Response by Jamia Hamdard to the Rebuttal by Hamdard Education Society, a registered society with Regd. No.S-11517 of 1981 with registered office at Talimabad, Sangam Vihar, New Delhi 110080, appeared in the Hindustan Times on July 27, 2025 (page 5) to the Times of India news item appeared on 23.7.2025

1. Misrepresentation regarding withdrawal of MBBS and PG Seats	Response
a. Unilateral withdrawal of affiliation by Jamia Hamdard vide communication dt. 6.6.2025.	<ul style="list-style-type: none"> Jamia Hamdard is a unitary deemed to be University with no powers to grant affiliation to institutions under other societies. In the past HES in July 2024 had made an attempt unilaterally to obtain autonomous status for HIMSR bypassing the Jamia Hamdard but the same was rejected by the UGC vide letter dated 9.7.2024. HES is wrongly claiming that HIMSR stand transferred to HES from Jamia Hamdard without any valid document. University land is in the name of Jamia Hamdard and as per DDA perpetual lease deed conditions, it is a government land the same cannot be transferred or assigned or sub-leased to any third party without the due approval of the Lt. Governor of Delhi/DDA. The land and buildings of HIMSR and its hospital belong to the Jamia Hamdard and no members of the third party can lay claim on it. It is a criminal act by HES and HNF-MREC. The decision of the JH to withdraw the consent for award of degrees to the students of HIMSR was taken after due deliberations by its academic and executive bodies. The primary reasons for withdrawal were clearly outlined in the letter dated 6.6.2025 sent to the NMC and the major violations were violations of UGC Institutions Deemed to be Universities Regulations, diversion of huge funds to third party bank accounts and not providing 85% seats in MBBS to Delhi Domicile candidates as per the Essentiality Certificate issued by the Delhi Govt.
b. Status quo of HIMSR Delhi High court order dt 20.9.2022	<ul style="list-style-type: none"> It is denied that there are any violations of status quo order passed by the Delhi High court. The petition was filed by two private parties Mr. Abdul Majeed and his brother Mr. Asad Mueed and not by the Hamdard Education Society. As per the order, the JH is expected to facilitate the Family settlement to the extent if the terms and conditions are legal, as per law and as per the UGC Institutions Deemed to be Universities Regulations, 2019 (as per the earlier order dated 27.5.2019). On 7.11.2022 UGC directed the JH that assets of JH cannot be bifurcated and income of the JH cannot be

	<p>diverted to third party society accounts including the sponsoring body.</p> <ul style="list-style-type: none"> Delhi High Court order did not permit HES to open illegal bank accounts against the UGC Regulations and collect student fees and empowered to do illegal acts against the law and RBI KYC norms for opening of bank accounts in the name of a medical college belong to Jamia Hamdard. Quarterly bank accounts of HIMSR as directed by the Hon'ble High Court were not submitted by the Dean, HIMSR to the University as per the court order dated 20.09.2022.
c. No communication from NMC or MCC to HIMSR about financial matters	<ul style="list-style-type: none"> NMC has been duly appraised by JH about the illegal diversion of student fees through cloned bank accounts opened by HES by JH. Three illegal and cloned bank accounts with J&K bank have been debit freezed from 3.1.2024. Two bank accounts with UCO Bank have been debit freezed from 9.10.2024 and two more bank accounts with PNB from 12.10.2024 on the basis of order dated 10.10.2025 by RBI Ombudsman. NMC vide its show cause notice to HIMSR, Jamia Hamdard dated 23.7.2025 has mentioned about the financial irregularities committed by third parties in the affairs of the HIMSR. In view of the larger scale violations of UGC Regulations, the NMC has decided not to grant renewal of 150 UG MBBS seats to HIMSR for the academic year 2025-26 in order to safeguard the academic and career prospects of the students. The sole grounds for not permitting the 150 MBBS seats by NMC is attributable to the financial bungling by HES. It is the HES office bearers to be blamed for undue interference with the internal functioning of the institutions of Jamia Hamdard without any legal authority.
2. False and fabricated allegations of Rs.813 crore diversion to HES account	
<ul style="list-style-type: none"> The allegations of a Rs.813 crore diversion attributed to HIMSR is factually baseless defamatory and malicious. Amount is misstated by JH as per their own financial records. HIMSR has no access to the CAG audit report. 	<ul style="list-style-type: none"> JH is one of the nine government funded/aided deemed to be Universities and brought under the C&AG audit purview by the M/o Education letter dated 5.10.2017 and UGC letter dated 8.10.2013. The C&AG audit was ordered by the Govt of India, M/o Education vide letter dated 24.6.2024 based on the recommendations of UGC committee report 2021 & 2022. C&AG compliance audit report dated 2.5.2025 gives a detailed account about the violation of Regulations leading to governance failure in HIMSR, Jamia Hamdard. There is no misstatement about the diversion of funds by HES through illegal bank accounts. The C&AG Audit observed that TAN and GST registrations linked with the HIMSR and its Hospital were separated and linked to HES against the UGC Regulations. The financial statements, including the balance sheet and income and expenditure accounts for the years 2021-22 to 2023-24, for HIMSR, revealed that a total receipt of Rs.

