and Creative writing organised by The Dept. of English held on 2nd January 2020

Sports

- Cricket & Football Tournaments were held in the second half of the Academic year.

Achievements

JHKC students secured trophies and awards in various management fests held in different colleges during the academic year 2019-20. JHKC students bagged overall championships in the Management fests held at ITM, Kannur & NAM, Kallikkandy. Moreover, they were able to win individual cash prizes in different management fests and other competitions held in various colleges.

Career Guidance and Placement Cell

The Placement Cell, Jamia Hamdard Kannur Campus was formed in March '19 and with great pleasure I would like to inform you all that few students have joined at good companies through the placement drive carried out under the aegis of our Campus Placement Cell.

Sports facilities

Jamia Hamdard has Indoor and Outdoor sports facilities in the campus. For Indoor facilities, a hall consisting of well-equipped physical fitness centre/gym, two badminton courts, table tennis, carrom board and chess etc. are available. For outdoor facilities, Jamia Hamdard has athletic track, well maintained cricket ground, football ground and basketball & volleyball courts. Jamia Hamdard also organizes inter-school sports tournaments (Hamdard Sports Meet) and Literary & Cultural Events (Hamdard Fest) annually. Various teams of Jamia Hamdard also participate in sports & cultural activities in national, regional and zonal level events.

National Service Scheme (NSS)

National Service Scheme (NSS) is a program sponsored by the Ministry of Youth Affairs and Sports, Government of India. The NSS volunteers participate in various awareness program such as Pulse Polio Immunization camps, awareness about Hepatitis-B, DPT and BCG immunization, HIV/AIDS, STD, importance of cleanliness, illiteracy eradication program, plantation and related activities. NSS volunteers also participate in program sponsored by Delhi AIDS Control Society. NSS volunteers organize blood donation camp every year. A 15-day Special camp is organized by NSS volunteers every year in slums of Delhi for community awareness. NSS Jamia Hamdard is a member of the Red Ribbon Club which is HIV/AIDS awareness scheme sponsored by Government of NCT, Delhi. The number of NSS volunteers in Jamia Hamdard is around two hundred.

National Cadet Corps (NCC)

National Cadet Corps unit of Jamia Hamdard is affiliated to 7 Delhi Battalion NCC, New Delhi. Students of various Faculties are enrolled as NCC cadets. NCC is a youth development movement. It has enormous potential for national building. The NCC provides opportunities to the youth of the country for their all-round development with a sense of Duty, Commitment, Dedication, Discipline and Moral values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets in a wide range of activities, with a distinct emphasis on Social Services, Discipline and Adventure Training. Besides routine drills, NCC cadets participate in National Integration Camps (NIC), combined annual training camp, Advance Leadership Camp (ALC) and several welfare programs such as the blood donation camp, health awareness camp and immunization programs and flag hoisting in University premises on the occasion of the Republic Day and Independence Day celebrations.

NCC has wide range of benefits for students enrolled under the program ranging from Excellent career opportunities in defense services, reserved seats for C certificate holders in various universities across India and cadets are entitled to various scholarship and activities undertaken by NCC Headquarters like (i) Annual Sahara scholarship, (ii) Cadets welfare society (iii) Youth exchange programs in countries like Sri Lanka, China, USA etc.

ترانہ جامعہ ہمدرد

یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ
ہم اس کے چاند ستارے ہیں، یہ درس گہ ہمدرد ہے یہ

تعبیر ہے یہ اس خواب کی جس خواب کی منزل حکمت ہے
یہ شمع ایسی شمع ہے جس کی کہ جہاں میں شہرت ہے
اس وقت تو ذرے ہیں ہم سب پر تارے بن کے چمکیں گے
مانند گلوں کے مہکیں گے، مہتاب کی صورت چمکیں گے
یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ

پائی ہے یہاں پر ہم نے جو دولت وہ لافانی ہے
حکمت کا پیمبر ہے وہ جو اس میرے چمن کا بانی ہے
ہر وقت یہاں پر ہم نے جو اخلاق و محبت پایا ہے
ہر سمت جمال علم یہاں پھولوں کی طرح مسکایا ہے
یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ

