

جامعہ ہمدرد JAMIA HAMDARD

(A Government Aided Deemed to be University)

Ref: JH-5/AS/2025/

Dated: 01.10.2025

Notification

The Department of Food Technology under the School of Interdisciplinary Studies and Research (SIST) is currently offering the following programmes:-

1. B.Tech in Food Technology
2. M.Tech in Food Technology
3. M.Sc. in Food Science and Technology
4. M.Sc. in Nutrition and Dietetics
5. Ph.D in Food Technology
6. Ph.D in Food Nutrition

The courses of M.Sc. in Food Science and Technology and the PhD in Food Nutrition need more research oriented activities and this will help create more trained persons as they are in great demand in the industry, hospitals, wellness centres, nutraceuticals and public health, etc.

To enable more focused research, funded projects and collaboration across medical, pharmaceutical and health sciences, the Vice Chancellor, being the Chairman of the Academic Council, decided to carve out a Centre for Nutrition and Dietetics for running the two programmes, namely, M.Sc. in Nutrition and Dietetics and Ph.D in Nutrition under a Professor Incharge.

Accordingly, it is decided to bifurcate the existing Department of Food Technology into:-

1. Department of Food Technology
2. Centre for Nutrition and Dietetics

This matter will be reported to the SC/Academic Council for ratification of the decision of the competent authority.

Approval: Vice-Chancellor dated 01.10.2025

Copy to:

1. All Deans/HoDs/DSW