	<p>810.49 crore, including student fees and other receipts was deposited into the new accounts of HIMSR linked with the HES PAN number.</p> <ul style="list-style-type: none"> • The Audit did not include the illegal fee collection made by HES through the cloned bank accounts from 01.04.2024 to July 2025. The total illegal fee and other income collected by HES is over Rs.1000.00 crore as on date. It is continuous and recurring in nature. • The Ministry of Education, Govt. of India through its letter dated 15.1.2025 clarified its the position that the Sponsoring body of the JH shall be the JH Society since 1989 and there is no change. Two private parties challenged the decision of the Ministry of Education, Government of India dated 5.1.2025 before the Delhi High Court (CWP No.5477 of 2025) but the same has not been set aside till date. • HES cannot have any say in the governance of the Jamia Hamdard or its institutions and no legal rights are accrued in its favour.
<ul style="list-style-type: none"> • Separate bank accounts. • All accounts are audited by statutory auditors. • The allegations of financial misconduct is without any merit and reckless defamation. 	<ul style="list-style-type: none"> • HES claimed that their accounts were audited by statutory auditors (CA Firm) and how could seven separate bank accounts opened and operated by HES for HIMSR were debit freezed by J&K Bank, UCO Bank and PNB for want of RBI KYC compliance from Jan 2024 to October 2025. • The Auditor who audited the accounts of HIMSR failed to appreciate the legal provisions under which an institution of a deemed to be University is being operated and they failed to appreciate the statutory provisions governing the maintenance of accounts by HIMSR under I.T. Act and UGC Regulations. • JH has already registered a complaint against the misdeeds committed by the HES in this regard. • There was a diversion of over Rs.50 crore from HIMSR (Student Fee bank accounts) from UCO Bank (now freezed) to Hamdard Education Society in two months July to August 2024 alone. If HES is a donor why such large sum is transferred back to its own accounts. • HIMSR is not having an independent legal status. It is not a society or Trust or company. It has been created through a resolution passed by the Executive Council of Jamia Hamdard in the year 2010. • HIMSR which is an institution attached to a deemed to be University cannot be transferred to a third-party society without the prior consent of the Government, UGC, DDA, Delhi government and National Medical Commission. Further there is no provision of transfer of the assets of the Jamia Hamdard to third parties and it is impermissible under the UGC Regulations and as per the directions of UGC dated 07.11.2022. • Illegal obtaining of TAN and GST based on a forged NOC purportedly issued in the letter head of Jamia Hamdard – FIR No. 0406 dated 21.12.2024 with PS I.P. Estate has been registered against the HES

