Dear Members of the Jamia Hamdard Family,

As we bid farewell to 2025 and welcome the dawn of 2026, I extend my warmest greetings to all students, faculty members, staff, alumni, and well-wishers of Jamia Hamdard.

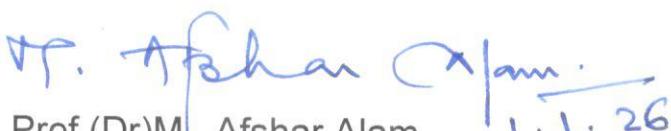

The past year has been one of significant achievements and progress for our university. We have witnessed remarkable growth in academic excellence, research contributions, and student accomplishments. Our commitment to Hamdard's vision of holistic education and service to humanity has remained steadfast.

As we step into 2026, let us renew our dedication to the pursuit of knowledge, innovation, and social responsibility. The challenges of our times demand that we remain resilient, adaptive, and forward-thinking. I encourage our students to embrace learning with passion and curiosity, our faculty to continue their excellent work in shaping young minds, and our staff to maintain their unwavering support in building this institution.

May this New Year bring new opportunities for collaboration, discovery, and growth. Let us work together to strengthen Jamia Hamdard's position as a leading center of learning and research, contributing meaningfully to national development and global scholarship.

I wish you all a prosperous, healthy, and successful New Year 2026.

With warm regards,

  
Prof (Dr) M. Afshar Alam  
Vice Chancellor