نصرت و ظفر کا پرچم ہم اس عالم پر لہرائیں گے
اس روشن شمع کی خاطر ہر طوفان سے ٹکرائیں گے
سر سبز رہے شاداب رہے، اللہ دعایہ میری ہے
اس گلشن پر نہ آنچ آئے، اللہ دعایہ میری ہے
یہ درس گہ ہمدرد ہے یہ، یہ درس گہ ہمدرد ہے یہ

SPORTS ACTIVITIES

Annual Sports activities

Jamia Hamdard is well equipped with following Sports facilities open to both students and faculty:

GREEN INITIATIVES AND ECO CLUB ACTIVITIES

ACTIVITIES OF THE YEAR 2019-2020

NUKKAD NATAK PRESENTATION ON DIWALI ON THE TOPIC ‘CELEBRATE DIWALI POLLUTION FREE’ ON 24TH OCTOBER 2019

Every year eco-club, Rufaida college of Nursing, prepares nukkad natak and presents it at various places, to disseminate the information about the health hazards that can be caused by the burning of fire crackers on health of individuals, especially patients with respiratory problems, elderly clients and stray animals like cats and dogs.

Students of Eco Club presented the Natak at compound of school of pharmaceutical sciences and research, Jamia Hamdard, school of nursing and allied health sciences, community center, Pul Prahalpur, Jamia Hamdard, community center Madanpur khaddar, Jamia Hamdard, two MCD schools of Madanpur khadar covering more than 500 students at both Primary Schools. Students gave the message to masses that we can celebrate deewali in many other beautiful ways, such as making sweets, distributing sweets, hugging each other, doing group activities, decoration of homes and streets with lights. The students of primary schools enjoyed watching the nukkad natak and resolved that they will not burn fire crackers on Deewali.

SELF-COMPOSED POETRY RECITATION (HINDI, ENGLISH, URDU) AND GROUP SONG(HINDI LANGUAGE) HELD, AT RUFAIDA COLLEGE OF NURSING, SNSAH, JAMIA HAMDARD AT INTRA-FACULTY LEVEL 22ND JANUARY 2020

Eco-club, Rufaida College of Nursing in collaboration with Department of Environment, Govt. of NCT of Delhi organized a Self-Composed poetry recitation competition and Group Song competition on 22nd January 2020 at Rufaida College of Nursing, SNSAH, Jamia Hamdard at Intra-Faculty Level. The competition was organized to ignite thoughts on the current environmental problems around the globe and how the mother earth is distressed. The topic of the poetry and group song competition was 'Earth is Calling' in English language, 'Dharti kahe Pukarkai' in Hindi language and 'Zameen ki Pukar' in Urdu language.

The students were expected to express their thoughts on current environmental issues, through their self composed poems and group songs and how the climate change effects the earth, and the man as well as all living being, be it plants animal or birds. what can be done to salvage the situation through the poems.

A total of 35 students from various nursing courses presented poems and group songs. The creative talent of the students was reflected in their beautiful poems and songs through which they articulated their ideas on environmental pollution, climate change, threats to the earth and how we still can take a timely action to undo the damage and distress caused to the earth. Two faculty members namely Ms Veena Sharma and Ms Jamal Fatima presented their poems related to the theme of the competition. The judges appreciated the participants and their creative talent, ideas and efforts.

NATURE TRAIL TO MUGHAL GARDEN AND HERBAL GARDEN AT PRESIDENT HOUSE, NEW DELHI ON 28TH FEBRUARY 2020

A Nature trail was organized by eco-club unit of Rufaida College of Nursing, Jamia Hamdard on 28th February 2020 at Mughal Garden and Herbal Garden at President House, New Delhi. The trail was planned under one of the objectives laid down by Department of Environment, Govt of N.C.T of Delhi. 58 students having more than 95 percent class attendance were selected for the visit, 11 faculty members accompanied them.

The beauty and flora of the nature were highly appreciated by the group. It gave the group an idea to connect with nature so that they do plantation at and around their homes.