<ul style="list-style-type: none"> • Sponsoring body has donated Rs.426 crore to the establishment of HIMSR. 	<ul style="list-style-type: none"> • The C&AG observed that The Government had provided financial support amounting to Rs. 433 crores to the JH up to 2022-23. There is no disclosure from when the donation was granted to JH or HIMSR • Donors cannot be the owners and it is an admitted position that HNF is a charitable society and whose main function is to provide aid to Jamia Hamdard. • The UGC Act 1956 and the Regulations made thereunder outline the powers and responsibilities of the UGC to oversee and regulate the functioning of the Deemed to be Universities.
<ul style="list-style-type: none"> • HIMSR is a constituent institution 	<ul style="list-style-type: none"> • HIMSR cannot be a constituent institution according to the UGC Regulations and the affidavit filed by UGC before the Delhi high Court on 5.12.2024. • Even it is termed as constituent institution it is part and parcel of JH and not part of HES or HNF. • HIMSR is an institution created by Jamia Hamdard and it is still part of the Jamia Hamdard. It has been included in the Memorandum of Association since 2013 and till date. • Every School and institution of Jamia Hamdard has to function under the overall administrative control of Executive Council, Academic Council, Finance Committee, having nominees of UGC. • The powers to appoint a principal/Dean is resting with the University and not a private body. • Jamia Hamdard is an autonomous institution and has an independent legal entity.
<p>3. Legal recognition of HIMSR Autonomy</p> <ul style="list-style-type: none"> • MOA 2021 • Entrust financial autonomy to sponsoring body 	<ul style="list-style-type: none"> • There is no functional or financial autonomy granted by Jamia Hamdard authorities or by any court orders or UGC. UGC has categorically took a stand before the Hon'ble Delhi High Court that HIMSR has been wrongly shown as constituent institution in the MOA of JH in 2017 & 2021 and there is no gazette notification issued by the Govt. of India. • HIMSR is not entitled for grant of autonomous status autonomy status as per UGC Regulations and it is a settled matter now. There is no provision for providing any autonomy to any Schools or institutions of JH under the UGC Regulations nor feasible. • HIMSR being an institution of Jamia Hamdard it has to function under the overall control of the Executive Council, Academic Council and Finance Committee and no third party has any right to interfere with the functioning either academic, finance or administrative functioning of HIMSR. In order to stop the continuous siphoning off student funds and other revenues of HIMSR and its attached hospital HAH Centenary Hospital of JH to third parties bank account, drastic steps were taken by the University

The Executive Council shall be the principal executive body of the institution deemed to be University. • Private societies like HES or HNF has not an expert body to interfere with the academic or administrative functioning of a medical college or a deemed to be University. They are providing a minuscule aid to JH but they cannot be owners of JH.
<ul style="list-style-type: none"> • JH should act as affiliating university. 	<ul style="list-style-type: none"> • JH cannot act as affiliating University as per the UGC Regulations, 2023. • HIMSR is not a registered society or Trust or Company which can seek affiliation. • Delhi University and IP University are the affiliating universities in Delhi and no other University can provide affiliation to any institution in Delhi. • NMC has accepted the stand taken by the Jamia Hamdard and UGC letter dated 9.7.2024 reiterated the same.

The said decision was challenged by two private persons namely Mr. Abdul Majeed and Mr. Asad Mueed through a OMP (I) No. 14 of 2022 before the DHC on the grounds such decision will be against the earlier decision of BOM dated 3.7.2021. But no relief was granted and they were asked to approach the Arbitrator appointed by the DHC.
4. Abuse of administrative Authority and Due process of violations	
<ul style="list-style-type: none"> • Abuse of authority by Jamia Hamdard 	<ul style="list-style-type: none"> • All statutory approvals for running the Medical College and its hospital are in the name of Jamia Hamdard. There is no abuse of powers by any authority of Jamia Hamdard. The matter regarding the major violations of UGC Regulations in the admission, illegal fee collection through cloned bank accounts opened by HES was reported to the Executive Council and Academic Council and with the approval of the EC/AC of JH it was decided not to offer admission in medical courses in HIMSR in the year 2025.

