Ref: HIMSR letter dated 21.10.2024 & 03.09.2025 & 06.09.2025  
NMC letter dated 23.7.2025 & 24.7.2025  
Registrar, JH Notice dated 24.7.2025; Office of the Controller of Exams, JH  
letters dated 18.08.2025 & 02.09.2025 on the above subject

Dear Sir/Madam,

With reference to the captioned matter, it is informed that:

- a) That National Medical Commission (NMC) through its communication F. No. Renewal/UGMEB/2023-24/328 dated 23.07.2025 after taking into cognizance of the large-scale statutory violations in admission, examinations, illegal bank accounts by third parties and unauthorized persons at HIMSR, in the broader interest of the academic and career prospects of the students has decided that no renewal be granted to HIMSR for 150 MBBS seats for the academic year 2025-26.
- b) That the NMC in its second communication Renewal/UGMEB/2023-24/328 dated 24.07.2025 addressed to the Registrar, Jamia Hamdard also clarified to the Jamia Hamdard that this decision will not affect the students who are already enrolled at HIMSR and their admission remain valid and must be duly regularized by the Jamia Hamdard (Deemed to be University).
- c) That the Jamia Hamdard through a Notice F. No. JH/RO/HIMSR/Legal-WP/2025/ICOR/24, dated 24.07.2025 notified to all students concerned of HIMSR that the Jamia Hamdard is a Deemed to be University and is bound to comply with the directions issued by the UGC and NMC and is committed to safeguard the interests of all enrolled medical students in Jamia Hamdard. In the said Notice, it was brought out that Jamia Hamdard had also sought the cooperation of the students and teachers of HIMSR in this regard for remittance of fees only to the University operated bank A/c being operated at Jammu & Kashmir Bank, opened with the PAN number of Jamia Hamdard.

- d) The Academic Council in its 49<sup>th</sup> Meeting held on 21.08.2025. The Academic Council [under item No.49 (27)] while considering the matters related to withdrawal of 150 MBBS seats and MD/MS (49 seats) programmes for the academic session 2025-26 in HIMSR, resolved to constitute a committee to finalize the modalities for regularization of already enrolled/admitted students in HIMSR in terms of NMC communication dated 24.07.2025 and authorized the Vice Chancellor in this regard.
- e) That accordingly, a committee consisting of Registrar, Dean, HIMSR, JH, Controller of Examinations, Finance Officer (Offg) and OSD (Admn.) has been constituted by the competent authority of the University.

2. The Committee also gone through the following records pertaining to the admission of MBBS students' of 2024 batch of HIMSR and observed that: -

Admission records of students of MBBS 2024 Batch

- a) The Committee also observed that the HIMSR had provided the names of 146 students through letter dated 21.10.2024 whereas the information available on the public domain on the NMC website revealed that the total admission made in HIMSR in MBBS course in 2024 stands at 150 as per the information shared by the UGMEB public notice dated 30.05.2025 as against 146.
- b) It was noted that in total 23 students were admitted against NRI quota and some names of candidates who were admitted against NRI quota are not appearing in the list of eligible candidates for admission against NRI Quota released by the NMC under Round 1 to 3 which needs clarification from Admission Cell of HIMSR. Hence the Committee also need clarification from the In-charge, Examination Cell of HIMSR as well as the Nodal Officer of Admission Cell, HIMSR whose name was listed in the information uploaded on the MCC website by HIMSR during 2024 MBBS MCC Admission counselling process.
- c) The Committee was of unanimous view that in the light of the directions given by the NMC all the students who took admission in HIMSR in the previous academic year 2024-25 are to be regularized by the University keeping in view of the larger interest of the students who took admission in HIMSR.
- d) The Committee felt that it is not feasible to make any recommendations for the regularization admission of MBBS students admitted by HIMSR during the year 2024 in the absence of this vital admission information/records of the students admitted by HIMSR in 2024.

Holding of First Professional University Examinations for 2024 Batch

- e) As per the Competency Based Medical Education (CBME) guidelines issued by the UGMEB of NMC dated 1.8.2023, *the first Professional University Examinations shall be held at the end of First Professional Training (in the 12<sup>th</sup> month of that Training) in the subjects of Anatomy, Physiology and Biochemistry*. Similarly, the byelaws for MBBS of Jamia Hamdard stipulates that the First Professional examination shall be held at the end of first professional training (1+12 months) in the three subjects. Whereas the information available on the public domain reveals that admissions for MBBS in 2024 batch was extended in HIMSR until 04.11.2024.

- f) The committee observed that the 12 months period at the end of Professional training is not over in August/Sept 2025 based on the admission data available on the NMC admission data as the last student was admitted on 04.11.2024. Hence there is no pressing urgency in holding the 1<sup>st</sup> Professional Examinations for three subjects with six papers from 08.09.2025 for 2024 MBBS Batch as suggested by HIMSR.
- g) HIMSR did not provide adequate admission information of all the students who were admitted in MBBS programmes during academic year 2024 to ascertain when a student took admission in the MBBS programme in HIMSR and when did he/she complete the First Professional training in the subjects.

3. In order to process the cases of all admitted students of MBBS 2024 Batch, you are requested to make available the following records in original for the consideration of the Committee

- a) A complete list of all Students of MBBS 2024 Batch admitted in HIMSR in the along with all basic information (contact details of students) along with Tuition fee and other fees collected by HIMSR from the students (up-to-date) for verification purpose for regularization of admissions.
- b) Original documents/admission records and affidavits obtained from all 23 students who were admitted against NRI quota for verification along with the list of eligible candidates for counselling under NRI quota released by MCC/NMC.

4. You are requested to make available the above records and information latest by Wednesday, 10<sup>th</sup> Sept 2025 (AN) to the office of the Controller of Examinations. Your request for holding of 1<sup>st</sup> Professional Examination for 2024 will be considered only after regularization of the admissions of admitted students of HIMSR in 2024. Please note no University Examinations should be conducted by HIMSR without the written approval by the Jamia Hamdard.

Yours faithfully,

  
( Col. Tahir Mustafa )  
Registrar
