#### NOTICE No. JH (Admission)/2026/04/01

Admissions to all programmes at Jamia Hamdard are conducted through a **centralised counselling process** in a completely transparent manner, either online or offline, strictly based on the merit of candidates in examinations such as **NEET / JEE / CUET / MAT / GPAT / CET / CLAT / Board examinations**, conducted by the National Testing Agency, University, or other approved boards.

It has come to the University's notice that certain **unauthorised agencies and individuals** are falsely representing themselves as admission agents of Jamia Hamdard. They claim to secure admissions in various programmes and demand money through cash transfers or digital payment applications.

The University has received complaints from candidates and parents regarding such fraudulent activities. These agents/touts often:

- Promise **direct admission** into programmes
- Contact candidates via phone calls, emails, or WhatsApp
- Illegally access personal contact details
- Demand money and, in some cases, **blackmail candidates**

#### Important Advisory

- Jamia Hamdard **does NOT appoint any agents or intermediaries** for admissions.
- All admission-related information is available only on the official website:  
[www.jamiahamdard.ac.in](http://www.jamiahamdard.ac.in)

- **Not transfer money** to any individual claiming to offer admission
- Preserve evidence (messages, call details, etc.) and report such incidents to:  
**Registrar, Jamia Hamdard**

The University will take strict legal action, including filing an **FIR**, against such fraudulent agents involved in cheating or misuse of candidate information.