<ul style="list-style-type: none"> • Dissemination of false narration by JH. 	<ul style="list-style-type: none"> • Private parties on the one side claims it is under the control of HNF (Medical Relief and Education Committee) and on the other hand it had illegally diverting money to HES. • Illegal NMC and MCC portal control does not grant any legal authority to private parties or societies of a medical college- HIMSR. • False narration has been created by the office bearers of HES and Medical Relief and Education Committee of Hamdard National Foundation.
<ul style="list-style-type: none"> • Hinderance of day-to-day academic functioning of HIMSR 	<ul style="list-style-type: none"> • Members of HES has no business to interfere with the day to day functioning of an academic institution like HIMSR nor it has any legal right to do so. • HES office bearers have been portraying themselves as promoter members or owners of the Medical college belonging to Jamia Hamdard wrongly. • UGC Regulations does not permit any interference by third party or private members or donors in the day-to-day academic functioning. • Both HNF and HES are charitable societies and tax exemptions are not granted to receive the student fees from HIMSR. • Jamia Hamdard has already made a complaint with the Income Tax Authorities. • HES office bearers are making illegal appointment of teachers and other staff in HIMSR, Jamia Hamdard without any approval or knowledge of Jamia Hamdard (Deemed to be University).

Application for the medical college is made by JH. • Essentiality certificate for starting new medical college is in the name of JH. • Approval letter for the medical college is in the name of Jamia Hamdard.
	<ul style="list-style-type: none"> • As per the observation of the C&AG audit, through manipulation HIMSR has been wrongly shown as constituent institution under the control of HNF. • UGC Regulations prohibits the deemed to be Universities from entering into such arrangement with a third party to run a course or a college or an institution. • HES is not a stakeholder for consultation by the Jamia Hamdard in an internal matter. HES should have stopped the auditors from C&AG office during the audit process (Jan to April 2025) if auditing of HIMSR is not as per law. • HES has been barred to show HIMSR and HAHCH as its own institutions in the MOA by the Registrar of Societies-South in his order dated 25.2.2025. HES challenged the said order before Delhi High Court in CWP No.3510 of 2025. Order dated 25.2.2025 has not been set aside till date by the Delhi High Court. Illegal amendment in MOA of HES was carried out stealthily on 3.9.2024 by filing false affidavits to meet RBI KYC norms. • The following are the major statutory violations committed by HES in relations to the functioning of HIMSR: - <ul style="list-style-type: none"> a. Illegal bank accounts in the name the medical college without RBI KYC Compliance b. Illegal GST registration (FIR is registered)- charge sheet is being filed by the Delhi Police against HES c. Misuse of medical college website by HNF and HES. f. 85% Delhi Domicile quota has been consistently violated in MBBS admissions in HIMSR. g. If HIMSR is coming under the control of HNF or HES and then how come HIMSR is considered as a Minority institution. h. Either HNF or HES has been declared as Minority Institution by the National Commission for Minority Educational Institution Act. Minority status granted to JH has been misused in this case. i. WHEREAS meanwhile the deliberations on grant of renewal were under process, the Commission received a letter no. F.No. JH/RO/HIMSR/UG-admissions/2025-26/ECOR/74 dated 06.06.2025 from the Registrar of Jamia Hamdard (Deemed to be) University, citing the irregularities and misuse of institutional name by the unauthorized persons not connected to the affairs of Jamia Hamdard and persons not appointed as Principal/ Dean of the Hamdard Institute of Medical Sciences and Research (HIMSR), the competent authority of the University in compliance with the UGC Institutional Deemed to be Universities Regulations as amended from time to time, In furtherance of allegations made by the Jamia Hamdard, the university vide abovementioned letter made a formal request for withdrawal of MBBS (150) seats, MD/MS 49 seats in HIMSR for the academic session 2025-26 wherein University has stated that a stage has been reached where it may not be possible for the Jamia Hamdard to offer the MBBS and MD/MS programmes for the new academic year 2025-26.

These demand drafts were encashed through another illegal bank account with PNB AsafAli Road Branch. New Delhi which was opened on 12.11.2024.

