

NATIONAL CONFERENCE ON “EMPOWERING HEALTH THROUGH BREASTFEEDING- INNOVATIONS, POLICIES & PRACTICE”

The Department of Obstetrics & Gynaecological Nursing, Rufaida College of Nursing, Jamia Hamdard, organized a National Conference on September 26, 2025, on the theme “Empowering Health Through Breastfeeding – Innovations, Policies & Practice” in hybrid mode. Distinguished speakers shared insights on advancing breastfeeding through innovation and evidence-based policies. The event saw participation from 136 delegates across 16 states and featured paper presentations, a book release, a yoga session, and a feedback interaction, making it a truly enriching academic experience.

Glimpses of the event:
