It has come to the notice of the Jamia Hamdard authorities that HIMSR is conducting MBBS 1st Professional Annual Examination 2025 (Batch-2024) from 08th September 2025 without approval of the Competent Authority of Jamia Hamdard. The said examination has neither been notified nor authorized by the Controller of Examinations which is mandatory under the University's examination regulations. This has already been made clear through various communications from the Registrar and Controller of Examinations to the officials of HIMSR that holding of University examinations without the schedule notified by the office of the Controller of Examinations and Admit Cards issued without signature of Prof. Sudhir Kumar Jain, the University authorized Dean/Principal, HIMSR, Jamia Hamdard, shall be treated as null and void and consequently no cognizance of the said examination will be taken and no results will be published by the Examination Section. Also, the post-examination process will not be undertaken in such cases.

Kindly note that Jamia Hamdard has neither issued any enrolment number to any student of 2024 Batch for MBBS course nor the Examination Section has any information about their admission. No admission list of these students have been released by the University. Hence, the Examination Section does not recognize the MBBS students of Batch-2024 as bonafide students of the University unless the same is approved by the Competent Authority of Jamia Hamdard.

Any attempt to conduct the examination without the prior approval of the Competent Authority shall constitute a violation of the University's established academic protocols and guidelines. In case of non-compliance with the mandatory norms, concerned officials of HIMSR shall be held solely responsible for all consequences that may arise thereof and Jamia Hamdard and its authority will not be responsible for any loss to the students because of this.

This issues with the approval of the Competent Authority.