*...Members suggested that **unless and until the matter is resolved properly, it is not advisable for the University to include Medical Programmes under HIMSR in the Jamia Hamdard Admission Prospectus 2025-26 to stop further violations of UGC Regulations, 2023 in medical admissions** and keeping in the interest of the student. If required the NMC may be informed once again. The AC after due deliberations resolved to adopt the above suggestions by majority members."*

WHEREAS on receipt of above communications from the University, the Commission sought further clarifications from Jamia Hamdard (Deemed to be) University as well as from your institution regarding the withdrawal of the consent of affiliation to HIMSR. To said query, the University vide letter no. F. No. JH/RO/HIMSR/Legal-WP/2025/ECOR/92 dated 11.07.2025 has acknowledged *the withdrawal of all previously issued letters of consent for offering MBBS and MD/MS programmes at HIMSR for the upcoming academic year 2025–26*. The University has further clarified that the Jamia Hamdard (Deemed to be) University being established under section 3 of the UGC Act, 1956 has no power to grant affiliation to other institutions and therefore it cannot be an affiliating university as per clause 26 of the UGC Institutions Deemed to be Universities Regulations, 2023. Consequently, HIMSR cannot be treated as an affiliated institution of Jamia Hamdard and it is a constituent of the Jamia Hamdard.

WHEREAS the Commission also received the reply from your institution on the same date. In your reply, a conflicting clarification was furnished wherein your college intimated that HIMSR has been under the academic, financial and administrative control of the sponsoring society namely HNF-Medical Relief and Education Committee registered under Registrar of Societies (RoS) and the only relationship HIMSR has with the University **is with respect to the award of degrees to the students** who pass the requisite examinations conducted by HIMSR.

WHEREAS a meeting was held in the National Medical Commission on 22.07.2025 wherein the communications received from the university regarding the alleged illegal activities being carried out by the HIMSR as well the request of the Jamia Hamdard intimating withdrawal of all earlier letters of consent for running MBBS and MS/MD programs at HIMSR for the academic year 2025–26, has been considered by the Commission in said meeting.

THEREFORE the National Medical Commission, after considering the communications received from the University regarding the alleged irregularities and misuse of name of its constituent institution namely HIMSR by the unauthorized persons not connected to the affairs of Jamia Hamdard and persons not appointed as Principal/ Dean of the HIMSR and further regarding the withdrawal of all earlier letters of consent for running MBBS and MS/MD programs at HIMSR for the academic year 2025–26 and pursuant to a decisions made in the NMC meeting dated 22.07.2025, the Under Graduate Medical Education Board,

has decided not to grant renewal of 150 UG (MBBS) seats to HIMSR for the academic year 2025–26, in order to safeguard the academic and career prospects of the students.

If the college / Institution is not satisfied and aggrieved with the decision of the Board, you may prefer an appeal before the Commission under Section 9, Chapter IV of the Maintenance of Standards of Medical Education Regulations 2023 (MSMER 2023) within Sixty (60) days of the issue of this letter.

Sub: **Seeking clarification regarding consent of affiliation to Hamdard Institute of Medical Sciences and Research (HIMSR)**

Sir,

With reference to your letter No. U-11021/Legal-UGMEB/24878/NMC/2 dated 10.07.2025 on the above subject, I am directed to write to clarify the following facts: -

- i. **Jamia Hamdard is Unitary in nature with no powers to grant affiliation to other Institutions:** As stated earlier in our letter of even No. ECOR/89, dated 01.07.2025 in response to your previous communication dated 30.06.2025, Jamia Hamdard being a deemed to be University has no powers to grant affiliation to other institutions being run under a third party. In this regard UGC communication addressed to the Registrar, Jamia Hamdard vide letter F.No.F.2-10/2023(AC-Policy) dated 09.07.2024 may be referred to. In the said communication while rejecting the application for conferment of autonomous status to HIMSR, it was informed by the UGC that a Deemed University, cannot be an affiliating University as per clause 26 of the UGC Institutions Deemed to be Universities Regulations, 2023. Further, the matters regarding grant of affiliation of colleges under a University are governed by UGC (Affiliation of Colleges by Universities) Regulations, 2009 and according to which, they shall apply only to universities established or incorporated by or under a Central Act, a Provincial Act or a State Act. It shall not apply to a deemed to be University which has been created under section 3 of the UGC Act, 1956. **(Annexure-1/Colly)** Consequently, Hamdard Institute of Medical Sciences and Research (HIMSR) cannot be treated as an affiliated institution of Jamia Hamdard and it is a constituent of the Jamia Hamdard.
- ii. **HIMSR has no legal status of its own and established by Jamia Hamdard:** Hamdard Institute of Medical Sciences and Research is an institution established by the Jamia Hamdard (Deemed to be University) and HIMSR has no legal status of its own. It is not a registered society nor granted any autonomous status by the UGC. As on date it is part and parcel of the Jamia Hamdard for all purposes. Hence there is no question of granting any affiliation to it by Jamia Hamdard for its independent functioning without the interference of the Jamia Hamdard in its day-to-day administration. Hence, the NMC cannot directly deal with the HIMSR bypassing the authority of the Jamia Hamdard (Deemed to be University) Regulations, 2023 which has originally made the application for establishment of the Medical College – HIMSR to be run by the Jamia Hamdard in its own campus/institutional land.
- iii. **HIMSR is an Institution of Jamia Hamdard and not an affiliated college/institution as per the law:** The supporting letter of consent for grant of award of Degree of MBBS to the student of MBBS was issued by the Jamia Hamdard on the strength of the 60th Meeting of

Executive Council Resolution held on 17.03.2010 and 63rd Meeting of the Executive Council of Meeting held on 05.12.2012 wherein it was resolved to establish a Medical College in the name and style of 'Hamdard Institute of Medical Sciences & Research by Jamia Hamdard (Deemed to be University) in its own campus at Hamdard Nagar, New Delhi. A formal application to MCI was submitted by the Registrar, Jamia Hamdard on 27.09.2010 after obtaining Essentiality Certificate from the Govt. of NCT of Delhi. Accordingly, the Letter of Permission (LoP) was granted by the MCI in favour of the Jamia Hamdard. Jamia Hamdard at no point of time gave any affiliation to HIMSR. (Annexure-2/Colly).

- iv. **Resolution of the Executive Council not to offer MBBS/MD/MS Programmes in HIMSR for new academic year 2025-26 because of large scale violations of UGC Regulations, 2023:** The Executive Council in its 70th Meeting held on 27.02.2025 because of larger violations of UGC (Institutions Deemed to be Universities) Regulations, 2023 in relation to admission of students, illegal fee collection and diversion of university funds to third party bank accounts, it was resolved to not to include the medical programmes (MBBS/MD/MS) in the University Admission Prospectus for the new academic year 2025-26 to stop further violations by third parties. The EC also resolved that NMC be informed once again about the decision of the University bodies to stop illegal admissions by unauthorised persons using the name of Jamia Hamdard on the MCC portal in the academic year 2025-26. The ADG (Medical Education) and Secretary, NMC was informed about the decisions taken by the Academic Council and Executive Council related to the admission of medical students in HIMSR vide letter F.No. JH/RO/HIMSR.2025/ECOR/55, dated 25.04.2025, followed by a second letter of even No.ECOR/62, dated 09.05.2025 (Annexure-3). But unfortunately, none of these communications were taken cognizance by the NMC or MCC which ultimately resulted into filing of a Civil Writ Petition No. 6511 of 2025 by Jamia Hamdard in which Ministry of Health and Family Welfare, NMC and MCC are parties. Finding no alterative and in order to protect the interest of the Jamia Hamdard and prospective medical students, a formal letter requesting withdrawal of MBBS (150 seats), MD/MS 49 seats in HIMSR for the academic session 2025-26 was sent to the NMC as well as MCC vide letter of even No. ECOR/74 & 75 dated 06.06.2025. In the said letter, the Jamia Hamdard had categorically stated *that a stage has been reached where it may not be possible for the Jamia Hamdard to offer the MBBS and MD/MS programmes for the new academic year 2025-26.*

2. In the light of the decisions of the Academic Council and Executive Council of the Jamia Hamdard and in order to stop the larger scale violations of UGC (Institutions Deemed to be Universities) Regulations, 2023 by third parties, I am hereby reconfirming the withdrawal of all the previous letters of consent for offering MBBS, MD/MS programmes in HIMSR issued by the Jamia Hamdard (Deemed to be University) for the new academic year 2025-26.

Yours faithfully,

(Dr. Sarfaraz Ahsan)
